Item 1.01 Entry into a Material Definitive Agreement.

On June 17, 2014, Univest Corporation of Pennsylvania (Univest), Univest Bank and Trust Co. (Univest Bank), a wholly owned subsidiary of Univest, and Valley Green Bank (Valley Green) entered into an Agreement and Plan of Merger (the Merger Agreement) pursuant to which Valley Green will be merged with and into Univest Bank (the Merger). As a result of the Merger, the separate corporate existence of Valley Green will cease and Univest Bank will continue as the surviving corporation in the Merger.

The Merger Agreement provides that, upon completion of the Merger, Valley Green shareholders will receive Univest common stock at a ratio (the Exchange Ratio) equal to the quotient (carried to four decimal places) of \$27.00 divided by the average closing price of the Univest common stock for each consecutive trading day during the twenty (20) days immediately preceding the effective time of the Merger (the Univest Average Closing Price), provided the Exchange Ratio shall not exceed 1.4949 or be less than 1.2231. The Exchange Ratio is subject to customary anti-dilution adjustments in the event of stock splits, stock dividends and similar transactions involving Univest common stock. The transaction is expected to qualify as a tax-free reorganization for federal income tax purposes.

Following completion of the Merger, Valley Green will continue to operate as a separate banking division of Univest Bank for a period of at least twenty-four (24) months. In addition, the Merger Agreement provides that Univest will appoint Jay R. Goldstein and Michael L. Turner, current members of Valley Green 's board of directors, to the Univest board of directors effective upon closing of the Merger. Univest has also agreed to nominate each director for an additional three-year term at the completion of their first term on the Univest board of directors. Jay R. Goldstein, the current President and Chief Executive Officer of Valley Green will continue as President of the Valley Green Bank Division of Univest Bank following the completion of the Merger.

Valley Green has agreed to various customary covenants and agreements, including (1) to conduct its business in the ordinary course consistent with past practice during the interim period between the execution of the Merger Agreement and the consummation of the Merger, (2) not to engage in certain kinds of transactions or take certain actions during this period (without the prior written consent of Univest), and (3) to convene and hold a meeting of its shareholders to consider and vote upon the Merger. In addition, subject to certain limited exceptions, Valley Green is subject to restrictions on its ability to solicit alternative acquisition proposals, provide information and engage in discussions with third parties.

Univest has agreed to various customary covenants and agreements, including (1) to convene and hold a meeting of its shareholders to consider and vote upon the Merger and (2) not to take certain actions during the interim period between the execution of the Merger Agreement and the consummation of the Merger (without the prior written consent of Valley Green).

Completion of the Merger is subject to a number of customary conditions, including, among others, (a) the approval of the Merger Agreement by the shareholders of each of Valley Green and Uninvest, (b) the effectiveness of the registration statement to be filed by Uninvest with the Securities and Exchange Commission relating to the Uninvest common stock to be issued in the Merger, (c) approval of the listing on The Nasdaq Stock Market, LLC of the shares of Uninvest common stock to be issued in the Merger, (d) the absence of any law or order prohibiting the closing of the Merger, and (e) receipt of required regulatory approvals without the imposition of any condition or requirement, excluding standard conditions that are normally imposed by the regulatory authorities in bank merger transactions, that would, in good faith reasonable judgment of the board of directors of either Uninvest or Valley Green, materially and adversely affect the business, operations, financial condition, property or assets of the combined enterprise or materially impair the value of Valley Green to Uninvest. Each party's obligations to consummate the Merger is also subject to certain additional customary conditions, including: (i) subject to certain exceptions, the accuracy of the representations and warranties of the other party, (ii) performance in all material respects by the other party of its obligations, (iii) not more than 10% of the outstanding shares of Valley Green common stock have properly effected their dissenters' rights, (iv) there shall not have occurred, since the date of the Merger Agreement, a Material Adverse Effect (as such term is defined in the Merger Agreement) with respect to Uninvest and Uninvest Bank on the one hand, and Valley Green, on the other hand, and (v) the receipt by such party of an opinion from its counsel to the effect that the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended. The obligation of Uninvest to complete the Merger is also conditioned on the execution of non-solicitation agreements and employment agreements by designated employees of Valley Green.

The Merger Agreement, in addition to providing that the parties can mutually agree to terminate the Merger Agreement, contains certain termination rights for both Uninvest and Valley Green, as the case may be, including: (1) final, non-appealable denial for required regulatory approvals or an injunction prohibiting the transactions contemplated by the Merger Agreement; (2) if the Merger has not been completed by March 31, 2015, or such later date as shall have been agreed to in writing by Uninvest and Valley Green; (3) a breach by the other party that is not or cannot be cured within 30 days' notice of such breach if such breach would result in a failure of the conditions to closing set forth in the Merger Agreement; (4) failure of either Uninvest's shareholders or Valley Green's shareholders to approve the Merger; (5) failure by the Valley Green board of directors to recommend that its shareholders approve the Merger at a time such recommendation is required or a withdrawal or adverse modification of that recommendation; or (6) the Valley Green board of directors has made a determination to accept a Superior Proposal or has entered into an agreement with respect to a Superior Proposal.

Superior Proposal means any bona fide written proposal made by a third party to enter into a Valley Green acquisition transaction on terms that the Valley Green board of directors determines in its good faith judgment, after consultation with and having considered the advice of its outside legal counsel and financial advisor (i) would, if consummated, result in the acquisition of all, but not less than all, of the issued and outstanding shares of Valley Green common stock or all, or substantially all, of the assets of Valley Green and the Valley Green subsidiaries on a consolidated basis; (ii) would result in a transaction that (A) involves consideration to the holders of the shares of Valley Green common stock that is more favorable, from a financial point of view, than the consideration to be paid to Valley Green's shareholders pursuant to the Merger Agreement, considering, among other things, the nature of the consideration being offered and any material regulatory approvals or other risks associated with the timing of the proposed transaction beyond or in addition to those specifically contemplated by the Merger Agreement, and which proposal is not conditioned upon obtaining additional financing and (B) is, in light of the other terms of such proposal, more favorable to Valley Green than the Merger and the transactions contemplated by the Merger Agreement; and (iii) is reasonably likely to be completed on the terms proposed, in each case taking into account all legal, financial, regulatory and other aspects of the proposal.

The Merger Agreement contains additional termination rights for both Valley Green and Univest, including the right of Valley Green to terminate in the event that (i) the twenty (20) trading day average closing price of Univest common stock ending on the later of (x) the date of the last regulatory approval or (y) the date of the Valley Green shareholders meeting (the Univest Determination Date Market Value) is less than eighty percent (80%) of the Univest closing price immediately before signing (the Initial Univest Market Value) and (ii) the quotient (the Univest Ratio) obtained by dividing the Univest Determination Date Market Value by the Initial Univest Market Value is less than the quotient obtained by dividing (A) the closing Nasdaq Bank Index price at the later of the dates in clause (x) and (y) above by (B) the closing Nasdaq Bank Index price immediately before signing (the Index Ratio) and subtracting 0.20 from the Index Ratio. In the event Valley Green elects to exercise such termination right, Valley Green must give written notice thereof to Univest. Univest, within a five business day period following receipt of such notice may adjust the Merger consideration to the lower of \$27.00 or the product of \$27.00 and the Index Ratio.

Valley Green and Univest each also has the right to terminate the Merger Agreement under certain circumstances relating to other permitted acquisition proposals and, in the event of such termination, Valley Green would be obligated to pay Univest a termination fee of \$3.0 million. Valley Green would also be obligated to reimburse Univest for its actual expenses connected with the transaction up to \$500,000 if the Merger Agreement is terminated by either party following the failure of the Valley Green shareholders to approve the Merger and, prior to the Valley Green shareholders' meeting, any person proposed or publicly announced an acquisition proposal.

The foregoing summary of the Merger Agreement is not complete and is qualified in its entirety by reference to the complete text of such document, which is attached hereto as Exhibit 2.1 and incorporated herein by reference. The representations, warranties, and covenants of each party set forth in the Merger Agreement have been made only for purposes of, were and are solely for the benefit of the parties to, the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors.

Concurrently with the execution of the Merger Agreement, directors and executive officers of Valley Green have entered into separate affiliate letters with Univest pursuant to which such individuals have agreed, subject to the terms set forth therein, to vote their shares of Valley Green common stock that they are entitled to vote for the merger and related matters and to become subject to certain transfer restrictions with respect to their holdings of Valley Green common stock. In addition, concurrently with the execution of the Merger Agreement, the directors and executive officers of Univest entered into separate affiliate letters with Valley Green pursuant to which such individuals have agreed, subject to the terms set forth therein, to vote their shares of Univest common stock that they are entitled to vote for the Merger and related matters and to become subject to certain transfer restrictions with respect to their holdings of Univest common stock. Each of these affiliate letters terminates in accordance with its terms if the Merger Agreement is terminated, and in other specified circumstances.

The Merger Agreement has been included as an exhibit to this Current Report on Form 8-K to provide information regarding its terms. The Merger Agreement contains representations and warranties that the parties have made to each other as of specific dates. The assertions embodied in the representations and warranties in the Merger Agreement were made solely for purposes of the Merger Agreement and the transactions and agreements contemplated thereby among the parties thereto and may be subject to important qualifications and limitations agreed to by the parties thereto in connection with negotiating the terms thereof. Moreover, some of those representations and warranties may not be accurate or complete as of any specified date, may be subject to a contractual standard of materially different from those generally applicable to shareholders, and may have been used for the purposes of allocating risk among the parties to the Merger Agreement rather than establishing matters as fact.
