The Company

Sprouts Farmers Market operates as a healthy grocery store that offers fresh, natural and organic food that includes fresh produce, bulk foods, vitamins and supplements, grocery, meat and seafood, bakery, dairy, frozen foods, body care and natural household items catering to consumers growing interest in eating and living healthier. Since our founding in 2002, we have grown rapidly, significantly increasing our sales, store count and profitability. We are one of the largest specialty retailers of fresh, natural and organic food in the United States.

The cornerstones of our business are fresh, natural and organic products at compelling prices (which we refer to as Healthy Living for Less), an attractive and differentiated shopping experience, and knowledgeable team members who we believe provide best-in-class customer service and product education.

Healthy Living for Less. We offer high-quality, fresh, natural and organic products at attractive prices in every department. Consistent with our farmers market heritage, our offering begins with fresh produce, which we source, warehouse and distribute in-house and sell at prices we believe to be significantly below those of other food retailers. In addition, our scale, operating structure and deep industry relationships position us to consistently deliver Healthy Living for Less throughout the store. Based on our experience, we believe we attract a broad customer base, including conventional supermarket customers, and appeal to a much wider demographic than other specialty retailers of natural and organic food. We believe that over time, our compelling prices and product offering convert many trial customers into loyal lifestyle customers who shop Sprouts with greater frequency and across an increasing number of departments.

Attractive, Differentiated Shopping Experience. In a convenient, small-box format (average store size of 28,000 to 30,000 sq. ft.), our stores have a farmers market feel, with a bright, open-air atmosphere to create a comfortable and engaging in-store experience. We strive to be our customers' everyday healthy grocery store. We feature fresh produce and bulk foods at the center of the store surrounded by a complete grocery offering, including vitamins and supplements, grocery, meat and seafood, bakery, dairy, frozen foods, beer and wine, body care and natural household items. Consistent with our fresh, natural and organic offering, we choose not to carry most of the traditional, national branded consumer packaged goods generally found at conventional grocery retailers (e.g., Doritos, Tide and Lucky Charms). Instead, we offer high-quality, healthier alternatives that emphasize our focus on fresh, natural and organic products at great values.

Selling Stockholders

In 2002, Sprouts Farmers Markets, LLC, an Arizona limited liability company opened the first Sprouts Farmers Market store in Chandler, Arizona. In 2011, we were formed when Sprouts Arizona combined with Henry's Holdings, LLC (referred to as Henry's), which operated 35 Henry's Farmers Markets stores and eight Sun Harvest Market stores (referred to as the Henry's Transaction). The Henry's Transaction was led by investment funds affiliated with, and co-investment vehicles managed by, Apollo Management VI, L.P. (referred to as the Apollo Funds), including each of the selling stockholders. The Apollo Funds are affiliates of Apollo Global Management, LLC (together with its subsidiaries, referred to as Apollo). In May 2012, we acquired Sunflower Farmers Market, Inc., which operated 37 Sunflower Farmers Market stores (referred to as Sunflower). We refer to this as the Sunflower Transaction. The Henry's Transaction and the Sunflower Transaction are collectively referred to as the Transactions. Following the Transactions, immediately prior to our initial public offering, the Apollo Funds held approximately 51.8% of our common equity.

On July 31, 2013, we priced our initial public offering and on August 1, 2013, our common stock began trading on the Nasdaq Global Select Market. Following our IPO, the Apollo Funds ownership interest in us was approximately 44.5%. The Apollo Funds, together with other pre-IPO stockholders, sold shares of our common stock to the public in registered secondary offerings completed in November 2013, March 2014 and August 2014. The Apollo Funds also sold shares of our common stock to the public in a registered secondary offering completed in November 2014. As of the date of this prospectus, the Apollo Funds hold 15,847,800 shares, representing approximately 10.4% of our common stock, all of which are offered hereby.

Our Chairman of the Board, Andrew Jhawar, is a senior partner of Apollo Management, L.P., an affiliate of Apollo. Based upon the foregoing, each of the selling stockholders may be deemed an affiliate of the Company.

DESCRIPTION OF CAPITAL STOCK

General

Our authorized capital stock consists of 200,000,000 shares of common stock, \$0.001 par value per share, and 10,000,000 shares of undesignated preferred stock, \$0.001 par value per share. The following description summarizes the most important terms of our capital stock. Because it is only a summary, it does not contain all the information that may be important to you. For a complete description, you should refer to our certificate of incorporation and bylaws, which are included as exhibits to the registration statement of which this prospectus forms a part, and to the provisions of applicable Delaware law.

Common Stock

As of February 24, 2015, there were 152,064,393 shares of our common stock outstanding, held by 146 stockholders of record, and no shares of our preferred stock outstanding.

Dividend Rights

Subject to preferences that may apply to shares of preferred stock outstanding at the time, the holders of outstanding shares of our common stock are entitled to receive dividends out of funds legally available at the times and in the amounts that our board of directors may determine.

Voting Rights

Each holder of our common stock is entitled to one vote for each share of common stock held on all matters submitted to a vote of stockholders. Cumulative voting for the election of directors is not provided for in our certificate of incorporation, which means that the holders of a majority of our shares of common stock voted can elect all of the directors then standing for election.

Preemptive or Similar Rights

Our common stock is not entitled to preemptive rights and is not subject to conversion or redemption. The rights of the holders of our common stock are subject to, and may be adversely affected by, the rights of the holders of shares of any series of our preferred stock that our board of directors may designate and issue in the future.

Liquidation Rights

Upon our liquidation, dissolution, or winding-up, the assets legally available for distribution to our stockholders would be distributable ratably among the holders of our common stock and any participating preferred stock outstanding at that time after payment of liquidation preferences, if any, on any outstanding shares of preferred stock and payment of other claims of creditors.

Preferred Stock

Our board of directors is authorized, subject to limitations prescribed by Delaware law, to issue up to 10,000,000 shares of our preferred stock in one or more series, to establish from time to time the number of shares to be included in each series, to fix the designation, powers, preferences, and rights of the shares of each series and any of its qualifications, limitations, or restrictions, in each case without further action by our stockholders. Our board of directors can also increase or decrease the number of shares of any series of preferred stock, but not below the number of shares of that series

Table of Contents

then outstanding. Our board of directors may authorize the issuance of preferred stock with voting or conversion rights that could adversely affect the voting power or other rights of the holders of the common stock. The issuance of preferred stock, while providing flexibility in connection with possible acquisitions and other corporate purposes, could, among other things, have the effect of delaying, deferring, or preventing a change in our control and might adversely affect the market price of our common stock and the voting and other rights of the holders of our common stock. We have no current plan to issue any shares of preferred stock.

Options and Restricted Stock Units

As of February 24, 2015, we had outstanding stock options to purchase an aggregate of 6,604,528 shares of our common stock, at a weighted average exercise price of \$5.85 per share, outstanding under our 2011 Option Plan and our 2013 Incentive Plan and 99,375 shares of common stock issuable upon vesting of restricted stock units outstanding under our 2013 Incentive Plan.

Anti-Takeover Effects of Our Certificate of Incorporation and Bylaws

We are governed by the Delaware General Corporation Law (referred to as the "DGCL"). Our certificate of incorporation and our bylaws contain certain provisions that could have the effect of delaying, deterring, or preventing another party from acquiring control of our company. These provisions, which are summarized below, may discourage coercive takeover practices and inadequate takeover bids. These provisions are also designed, in part, to encourage persons seeking to acquire control of our company to negotiate first with our board of directors. We believe that the benefits of increased protection of our potential ability to negotiate more favorable terms with an unfriendly or unsolicited acquirer outweigh the disadvantages of potentially discouraging a proposal to acquire our company.

Undesignated Preferred Stock

As discussed above, our board of directors has the ability to issue preferred stock with voting or other rights or preferences that could impede the success of any attempt to acquire control of our company. These and other provisions may have the effect of deterring hostile takeovers or delaying changes in control or management of our company.

Limits on Ability of Stockholders to Act by Written Consent or Call a Special Meeting

Our certificate of incorporation provides that our stockholders may not act by written consent, which may lengthen the amount of time required to take stockholder actions. As a result, a holder controlling a majority of our capital stock would not be able to amend our bylaws or remove directors without holding a meeting of our stockholders called in accordance with our bylaws.

In addition, our certificate of incorporation provides that special meetings of the stockholders may be called only by the chairperson of our board or our board of directors. Stockholders may not call a special meeting, which may delay the ability of our stockholders to force consideration of a proposal or for holders controlling a majority of our capital stock to take any action, including the removal of directors.

Requirements for Advance Notification of Stockholder Nominations and Proposals

Our bylaws establish advance notice procedures with respect to stockholder proposals and the nomination of candidates for election as directors, other than nominations made by or at the direction of our board of directors or a committee of our board of directors. These provisions may have the effect of precluding the conduct of certain business at a meeting if the proper procedures are not followed.

Table of Contents

These provisions may also discourage or deter a potential acquirer from conducting a solicitation of proxies to elect the acquirer's own slate of directors or otherwise attempting to obtain control of our company.

Board Classification

Our board of directors is divided into three classes, one class of which is elected each year by our stockholders. The directors in each class serve for three-year terms. In addition, our certificate of incorporation and our bylaws provide that directors may be removed only for cause. The classification of our board of directors and the limitations on the ability of our stockholders to remove directors could make it more difficult for a third party to acquire, or discourage a third party from seeking to acquire, control of our company.

No Cumulative Voting

Our certificate of incorporation and bylaws do not permit cumulative voting in the election of directors. Cumulative voting allows a stockholder to vote a portion or all of the stockholder's shares for one or more candidates for seats on the board of directors. Without cumulative voting, a minority stockholder may not be able to gain as many seats on our board of directors as the stockholder would be able to gain if cumulative voting were permitted. The absence of cumulative voting makes it more difficult for a minority stockholder to gain a seat on our board of directors to influence our board's decision regarding a takeover or otherwise.

Amendment of Charter Provisions

The amendment of the above provisions of our certificate of incorporation and bylaws requires approval by holders of at least two-thirds of our outstanding capital stock entitled to vote generally in the election of directors.

Delaware Anti-Takeover Statute

Our certificate of incorporation provides that we are not governed by Section 203 of the DGCL which, in the absence of such provisions, would have imposed additional requirements regarding mergers and other business combinations.

The provisions of our certificate of incorporation and bylaws could have the effect of discouraging others from attempting hostile takeovers and, as a consequence, might also inhibit temporary fluctuations in the market price of our common stock that often result from actual or rumored hostile takeover attempts. These provisions might also have the effect of preventing changes in our management. It is possible that these provisions could make it more difficult to accomplish transactions that stockholders might otherwise deem to be in their best interests.

Limitations of Liability and Indemnification

Our certificate of incorporation and bylaws provide that we will indemnify our directors and officers, and may indemnify our team members and other agents, to the fullest extent permitted by the DGCL, which prohibits our certificate of incorporation from limiting the liability of our directors for the following:

any breach of the director's duty of loyalty to us or to our stockholders;

Table of Contents

acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law;

unlawful payment of dividends or unlawful stock repurchases or redemptions; and

any transaction from which the director derived an improper personal benefit.

If Delaware law is amended to authorize corporate action further eliminating or limiting the personal liability of a director, then the liability of our directors will be eliminated or limited to the fullest extent permitted by Delaware law, as so amended. Our certificate of incorporation will not eliminate a director's duty of care and, in appropriate circumstances, equitable remedies, such as injunctive or other forms of non-monetary relief, remain available under Delaware law. This provision also does not affect a director's responsibilities under any other laws, such as the federal securities laws or other state or federal laws. Under our bylaws, we will also be empowered to purchase insurance on behalf of any person whom we are required or permitted to indemnify.

In addition to the indemnification required in our certificate of incorporation and bylaws, we have entered into indemnification agreements with each of our current directors and executive officers. These agreements will provide for the indemnification of such persons for all reasonable expenses and liabilities, including attorneys' fees, judgments, fines, and settlement amounts, incurred in connection with any action or proceeding brought against them by reason of the fact that they are or were serving in such capacity. We believe that these bylaw provisions and indemnification agreements are necessary to attract and retain qualified persons as directors and officers. We also maintain directors' and officers' liability insurance.

The limitation of liability and indemnification provisions in our certificate of incorporation and bylaws may discourage stockholders from bringing a lawsuit against directors for breach of their fiduciary duties. They may also reduce the likelihood of derivative litigation against directors and officers, even though an action, if successful, might benefit us and our stockholders. A stockholder's investment may be harmed to the extent we pay the costs of settlement and damage awards against directors and officers pursuant to these indemnification provisions. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers, and controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that, in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act, and is, therefore, unenforceable. There is no pending litigation or proceeding naming any of our directors or officers as to which indemnification is being sought, nor are we aware of any pending or threatened litigation that may result in claims for indemnification by any director or officer.

PLAN OF DISTRIBUTION

The selling shareholders, which as used herein includes pledgees, donees, transferees, assignees, successors and others who later come to hold any of the selling stockholders' interests in shares of our common stock other than through a public sale may, from time to time, sell, transfer, or otherwise dispose of any or all of their shares of common stock or interests in shares of common stock on any stock exchange, market, or trading facility on which the shares are traded or in private transactions. These dispositions may be at fixed prices, at prevailing market prices at the time of sale, at prices related to the prevailing market price, at varying prices determined at the time of sale, or at negotiated prices. The Company understands that under current SEC guidance the selling stockholders may be deemed to be underwriters within the meaning of the Securities Act with respect to the shares being offered.

The securities being offered by this prospectus may be sold by a selling stockholder using one or more of the following methods:

through one or more underwritten offerings on a firm commitment or best efforts basis;

ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;

block trades in which the broker-dealer will attempt to sell the shares as agent, but may position and resell a portion of the block as principal to facilitate the transaction;

purchases by a broker-dealer as principal and resale by the broker-dealer for its account;

an exchange distribution in accordance with the rules of the applicable exchange;

privately negotiated transactions;

short sales effected after the date the registration statement of which this prospectus is a part is effective;

through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;

broker-dealers may agree with the selling stockholders to sell a specified number of such shares at a stipulated price per share;

a combination of any such methods of sale; and

any other method permitted by applicable law.

To the extent required, the shares of our common stock to be sold, the respective purchase prices and public offering prices, the names of any agent, dealer, or underwriter, and any applicable commissions or discounts with respect to a particular offer will be set forth in an accompanying prospectus supplement or, if appropriate, a post-effective amendment to the registration statement that includes this prospectus.

The selling stockholders may, from time to time, pledge or grant a security interest in some or all of the shares of common stock owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of common stock, from time to time, under this prospectus, or under a supplement to this prospectus under Rule 424(b)(3) or other applicable provision of

case the transferees, pledgees, or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

In connection with the sale of our common stock or interests therein, the selling stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the common stock in the course of hedging the positions they assume. The selling stockholders may also sell shares of our common stock short and deliver these securities to close out their short positions, or loan or pledge the common stock to broker-dealers that in turn may sell these securities. The selling stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The aggregate proceeds to the selling stockholders from the sale of the common stock offered by them will be the purchase price of the common stock less discounts or commissions, if any. Each of the selling stockholders reserves the right to accept and, together with their agents from time to time, to reject, in whole or in part, any proposed purchase of common stock to be made directly or through agents. We will not receive any of the proceeds from this offering.

The selling stockholders also may resell all or a portion of the shares in open market transactions in reliance upon Rule 144 under the Securities Act, provided that they meet the criteria and conform to the requirements of that rule.

Any underwriters, broker-dealers, or agents that participate in the sale of the common stock or interests therein may be underwriters within the meaning of Section 2(11) of the Securities Act. Any discounts, commissions, concessions, or profit they earn on any resale of the shares may be underwriting discounts and commissions under the Securities Act.

In order to comply with the securities laws of some states, if applicable, the common stock may be sold in these jurisdictions only through registered or licensed brokers or dealers. In addition, in some states the common stock may not be sold unless it has been registered or qualified for sale or an exemption from registration or qualification requirements is available and is complied with.

We have advised the selling stockholders that the anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of shares in the market and to the activities of the selling stockholders and their affiliates. In addition, to the extent applicable we will make copies of this prospectus (as it may be supplemented or amended from time to time) available to the selling stockholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act. The selling stockholders may indemnify any broker-dealer that participates in transactions involving the sale of the shares against certain liabilities, including liabilities arising under the Securities Act.

We have agreed to indemnify the selling stockholders against liabilities, including liabilities under the Securities Act and state securities laws, relating to the registration of the shares offered by this prospectus.

We have agreed with the selling stockholders to keep the registration statement of which this prospectus constitutes a part effective until such time as all of the shares covered by this prospectus have been disposed of pursuant to and in accordance with the registration statement.

Item 14. Indemnification of Directors and Officers

Section 145 of the Delaware General Corporation Law (referred to as the "DGCL") authorizes a court to award, or a corporation's board of directors to grant, indemnity to directors and officers in terms sufficiently broad to permit such indemnification under certain circumstances for liabilities, including reimbursement for expenses incurred, arising under the Securities Act of 1933, as amended (referred to as the "Securities Act").

Our certificate of incorporation provides for indemnification of our directors, officers, team members, and other agents to the maximum extent permitted by the DGCL, and our bylaws provide for indemnification of our directors, officers, team members, and other agents to the maximum extent permitted by the DGCL.

In addition, we have entered into indemnification agreements with our directors and officers containing provisions which are in some respects broader than the specific indemnification provisions contained in the DGCL. The indemnification agreements require us, among other things, to indemnify our directors against certain liabilities that may arise by reason of their status or service as directors and to advance their expenses incurred as a result of any proceeding against them as to which they could be indemnified.

We maintain insurance policies that indemnify our directors and officers against various liabilities arising under the Securities Act and the Securities Exchange Act of 1934, as amended, that might be incurred by any director or officer in his capacity as such.

The underwriters are obligated, under certain circumstances, pursuant to the underwriting agreement filed as Exhibit 1.1 hereto, to indemnify us, our officers, and directors against liabilities under the Securities Act.

Item 15. Recent Sales of Unregistered Securities

The following sets forth information regarding all unregistered securities sold since January 1, 2012 and does not give effect to the conversion of each unit of Sprouts Farmers Markets, LLC into 11 shares of common stock of Sprouts Farmers Market, Inc. upon the effectiveness of the corporate conversion:

On May 29, 2012, an indirect wholly-owned subsidiary of Sprouts Farmers Markets, LLC, a Delaware limited liability company (Sprouts), merged with and into Sunflower Farmers Markets, Inc. (Sunflower) and thereby Sprouts indirectly acquired all of the stock of Sunflower in exchange for cash and 1,354,373 Class A units (Class A Units), which were issued to Sunflower 's former stockholders (the Sunflower Transaction). Upon consummation of the Sunflower Transaction, a subsidiary of Sprouts issued \$35,000,000 aggregate principal amount of Senior Subordinated Promissory Notes due 2019 to certain Sprouts team members, certain former Sprouts Arizona stockholders and other affiliates of Sprouts and investment funds affiliated with, and co-investment vehicles managed by, Apollo Management VI, L.P. (the Apollo Funds). In addition, as partial financing for the Sunflower Transaction, on May 21, 2012, Sprouts issued 75,574 Class A Units to AP Sprouts Coinvest, LLC, an Apollo Fund, in exchange for \$5,000,000 in cash.

On July 23, 2012, Sprouts issued options to purchase 3,000 Class B units (Class B Units) at an exercise price of \$66.16 to a now-former team member (the Team Member). On March 25, 2013, the Team Member exercised options to purchase 1,125 Class B Units pursuant to such option grant. On April 8, 2013, Sprouts repurchased such Class B Units from the Team Member for approximately \$115,000 in cash.

On July 29, 2013, Sprouts Farmers Markets, LLC, a Delaware limited liability company, converted into Sprouts Farmers Market, Inc., a Delaware corporation (the corporate conversion). As a result, 11,450,611 units and options to purchase 1,057,107 units of Sprouts Farmers Markets, LLC were converted into 125,956,729 shares and options to purchase 11,628,177 shares of common stock of Sprouts Farmers Market, Inc. The corporate conversion was effected in accordance with the terms of the Second Amended and Restated Limited Liability Company Agreement of Sprouts Farmers Markets, LLC and did not constitute a sale for purposes of the Securities Act.

Unless otherwise stated and except for the corporate conversion, the sales of the above securities were deemed to be exempt from registration under the Securities Act in reliance upon Section 4(2) of the Securities Act (or Regulation D promulgated thereunder), or Rule 701 promulgated under Section 3(b) of the Securities Act as transactions by an issuer not involving any public offering or pursuant to benefit plans and contracts relating to compensation as provided under Rule 701. We did not pay or give, directly or indirectly, any commission or other remuneration, including underwriting discounts or commissions, in connection with any of the issuances of securities listed above. The recipients of the securities in each of these transactions represented their intentions to acquire the securities for investment only and not with a view to or for sale in connection with any distribution thereof, and appropriate legends were placed upon the stock certificates issued in these transactions. All recipients had adequate access, through their employment or other relationship with us or through other access to information provided by us, to information about us. The sales of these securities were made without any general solicitation or advertising.

Item 17. Undertakings

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

Each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than
