Can I change my vote?

You may revoke your proxy at any time before it is voted by notifying the Secretary in writing, by returning a signed proxy with a later date, by transmitting a subsequent vote over the Internet prior to the close of the Internet voting facility, by transmitting a subsequent vote by telephone prior to the close of the telephone voting facility, or by attending the meeting and voting in person. How is a quorum reached?

The presence, in person or by proxy, of holders of at least a majority of the total number of outstanding shares entitled to vote is necessary to constitute a quorum for the transaction of business at the Annual Meeting. of determining whether a quorum is present for the transaction of business at the meeting.

What vote is required to approve each item?

Directors are elected by a plurality of votes cast. A vote to abstain or a broker non-vote will have no direct effect on the outcome. A majority of votes cast is necessary for ratification of the selection of Ernst & Young as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015 (Proposal 2). Could other matters be decided at the Annual Meeting?

The Company does not know of any other matters that may be presented for action at the Annual Meeting. Should any other business come before the meeting, the persons named on the enclosed proxy will have discretionary authority to vote the shares represented by such proxies in accordance with their best judgment. What happens if the meeting is postponed or adjourned?

Your proxy may be voted at the postponed or adjourned meeting. You will still be able to change your proxy until it is voted. If the Annual Meeting is adjourned or postponed for any purpose, at any subsequent reconvening of the meeting your proxy will be voted in the same manner as it would have been voted at the original convening of the Annual Meeting unless you withdraw or revoke your proxy.

What does it mean if I receive more than one proxy card or voting instruction form?

If you receive more than one proxy card or voting instruction form, it may be because you have multiple accounts at the transfer agent or with brokers. Please complete and return all proxy cards or voting instruction forms to ensure that all of your shares are voted.

Who should I call if I have any additional questions?

If you hold your shares directly, please call Nicole R. Hadas, Secretary of the Company, at (617) 871-2098. If your shares are held by a bank, broker or other nominee, please call the telephone number provided on your voting instruction form or contact your bank, broker or nominee holder directly.

Table of Contents**OVERVIEW OF PROPOSALS**

This Proxy Statement contains two proposals requiring stockholder action. Proposal 1 requests the election of three directors to the Board of Directors. Proposal 2 requests the ratification of the appointment of Ernst & Young as our independent registered public accounting firm for the fiscal year ending December 31, 2015. Each of the proposals is discussed in more detail in the pages that follow.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

The Board of Directors is divided into three classes. One class is elected each year at the Annual Meeting of stockholders for a term of three years. Vacancies on the Board of Directors are filled exclusively by the affirmative vote of a majority of the remaining directors, even if less than a quorum is present, and not by stockholders. A director elected by the Board of Directors to fill a vacancy in a class shall hold office for the remainder of the full term of that class and until the director's successor is duly elected and qualified, or until his or her earlier resignation, death, or removal.

The terms of the Class I directors are scheduled to expire on the date of the upcoming Annual Meeting. Based on the recommendation of the Nominating and Corporate Governance Committee of the Board of Directors, the Board of Directors' nominees for election by the stockholders are the three current Class I members: Ronald C. Renaud, Jr., Duane Nash, M.D. and Michael D. Clayman, M.D. If elected, each nominee will serve as a director until the Annual Meeting of stockholders in 2018 and until his successor is duly elected and qualified, or until his earlier death, resignation, or removal.

It is intended that the proxy in the form presented will be voted, unless otherwise indicated, for the election of the Class I director nominees to the Board of Directors. If any of the nominees should for any reason be unable or unwilling to serve at any time prior to the Annual Meeting, the proxies will be voted for the election of such substitute nominee as the Board of Directors may designate.

Nominees for Class I Directors

The names of the nominees for Class I directors and certain information about each as of March 31, 2015 are set forth below.

Name	Positions and Offices Held with Akebia Therapeutics, Inc.	Director Since	Age
Ronald C. Renaud, Jr.	Director	2014	46
Duane Nash, M.D.	Director	2013	44
Michael D. Clayman, M.D.	Director	2014	62

The three nominees for director with the highest number of affirmative votes will be elected as directors. It is intended that, unless you give contrary instructions, shares represented by proxies will be voted for the election of the three nominees listed above as director nominees. The Company has no reason to believe that any nominee will be unable to serve. In the event that one or more nominees is unexpectedly not available to serve, proxies may be voted for another person nominated as a substitute by the Board of Directors, or the Board of Directors may reduce the number of directors to be elected at the Annual Meeting. Biographical information relating to each nominee for election as director and each continuing director is shown below. The Company believes that each director meets the minimum qualifications established by the Nominating and Corporate Governance Committee of our Board of Directors.

CORPORATE GOVERNANCE

Board Composition And Structure

Our Ninth Amended and Restated Certificate of Incorporation, referred to as our Certificate of Incorporation, states that the number of directors shall be fixed exclusively by our Board. Each director holds office until his or her successor is duly elected and qualified or until his or her death, resignation or removal. Our Certificate of Incorporation provides that our directors may be removed only for cause by the affirmative vote of the holders of at least 75% of the voting power of the outstanding shares of capital stock of the Company entitled to vote generally in the election of directors, voting together as a single class, at a meeting of the stockholders called for that purpose. Any vacancy on the Board, including a vacancy that results from an increase in the number of directors, may be filled by a vote of the majority of the directors then in office.

Our Certificate of Incorporation provides that our Board of Directors is divided into three classes of directors, with the classes as nearly equal in number as possible. Each of our directors identified above serves in the class indicated. Subject to any earlier resignation or removal in accordance with the terms of our Certificate of Incorporation and Amended and Restated Bylaws, referred to as our bylaws, our Class I directors will serve until the 2015 Annual Meeting of stockholders; our Class II directors will serve until the 2016 Annual Meeting of stockholders; and our Class III directors will serve until the 2017 Annual Meeting of stockholders. Any additional directorships resulting from an increase in the number of directors will be apportioned by our Board among the three classes.

Director Nomination Process

The Nominating and Corporate Governance Committee recommends, and the Board of Directors nominates, candidates to stand for election as directors. Stockholders may also nominate persons to be elected as directors. If a stockholder wishes to nominate a person for election as director, he or she must follow the procedures contained in our bylaws and satisfy the requirements of Rule 14a-8 of Regulation 14A under the Exchange Act. To nominate a person to stand for election as a director at the Annual Meeting of stockholders for 2015, a stockholder must provide our Corporate Secretary with timely notice of the nomination that complies with the requirements of our bylaws. To be timely, the stockholder's notice must be delivered to or mailed and received by us not earlier than the close of business on the 120th day nor later than the close of business on the 90th day prior to the anniversary date of the prior year's Annual Meeting, except that if the Annual Meeting is set for a date that is not within 30 days before or after such anniversary date, we must receive the notice not later than the close of business on the 10th day following the day on which we first provide notice or public disclosure of the date of the meeting.

Director Independence

Under NASDAQ Rule 5605, a majority of a listed company's Board of Directors must be comprised of independent directors. In addition, NASDAQ rules require that, subject to specified exceptions, each member of a listed company's Audit Committee and Compensation Committee be independent and satisfy additional independence criteria set forth in Rule 10A-3 and 10C-1, respectively, under the Securities Exchange Act of 1934, or the Exchange Act. Under NASDAQ Rule 5605(a)(2), a director will only qualify as an independent director if, in the opinion of that company's Board of Directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, our Board of Directors has determined that each member of the Board except for Mr. Butler is independent as that term is defined under NASDAQ Rule 5605(a)(2). Our Board of Directors

also determined that each of the current members of our Audit Committee and our Compensation Committee satisfies the independence standards for such committee established by Rule 10A-3 and 10C-1 under the Exchange Act, the Securities and Exchange Commission, or the

Table of Contents

SEC, rules and the NASDAQ rules, as applicable. In making such determination, our Board of Directors considered the relationships that each such non-employee director has with our Company and all other facts and circumstances deemed relevant in determining their independence.

The members of our Board of Directors were elected in compliance with the provisions of a voting agreement among us and our major stockholders. The voting agreement terminated upon the closing of our initial public offering, or IPO, on March 25, 2014, and at present we do not have any contractual obligations regarding the election of our directors. There are no family relationships among any of our directors or executive officers.

Board Meetings and Attendance

The Board of Directors held ten meetings during the year ended December 31, 2014. Each of the directors attended at least 75% of the meetings of the Board of Directors and the committees of the Board of Directors on which he or she served during the year ended December 31, 2014 (in each case, which were held during the period for which he or she was a director and/or a member of the applicable committee).

Role of the Board in Risk Oversight

The Board of Directors plays an important role in risk oversight at the Company through its decision-making authority as well as through the oversight of management by the Board of Directors and its committees. In particular, the Board of Directors administers its risk oversight function through (1) the review and discussion of regular periodic reports by the Board of Directors and its committees on topics relating to the risks that the Company faces, (2) the required approval by the Board of Directors (or a committee of the Board of Directors) of significant transactions and other decisions, (3) the direct oversight of specific areas of the Company's business by the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee, and (4) regular periodic reports from management, the independent auditors and other outside consultants regarding various areas of potential risk including, among others, those relating to our internal control over financial reporting. The Board of Directors also relies on management to bring significant matters impacting the Company to the attention of the Board of Directors.

Pursuant to the Audit Committee's charter, the Audit Committee is responsible for reviewing and discussing with management and the Company's independent registered public accounting firm the Company's system of internal controls, its critical accounting practices, and policies relating to risk assessment and management. As part of this process, the Audit Committee discusses the Company's major financial risk exposures and steps that management has taken to monitor and control such exposure. In addition the Audit Committee has established procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submissions by employees of concerns regarding questionable accounting matters.

Because of the role of the Board of Directors and the Audit Committee in risk oversight, the Board of Directors believes that any leadership structure that it adopts must allow it to effectively oversee the management of the risks relating to the Company's operations. The Board of Directors acknowledges that there are different leadership structures that could allow it to effectively oversee the management of the risks relating to the Company's operations and believes its current leadership structure enables it to effectively provide oversight with respect to such risks.

Board Committees

The Board of Directors has a standing Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee, each of which is comprised solely of independent directors and is described more fully

below. Each Committee operates pursuant to a written charter and each Committee reviews and assesses the adequacy of its charter annually and submits proposed modifications to the Board for approval. The charters for the Committees are all available on our website (www.akebia.com) under Investors at Corporate Governance.

PUBLIC ACCOUNTING FIRM**

On the recommendation of the Audit Committee, the Board of Directors has appointed Ernst & Young as our independent registered public accounting firm for the fiscal year ending December 31, 2015. The Board of Directors recommends that our stockholders vote for ratification of this appointment. If this proposal is not approved at the Annual Meeting, the Board of Directors will reconsider its appointment. Even if the appointment is ratified, the Audit Committee may, in its discretion, direct the appointment of a different independent registered accounting firm at any time during the year if the Audit Committee determines that such a change would be in our stockholders' best interests.

The Audit Committee must pre-approve all auditing services, internal control related services and permitted non-audit services (including the fees and terms thereof) to be performed by Ernst & Young, subject to the de minimis exception for non-audit services. AUDIT COMMITTEE REPORT

The Audit Committee has reviewed the Company's audited consolidated financial statements for the year ended December 31, 2014 and has discussed these statements with management and Ernst & Young, the Company's independent registered public accounting firm. The Company's management is responsible for the preparation of the Company's financial statements and for maintaining an adequate system of disclosure controls and procedures and internal control over financial reporting for that purpose. The independent registered public accounting firm audits the annual consolidated financial statements prepared by management, expresses an opinion as to whether those consolidated financial statements present fairly the consolidated financial position, results of operations and cash flows of the Company in conformity with U.S. generally accepted accounting principles and discusses any issues they believe should be raised with us. The Audit Committee is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls.

The Audit Committee also received from, and discussed with, Ernst & Young the written disclosures and other communications that the Company's independent registered public accounting firm is required to provide to the Audit Committee, including the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees), as adopted by the Public Company Accounting Oversight Board, or PCAOB, in Rule 3200T, which we refer to as SAS 61.

Ernst & Young also provided the Audit Committee with the written disclosures and the letter required by Rule 3526 of the PCAOB. PCAOB Rule 3526 requires independent registered public accounting firms annually to disclose in writing all relationships that in their professional opinion may reasonably be thought to bear on independence, to confirm their perceived independence and engage in a discussion of independence. The Audit Committee has reviewed this disclosure and has discussed with Ernst & Young their independence from the Company.

Based on its discussions with management and our independent registered public accounting firm, and its review of the representations and information provided by management and our independent registered public accounting firm, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2014, for filing with the Securities and Exchange Commission.

Respectfully submitted by the

Audit Committee,

Michael S. Wyzga, Chairman

EXECUTIVE COMPENSATION

This section discusses the material elements of our executive compensation policies and decisions and important factors relevant to an analysis of these policies and decisions. It provides qualitative information regarding the manner and context in which compensation is awarded to and earned by our executive officers named in the Summary Compensation Table below (referred to herein as our named executive officers) and is intended to place in perspective the information presented in the following tables and the corresponding narrative.

Overview

Historically, our executive compensation program has reflected our growth and corporate goals. To date, the compensation of our named executive officers has consisted of a combination of base salary, annual cash bonus, and long-term equity incentive compensation in the form of restricted stock and stock options, and other employee benefits generally available to our employees. Our named executive officers are also entitled to certain compensation and benefits upon certain terminations of employment. Prior to March 3, 2014, these rights were determined pursuant to their employment agreements, as described below. Effective as of March 3, 2014, the rights of our named executive officers to compensation and benefits upon a termination of employment became determined pursuant to their executive severance agreements (or, in the case of Dr. Shalwitz, pursuant to his Separation Agreement dated August 5, 2014) as described below.

Our named executive officers for the year ended December 31, 2014 were as follows:

John P. Butler, our President and Chief Executive Officer;

Jason A. Amello, our Senior Vice President, Chief Financial Officer and Treasurer;

Bradley J. Maroni, M.D., our Senior Vice President and Chief Medical Officer; and

Robert Shalwitz, M.D., our former Executive Vice President and former Chief Medical Officer.

We and Dr. Shalwitz mutually agreed to the terms of Dr. Shalwitz's transition from Chief Medical Officer to Executive Vice President, effective August 5, 2014, and his subsequent resignation from employment, effective December 31, 2014, although he will continue to serve as a consultant to the Company, all as described in more detail below under Employment and Consulting Agreements.

Elements of Executive Compensation

Base Salaries. Base salaries for our named executive officers are determined annually by our Compensation Committee, subject to review and approval by our Board of Directors, based on the scope of each officer's responsibilities along with his or her respective experience and contributions to the Company during the prior year. When reviewing base salaries, our Compensation Committee takes factors into account such as each officer's experience and individual performance, the Company's performance as a whole, data from surveys of compensation paid by comparable companies, and general industry conditions, but does not assign any specific weighting to any factor.

Annual Cash Bonuses. All of our named executive officers participate in the Akebia Therapeutics, Inc. Cash Incentive Plan, our annual cash bonus program, which promotes and rewards our executives for the achievement of key strategic and business goals. The 2014 bonus plan period covers the 12-month period beginning on January 1, 2014 and ending on December 31, 2014. For the 2014 bonus plan period, the target annual bonus as a percentage of base salary (as determined based on the salary earned throughout the bonus plan period) for each of Mr. Butler, Mr. Amello, Dr. Maroni and Dr. Shalwitz was 30%. At the beginning of the 2014 bonus plan period, our Compensation Committee established corporate performance goals, each having a designated weighting, which related to key development, strategic and financial goals of the Company. At the end of the 2014 bonus plan period, our Compensation Committee met and evaluated the performance of the Company against the specified performance goals. Based on its evaluation, the Compensation Committee recommended, and the

Table of Contents

Board of Directors approved, that the Company achieved 99.85% of its corporate goals. Consequently, the Board of Directors approved payment of cash bonuses for the 2014 bonus plan period of: \$127,309 for Mr. Butler (which represented 99.85% of his target bonus), \$95,856 for Mr. Amello (which represented 99.85% of his target bonus), \$44,645 for Dr. Maroni (which represented 99.85% of his target bonus, as pro-rated to reflect his commencement of employment in August 2014) and \$122,816 for Dr. Shalwitz (which represented 99.85% of his target bonus).

Equity Awards. Our named executive officers participate in our 2014 Incentive Plan. During fiscal year 2014, all named executive officers received a grant of stock options. These stock option grants are subject to time-based vesting conditions and generally vest, subject to continued employment, as follows: 25% of the shares subject to the award vest after one year and, thereafter, the shares continue to vest in quarterly installments over the following three years. These equity awards serve to align the interests of our named executive officers with our stockholders and encourage retention through the use of time-based vesting. Prior to our IPO all of our named executive officers, other than Dr. Maroni whose employment commenced after the IPO, participated in our 2008 Equity Incentive Plan, through which they currently hold outstanding grants of stock options and/or restricted stock subject to time-based vesting.

Other Benefits. Our named executive officers are eligible for additional benefits, such as participation in our 401(k) plan, our Employee Stock Purchase Plan and basic health benefits, that are generally available to all of our employees.

Retirement Benefits

We offer a tax-qualified retirement plan, or 401(k) plan, to eligible employees, including our named executive officers. In accordance with this plan, all eligible employees may contribute a percentage of compensation up to a maximum of the statutory limits per year. Company contributions are discretionary and no contributions were made during 2014 or 2013.

Employment and Consulting Agreements

We entered into employment agreements with three of our named executive officers. Each of these employment agreements provides for at will employment, meaning that either we or the named executive officer may terminate our employment relationship at any time without cause.

Effective as of March 3, 2014, we entered into executive severance agreements, or ESAs, with each of Mr. Butler, Mr. Amello and Dr. Shalwitz. The terms of these ESAs superseded the terms of all existing agreements between us and such executives regarding post-separation severance and benefits and equity acceleration in connection with a change of control, including any such terms in the severance provisions of each of their employment agreements. All other terms of any existing agreement between such executives and us, such as the terms of their existing employment agreements related to compensation and benefits during employment, otherwise remain in full force and effect in accordance with the terms of such existing agreements and are summarized below.

Employment Agreement with John P. Butler. On September 16, 2013, we entered into an executive employment agreement with Mr. Butler for the position of President and Chief Executive Officer. The executive employment agreement continues until we or Mr. Butler terminates the agreement in accordance with its terms. For the year ended December 31, 2014, Mr. Butler received a base salary of \$425,000, subject to review by our Board of Directors from time to time at least every twelve months. Mr. Butler is also eligible to receive an annual performance-based cash bonus of up to 30% of Mr. Butler's base salary, determined by our Board of Directors and based upon the Company's performance and Mr. Butler's performance against objectives established by our Board of Directors. Mr. Butler is entitled to four weeks of vacation, as well as holidays and sick leave, and (subject to eligibility criteria under the applicable plan) the right to participate in any profit sharing plan, retirement plan, 401(k) plan, group medical plan, group dental plan, and/or other health insurance plan maintained by us for our senior executives generally and, if applicable, their family members. Mr. Butler is also entitled to reimbursement of all reasonable and necessary business and travel expenses incurred in connection with the performance of his duties.

Employment Agreement with Jason A. Amello. On September 23, 2013, we entered into an executive employment agreement with Mr. Amello for the position of Senior Vice President, Chief Financial Officer and Treasurer. The executive employment agreement continues until we or Mr. Amello terminates the agreement in accordance with its terms. For the year ended December 31, 2014, Mr. Amello received a base salary of \$320,000, subject to review by our Board of Directors from time to time and at least every twelve months. Under his agreement, Mr. Amello is also eligible to receive an annual performance-based cash bonus of up to 20% of Mr. Amello's base salary (increased to 30% by the Board of Directors on May 14, 2014), determined by our Board of Directors and based upon the Company's performance and Mr. Amello's performance against objectives established by our Board of Directors. Mr. Amello is entitled to four weeks of vacation, as well as holidays and sick leave, and (subject to eligibility criteria under the applicable plan) the right to participate in any profit sharing plan, retirement plan, 401(k) plan, group medical plan, group dental plan, and/or other health insurance plan maintained by us for our senior executives generally and, if applicable, their family members. Mr. Amello is also entitled to reimbursement of all reasonable and necessary business and travel expenses incurred in connection with the performance of his duties.

Employment Agreement with Robert Shalwitz, M.D. On April 6, 2011, we entered into an executive employment agreement with Dr. Shalwitz for the position of Chief Medical Officer and Vice President. Under his

employment agreement, Dr. Shalwitz was entitled to a base salary of \$410,000, subject to review by our Board of Directors from time to time, and was eligible to participate in benefit plans available generally to our senior executives (subject to eligibility criteria under the applicable plan), as well as all bonus or similar incentive plans adopted by our Board of Directors including, without limitation, an incentive compensation plan with a yearly performance-based cash bonus of up to 20% of Dr. Shalwitz's base salary (increased to 30% by the Board of Directors on May 14, 2014). We also paid 100% of Dr. Shalwitz's premiums under our medical and dental plans and 50% of the premiums associated with the coverage of his spouse/dependents under those same plans. On August 5, 2014, we and Dr. Shalwitz agreed upon terms regarding his resignation from the Company, effective as of December 31, 2014. In connection with his resignation, we and Dr. Shalwitz entered into a Separation Agreement and a Consulting Agreement, the terms of which are described below.

Separation Agreement with Robert Shalwitz, M.D. In connection with Dr. Shalwitz's resignation, we entered into a Separation Agreement with Dr. Shalwitz as well as the Consulting Agreement described below. Under the terms of the Separation Agreement, from August 5, 2014 to December 31, 2014 Dr. Shalwitz was employed by the Company as Executive Vice President. Following the termination of his employment on December 31, 2014, he is entitled to twelve months of salary continuation (in an aggregate amount of \$410,000) and payment of a portion of his COBRA premiums for a maximum of twelve months (on the same basis as the medical insurance premium paid by us during his employment). Our obligation to provide these severance benefits is conditioned on his continued compliance with the terms of his Consulting Agreement and Separation Agreement, including certain restrictive covenants related to non-competition, non-solicitation and confidentiality. The Separation Agreement also includes a general release from any liability related to Dr. Shalwitz's employment and termination.

Consulting Agreement with Robert Shalwitz, M.D. In connection with Dr. Shalwitz's resignation, we also entered into a Consulting Agreement with Dr. Shalwitz, which commences on January 1, 2015 and ends on December 31, 2016. As consideration for the performance of consulting services during this period and his continuing obligation to abide by certain restrictive covenants related to non-competition, non-solicitation and confidentiality, the Consulting Agreement provides Dr. Shalwitz with continued vesting in his outstanding restricted stock and stock options and, under certain circumstances set forth in the Consulting Agreement, an extended exercise period for any vested stock options at the end of the consulting period. In addition, all of Dr. Shalwitz's unvested restricted stock and stock options will immediately vest upon the termination of the Consulting Agreement on December 31, 2016 or, if earlier, upon a change of control of the Company or the termination of the Consulting Agreement due to his death or by the Company without cause. For consulting services provided in excess of 30 hours per month in the first year of the Consulting Agreement and 10 hours per month in the second year of the Consulting Agreement, the Company will compensate Dr. Shalwitz on an hourly basis.

Termination of Employment and Change of Control

Our named executive officers may be eligible to receive certain payments and benefits in connection with their termination of employment or in connection with a change of control, pursuant to the agreements described below.

Executive Severance Agreements

On February 28, 2014, our Board of Directors adopted a form of Executive Severance Agreement, or ESA, under which our officers, including our named executive officers, are eligible to receive certain payments and benefits in the event that the executive's employment with us is terminated without cause, the executive terminates his or her employment with us for good reason, or the executive is terminated in connection with, or within twelve months after, a change in control (each as defined in the ESA). The ESAs also provide for accelerated vesting of outstanding and unvested equity awards upon a change in control (as defined in the ESA).

Effective as of March 3, 2014, we entered into ESAs with each of Mr. Butler, Mr. Amello, and Dr. Shalwitz. In addition, we entered into an ESA with Dr. Maroni in connection with his commencement of employment in August 2014.

Table of Contents

Effective as of August 5, 2014, the rights of Dr. Shalwitz to any payments and benefits following his resignation from the Company are determined under his Separation Agreement and his Consulting Agreement, as described above.

Termination of Employment without Cause or for Good Reason. Under the ESAs, if Mr. Butler's, Mr. Amello's or Dr. Maroni's employment is terminated by us without cause or the executive terminates his employment for good reason (each as defined in the ESA), other than following a change in control as described below, the executive will be entitled to receive, in addition to any amounts earned or accrued but unpaid as of the date of termination, twelve months of salary continuation and up to twelve months of reimbursement of a portion of the executive's health and dental COBRA premiums to the same extent as if the executive remained employed. In addition, the executive's unvested equity and equity-based awards will remain outstanding and continue to vest in accordance with their terms during the executive's severance period, as if he had remained employed during that time.

Termination of Employment without Cause or for Good Reason Following a Change in Control. If, within twelve months following a change in control (as defined in the ESA), Mr. Butler's, Mr. Amello's or Dr. Maroni's employment is terminated by us without cause or the executive terminates his employment for good reason (each as defined in the ESA), the executive will be entitled to receive, in addition to any amounts earned or accrued but unpaid as of the date of termination, twelve months of salary continuation, up to twelve months of reimbursement of a portion of the executive's health and dental COBRA premiums to the same extent as if the executive remained employed, and an amount equal to 50% of the executive's annual target bonus for the year of termination, prorated based on the number of months the executive was employed during the year prior to termination. In addition, the executive's unvested equity and equity-based awards will remain outstanding and continue to vest in accordance with their terms during the executive's severance period, as if he had remained employed during that time.

Conditions to the Receipt of Severance Benefits. The severance payments and benefits described above are conditioned upon each executive's execution of a general release of claims in our favor, as well as continued compliance with a set of restrictive covenants prohibiting certain competitive behaviors following termination and certain statements that are disparaging about or adverse to our business interests or that are otherwise intended to harm our reputation for at least one year following termination. In addition, we may terminate severance payments to any of Mr. Butler, Mr. Amello or Dr. Maroni if, within one year following a termination without cause, we determine that the Company had the right to terminate his employment for cause.

Accelerated Vesting of Equity upon a Change in Control. Under the ESA, 100% of each of Mr. Butler's, Mr. Amello's and Dr. Maroni's outstanding and unvested equity and equity-based awards will become immediately vested upon a change in control (as defined in the ESA), irrespective of whether the executive's employment terminates in connection with the change in control.

Other Termination of Employment. If Mr. Butler's, Mr. Amello's or Dr. Maroni's employment is terminated for any reason other than by us without cause or by the executive for good reason (including by reason of death or disability), the executive will only be entitled to receive any amounts earned or accrued but unpaid as of the date of termination in accordance with our normal policies and practices, including any salary, bonus or incentive compensation with respect to the calendar year prior to the year of termination, business expenses incurred in the performance of the executive's duties, and vacation pay.

280G Cutback. All payments to Mr. Butler, Mr. Amello or Dr. Maroni under the ESA including, without limitation, the payment of severance benefits or the accelerated vesting of equity, will be reduced or adjusted to avoid triggering the excise tax imposed by Section 4999 of the Code, if such adjustment would result in the provision of a greater total benefit, on a net after-tax basis (after taking into account taking any applicable federal, state and local income taxes and the excise tax imposed by Section 4999), to the executive.

Table of Contents

Termination of ESA. Each of Mr. Butler's, Mr. Amello's and Dr. Maroni's ESAs will terminate immediately upon the mutual agreement of the parties to such ESA, the executive's termination for cause or death, or the executive's disability (defined as the executive's inability by reason of physical or mental impairment to perform his job duties for a period exceeding twelve consecutive weeks).

Compensation Consultant

As a part of determining compensation for our named executive officers, the Compensation Committee has engaged Radford, an AON Hewitt Consulting company, as an independent compensation consultant. Radford provides analysis and recommendations to the Compensation Committee regarding:

trends and emerging topics with respect to executive compensation;

peer group selection for executive compensation benchmarking;

compensation practices of our peer group;

compensation programs for executives and all of our employees; and

stock utilization and related metrics.

When requested, Radford consultants attend meetings of the Compensation Committee, including executive sessions in which executive compensation issues are discussed. Radford reports to the Compensation Committee and not to management, although Radford meets with management for purposes of gathering information for its analyses and recommendations.

In determining to engage Radford, the Compensation Committee considered the independence of Radford taking into consideration relevant factors, including the absence of other services provided to the Company by Radford, the amount of fees the Company paid to Radford as a percentage of Radford's total revenue, the policies and procedures of Radford that are designed to prevent conflicts of interest, any business or personal relationship of the individual compensation advisors employed by Radford with an executive officer of the Company, any business or personal relationship the individual compensation advisors employed by Radford have with any member of the Compensation Committee, and any stock of the Company owned by Radford or the individual compensation advisors employed by Radford. The Compensation Committee has determined, based on its analysis in light of all relevant factors, including the factors listed above, that the work of Radford and the individual compensation advisors employed by Radford as compensation consultants to the Compensation Committee has not created any conflicts of interest, and that Radford is independent pursuant to the independence standards set forth in the NASDAQ Global Market listing standards promulgated pursuant to Section 10C of the Exchange Act.
