Issuance of 2014 Tower Revenue Securities

On October 15, 2014, pursuant to the terms of the Purchase Agreement, SBA Tower Trust (the Trust), a New York common law trust established by an indirect subsidiary of the Company, issued, and the initial purchasers purchased, \$1.54 billion aggregate principal amount of Secured Tower Revenue Securities, consisting of \$920 million aggregate principal amount of 2014-1 Tower Securities and \$620 million aggregate principal amount of 2014-2 Tower Securities.

The 2014-1 Tower Securities have an anticipated repayment date of October 2019, a final maturity date of October 2044 and an interest rate of 2.898% per annum, payable monthly, and the 2014-2 Tower Securities have an anticipated repayment date of October 2024, a final maturity date of October 2049 and an interest rate of 3.869% per annum, payable monthly. Tower Revenue Securities Terms

The Mortgage Loan is the sole asset of the Trust. The aggregate principal amount of the loan components outstanding under the Mortgage Loan is \$4.03 billion, comprised of the \$550 million loan component with the same terms and conditions as the 2010-2 Tower Securities, the \$610 million loan component with the same terms and conditions as the 2012-1 Tower Securities, the \$425 million loan component with the

same terms and conditions as the 2013-1C Tower Securities, the \$330 million loan component with the same terms and conditions as the 2013-1D Tower Securities, the \$575 million loan component with the same terms and conditions as the 2013-2C Tower Securities, the \$920 million loan component with the same terms and conditions as the 2014-1 Tower Securities and the \$620 million loan component with the same terms and conditions as the 2014-2 Tower Securities .

The Mortgage Loan underlying the 2010-2 Tower Securities, 2012-1 Tower Securities, 2013 Tower Securities and 2014 Tower Securities (together the Tower Securities) will be paid from the operating cash flows from the aggregate 9,545 tower sites owned by the 2014 Borrowers. The Mortgage Loan is secured by (i) mortgages, deeds of trust and deeds to secure debt on a substantial portion of the tower sites, (ii) a security interest in the towers and substantially all of the 2014 Borrowers' personal property and fixtures, (iii) the 2014 Borrowers' rights under tenant leases, and (iv) all of the proceeds of the foregoing. For each calendar month, SBA Network Management, Inc., an indirect subsidiary of the Company, is entitled to receive a management fee equal to 4.5% of the 2014 Borrowers' operating revenues for the immediately preceding calendar month.

The 2014 Borrowers may prepay any of the components of the Mortgage Loan with no prepayment consideration, (i) within nine months (in the case of the component corresponding to the 2010-2 Tower Securities), twelve months (in the case of the components corresponding to the 2012-1 Tower Securities, 2013-1C Tower Securities, 2013-1D Tower Securities and 2014-1 Tower Securities), or eighteen months (in the case of the components corresponding to the 2013-2C Tower Securities and 2014-2 Tower Securities) of the anticipated repayment date of such mortgage loan component, (ii) with proceeds received as a result of any condemnation or casualty of any tower owned by the 2014 Borrowers or (iii) during an amortization period. In all other circumstances, the 2014 Borrowers may prepay the Mortgage Loan, in whole or in part, upon payment of the applicable prepayment consideration. The prepayment consideration is determined based on the class of the Tower Securities to which the prepaid Mortgage Loan component corresponds and consists of an amount equal to the excess, if any, of (1) the present value associated with the portion of the principal balance being prepaid, calculated in accordance with the formula set forth in the Second Mortgage Loan Agreement, on the date of prepayment of all future installments of principal and interest required to be paid from the date of prepayment to and including the first due date within nine months (in the case of the component corresponding to the 2010-2 Tower Securities), twelve months (in the case of the components corresponding to the 2012-1 Tower Securities, Series 2013-1C Tower Securities, 2013-1D Tower Securities and 2014-1 Tower Securities), or eighteen months (in the case of the components corresponding to the 2013-2C Tower Securities and 2014-2 Tower Securities) of the anticipated repayment date of such mortgage loan component over (2) that portion of the principal balance of such class prepaid on the date of such prepayment.

To the extent that the mortgage loan components corresponding to the Tower Securities are not fully repaid by their respective anticipated repayment dates, the interest rate of each such component will increase by the greater of (i) 5% and (ii) the amount, if any, by which the sum of (x) the ten-year U.S. treasury rate plus (y) the credit-based spread for such component (as set forth in the Second Mortgage Loan Agreement) plus (z) 5%, exceeds the interest rate for such component.

The Second Mortgage Loan Agreement also includes covenants customary for mortgage loans subject to rated securitizations. Among other things, the 2014 Borrowers are prohibited from incurring other indebtedness for borrowed money or further encumbering their assets. The Second Mortgage Loan Agreement did not amend any of the other material terms of the Mortgage Loan, including the operation of the deposit account and reserve accounts or the debt service coverage ratio set forth.

Amendment to the Management Agreement

Pursuant to the Management Agreement previously executed by certain of the 2014 Borrowers, SBA Network Management, Inc., an indirect subsidiary of the Company, was entitled to receive a management fee equal to 7.5% of the 2014 Borrowers' operating revenues for the immediately preceding calendar month and pursuant to the Cash Management Agreement, all rents and other sums due on the tower sites owned by the 2014 Borrowers are directly deposited by the lessees and are held, and subsequently distributed, by the trustee pursuant to the terms of the Second Mortgage Loan Agreement. The Management Agreement was amended to reduce the management fee from 7.5% to 4.5%, and all other material terms and conditions of the Management Agreement remain unchanged.
