Report on the Combined Historical Summary

We have audited the accompanying combined statement of revenue and certain expenses (the Combined Historical Summary) of the Oklahoma Portfolio (including properties commonly referred to as The Augusta Apartments, Heritage Park Apartments, The Invitational Apartments, Raindance Apartments and Windrush Apartments), for the year ended December 31, 2013, and the related notes to the Combined Historical Summary.

Management's Responsibility for the Combined Historical Summary

Management is responsible for the preparation and fair presentation of the Combined Historical Summary in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the Combined Historical Summary that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the Combined Historical Summary based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Combined Historical Summary is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Combined Historical Summary. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Combined Historical Summary, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the Combined Historical Summary in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Combined Historical Summary.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the Combined Historical Summary referred to above presents fairly, in all material respects, the revenue and certain expenses described in Note 1 to the Combined Historical Summary of the Oklahoma Portfolio for the year ended December 31, 2013, in accordance with accounting principles generally accepted in the United States of America.

Basis of Presentation

As described in Note 1 to the Combined Historical Summary, the accompanying Combined Historical Summary was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission (for inclusion in Form 8-K/A of Independence Realty Trust, Inc.) and is not intended to be a complete presentation of the Oklahoma Portfolio's revenue and expenses. Our opinion is not modified with respect to this matter.

THE OKLAHOMA PORTFOLIO
NOTES TO COMBINED STATEMENT OF REVENUE AND CERTAIN EXPENSES**FOR THE YEAR ENDED DECEMBER 31, 2013****NOTE 1: ORGANIZATION AND BASIS OF PRESENTATION**

The accompanying statement of revenue and certain expenses (the Combined Historical Summary) includes the revenue and certain expenses of the following properties (hereinafter referred to as the Oklahoma Portfolio):

Property Name	Type	Units	Location
The Augusta Apartments	Multi-family	197	Oklahoma City, OK
Heritage Park Apartments	Multi-family	453	Oklahoma City, OK

On October 16, 2013 a definitive agreement was entered into with a seller and Independence Realty Trust (IRT) for the acquisition of a portfolio of five multi-family properties (the Oklahoma Portfolio) for a purchase price equal to \$65.0 million.

The Combined Historical Summary has been prepared for the purpose of complying with the provisions of Article 3-14 of Regulation S-X promulgated by the Securities and Exchange Commission (the SEC), which requires certain information with respect to real estate operations to be included with certain filings with the SEC. The Combined Historical Summary includes the historical revenue and certain expenses of the Oklahoma Portfolio, exclusive of items which may not be comparable to the proposed future operations of the Oklahoma Portfolio. Material amounts that would not be directly attributable to future operating results of the Oklahoma Portfolio are excluded, and the Combined Historical Summary is not intended to be a complete presentation of the Oklahoma Portfolio's revenue and expenses. Items excluded consist principally of interest on mortgages, depreciation, and asset management fees for the Oklahoma Portfolio.

The Combined Historical Summary presents the revenue and certain expenses of the Oklahoma Portfolio during the identified period and may not be comparable to future periods. Management is not aware of any material factors relating to the Oklahoma Portfolio other than those already described above that would cause the reported financial information not to be necessarily indicative of future operating results.

In the preparation of the accompanying Combined Historical Summary, subsequent events were evaluated through May 12, 2014, the date the financial statements were available to be issued.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**a. Revenue Recognition**

Rental income attributable to residential leases is recorded when due from residents, generally upon the first day of the month. Leases are for periods of up to one year, with rental payments due monthly. Other income results from fees for late payments, cleaning, damages, storage, parking, and laundry facilities and is recorded when earned.

THE OKLAHOMA PORTFOLIO

NOTES TO COMBINED STATEMENT OF REVENUE AND CERTAIN EXPENSES

FOR THE YEAR ENDED DECEMBER 31, 2013

b. Property Management Fees

For the year ended December 31, 2013, property management fees were \$466,736.

c. Bad Debt Expense

The Oklahoma Portfolio recognizes bad debt expense for uncollectible receivables. Management's estimate of bad debt expense is based on expected and inherent risks of collectability for receivables from tenants. For the year ended December 31, 2013, bad debt expenses were \$18,059.

d. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported periods. Actual results could differ from those estimates.

NOTE 3: COMMITMENTS AND CONTINGENCIES

Litigation

The Oklahoma Portfolio may be subject to various claims and legal proceedings that arise in the ordinary course of its business activities. Management believes that any liability that may ultimately result from the resolution of these matters will not have a material adverse effect on the financial condition or results of operations of the Oklahoma Portfolio.

- (J) Reflects asset management fees payable to our advisor as a result of the acquisitions of Berkshire Square in September 2013, The Crossings in November 2013, the Reserve at Eagle Ridge in January 2014 and the Oklahoma Portfolio in February 2014, assuming they were acquired on January 1, 2013. Pursuant to our advisory agreement, asset management fees are payable at the annual rate of 0.75% on the gross assets acquired after August 14, 2013. The acquisitions of Berkshire Square, The Crossings, the Reserve at Eagle Ridge and the Oklahoma Portfolio will increase gross assets by \$132,784, or approximately \$996 of asset management fees on an annual basis. For the year ended December 31, 2013, additional asset management fees of \$951 would be due associated with these acquisitions.
- (K) Reflects actual acquisition costs of \$77 for the Reserve at Eagle Ridge, acquired on January 31, 2014, and \$190 for the Oklahoma Portfolio, acquired on February 28, 2014.
- (L) Reflects depreciation expense for Berkshire Square, The Crossings, the Reserve at Eagle Ridge and the Oklahoma Portfolio based on a 40 year useful life for buildings and a five year useful life for furniture, fixtures and equipment.

Also includes the amortization of the in-place lease values over the estimated life of six months during the year ended December 31, 2013, \$281 for Berkshire Square, \$452 for the Crossings, \$457 for the Reserve at Eagle Ridge and \$1,269 for the Oklahoma Portfolio. The pro-forma adjustment for depreciation and amortization includes the amount needed to record a full year of depreciation and to fully amortize the in-place lease values in 2013 as each of these properties are assumed to be acquired on January 1, 2013.

- (M) The pro forma adjustment for interest expense reflects the following transactions as if they occurred on January 1, 2013: (i) \$2,500 of revolving credit facility borrowings for the acquisition of the Crossings in November 2013, (ii) \$8,612 of mortgage indebtedness associated with Berkshire Square in December 2013 (iii) \$18,850 of mortgage indebtedness associated with the acquisition of the Reserve at Eagle Ridge in January 2014 and (iv) \$45,763 of mortgage indebtedness associated with the acquisition of the Oklahoma Portfolio in February 2014. The pro forma adjustment was calculated as follows for the year ended December 31, 2013:

	Indebtedness	Interest Rate	Pro Forma Interest Expense
Line of Credit borrowings(1)	\$ 2,500	2.94%	\$ 64
Berkshire Square mortgage (2)	8,612	4.42%	366
Reserve at Eagle Ridge	18,850	4.67%	880
Oklahoma Portfolio (3)	48,312	2.80%	1,353
Total/Weighted Average	\$ 78,274	3.43%	\$ 2,663

- (1) Interest on the line of credit accrues at an annual rate of 1 month LIBOR plus 275 basis points. The interest rate above reflects an average 1 month LIBOR of 0.19% for 2013. On November 22, 2013 we had \$2,500 of debt outstanding on this credit facility. As such, interest expense from November 22, 2013 through December 31, 2013 is included in our historical operating results. The pro forma interest expense adjustment, therefore, includes the period from January 1, 2013 to November 21, 2013.
- (2) Berkshire Square was acquired on September 19, 2013. Financing was obtained on December 27, 2013. As such, interest expense from December 27, 2013 through December 31, 2013 is included in our historical operating results. The pro forma interest expense adjustment, therefore, includes the period from January 1, 2013 to December 26, 2013.
- (3) The Oklahoma Portfolio first mortgage has an unpaid principal balance of \$45,763, a contractual rate of 5.6% and matures of April 1, 2016. Upon the acquisition, we recorded the assumed mortgage at fair value based on a market rate of 2.8% for the remaining term. This resulted in a \$2,549 premium being recorded for the assumed mortgage. The total carrying amount of the first mortgage is \$48,312.
- (N) In August 2013, we redeemed, in full, our Series A Preferred Shares at par. This adjustment reflects that redemption as if it occurred on January 1, 2013.
- (O) In August 2013, we redeemed, in full, our Series B Preferred Units of our operating partnership at par. This adjustment reflects that redemption as if it occurred on January 1, 2013.
