Forward Looking Statements

This report includes certain forward-looking statements, estimates and projections that are based on current expectations only, and are subject to a number of risks, uncertainties and assumptions, many of which are beyond the control of CenturyLink and Qwest. Actual events and results may differ materially from those anticipated, estimated or projected if one or more of these risks or uncertainties materialize, or if underlying assumptions prove incorrect. Factors that could affect actual results include but are not limited to Qwest's failure to satisfy the conditions to the underwriters' obligation to consummate the offering; the possibility that corporate developments could preclude, impair or delay the above-described offering due to restrictions under the federal securities laws; changes in the terms or availability of CenturyLink's credit facility; changes in Qwest's credit ratings; changes in Qwest's cash requirements or financial position; changes in general market, economic, tax, regulatory or industry conditions that impact the ability or willingness of Qwest to consummate the above-described offering or listing on the terms described above or at all; Qwest's continued access to credit markets on favorable terms; and other risks referenced from time to time in CenturyLink's or Qwest's filings with the Securities and Exchange Commission. There can be no assurances that the above-described offering will be consummated or the notes will be listed on the terms described above or at all. You should be aware that new factors may emerge from time to time and it is not possible for CenturyLink or Qwest to identify all such factors, nor can CenturyLink or Qwest predict the impact of each such factor on its plans, or the extent to which any one or more factors may cause actual results to differ from those reflected in any of their forward-looking statements. You are further cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date of this report. Neither CenturyLink nor Qwest undertakes any obligation to update any of its forward-looking statements for any reason.
