Item 1.01. Entry into a Material Definitive Agreement.

VantaCore Merger Agreement

On August 18, 2014, Natural Resource Partners L.P. (NRP), NRP (Operating) LLC (NRP Operating), Rubble Merger Sub, LLC, a wholly owned subsidiary of NRP Operating (Merger Sub), VantaCore Partners LP (VantaCore), VantaCore LLC (VantaCore GP), TCP VantaCore SPV, LLC, Kayne Anderson Energy Development Company, Corridor Private Holdings, Inc. and Hartz Alternative Investments, LLC entered into an Agreement and Plan of Merger (the Merger Agreement) whereby VantaCore and VantaCore GP will merge with and into Merger Sub with Merger Sub surviving as a wholly owned subsidiary of NRP Operating (the Merger). As consideration for the Merger, NRP will pay a purchase price of \$205 million, subject to customary purchase price adjustments. NRP will fund the purchase price through a combination of cash and the issuance of common units representing limited partner interests in NRP (Common Units) to certain of the unitholders of VantaCore and certain of the members of VantaCore GP (together, the Rollover Holders).

The Merger Agreement contains customary representations, warranties and covenants by each of the parties thereto, including covenants by VantaCore and VantaCore GP to conduct the business of VantaCore in all material respects in the ordinary course of business. In addition, the Merger Agreement provides for indemnification rights with respect to a breach of a representation, warranty or covenant by either party, as well as for other specified matters.

Completion of the Merger is subject to customary closing conditions, including, among other things (i) subject to specified materiality standards, the accuracy of the representations and warranties of, and the performance of all covenants by, the parties to the Merger Agreement; (ii) the absence of a material adverse effect with respect to the business of VantaCore or Vantacore GP; (iii) subject to certain thresholds, the absence of casualty losses with respect to the assets of VantaCore; (iv) the absence of certain legal injunctions or impediments prohibiting the Merger and the other transactions contemplated by the Merger Agreement; (v) expiration or termination of all applicable waiting periods under the Hart-Scott-Rodino Antitrust Improvement Act of 1976, as amended; and (vi) the execution and delivery of certain ancillary documents contemplated by the Merger Agreement. The Merger has been approved by the VantaCore unitholders and is not subject to approval of the NRP unitholders.

The Merger Agreements contains provisions granting NRP, on the one hand, and VantaCore and VantaCore GP, on the other hand, the right to terminate the Merger Agreement if (i) the closing of the Merger does not occur on or before October 15, 2014; (ii) there is a legal injunction or other impediment prohibiting the Merger and the other transactions contemplated by the Merger Agreement; or (iii) the other party breaches a representation, warranty or covenant, and such breach results in the failure of certain closing conditions to be satisfied.

A copy of the Merger Agreement is filed as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated by reference hereby. The description of the Merger Agreement in this Current Report on Form 8-K is a summary and is qualified in its entirety by reference to the complete text of such agreement.

The Merger Agreement has been included to provide investors with information regarding its terms. It is not intended to provide any other factual information about NRP. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of such Merger Agreement and as of specific dates, were solely for the benefit of the parties to such Merger Agreement, and may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures exchanged between the parties in connection with the execution of the Merger Agreement. The representations and warranties may have been made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors.

Item 3.02. Unregistered Sales of Equity Securities.

On August 18, 2014, NRP entered into a Contribution and Rollover Agreement with the Rollover Holders, whereby NRP agreed to issue Common Units to such Rollover Holders in exchange for such Rollover Holders' interests in VantaCore and VantaCore GP upon closing of the Merger. The number of Common Units to be issued by NRP will be adjusted in accordance with the purchase price adjustment provisions of the Merger Agreement. NRP currently anticipates that the aggregate offering price of the Common Units will be approximately \$36 million. Such Common Units will be issued and sold in reliance upon an exemption from the registration requirements of the Securities Act of 1933, pursuant to Section 4(2) thereof.
