(e) On the date of the Prospectus at a time prior to the execution of this Agreement, at 9:30 a.m., New York City time, on the effective date of any post-effective amendment to the Registration Statement filed subsequent to the date of this Agreement and also at the Time of Delivery, each of KPMG LLP and Ernst & Young LLP shall have furnished to the Representatives a letter or letters, dated the respective dates of delivery thereof, in form and substance satisfactory to the Representatives;

(f) (i) None of the Company, Summit Holdings or any of their subsidiaries shall have sustained since the date of the latest audited financial statements included or incorporated by reference in the Pricing Prospectus any loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree, otherwise than as set forth or contemplated in the Pricing Prospectus, and (ii) since the respective dates as of which information is given in the Pricing Prospectus there shall not have been any change in the capital stock or in the long-term debt of the Company, Summit Holdings or any of their subsidiaries or any material adverse change, or any development involving a prospective material adverse change, in the condition (financial or otherwise), business or results of operations, whether or not arising from transactions in the ordinary course of business, of the Company, Summit Holdings and their subsidiaries, taken as a whole, otherwise than as set forth or contemplated in the Pricing Prospectus, the effect of which, in any such case described in clause (i) or (ii), is in the judgment of the Representatives (other than a defaulting Underwriter under Section 11 hereof) so material and adverse as to make it impracticable or inadvisable to proceed with the public offering or the delivery of the Shares being delivered at the Time of Delivery on the terms and in the manner contemplated in the Pricing Prospectus;

(g) On or after the Applicable Time (i) no downgrading shall have occurred in the rating accorded the Company, Summit Holdings or any of their subsidiaries debt securities by any nationally recognized statistical rating organization, as defined in Section 3(a)(62) of the Exchange Act, and (ii) no such organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any of the Company, Summit Holdings or any of their subsidiaries debt securities;

(h) On or after the Applicable Time there shall not have occurred any of the following: (i) a suspension or material limitation in trading in securities generally on the Exchange; (ii) a suspension or material limitation in trading in the Company's securities on the Exchange; (iii) a general moratorium on commercial banking activities declared by either Federal or New York State authorities or a material disruption in commercial banking or securities settlement or clearance services in the United States; (iv) the outbreak or escalation of hostilities involving the United States or the declaration by the United States of a national emergency or war; or (v) the occurrence of any other calamity or crisis or any change in financial, political or economic conditions in the United States or elsewhere, if the effect of any such event specified in clause (iv) or (v) in the judgment of the Representatives (other than a defaulting Underwriter under Section 11 hereof) makes it impracticable or inadvisable to proceed with the public offering or the delivery of the Shares being delivered at the Time of Delivery on the terms and in the manner contemplated in the Prospectus;

fact contained in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto, any Issuer Free Writing Prospectus or any issuer information filed or required to be filed pursuant to Rule 433(d) under the Act, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each Underwriter, its affiliates, directors, officers and employees, and each person, if any, who controls any Underwriter within the meaning of the Act and the Exchange Act, and each Selling Stockholder for any legal or other expenses reasonably incurred by such Underwriter, its affiliates, directors, officers and employees, and each person, if any, who controls any Underwriter within the meaning of the Act and the Exchange Act or such Selling Stockholder in connection with investigating or defending any such action or claim as such expenses are incurred; provided, however, that the Company and Summit Holdings shall not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto, or any Issuer Free Writing Prospectus, in reliance upon and in conformity with (x) written information furnished to the Company by any Underwriter through the Representatives expressly for use therein or (y) the Selling Stockholder Information.

(c) Each Underwriter, severally and not jointly, will indemnify and hold harmless the Company, Summit Holdings, the directors, officers and employees of the Company and Summit Holdings and each person, if any, who controls, as of the date hereof, the Company or Summit Holdings within the meaning of the Act and the Exchange Act, and each Selling Stockholder against any losses, claims, damages or liabilities to which the Company, its directors, officers and employees and each person, if any, who controls, as of the date hereof, the Company within the meaning of the Act and the Exchange Act, or such Selling Stockholder, may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto, or any Issuer Free Writing Prospectus, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any such amendment or supplement thereto, or any Issuer Free Writing Prospectus, in reliance upon and in conformity with written information furnished to the Company by such Underwriter through the Representatives expressly for use therein; and will reimburse the Company, Summit Holdings and the directors, officers and employees of the Company and Summit Holdings and each person, if any, who controls, as of the date hereof, the Company or Summit Holdings within the meaning of the Act and the Exchange Act, and each Selling Stockholder for any legal or other expenses reasonably incurred by the Company, Summit Holdings and the directors, officers and employees of the Company and Summit Holdings and each person, if any, who controls, as of the date hereof, the Company or Summit Holdings within the meaning of the Act and the Exchange Act or such Selling Stockholder in connection with investigating or defending any such action or claim as such expenses are incurred.

(d) Promptly after receipt by an indemnified party under subsections (a), (b) or (c) of this Section 10 of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability that it may have to any indemnified party otherwise than under such subsection. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. It is understood that the indemnifying party or parties shall not, in connection with any one action or proceeding or separate but substantially similar actions or proceedings arising out of the same general allegations, be liable for the fees and expenses of more than one separate firm of attorneys at any time for all indemnified parties except to the extent that local counsel or counsel with specialized expertise (in addition to any regular counsel) is required to effectively defend against any such action or proceeding.

indemnifying party shall, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

(e) If the indemnification provided for in this Section 10 is unavailable to or insufficient to hold harmless an indemnified party under subsection (a), (b) or (c) of this Section 10 in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company, Summit Holdings and the Selling Stockholders on the one hand and the Underwriters on the other from the offering of the Shares. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under subsection (d) of this Section 10, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company, Summit Holdings and the Selling Stockholders on the one hand and the Underwriters on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company, Summit Holdings and the Selling Stockholders on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (net of underwriting discounts and commissions but before deducting expenses) received by the Company, Summit Holdings and the Selling Stockholders bear to the total underwriting discounts and commissions received by the Underwriters, in each case as set forth in the table on the cover page of the Prospectus. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company, Summit Holdings and the Selling Stockholders on the one hand or the Underwriters on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company, Summit Holdings, each Selling Stockholder and the Underwriters agree that it would not be just and equitable if contribution pursuant to this subsection (e) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to above in this subsection (e). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (e) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (e), (i) no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Shares underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission; or (ii) each Selling Stockholder's obligation to contribute any amount under this subsection (e) is limited in the manner and to the extent set forth in subsection (b) and each Selling Stockholder shall not be required to contribute any

amount in excess of such Selling Stockholder's Selling Stockholder Net Proceeds. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations in this subsection (e) to contribute are several in proportion to their respective underwriting obligations and not joint.

(f) The obligations of the Company, Summit Holdings and each Selling Stockholder under this Section 10 shall be in addition to any liability that the Company, Summit Holdings and each Selling Stockholder may otherwise have; and the obligations of the Underwriters under this Section 10 shall be in addition to any liability that the respective Underwriters may otherwise have.

11. (a) If any Underwriter shall default in its obligation to purchase the Shares that it has agreed to purchase hereunder at the Time of Delivery, the Representatives may in their discretion arrange for the Representatives or another party or other parties to purchase such Shares on the terms contained herein. If within thirty-six hours after such default by any Underwriter the Representatives do not arrange for the purchase of such Shares, then the Company and the Selling Stockholders shall be entitled to a further period of thirty-six hours within which to procure another party or other parties reasonably satisfactory to the Representatives to purchase such Shares on such terms. In the event that, within the respective prescribed periods, the Representatives notify the Company and the Selling Stockholders that the Representatives have so arranged for the purchase of such Shares, or the Company or a Selling Stockholder notifies the Representatives that it has so arranged for the purchase of such Shares, the Representatives or the Company or the Selling Stockholders shall have the right to postpone the Time of Delivery for a period of not more than seven days, in order to effect such changes may thereby be made necessary in the Registration Statement or the Prospectus, or in any other documents or arrangements, and the Company agrees to file promptly any amendments or supplements to the Registration Statement or the Prospectus that in the Representatives' opinion may thereby be made necessary. The term Underwriter as used in this Agreement shall include any person substituted under this Section 11 with like effect as if such person had originally been a party to this Agreement with respect to such Shares.

(b) If, after giving effect to any arrangements for the purchase of the Shares of a defaulting Underwriter or Underwriters by the Representatives, the Company and the Selling Stockholders as provided in subsection (a) of this Section 11, the aggregate number of such Shares that remains unpurchased does not exceed one-eleventh of the aggregate number of all the Shares to be purchased at the Time of Delivery, then the Company and the Selling Stockholders shall have the right to require each non-defaulting Underwriter to purchase the number of Shares that such Underwriter agreed to purchase hereunder at the Time of Delivery and, in addition, to require each non-defaulting Underwriter to purchase its pro rata share (based on the number of Shares that such Underwriter agreed to purchase hereunder) of the Shares of such defaulting Underwriter or Underwriters for which such arrangements have not been made; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

(c) If, after giving effect to any arrangements for the purchase of the Shares of a defaulting Underwriter or Underwriters by the Representatives, the Company and the Selling Stockholders as provided in subsection (a) of this Section 11, the aggregate number of such Shares that remains unpurchased exceeds one-eleventh of the aggregate number of all of the Shares to be purchased at the Time of Delivery, or if the Company and the Selling Stockholders shall not exercise the right described in subsection (b) of this Section 11 to require non-defaulting Underwriters to purchase Shares of a defaulting Underwriter or Underwriters, then this Agreement shall thereupon terminate, without liability on the part of any non-defaulting

Underwriter, the Company or the Selling Stockholders, except for the expenses to be borne by the Company, the Selling Stockholders and the Underwriters as provided in Section 8 hereof and the indemnity and contribution agreements in Section 10 hereof; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

12. The respective indemnities, rights of contribution, agreements, representations, warranties and other statements of the Company, Summit Holdings, the Selling Stockholders and the several Underwriters as set forth in this Agreement or made by or on behalf of them, respectively, pursuant to this Agreement, shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of any Underwriter or its affiliates, directors, officers and employees, agents, and each person, if any, who controls any Underwriter within the meaning of the Act and the Exchange Act or any controlling person of any Underwriter, the Company, or any of the Selling Stockholders, or any officer or director or controlling person of the Company, or any controlling person of any Selling Stockholder, and shall survive delivery of and payment for the Shares.

13. If this Agreement shall be terminated pursuant to Section 11 hereof, neither the Company nor any Selling Stockholder shall then be under any liability to any Underwriter except as provided in Sections 8 and 10 hereof; but, if for any other reason any Shares are not delivered by or on behalf of the Company or any Selling Stockholder as provided herein, the Company and Summit Holdings, jointly and severally, will reimburse the Underwriters through the Representatives for all out-of-pocket expenses approved in writing by the Representatives, including fees and disbursements of counsel, reasonably incurred by the Underwriters in making preparations for the purchase, sale and delivery of the Shares not so delivered, but the Company, Summit Holdings and the Selling Stockholders shall then be under no further liability to any Underwriter except as provided in Sections 8 and 10 hereof.

14. In all dealings hereunder, the Representatives shall act on behalf of each of the Underwriters, and the parties hereto shall be entitled to act and rely upon any statement, request, notice or agreement on behalf of any Underwriter made or given by the Representatives; and in all dealings with the Selling Stockholders hereunder, the Representatives and the Company shall be entitled to act and rely upon any statement, request, notice or agreement on behalf of such Selling Stockholder made or given by any or all of the Attorneys in Fact for such Selling Stockholder.

In accordance with the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), the Underwriters are required to obtain, verify and record information that identifies their respective clients, including the Company, Summit Holdings and the Selling Stockholders, which information may include the name and address of their respective clients, as well as other information that will allow the Underwriters to properly identify their respective clients.

All statements, requests, notices and agreements hereunder shall be in writing, and if to the Underwriters shall be delivered or sent by mail, telex or facsimile transmission to Barclays Capital Inc., 745 7th Avenue, New York, NY 10019, Attn: Syndicate Registration, Fax: 646-834-8133; if to any Selling Stockholder shall be delivered to counsel for such Selling Stockholder or sent by mail, telex or facsimile transmission at its address set forth in Schedule IV hereto; if to the Company or Summit Holdings shall be delivered or sent by mail, telex or facsimile transmission to the address of the Company set forth on the cover of the Registration Statement, Attention: Anne Lee Benedict, Esq.; and if to any of the parties that has delivered a lock-up letter described in Section 9(j) hereof shall be delivered or sent by mail to the respective address provided in Schedule III hereto or such other address as such party provides in writing to the Company; provided, however, that any notice to an Underwriter pursuant to Section 10(b)

hereof shall be delivered or sent by mail, telex or facsimile transmission to such Underwriter at its address set forth in its Underwriters Questionnaire or telex constituting such Questionnaire, which address will be supplied to the Company or the Selling Stockholders by the Representatives on request; provided, further, that notices under Section 6(f) shall be in writing, and if to the Underwriters shall be delivered or sent by mail, telex or facsimile transmission to Barclays Capital Inc., 745 7th Avenue, New York, NY 10019, Attn: Syndicate Registration, Fax: 646-834-8133, Any such statements, requests, notices or agreements shall take effect upon receipt thereof.

15. This Agreement shall be binding upon, and inure solely to the benefit of, the Underwriters, the Company, Summit Holdings and the Selling Stockholders and, to the extent provided in Sections 10 and 12 hereof, the officers and directors of the Company and each person who controls the Company, Summit Holdings, any Selling Stockholder or any Underwriter, and their respective heirs, executors, administrators, successors and assigns, and no other person shall acquire or have any right under or by virtue of this Agreement. No purchaser of any of the Shares from any Underwriter shall be deemed a successor or assign by reason merely of such purchase.

16. Time shall be of the essence of this Agreement. As used herein, the term business day shall mean any day when the Commission's office in Washington, D.C. is open for business.

17. The Company, Summit Holdings and the Selling Stockholders acknowledge and agree that (i) the purchase and sale of the Shares pursuant to this Agreement is an arm's-length commercial transaction between the Company, Summit Holdings and the Selling Stockholders, on the one hand, and the several Underwriters, on the other, (ii) in connection therewith and with the process leading to such transaction each Underwriter is acting solely as a principal and not the agent or fiduciary of the Company, Summit Holdings or any Selling Stockholder, (iii) no Underwriter has assumed an advisory or fiduciary responsibility in favor of the Company, Summit Holdings or any Selling Stockholder with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company, Summit Holdings or any Selling Stockholder on other matters) or any other obligation to the Company, Summit Holdings or any Selling Stockholder except the obligations expressly set forth in this Agreement and (iv) the Company, Summit Holdings and each Selling Stockholder have consulted their own legal and financial advisors to the extent they deemed appropriate. The Company, Summit Holdings and each Selling Stockholder agree that they will not claim that the Underwriters, or any of them, has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Company, Summit Holdings or any Selling Stockholder, in connection with such transaction or the process leading thereto.

18. This Agreement supersedes all prior agreements and understandings (whether written or oral) between or among the Company, Summit Holdings, the Selling Stockholders and the Underwriters, or any of them, with respect to the subject matter hereof.

19. This Agreement and any claim, controversy or dispute arising under or related to this Agreement shall be governed by and construed in accordance with the laws of the State of New York. The Company, Summit Holdings and each Selling Stockholder agree that any suit or proceeding arising in respect of this Agreement or our engagement will be tried exclusively in the U.S. District Court for the Southern District of New York or, if that court does not have subject matter jurisdiction, in any state court located in The City and County of New York and the Company, Summit Holdings and such Selling Stockholder agree to submit to the jurisdiction of, and to venue in, such courts.

20. Each of the Company, Summit Holdings, the Selling Stockholders and the Underwriters hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

21. This Agreement may be executed by any one or more of the parties hereto in any number of counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute one and the same instrument.

22. Notwithstanding anything herein to the contrary, the Company, Summit Holdings and the Selling Stockholders are authorized to disclose to any persons the U.S. federal and state income tax treatment and tax structure of the potential transaction and all materials of any kind (including tax opinions and other tax analyses) provided to the Company, Summit Holdings and the Selling Stockholders relating to that treatment and structure, without the Underwriters imposing any limitation of any kind. However, any information relating to the tax treatment and tax structure shall remain confidential (and the foregoing sentence shall not apply) to the extent necessary to enable any person to comply with securities laws. For this purpose, tax structure is limited to any facts that may be relevant to that treatment.

Summit Materials, Inc.

Lock-Up Agreement

April 13, 2016

Barclays Capital Inc.

As representative of the several Underwriters

c/o Barclays Capital Inc.

745 Seventh Avenue

New York, New York 10019

Re: Summit Materials, Inc. Lock-Up Agreement

Ladies and Gentlemen:

The undersigned understands that Barclays Capital Inc., as representative (the Representative) propose to enter into an underwriting agreement (the Underwriting Agreement) on behalf of the several underwriters named in Schedule I to such agreement (collectively, the Underwriters), among Summit Materials, Inc., a Delaware corporation (the Company), Summit Materials Holdings L.P., a Delaware limited partnership (Summit Holdings) and the selling stockholders named in Schedule IV to such agreement (the Selling Stockholders), providing for a public offering (the Offering) of shares of Class A common stock, par value \$0.01 per share (the Common Stock), of the Company (the Shares) pursuant to a Registration Statement on Form S-3 previously filed with the Securities and Exchange Commission (the SEC). To the extent there are no additional Underwriters listed on Schedule I thereto other than you, the representatives as used herein shall mean you, as Underwriter, and the terms representatives and Underwriters shall mean either singular or plural as the context requires.

In consideration of the agreement by the Underwriters to offer and sell the Shares, and of other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the undersigned agrees that, during the period specified in the following paragraph (the Lock-Up Period), the undersigned will not offer, sell, contract to sell, pledge, grant any option to purchase, make any short sale or otherwise dispose of any shares of Common Stock of the Company, or any options or warrants to purchase any shares of Common Stock of the Company, or any securities convertible into, exchangeable for or that represent the right to receive shares of Common Stock of the Company, whether now owned or hereafter

acquired, owned directly by the undersigned (including holding as a custodian) or with respect to which the undersigned has beneficial ownership within the rules and regulations of the SEC (collectively the Undersigned's Shares). The foregoing restriction is expressly agreed to preclude the undersigned from engaging in any hedging or other transaction that is designed to or that reasonably could be expected to lead to or result in a sale or disposition of the Undersigned's Shares even if such Shares would be disposed of by someone other than the undersigned. Such prohibited hedging or other transactions would include, without limitation, any short sale or any purchase, sale or grant of any right (including, without limitation, any put or call option) with respect to any of the Undersigned's Shares or with respect to any security that includes, relates to, or derives any significant part of its value from such Shares whether any such transaction is to be settled by delivery of the Undersigned's Shares or other securities, in cash or otherwise.

The Lock-Up Period will commence on the date of this Lock-Up Agreement and continue for 30 days after the date set forth on the final prospectus used to sell the Shares (the Public Offering Date) pursuant to the Underwriting Agreement.

Notwithstanding the foregoing, the undersigned may transfer the Undersigned's Shares (i) by will or intestacy, (ii) as a bona fide gift or gifts, (iii) to any trust, partnership, limited liability company or other entity for the direct or indirect benefit of the undersigned or the immediate family of the undersigned (for purposes of this Lock-Up Agreement, immediate family shall mean any relationship by blood, current or former marriage or adoption, not more remote than first cousin), (iv) to any immediate family member or other dependent, (v) as a distribution to limited partners, members or stockholders of the undersigned, (vi) to the undersigned's affiliates or to any investment fund or other entity controlled or managed by the undersigned, (vii) to exchange LP Units (as defined in the Underwriting Agreement) for Shares, (viii) to a nominee or custodian of a person or entity to whom a disposition or transfer would be permissible under clauses (i) through (vi) above, (ix) pursuant to an order of a court or regulatory agency, (x) from an executive officer to the Company or its parent entities upon death, disability or termination of employment, in each case, of such executive officer, (xi) in connection with transactions by any person other than the Company relating to Shares acquired in open market transactions after the completion of the Offering provided that in the case of this clause (xi) no public reports or filings (including filings under Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act)) reporting a reduction in beneficial ownership of Common Stock shall be required or shall be voluntarily made during the Lock-Up Period or any extension thereof and/or (xii) with the prior written consent of the Representatives; provided that:

(1) in the case of each transfer or distribution pursuant to clauses (ii) through (viii) and (ix) above, (a) each donee, trustee, distributee or transferee, as the case may be, agrees to be bound in writing by the restrictions set forth herein; and (b) any such transfer or distribution shall not involve a disposition for value, other than with respect to any such transfer or distribution for which the transferor or distributor receives (x) equity interests of such transferee or (y) such transferee's interests in the transferor; and

(2) in the case of each transfer or distribution pursuant to clauses (ii) through (vii), if any public reports or filings (including filings under Section 16(a) of the Exchange Act) reporting a reduction in beneficial ownership of Common Stock shall be required or shall be voluntarily

made during the Lock-Up Period or any extension thereof (a) the undersigned shall provide the Representatives prior written notice informing them of such report or filing and (b) such report or filing shall disclose that such donee, trustee, distributee or transferee, as the case may be, agrees to be bound in writing by the restrictions set forth herein.

In addition, notwithstanding the foregoing, if the undersigned is a corporation, the corporation may transfer the capital stock of the Company to any wholly owned subsidiary of such corporation; provided, however, that in any such case, it shall be a condition to the transfer that the transferee execute an agreement stating that the transferee is receiving and holding such capital stock subject to the provisions of this Lock-Up Agreement and there shall be no further transfer of such capital stock except in accordance with this Lock-Up Agreement, and provided further that any such transfer shall not involve a disposition for value. The undersigned now has, and, except as contemplated by clauses (i) through (xii) above, for the duration of this Lock-Up Agreement will have, good and marketable title to the Undersigned's Shares, free and clear of all liens, encumbrances, and claims whatsoever. The undersigned also agrees and consents to the entry of stop transfer instructions with the Company's transfer agent and registrar against the transfer of the Undersigned's Shares except in compliance with the foregoing restrictions.

The restrictions described in this Lock-Up Agreement shall not apply to (i) the sale of the Undersigned's Shares pursuant to the Underwriting Agreement; (ii) any sales made pursuant to a trading plan adopted pursuant to Rule 10b5-1 of the Exchange Act prior to the date of this Lock-Up Agreement, provided that any filing under Section 16(a) of the Exchange Act that is made in connection with any such sales during the Lock-Up Period shall state that such sales have been executed under a trading plan pursuant to Rule 10b5-1 under the Exchange Act, and shall also state the date such trading plan was adopted; (iii) the establishment of a trading plan pursuant to Rule 10b5-1 under the Exchange Act on or after the date of this Lock-Up Agreement, provided that no transfers occur under such plan during the Lock-Up Period and no public announcement or filing shall be required or voluntarily made by any person in connection therewith other than general disclosure in Company periodic reports to the effect that Company directors and officers may enter into such trading plans from time to time; [and/or] (iv) [the pledge, hypothecation or other granting of a security interest in Common Stock to one or more banks or financial institutions as collateral or security for any loan, advance or extension of credit and any transfer upon foreclosure upon such shares or thereafter, provided that the undersigned or the Company, as the case may be, shall provide the Representatives prior written notice informing them of any public filing, report or announcement made by or on behalf of the Company or the undersigned with respect thereto; and/or (v)]¹ the delivery of LP Units to the Company and/or Summit Holdings for sale or exchange for Common Stock as contemplated in the Pricing Prospectus.

The undersigned understands that, if (i) the Underwriting Agreement (other than the provisions which survive termination under the terms thereof) shall terminate or be terminated prior to payment for the delivery of the Common Stock to be sold thereunder, (ii) the Registration Statement is withdrawn by the Company, (iii) the Company notifies the Representatives that it does not intend to proceed with the Offering, or (iv) the underwriting agreement for the Offering is not executed by June 30, 2016, the undersigned shall be released from all obligations under this Lock-Up Agreement and this Lock-Up Agreement shall be of no

further effect. The undersigned understands that the Company and the Underwriters are relying upon this Lock-Up Agreement in proceeding toward consummation of the Offering. EXPLANATORY NOTE

This quarterly report on Form 10-Q (this report) is a combined quarterly report being filed separately by two registrants: Summit Materials, Inc. and Summit Materials, LLC. Each registrant hereto is filing on its own behalf all of the information contained in this report that relates to such registrant. Each registrant hereto is not filing any information that does not relate to such registrant, and therefore makes no representation as to any such information. We believe that combining the quarterly reports on Form 10-Q of Summit Materials, Inc. and Summit Materials, LLC into this single report eliminates duplicative and potentially confusing disclosure and provides a more streamlined presentation since a substantial amount of the disclosure applies to both registrants.

Unless stated otherwise or the context requires otherwise, references to Summit Inc. mean Summit Materials, Inc., a Delaware corporation, and references to Summit LLC mean Summit Materials, LLC, a Delaware limited liability company. The references to Summit Inc. and Summit LLC are used in cases where it is important to distinguish between them. We use the terms we, our, us or the Company to refer to Summit Inc. and Summit LLC together with their respective subsidiaries, unless otherwise noted or the context otherwise requires.

Summit Inc. was formed on September 23, 2014 to be a holding company. As of April 2, 2016, its sole material asset was a 49.7% economic interest in Summit Materials Holdings L.P. (Summit Holdings). Summit Inc. has 100% of the voting rights of Summit Holdings, which is the indirect parent of Summit LLC. Summit LLC is a co-issuer of our outstanding 8 1/2% senior notes due 2022 (2022 Notes) and our 4% senior notes due 2023 (2023 Notes and collectively with the 2022 Notes, the Senior Notes). Summit Inc.'s only revenue for the three months ended April 2, 2016 was that generated by Summit LLC. Summit Inc. controls all of the business and affairs of Summit Holdings and, in turn, Summit LLC, as a result of its reorganization into a holding corporation structure consummated in connection with the initial public offering of its Class A common stock on March 11, 2015 (IPO).

SUMMIT MATERIALS, INC.

NOTES TO UNAUDITED CONSOLIDATED FINANCIAL STATEMENTS

(Tables in thousands, except share amounts)

1. SUMMARY OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Summit Materials, Inc. (Summit Inc. and, together with its subsidiaries, the Company) is a vertically-integrated construction materials company. The Company is engaged in the production and sale of aggregates, cement, ready-mixed concrete, asphalt paving mix and concrete products and owns and operates quarries, sand and gravel pits, two cement plants, cement distribution terminals, ready-mixed concrete plants, asphalt plants and landfill sites. It is also engaged in paving and related services. The Company has three operating segments, which are also its reporting segments: West; East; and Cement.

Substantially all of the Company's products and services are produced, consumed and performed outdoors, primarily in the spring, summer and fall. Seasonal changes and other weather-related conditions can affect the production and sales volumes of its products and delivery of services. Therefore, the financial results for any interim period are typically not indicative of the results expected for the full year. Furthermore, the Company's sales and earnings are sensitive to national, regional and local economic conditions and to cyclical changes in construction spending, among other factors.

On September 23, 2014, Summit Inc. was formed as a Delaware corporation to be a holding company. Its sole material asset is a controlling equity interest in Summit Materials Holdings L.P. (Summit Holdings). Pursuant to a reorganization into a holding company structure (the Reorganization) consummated in connection with Summit Inc.'s March 2015 initial public offering, Summit Inc. became a holding corporation operating and controlling all of the business and affairs of Summit Holdings and its subsidiaries and, through Summit Holdings, conducts its business. Together with Summit Inc., certain investment funds affiliated with Blackstone Capital Partners V L.P. and Silverhawk Summit, L.P. (collectively, the Sponsors) are the primary owners of Summit Holdings.

Equity Offerings Summit Inc. commenced operations on March 11, 2015 upon the pricing of the initial public offering of its Class A common stock (IPO). Summit Inc. raised \$433.0 million, net of underwriting discounts, through the issuance of 25,555,555 shares of Class A common stock at a public offering price of \$18.00 per share. Summit Inc. used the offering proceeds to purchase a number of newly-issued Class A Units (LP Units) from Summit Holdings equal to the number of shares of Class A common stock issued to the public. Summit Inc. caused Summit Holdings to use these proceeds: (i) to redeem \$288.2 million in aggregate principal amount of outstanding 10 1/2% senior notes due January 31, 2020 (2020 Notes); (ii) to purchase 71,428,571 Class B Units of Continental Cement Company, L.L.C. (Continental Cement); (iii) to pay a one-time termination fee of \$13.8 million primarily to affiliates of the Sponsors in connection with the termination of a transaction and management fee agreement; and (iv) for general corporate purposes. The \$288.2 million redemption of 2020 Notes was completed in the second quarter of 2015 at a redemption price equal to par plus an applicable premium of \$38.2 million plus \$5.2 million of accrued and unpaid interest.

On August 11, 2015, Summit Inc. raised \$555.8 million, net of underwriting discounts, through the issuance of 22,425,000 shares of Class A common stock at a public offering price of \$25.75 per share (follow-on offering). Summit Inc. used these proceeds to purchase 3,750,000 newly-issued LP Units from Summit Holdings and 18,675,000 LP Units from certain of our pre-IPO owners, at a purchase price per LP Unit equal to the public offering

price per share of Class A common stock, less underwriting discounts and commissions. Summit Holdings used the proceeds from the 3,750,000 newly-issued LP Units to pay the deferred purchase price of \$80.0 million related to the July 17, 2015 acquisition of a cement plant and a quarry in Davenport, Iowa, and seven cement terminals along the Mississippi River (the Davenport Assets) and for general corporate purposes.

Basis of Presentation These unaudited consolidated financial statements were prepared in accordance with U.S. generally accepted accounting principles (U.S. GAAP) for interim financial information, without audit, pursuant to the rules and regulations of the Securities and Exchange Commission. Certain information and

Table of Contents

footnote disclosures typically included in financial statements prepared in accordance with U.S. GAAP have been condensed or omitted pursuant to such rules and regulations. These unaudited consolidated financial statements should be read in conjunction with the Company's audited consolidated financial statements and the notes thereto as of and for the year ended January 2, 2016. The Company continues to follow the accounting policies set forth in those consolidated financial statements.

Management believes that these consolidated interim financial statements include all adjustments, normal and recurring in nature, that are necessary to present fairly the financial position of the Company as of April 2, 2016 and the results of operations and cash flows for the three months ended April 2, 2016 and March 28, 2015. All significant intercompany balances and transactions have been eliminated.

The Company's fiscal year is based on a 52-53 week year with each quarter composed of 13 weeks ending on a Saturday. The 53-week year occurs approximately once every seven years and occurred in 2015. The additional week in the 53-week year was included in the fourth quarter of 2015.

Principles of Consolidation The consolidated financial statements include the accounts of Summit Inc. and its majority owned subsidiaries. As a result of the Reorganization, Summit Holdings became a variable interest entity. Summit Inc. is the primary beneficiary of Summit Holdings as a result of its 100% voting power and control over Summit Holdings and its obligation to absorb losses and its right to receive benefits of Summit Holdings and thus consolidates Summit Holdings in its consolidated financial statements with a corresponding noncontrolling interest elimination of 50.3% between January 2, 2016 and April 2, 2016 and 72.2% between March 11, 2015 and March 28, 2015. Collectively, Summit Inc.'s August 2015 follow-on offering and its December 2015 stock dividend decreased the noncontrolling interest's economic interest from 72.2% to 50.3%.

Noncontrolling interests in consolidated subsidiaries represent a 20% ownership in Ohio Valley Asphalt, LLC and, prior to the IPO and concurrent purchase of the noncontrolling interests of Continental Cement, a 30% redeemable ownership in Continental Cement. All intercompany balances and transactions have been eliminated. The Company attributes consolidated stockholders' equity and net income separately to the controlling and noncontrolling interests. The Company accounts for investments in entities for which it has an ownership of 20% to 50% using the equity method of accounting.

Use of Estimates Preparation of these consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions. These estimates and the underlying assumptions affect the amounts of assets and liabilities reported, disclosures about contingent assets and liabilities and reported amounts of revenue and expenses. Such estimates include the valuation of accounts receivable, inventories, goodwill, intangibles and other long-lived assets, pension and other postretirement obligations and asset retirement obligations. Estimates also include revenue earned on contracts and costs to complete contracts. Most of the Company's paving and related services are performed under fixed unit-price contracts with state and local governmental entities. Management regularly evaluates its estimates and assumptions based on historical experience and other factors, including the current economic environment. Management adjusts such estimates and assumptions when circumstances dictate. As future events and their effects cannot be determined with precision, actual results can differ significantly from estimates made. Changes in estimates, including those resulting from continuing changes in the economic environment, are reflected in the Company's consolidated financial statements when the change in estimate occurs.

Business and Credit Concentrations The Company's operations are conducted primarily across 22 U.S. states and in British Columbia, Canada, with the most significant revenue generated in Texas, Kansas, Utah, Missouri and Kentucky. The Company's accounts receivable consist primarily of amounts due from customers within these areas. Therefore, collection of these accounts is dependent on the economic conditions in the aforementioned states, as well

as specific situations affecting individual customers. Credit granted within the Company's trade areas has been granted to many customers, and management does not believe that a significant concentration of credit exists with respect to any individual customer or group of customers. No single customer accounted for more than 10% of the Company's total revenue in the three months ended April 2, 2016.

Earnings per Share The Company computes basic earnings per share attributable to stockholders by dividing income attributable to Summit Inc. by the weighted-average shares of Class A common stock outstanding.

Table of Contents

Diluted earnings per share reflects the potential dilution beyond shares for basic earnings per share that could occur if securities or other contracts to issue common stock were exercised, converted into common stock, or resulted in the issuance of common stock that would have shared in the Company's earnings. Since the Class B common stock has no economic value, those shares are not included in the weighted-average common share amount for basic or diluted earnings per share. In addition, as the shares of Class A common stock are issued by Summit Inc., the earnings and equity interests of noncontrolling interests are not included in basic or diluted earnings per share.

Fair Value Measurements Certain acquisitions made by the Company require the payment of contingent amounts of purchase consideration. These payments are contingent on specified operating results being achieved in periods subsequent to the acquisition and will only be made if earn-out thresholds are achieved. Contingent consideration obligations are measured at fair value each reporting period. Any adjustments to fair value are recognized in earnings in the period identified.

The Company has entered into interest rate derivatives on \$200.0 million of its term loan borrowings to add stability to interest expense and to manage its exposure to interest rate movements. The effective portion of changes in the fair value of derivatives designated and that qualify as cash flow hedges is recorded in accumulated other comprehensive loss and will be subsequently reclassified into earnings in the period that the hedged forecasted transaction affects earnings. The fair value of contingent consideration and derivatives as of April 2, 2016 and January 2, 2016 was:

	April 2, 2016	January 2, 2016
Current portion of acquisition-related liabilities and Accrued expenses:		
Contingent consideration	\$ 5,057	\$ 4,918
Cash flow hedges	457	224
Acquisition-related liabilities and Other noncurrent liabilities		
Contingent consideration	\$ 1,844	\$ 2,475
Cash flow hedges	2,654	681

The fair value of contingent consideration was based on unobservable, or Level 3, inputs, including projected probability-weighted cash payments and an 11.0% discount rate, which reflects a market discount rate. Changes in fair value may occur as a result of a change in actual or projected cash payments, the probability weightings applied by the Company to projected payments or a change in the discount rate. Significant increases or decreases in any of these inputs in isolation could result in a lower, or higher, fair value measurement. The fair value of the cash flow hedges are based on observable, or Level 2, inputs such as interest rates, bond yields and prices in inactive markets. There were no material valuation adjustments in the three months ended April 2, 2016 or March 28, 2015.

Financial Instruments The Company's financial instruments include debt and certain acquisition-related liabilities (deferred consideration and noncompete obligations). The carrying value and fair value of these financial instruments as of April 2, 2016 and January 2, 2016 was:

	April 2, 2016		January 2, 2016

<i>Level 2</i>

- (1) \$6.5 million included in current portion of debt as of April 2, 2016 and January 2, 2016. Capitalized loan costs of \$16.2 million and \$11.7 million are excluded, respectively.
- (2) Included in current portion of acquisition-related liabilities on the balance sheet.
- (3) Included in acquisition-related liabilities on the balance sheet.

Table of Contents

The fair value of debt was determined based on observable, or Level 2, inputs, such as interest rates, bond yields and quoted prices in inactive markets. The fair values of the deferred consideration and noncompete obligations were determined based on unobservable, or Level 3, inputs, including the cash payment terms in the purchase agreements and a discount rate reflecting the Company's credit risk.

Redeemable Noncontrolling Interest On March 17, 2015, upon the consummation of the IPO and the transactions contemplated by a contribution and purchase agreement entered into with the holders of all of the outstanding Class B Units of Continental Cement, Continental Cement became a wholly-owned indirect subsidiary of Summit Inc. The noncontrolling interests of Continental Cement were acquired for aggregate consideration of \$64.1 million, consisting of \$35.0 million of cash, 1,029,183 shares of Summit Inc.'s Class A common stock and \$15.0 million aggregate principal amount of non-interest bearing notes payable in six annual installments of \$2.5 million, beginning on March 17, 2016.

New Accounting Standards In March 2016, the Financial Accounting Standards Board (FASB) issued a new accounting standard with targeted amendments to the accounting for employee share-based payments. Accounting Standards Update (ASU) 2016-09, *Improvements to Employee Share-Based Payment Accounting*, requires that the income tax effect of share-based awards be recognized in the income statement and allows entities to elect an accounting method to recognize forfeitures as they occur or to estimate forfeitures, as is currently required. The ASU is effective for public entities for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2016 and interim periods within those years. However, the Company early adopted this ASU as of the beginning of fiscal year 2016 and made an election to recognize forfeitures as they occur. The ASU adoption was applied using a modified retrospective method by means of a \$1.7 million cumulative-effect adjustment to equity as of the beginning of the fiscal year.

In February 2016, the FASB issued new accounting guidance to the standard of lease accounting, ASU No. 2016-02, *Leases*, which will result in lessees recognizing most leases on-balance sheet. Lessees are required to disclose more quantitative and qualitative information about their leases than current U.S. GAAP requires. They are also required to apply the new guidance at the beginning of the earliest period presented in the financial statements when they first apply the new standard. The new standard must be adopted by December 15, 2018. Early adoption is permitted. Management is currently assessing the effect that the adoption of this ASU will have on the consolidated financial statements.

In May 2014, the FASB issued a new accounting standard to improve and converge the financial reporting requirements for revenue from contracts with customers. ASU No. 2014-09, *Revenue from Contracts with Customers*, prescribes a five-step model for revenue recognition that will replace most existing revenue recognition guidance in U.S. GAAP. The ASU will supersede nearly all existing revenue recognition guidance under U.S. GAAP and provides that an entity recognize revenue when it transfers promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. This update also requires additional disclosure about the nature, amount, timing and uncertainty of revenue and cash flows arising from customer contracts, including significant judgments and changes in judgments, and assets recognized from costs incurred to obtain or fulfill a contract. ASU No. 2014-09 allows for either full retrospective or modified retrospective adoption. In July 2015, the FASB postponed the effective date of the new revenue standard by one year to the first quarter of 2018. Early adoption is permitted, but no earlier than 2017. Management is currently assessing the effect that the adoption of this standard will have on the consolidated financial statements.

Reclassifications Certain amounts in the prior year have been reclassified to conform to the current period's presentation.

2. REORGANIZATION

Prior to the IPO and Reorganization, the capital structure of Summit Holdings consisted of six different classes of limited partnership interests (Class A-1, Class A-2, Class B-1, Class C, Class D-1 and Class D-2), each of which

Table of Contents

was subject to unique distribution rights. There were no outstanding Class A-2 interests. In connection with the IPO and the Reorganization, the limited partnership agreement of Summit Holdings was amended and restated to, among other things, modify its capital structure by creating the LP Units, referred to as the Reclassification. Immediately following the Reclassification, 69,007,297 LP Units were outstanding. In addition, in substitution for part of the economic benefit of the Class C and Class D interests that was not reflected in the conversion of such interests to LP Units, warrants were issued to holders of Class C interests to purchase an aggregate of 160,333 shares of Class A common stock, and options were issued to holders of Class D interests to purchase an aggregate of 4,358,842 shares of Class A common stock (leverage restoration options). The exercise price of the warrants and leverage restoration options is the IPO price of \$18.00 per share. In conjunction with the Reclassification of the equity-based awards, the Company recognized a \$14.5 million modification charge in general and administrative costs in the three months ended March 28, 2015.

The leverage restoration options were granted under the Summit Materials, Inc. 2015 Omnibus Incentive Plan (the Omnibus Incentive Plan). The leverage restoration options that correlate to time-vesting interests vest over four years, beginning on the Reclassification date and the leverage restoration options that correlate to performance-vesting interests vest only when both the relevant return multiple is achieved and a four year time-vesting condition is satisfied. The time-based vesting condition for both the time-vesting and performance-vesting interests will be satisfied with respect to 25% of the performance-vesting options on each of the first four anniversaries of the Reclassification date, subject to the employee s continued employment through the applicable vesting date.

The Company also granted 240,000 options to purchase shares of Class A common stock under the Omnibus Incentive Plan to certain employees some of whom had not previously been granted equity-based interests. These stock options have an exercise price of \$18.00 per share, the IPO price, and are subject to a time-based vesting condition that will be satisfied with respect to 25% of the award on each of the first four anniversaries of the grant date, subject to the employee s continued employment through the applicable vesting date.

3. INTANGIBLE ASSETS

The Company s intangible assets are primarily composed of goodwill, lease agreements and reserve rights. The assets related to lease agreements reflect the submarket royalty rates paid under agreements, primarily, for extracting aggregates. The values were determined as of the respective acquisition dates by a comparison of market-royalty rates. The reserve rights relate to aggregate reserves to which the Company has the rights of ownership, but do not own the reserves. The intangible assets are amortized on a straight-line basis over the lives of the leases.

Changes in the carrying amount of goodwill, by reportable segment, from January 2, 2016 to April 2, 2016 are summarized as follows:

	West	East	Cement	Total
Balance, January 2, 2016	\$ 303,926	\$ 98,308	\$ 194,163	\$ 596,397
Acquisitions(1)	1,724	134,774		136,498

Balance, April 2, 2016	\$ 308,501	\$ 233,082	\$ 194,163	\$ 735,746

Accumulated impairment losses as of April 2, 2016 and January 2, 2016	\$ (53,264)	\$ (14,938)	\$	\$ (68,202)
-----------------------------------------------------------------------	-------------	-------------	----	-------------

- (1) Includes goodwill from the East segment's acquisitions of Boxley Materials Company (Boxley) and American Materials Company (AMC) in the three months ended April 2, 2016. Boxley is a vertically-integrated materials-based company serving Roanoke, Virginia and surrounding areas. AMC is an aggregates and ready-mixed concrete business serving the Carolinas. The purchase price allocation for the 2015 and 2016 acquisitions, primarily related to the valuation of property, plant and equipment, has not yet been finalized due to the recent timing of the acquisitions. Included in the West segment's goodwill are certain working capital adjustments related to 2015 acquisitions.

Senior Notes On March 8, 2016, the Issuers issued \$250.0 million of 8.500% senior notes due April 15, 2022 (the 2022 Notes). The 2022 Notes were issued at 100.0% of their par value with proceeds of \$246.3 million, net of related fees and expenses. The proceeds from the sale of the 2022 Notes were used to fund the acquisition of Boxley, replenish cash used for the acquisition of AMC and the expenses incurred in connection with these acquisitions. The 2022 Notes were issued under an indenture dated March 8, 2016 (as amended and supplemented, the 2016 Indenture). The 2016 Indenture contains covenants limiting, among other things, Summit LLC and its restricted subsidiaries ability to incur additional indebtedness or issue certain preferred shares, pay dividends, redeem stock or make other distributions, make certain investments, sell or transfer certain assets, create liens, consolidate, merger, sell or otherwise dispose of all or substantially all of the company s assets, enter into certain transactions with affiliates, and designate subsidiaries as unrestricted subsidiaries. The 2016 Indenture also contains customary events of default. Interest on the 2022 Notes is payable semi-annually on April 15 and October 15 of each year commencing on October 15, 2016.

In 2015, the Issuers issued \$650.0 million of 6.125% senior notes due July 2023 (the 2023 Notes). The net proceeds from the 2023 Notes, with proceeds from the refinancing of the term loan described below, were used to pay the \$370.0 million initial purchase price for the Davenport Assets, to redeem \$183.0 million plus \$153.8 million in aggregate principal amount of the then outstanding 2020 Notes and pay related fees and expenses. Of the aggregate \$650.0 million of 2023 Notes in 2015, \$350.0 million were issued at par and \$300.0 million were issued at 99.375% of par. The 2023 Notes were issued under an indenture dated July 8, 2015 (as amended and supplemented, the 2015 Indenture), the terms of which are generally consistent with the 2016 Indenture. Interest on the 2023 Notes is payable semi-annually in arrears on January 15 and July 15 of each year commencing on January 15, 2016.

In April, August and November 2015, using proceeds from the IPO, the refinancing of the term loan described below and the proceeds from the 2023 Notes, \$288.2 million, \$183.0 million and \$153.8 million, respectively, aggregate principal amount of the outstanding 2020 Notes were redeemed at a price equal to par plus an applicable premium and the indenture under which the 2020 Notes were issued was satisfied and discharged. As a result of the redemptions, net charges of \$56.5 million were recognized in the year ended January 2, 2016. The fees included \$66.6 million for the applicable prepayment premium and \$11.9 million for the write-off of deferred financing fees, partially offset by \$22.0 million of net benefit from the write-off the original issuance net premium in the year ended January 2, 2016.

There were no related charges recognized for the three months ended March 28, 2015, as the first redemption was in April 2015.

As of April 2, 2016 and January 2, 2016, the Company was in compliance with all covenants under the indentures that were applicable as of each date.

Senior Secured Credit Facilities Summit LLC has credit facilities that provide for term loans in an aggregate amount of \$650.0 million and revolving credit commitments in an aggregate amount of \$235.0 million (the Senior Secured Credit Facilities). Under the Senior Secured Credit Facilities, required principal repayments of 0.25% of term debt are due on the last business day of each March, June, September and December. The unpaid principal balance is due in full on the maturity date, which is July 17, 2022. On July 17, 2015, Summit LLC refinanced its term loan under the Senior Secured Credit Facilities (the Refinancing). The Refinancing, among other things: (i) reduced the applicable margins used to calculate interest rates for term loans under the Senior Secured Credit Facilities to 3.25% for LIBOR rate loans and 2.25% for base rate loans, subject to a LIBOR floor

Table of Contents

of 1.00% (and one 25 basis point step down upon Summit LLC achieving a certain first lien net leverage ratio); (ii) increased term loans borrowed under the term loan facility from \$422.0 million to an aggregate \$650.0 million; and (iii) created additional flexibility under the financial maintenance covenants, which are tested quarterly, by increasing the applicable maximum Consolidated First Lien Net Leverage Ratio (as defined in the credit agreement governing the Senior Secured Credit Facilities, the Credit Agreement).

On March 11, 2015, Summit LLC entered into Amendment No. 3 to the Credit Agreement, which became effective on March 17, 2015 upon the consummation of the IPO. The amendment: (i) increased the size of the revolving credit facility from \$150.0 million to \$235.0 million; (ii) extended the maturity date of the revolving credit facility to March 11, 2020; (iii) amended certain covenants; and (iv) permits periodic tax distributions as contemplated in a tax receivable agreement, dated March 11, 2015. As a result of this amendment, \$0.8 million of financing fees were recognized in the three months ended March 28, 2015.

The revolving credit facility bears interest per annum equal to, at Summit LLC's option, either (i) a base rate determined by reference to the highest of (a) the federal funds rate plus 0.50%, (b) the prime rate of Bank of America, N.A. and (c) LIBOR plus 1.00%, plus an applicable margin of 2.25% for base rate loans or (ii) a LIBOR rate determined by reference to Reuters prior to the interest period relevant to such borrowing adjusted for certain additional costs plus an applicable margin of 3.25% for LIBOR rate loans.

There were no outstanding borrowings under the revolving credit facility as of April 2, 2016, leaving remaining borrowing capacity of \$210.6 million, which is net of \$24.4 million of outstanding letters of credit. The outstanding letters of credit are renewed annually and support required bonding on construction projects and the Company's insurance liabilities.

Summit LLC's Consolidated First Lien Net Leverage Ratio, as such term is defined in the Senior Secured Credit Facilities, should be no greater than 4.75:1.0 as of each quarter-end. As of April 2, 2016 and January 2, 2016, Summit LLC was in compliance with all covenants.

Summit LLC's wholly-owned domestic subsidiary companies, subject to certain exclusions and exceptions, are named as subsidiary guarantors of the Senior Notes and the Senior Secured Credit Facilities. In addition, Summit LLC has pledged substantially all of its assets as collateral, subject to certain exclusions and exceptions, for the Senior Secured Credit Facilities.

Interest expense related to debt totaled \$18.3 million and \$22.0 million in the three months ended April 2, 2016 and March 28, 2015, respectively.

9. INCOME TAXES

Summit Inc.'s tax provision includes its proportional share of Summit Holdings' tax attributes. Summit Holdings' subsidiaries are primarily limited liability companies, but do include certain entities organized as C corporations and a Canadian subsidiary. The tax attributes related to the limited liability companies are passed on to Summit Holdings and then to its partners, including Summit Inc. The tax attributes associated with the C corporation and Canadian subsidiaries are fully reflected in the Company's accounts.

The effective income tax rate for the C corporations differ from the statutory federal rate primarily due to (1) tax depletion expense in excess of the expense recorded under U.S. GAAP, (2) state income taxes and the effect of graduated tax rates and (3) various other items such as limitations on meals and entertainment and other costs. The effective income tax rate for the Canadian subsidiary is not significantly different from its historical effective tax rate.

As of April 2, 2016, and January 2, 2016, Summit Inc. and its subsidiaries had not recognized any liabilities for uncertain tax positions. The Company records interest and penalties as a component of the income tax provision. No material interest or penalties were recognized in income tax expense during the three months ended April 2, 2016, or March 28, 2015.

10. NET LOSS PER SHARE

Basic loss per share is computed by dividing net loss by the weighted average common shares outstanding and diluted net loss is computed by dividing net loss, adjusted for changes in the amount allocated to Summit Inc. as a result of the assumed conversion of LP Units, by the weighted-average common shares outstanding assuming dilution.

The following table shows the calculation of basic loss per share:

Three months ended	
April 2, 2016	March 28, 2015

Net loss attributable to Summit Inc.	\$ (21,118)	\$ (10,151)
Weighted average shares of Class A shares outstanding	49,746,971	27,319,846
Basic loss per share	\$ (0.42)	\$ (0.37)

Excluded from the above calculation for the three months ended April 2, 2016 and March 28, 2015 were 50,261,471 and 69,007,297 LP Units, respectively, and 336,657 time-vesting restricted stock units and 130,691

Table of Contents

market-based restricted stock units were excluded from the above calculation for the three months ended April 2, 2016 as they had no effect on loss per share. Also excluded from the calculation were 2,767,458 and 2,280,314 time-vesting stock options in the three months ended April 2, 2016 and March 28, 2015, respectively, as they were antidilutive. In addition, 160,333 warrants were excluded from the above calculation in the three months ended April 2, 2016 and March 28, 2015 as they were antidilutive.

11. COMMITMENTS AND CONTINGENCIES

The Company is party to certain legal actions arising from the ordinary course of business activities. Accruals are recorded when the outcome is probable and can be reasonably estimated. While the ultimate results of claims and litigation cannot be predicted with certainty, management expects that the ultimate resolution of all pending or threatened claims and litigation will not have a material effect on the Company's consolidated results of operations, financial position or liquidity. The Company records legal fees as incurred.

Litigation and Claims The Company is obligated under an indemnification agreement entered into with the sellers of Harper Contracting, Inc., Harper Sand and Gravel, Inc., Harper Excavating, Inc., Harper Ready Mix Company, Inc. and Harper Investments, Inc. for the sellers' ownership interests in a joint venture agreement. The Company has the rights to any benefits under the joint venture as well as the assumption of any obligations, but does not own equity interests in the joint venture. The joint venture has incurred significant losses on a highway project in Utah, which have resulted in requests for funding from the joint venture partners and ultimately from the Company. Through April 2, 2016, the Company has funded \$8.8 million, \$4.0 million in 2012 and \$4.8 million in 2011. In 2012 and 2011, the Company recognized losses on the indemnification agreement of \$8.0 million and \$1.9 million, respectively. As of April 2, 2016 and January 2, 2016, an accrual of \$4.3 million was recorded in other noncurrent liabilities as management's best estimate of future funding obligations.

Environmental Remediation and Site Restoration The Company's operations are subject to and affected by federal, state, provincial and local laws and regulations relating to the environment, health and safety and other regulatory matters. These operations require environmental operating permits, which are subject to modification, renewal and revocation. The Company regularly monitors and reviews its operations, procedures and policies for compliance with these laws and regulations. Despite these compliance efforts, risk of environmental liability is inherent in the operation of the Company's business, as it is with other companies engaged in similar businesses and there can be no assurance that environmental liabilities or noncompliance will not have a material adverse effect on the Company's consolidated financial condition, results of operations or liquidity.

The Company has site restoration obligations arising from regulatory and contractual requirements to perform reclamation activities at the time certain quarries and landfills are closed. As of April 2, 2016 and January 2, 2016, \$19.1 million and \$18.7 million, respectively, were included in other noncurrent liabilities on the consolidated balance sheets and \$2.1 million and \$2.0 million were included in accrued expenses for future reclamation costs. The total undiscounted anticipated costs for site reclamation as of April 2, 2016 and January 2, 2016 were \$63.2 million and \$56.7 million, respectively.

Other During the ordinary course of business, there may be revisions to project costs and conditions that can give rise to change orders. Revisions can also result in claims that the Company may make against the customer or a subcontractor to recover project variances that have not been satisfactorily addressed through change orders with the customer. As of April 2, 2016, there were no unapproved change orders or claims and, as of January 2, 2016, unapproved change orders and claims included in accounts receivable totaled \$1.2 million.

The Company is obligated under various firm purchase commitments for certain raw materials and services that are in the ordinary course of business. Management does not expect any significant changes in the market value of these goods and services during the commitment period that would have a material adverse effect on the financial condition, results of operations, and cash flows of the Company. The terms of the purchase commitments generally approximate one year.

13. SEGMENT INFORMATION

The Company has three operating segments: West; East; and Cement, which are its reportable segments. These segments are consistent with the Company's management reporting structure. In the fourth quarter of 2015, the Company reorganized the operations and management reporting structure of the Cement and East segment operations, resulting in a change to its reportable business segments. The Company now conducts the cement business separate from the regional segments. As a result, the cement business is a reportable business segment. In addition, we have combined the materials-based businesses centered in Kansas and Missouri with the Kentucky-based operations, creating an expanded East segment and eliminating what was the Central region. These changes did not affect the West segment. Amounts in prior periods have been revised to reflect the current reporting structure.

The operating results of each segment are regularly reviewed and evaluated by the Chief Executive Officer, the Company's Chief Operating Decision Maker (CODM). The CODM primarily evaluates the performance of its segments and allocates resources to them based on a segment profit metric that we call Adjusted EBITDA, which is computed as earnings from continuing operations before interest, taxes, depreciation, depletion, amortization, accretion, share-based compensation, and transaction costs, as well as various other non-recurring, non-cash amounts.

The West and East segments have several acquired subsidiaries that are engaged in various activities including quarry mining, aggregate production and contracting. The Cement segment is engaged in the production of Portland cement. Assets employed by segment include assets directly identified with those operations. Corporate assets consist primarily of cash, property, plant and equipment for corporate operations and other assets not directly identifiable with a reportable business segment. The accounting policies applicable to each segment are consistent with those used in the consolidated financial statements.

The following tables display selected financial data for the Company's reportable business segments as of April 2, 2016 and January 2, 2016, and for the three months ended April 2, 2016 and March 28, 2015:

14. RELATED PARTY TRANSACTIONS

Under the terms of a transaction and management fee agreement between Summit Holdings and Blackstone Management Partners L.L.C. (BMP), whose affiliates include controlling stockholders of the Company, BMP provided monitoring, advisory and consulting services to the Company through March 17, 2015. Under the terms of the agreement, BMP was permitted to assign, and had assigned, a portion of the fees to which it was entitled to Silverhawk Summit, L.P. and to certain other equity investors.

The management fee was calculated based on the greater of \$300,000 or 2.0% of the Company's annual consolidated profit, as defined in the agreement, and is included in general and administrative expenses. The Company incurred management fees totaling \$1.0 million during the period between December 28, 2014 and March 17, 2015.

In connection with the IPO, the transaction and management fee agreement with BMP was terminated on March 17, 2015 for a final payment of \$13.8 million; \$13.4 million was paid to affiliates of BMP and the remaining \$0.4 million was paid to affiliates of Silverhawk Summit, L.P. and to certain other equity investors.

In addition to the transaction and management fees paid to BMP, the Company reimbursed BMP for direct expenses incurred, which were not material in the three months ended April 2, 2016 and March 28, 2015.

Blackstone Advisory Partners L.P., an affiliate of BMP, served as an initial purchaser of \$18.8 million of the 2022 Notes issued in March 2016 and \$22.5 million and \$26.3 million of the 2023 Notes issued in November 2015 and July 2015, respectively, and received compensation in connection therewith. In addition, Blackstone Advisory Partners L.P. served as an underwriter of 1,681,875 shares of Class A common stock issued in connection with the August 2015 follow-on offering and received compensation in connection therewith.

At closing, \$370.0 million of the purchase price was paid, and the remaining \$80.0 million was paid on August 13, 2015. Summit Holdings entered into a commitment letter dated April 16, 2015, with Blackstone Capital Partners V L.P. (BCP) for equity financing up

to \$90.0 million in the form of a preferred equity interest (the Equity Commitment Financing), which would have been used to pay the \$80.0 million deferred purchase price if other financing was not attained by December 31, 2015. For the Equity Commitment Financing, the Company paid a \$1.8 million commitment fee to BCP for the year ended January 2, 2016.

This Management's Discussion and Analysis of Financial Condition and Results of Operations is intended to assist in understanding and assessing the trends and significant changes in our results of operations and financial condition. Historical results may not be indicative of future performance. Forward-looking statements reflect our current views about future events, are based on assumptions and are subject to known and unknown risks and uncertainties that could cause actual results to differ materially from those contemplated by these statements. Factors that may cause differences between actual results and those contemplated by forward-looking statements include, but are not limited to, those discussed in the section entitled "Risk Factors" in the Annual Report and any factors discussed in the sections entitled "Cautionary Note Regarding Forward-Looking Statements" and "Risk Factors" of this report. This Management's Discussion and Analysis of Financial Condition and Results of Operations should be read in conjunction with our consolidated interim financial statements and the related notes and other information included in this report.

Overview

We are one of the fastest growing construction materials companies in the United States. Our materials include aggregates, which we supply across the country, with a focus on Texas, Kansas, Utah, Missouri and Kentucky, and cement, which we supply primarily in Missouri, Iowa and along the Mississippi River. Within our markets, we offer customers a single-source provider for construction materials and related downstream products through our vertical integration. In addition to supplying aggregates to customers, we use our materials internally to produce ready-mixed concrete and asphalt paving mix, which may be sold externally or used in our paving and related services businesses. Our vertical integration creates opportunities to increase aggregates volumes, optimize margin at each stage of production and provide customers with efficiency gains, convenience and reliability, which we believe gives us a competitive advantage.

We have completed 41 acquisitions, which are organized into 12 operating companies that make up our three distinct operating segments—West, East and Cement—spanning 19 U.S. states and British Columbia, Canada and 38 metropolitan statistical areas. Our highly experienced management team, led by our President and Chief Executive Officer, Tom Hill, a 35-year industry veteran, has successfully enhanced the operations of acquired companies by focusing on scale advantages, cost efficiencies and pricing discipline to improve profitability and cash flow.

As of April 2, 2016, we had 2.6 billion tons of proven and probable aggregates reserves serving our aggregates and cement businesses and operated over 300 sites and plants, to which we believe we have adequate road, barge and/or railroad access. From time to time, in connection with certain acquisitions, we engage a third party engineering firm to perform an aggregates reserves audit, but we do not perform annual reserve audits.

We operate in 22 U.S. states and British Columbia, Canada and currently have assets in 19 U.S. states and in British Columbia, Canada. The map below illustrates our geographic footprint:

Business Trends and Conditions

The U.S. construction materials industry is composed of four primary sectors: aggregates; cement; ready-mixed concrete; and asphalt paving mix. Each of these materials is widely used in most forms of construction activity. Participants in these sectors typically range from small, privately-held companies focused on a single material, product or market to multinational corporations that offer a wide array of construction materials and services. Competition is constrained in part by the distance materials can be transported efficiently, resulting in predominantly local or regional operations. Due to the lack of product differentiation, competition for all of our products is predominantly based on price and, to a lesser extent, quality of products and service. As a result, the prices we charge our customers are not likely to be materially different from the prices charged by other producers in the same markets. Accordingly, our profitability is generally dependent on the level of demand for our products and our ability to control operating costs.

Our revenue is derived from multiple end-use markets including private residential and nonresidential construction, as well as public infrastructure construction. Residential and nonresidential construction consists of new construction and repair and remodel markets. The construction sectors in the local economies in which we operate have begun to show signs of recovery. However, we could still be affected by any economic stagnation or decline, which could vary by local region and market, could affect our results of operations. Our sales and earnings are sensitive to national, regional and local economic conditions and particularly to cyclical changes in construction spending, especially in the private sector. From a macroeconomic view, we see positive indicators for the construction sector, including upward trends in housing starts, construction employment and highway obligations. All of these factors should result in increased construction activity in the private sector. However, we do not expect this recovery to be consistent across the United States. Certain of our markets are showing greater, more rapid signs of recovery. Increased construction activity in the private sector could lead to increased public infrastructure spending in the relatively near future. Public infrastructure includes spending by federal, state and local governments for roads, highways, bridges, airports and other infrastructure projects. Public infrastructure projects have historically been a relatively stable portion of state and federal budgets.

Table of Contents

Transportation infrastructure projects, driven by both federal and state funding programs, represent a significant share of the U.S. construction materials market. Federal funds are allocated to the states, which are required to match a portion of the federal funds they receive. Federal highway spending uses funds predominantly from the Federal Highway Trust Fund, which derives its revenue from taxes on diesel fuel, gasoline and other user fees. The dependability of federal funding allows the state departments of transportation to plan for their long term highway construction and maintenance needs. The FAST Act was signed into law on December 4, 2015 and authorizes \$305 billion of funding between 2016 and 2020. Over its five year term, it provides funding for surface transportation infrastructure, including roads, bridges, transit systems, and the rail transportation network. With the nation's infrastructure aging, we expect U.S. infrastructure spending to grow over the long term, and we believe we are well positioned to capitalize on any such increase.

In addition to federal funding, highway construction and maintenance funding is also available through state, county and local agencies. Each of our five largest states by revenue (Texas, Kansas, Utah, Missouri and Kentucky, which represented approximately 33%, 16%, 11%, 10% and 8%, respectively, of our total revenue in 2015) each have funds whose revenue sources have certain constitutional protections that limit spending to transportation projects:

Texas Department of Transportation's budget from 2014 to 2016 is \$25.3 billion.

Kansas has a 10-year \$8.2 billion highway bill that was passed in May 2010.

Utah's transportation investment fund has \$3.0 billion committed through 2018.

Missouri has an estimated \$0.7 billion in annual construction funding committed to essential road and bridge programs through 2017.

Kentucky's biennial highway construction plan has funding of \$3.6 billion from July 2014 to June 2016. Within many of our markets, state and local governments have taken actions to maintain or grow highway funding. For example:

On November 3, 2015, voters in Texas passed an additional proposition that dedicates up to \$2.5 billion of the state's sales and use tax revenue to the state's highway fund beginning in 2018, and 35% of any excess revenue over \$5 billion generated from the motor vehicles sales tax beginning in 2020.

On November 4, 2014, voters in Texas passed a proposition that is estimated to provide up to \$1.7 billion of incremental funding annually to the Texas Department of Transportation. The funds must be used for construction, maintenance, rehabilitation and acquiring right-of-way for public roads.

Increases in heavy truck registration fees, dedicated sales tax revenue and bond issuances have enabled Kansas to maintain stability in public infrastructure spending.

We believe that public infrastructure spending in Kentucky, which comprises the majority of our revenue in the state, will remain consistent in the upcoming years.

We expect primarily maintenance-related public demand in Utah and Missouri, both of which have recently completed large spending programs.

Use and consumption of our products fluctuate due to seasonality. Nearly all of the products used by us, and by our customers, in the private construction and public infrastructure industries are used outdoors. Our highway operations and production and distribution facilities are also located outdoors. Therefore, seasonal changes and other weather-related conditions, in particular extended rainy and cold weather in the spring and fall and major weather events, such as hurricanes, tornadoes, tropical storms and heavy snows, can adversely affect our business and operations through a decline in both the use of our products and demand for our services. In addition, construction materials production and shipment levels follow activity in the construction industry, which typically occurs in the spring, summer and fall. Warmer and drier weather during the second and third quarters of our fiscal year typically result in higher activity and revenue levels during those quarters.

Table of Contents

We are subject to commodity price risk with respect to price changes in liquid asphalt and energy, including fossil fuels and electricity for aggregates, cement, ready-mixed concrete and asphalt paving mix production, natural gas for hot mix asphalt production and diesel fuel for distribution vehicles and production related mobile equipment. Liquid asphalt escalator provisions in most of our private and commercial contracts limit our exposure to price fluctuations in this commodity. We often obtain similar escalators on public infrastructure contracts. In addition, we enter into various firm purchase commitments, with terms generally less than one year, for certain raw materials. Through effective use of our purchase commitments and a year on year decline in prices, our costs associated with liquid asphalt and energy have decreased \$2.4 million in the three months ended April 2, 2016 as compared to the three months ended March 28, 2015, taking into consideration organic and acquisition-related volume increases.

Our reporting unit based in Austin, Texas, where the economy has been expanding, has seen new market entrants, some of whom are aggressively seeking market share. We will continue to monitor the effect of this activity to assess whether an event occurs that indicates the carrying amount of the Austin-based reporting unit may be impaired requiring a goodwill impairment analysis. We did not recognize a goodwill impairment charge on the reporting unit's \$17.7 million of goodwill as of April 2, 2016. The estimated fair value of the reporting unit was 8.9% greater than its carrying value as of the date of the 2015 impairment test. The key assumptions in the impairment analysis were cash flows assuming no to moderate growth from 2015 and an 11.0% discount rate.

Our acquisition strategy has historically required us to raise capital through equity issuances or debt financings. As of April 2, 2016 and January 2, 2016, our long-term borrowings, including the current portion and less original issue discount, totaled \$1,545.1 million and \$1,296.8 million, respectively, and we incurred \$21.6 million and \$24.1 million of interest expense for the three months ended April 2, 2016 and March 28, 2015, respectively. Although the amounts borrowed and related interest expense are material to us, we have been in compliance with our debt covenants and, when we have made additional issuances of senior notes to fund acquisitions, we have complied with the incurrence tests in the indentures governing our senior notes. In addition, our cash flows provided by operating activities was \$98.2 million in the year ended January 2, 2016, which is net of interest payments, all of which have been paid when due, along with principal payments. Our senior secured revolving credit facility, which provides us with up to \$210.6 million of borrowing capacity, net of \$24.4 million of outstanding letters of credit, has been adequate to fund our seasonal working capital needs and certain acquisitions. We had no outstanding borrowings on the revolving credit facility as of April 2, 2016 and January 2, 2016.

Backlog

Our products are generally delivered upon receipt of orders or requests from customers, or shortly thereafter. Accordingly, the backlog associated with product sales is converted into revenue within a relatively short period of time. Inventory for products is generally maintained in sufficient quantities to meet rapid delivery requirements of customers. Therefore, a period over period increase or decrease of backlog does not necessarily result in an improvement or a deterioration of our business. Our backlog includes only those products and projects for which we have obtained a purchase order or a signed contract with the customer and does not include products purchased and sold or services awarded and provided within the period. Subject to applicable contract terms, substantially all contracts in our backlog may be cancelled or modified by our customers. Historically, we have not been materially adversely affected by contract cancellations or modifications.

Table of Contents

As a vertically-integrated business, approximately 20% of our aggregates sales volume was further processed and sold into either ready-mixed concrete or asphalt paving mix and approximately 55% of the asphalt paving mix we sold was installed by our own paving crews during the three months ended April 2, 2016. The following table sets forth our backlog as of the indicated dates:

(in thousands)	April 2, 2016	March 28, 2015
Aggregate (in tons)	13,683	6,868
Asphalt (in tons)	2,512	2,844
Ready-mixed concrete (in cubic yards)	375	301
Construction services(1)	\$ 371,671	\$ 403,783

(1) The dollar value of the construction services backlog includes the value of the aggregate and asphalt tons and ready-mixed concrete cubic yards in backlog that are expected to be sourced internally.

Financial Highlights

The principal factors in evaluating our financial condition and operating results for the three months ended April 2, 2016 as compared to the three months ended March 28, 2015, are:

Net revenue increased \$32.9 million as a result of pricing and volume increases across our product lines, which includes volume contributions from our acquisitions.

Our operating loss decreased \$29.5 million. The 2015 results included \$28.3 million of costs associated with Summit Inc.'s IPO.

In March 2016, we issued \$250.0 million in aggregate principal amount of 8.500% Senior Notes due 2022. The proceeds were used to help finance the acquisitions of Boxley (vertically integrated) and AMC, construction materials companies based in Roanoke, Virginia and the Carolinas, respectively.

Acquisitions

In addition to our organic growth, we continued to grow our business through acquisitions, completing the following transactions in 2016 and 2015:

On April 29, 2016, we acquired Sierra Ready Mix, LLC, a vertically integrated aggregates and ready mix concrete business located in Las Vegas, Nevada.

On March 18, 2016, we acquired Boxley, a vertically integrated materials-based company in Roanoke, Virginia.

On February 5, 2016, we acquired AMC, a construction materials company servicing North and South Carolina.

On December 11, 2015, we acquired Pelican, an asphalt terminal business in Texas.

On August 21, 2015, we acquired LeGrand, a vertically integrated materials-based company based in Utah and servicing the northern and central Utah, western Wyoming and southern Idaho markets.

On July 17, 2015, we completed the acquisition of the Davenport Assets. Our combined business has over two million short tons of cement capacity across our two plants in Hannibal, Missouri and Davenport, Iowa and eight cement distribution terminals along the Mississippi River from Minneapolis, Minnesota to New Orleans, Louisiana.

On June 1, 2015, we acquired all of the issued and outstanding shares of Lewis & Lewis, a vertically integrated, materials-based business in Wyoming.

Table of Contents**Results of Operations**

The following discussion of our results of operations is focused on the key financial measures we use to evaluate the performance of our business from both a consolidated and operating segment perspective. Operating income and margins are discussed in terms of changes in volume, pricing and mix of revenue source (i.e., type of product sales or service revenue). We focus on operating margin, which we define as operating income as a percentage of net revenue, as a key metric when assessing the performance of the business, as we believe that analyzing changes in costs in relation to changes in revenue provides more meaningful insight into the results of operations than examining costs in isolation.

Operating income (loss) reflects our profit (loss) from continuing operations after taking into consideration cost of revenue, general and administrative expenses, depreciation, depletion, amortization and accretion and transaction costs. Cost of revenue generally increases ratably with revenue, as labor, transportation costs and subcontractor costs are recorded in cost of revenue. General and administrative costs as a percentage of revenue vary throughout the year due to the seasonality of our business. As a result of our revenue growth occurring primarily through acquisitions, general and administrative costs and depreciation, depletion, amortization and accretion have historically grown ratably with revenue. However, as volumes increase, we expect these costs, as a percentage of revenue, to decrease. Our transaction costs fluctuate with the number and size of acquisitions completed each year.

The table below includes revenue and operating loss by segment for the three months ended April 2, 2016 and March 28, 2015.

(in thousands)	Three months ended			
	April 2, 2016		March 28, 2015	
	Revenue	Operating loss	Revenue	Operating loss

East	70,674	(7,569)	52,536	(13,466)
Cement	33,988	(4,337)	13,777	(7,083)
Corporate(1)		(14,816)		(38,272)
Total	\$ 228,379	\$ (29,555)	\$ 193,987	\$ (59,006)

- (1) Corporate results primarily consist of compensation and office expenses for employees included in the Company's headquarters. Approximately \$28.3 million of costs associated with the IPO are included in the operating loss for the three months ended March 28, 2015.

Non-GAAP Performance Measures

We evaluate our operating performance using metrics that we refer to as Adjusted EBITDA and gross margin which are not defined by U.S. GAAP and should not be considered as an alternative to earnings measures defined by U.S. GAAP. We define Adjusted EBITDA as EBITDA, as adjusted to exclude accretion, loss on debt financings, IPO costs, loss from discontinued operations and certain non-cash and non-operating items. We define gross profit as operating income (loss) before general and administrative costs, depreciation, depletion, amortization and accretion and transaction costs and gross margin as gross profit as a percentage of net revenue.

We present Adjusted EBITDA and gross margin for the convenience of investment professionals who use such metrics in their analyses. The investment community often uses Adjusted EBITDA to assess the operating performance of a company's business and to provide a more consistent comparison of performance from period to period. We use Adjusted EBITDA and gross margin, among other metrics, to assess the operating performance of our individual segments and the consolidated company. Adjusted EBITDA and gross margin are used for certain items to provide a more consistent comparison of performance from period to period.

Non-GAAP financial measures are not standardized; therefore, it may not be possible to compare such financial measures with other companies' non-GAAP financial measures having the same or similar names. We strongly encourage investors to review our consolidated financial statements in their entirety and not rely on any single financial measure.

Gross Profit	\$ 51,491	\$ 35,718
Gross Margin(1)	24.8%	20.4%

- (1) Gross margin, which we define as gross profit as a percentage of net revenue, improved 440 basis points in the three months ended April 2, 2016 primarily as a result of a shift in product mix and increased volumes. Our recent acquisitions have been primarily materials and products businesses, including the July 2015 acquisition of a cement plant in Davenport, Iowa. As a result, and as shown in the table below, gross revenue from cement was 13.4% of total revenue in the three months ended April 2, 2016 compared to 6.1% in the three months ended March 28, 2015. Gross revenue from paving and related services, which generally has lower operating margins than the materials and products operations, was 15.6% of total gross revenue in the three months ended April 2, 2016 compared to 22.6% in the three months ended March 28, 2015. Our business includes a significant amount of fixed costs and, as a result, volume growth across our lines of business resulted in an improvement in gross margin.

Table of Contents**Consolidated Results of Operations**

The table below sets forth our consolidated results of operations for the three months ended April 2, 2016 and March 28, 2015.

Operating margin	(14.2)%	(33.7)%		
Adjusted EBITDA	\$ 8,409	\$ (1,354)	\$ 9,763	(721.0)%

Net revenue increased \$32.9 million in the three months ended April 2, 2016, of which \$29.5 million was from increased sales of materials, \$1.7 million was from increased sales of products, and \$1.7 million was from increased service revenue. We had volume growth in our aggregates, cement and ready-mixed concrete lines of business, driven by the 2015 and 2016 acquisitions and organic growth. Excluding the cement segment, \$4.2 million of the net revenue growth was organic and \$8.5 million was contributed by acquisitions. Approximately \$20.2 million of the revenue growth was attributable to our cement operations. The Davenport Assets acquired in July 2015 were immediately integrated with our existing cement operations such that it is impracticable to bifurcate the \$20.2 million increase in cement revenue between organic and acquisition growth.

Table of Contents

As a vertically-integrated company, we include intercompany sales from materials to products and from products to services when assessing the operating results of our business. We refer to revenue inclusive of intercompany sales as gross revenue. These intercompany transactions are eliminated in the consolidated financial statements. Gross revenue by line of business was as follows:

(in thousands)	Three months ended		Variance
	April 2, 2016	March 28, 2015	
Revenue by product:*			
Aggregates	\$ 65,057	\$ 52,337	\$ 12,720

Ready-mixed concrete	80,237	70,088	10,149
Asphalt	14,357	20,914	(6,557)
Paving and related services	35,668	43,899	(8,231)
Other	2,428	(5,070)	7,498
Total revenue	\$ 228,379	\$ 193,987	\$ 34,392

* Revenue by product includes intercompany and intracompany sales transferred at market value. The elimination of intracompany transactions is included in Other. Revenue from the liquid asphalt terminals is included in asphalt revenue.

Gross revenue for paving and related services decreased \$8.2 million in the three months ended April 2, 2016, primarily in the Austin, Texas market. In Austin, Texas where the economy has been expanding, a new aggressive entrant has entered the market and has attracted a number of our employees, which have collectively resulted in a decrease in our paving and related services revenue. Detail of our volumes and average selling prices by product in the three months ended April 2, 2016 and March 28, 2015 were as follows:

	Three months ended				Percentage Change in	
	April 2, 2016		March 28, 2015			
	Volume(1) (in thousands)	Pricing(2)	Volume(1) (in thousands)	Pricing(2)	Volume	Pricing

Cement	301	101.89	124	95.52	142.7%	6.7%
Ready-mixed concrete	762	105.33	693	101.19	10.0%	4.1%
Asphalt	217	58.30	296	56.98	(26.7)%	2.3%

(1) Volumes are shown in tons for aggregates, cement and asphalt and in cubic yards for ready-mixed concrete.

(2) Pricing is shown on a per ton basis for aggregates, cement and asphalt and on a per cubic yard basis for ready-mixed concrete.

Aggregates volumes were positively affected by favorable weather, particularly in the East segment, and 2015 and 2016 acquisitions. Aggregates pricing improved across our markets and would have been greater, absent the effect

from the U.S./Canadian exchange rate. The U.S. dollar was stronger as compared to the Canadian dollar in the three months ended April 2, 2016 compared to the three months ended March 28, 2015. Absent the effect of foreign currency fluctuations, aggregates pricing would have increased 9.8% in the three months ended April 2, 2016.

Our cement volumes increased as a result of the July 2015 acquisition of the Davenport Assets and prices increased as a result of an improved market. Ready-mixed concrete volumes were positively affected by better weather in the East segment and in Utah, as compared to 2015 and pricing was positively affected by the higher cement input costs. Asphalt volumes decreased from the three months ended March 28, 2015 primarily in Austin related to a new aggressive entrant in that paving market. The increased asphalt pricing was largely due to a shift in product mix. Prior to eliminations, the net effect of these volume and pricing changes on gross revenue in the three months ended April 2, 2016 was approximately \$31.2 million and \$4.0 million, respectively.

Table of Contents

Operating loss decreased \$29.5 million in the three months ended April 2, 2016, and Adjusted EBITDA improved \$9.8 million. For the three months ended April 2, 2016 operating margin improved from (33.7)% to (14.2)%, which was attributable to the following:

Operating margin 2015	(33.7)%
IPO costs(1)	13.6%
Other	5.9%
Operating margin 2016	(14.2)%

- (1) In conjunction with our March 2015 IPO, we recognized a \$14.5 million charge on the modification of our share-based awards and a \$13.8 million charge on the termination of a management fee agreement with our Sponsors. The management fee agreement was terminated on March 17, 2015.
- (2) The remaining improvement in operating margin primarily resulted from improved pricing across our lines of business, volume growth and a continued shift in total product mix toward materials and products.

Net revenue in the West segment decreased approximately 2.7% in the three months ended April 2, 2016, due primarily to a decline in volumes at our Austin, Texas operations, partially offset by \$3.2 million of acquisition growth. Our Austin, Texas operations have been affected by a new aggressive competitor in the market. Gross revenue by product/service was as follows:

Gross revenue for paving and related services decreased by \$7.7 million in the three months ended April 2, 2016 primarily due to decreased revenue in Austin, Texas. The West segment's percent changes in sales volumes and pricing in the three months ended April 2, 2016 from the three months ended March 28, 2015 were as follows:

	Percentage Change in	
	Volume	Pricing
Aggregates	(3.8)%	10.3%
Ready-mixed concrete	6.1%	5.0%
Asphalt	(34.6)%	5.7%

Table of Contents

Aggregates volumes decreased, primarily in British Columbia, Canada, as a large commercial project in 2015 has been completed. Aggregate prices increased due primarily to product mix and an improving pricing environment across our markets and partially offset by the effect of foreign currency rates. Absent the currency effects, aggregate pricing would have increased 12.3%. The increase in ready-mixed concrete volumes primarily occurred in the Utah market and prices increased as a result of higher cement input prices. Asphalt volumes decreased, primarily in Austin, Texas, due to a new aggressive competitor entering that paving market. The increased asphalt pricing was largely due to a shift in product mix. Prior to eliminations of intercompany transactions, the net effect of volume and pricing changes on gross revenue in the three months ended April 2, 2016 was approximately \$(1.2) million and \$2.6 million, respectively.

The West segment's operating loss increased \$2.6 million in the three months ended April 2, 2016, and Adjusted EBITDA improved \$1.2 million. The Adjusted EBITDA improvement was primarily driven by the inclusion of a full quarter of results from the 2015 acquisitions of Lewis & Lewis and LeGrand, partially offset by a decline in organic volumes. Operating margin fell in the three months ended April 2, 2016 from (0.2)% to (2.5)%, which was attributable to the following:

Operating margin	2015	(0.2)%
Gross margin(1)		3.1%
Depreciation, depletion, amortization and accretion(2)		(3.8)%
Other		(1.6)%
Operating margin	2016	(2.5)%

- (1) The gross margin improvement in the West segment was primarily due to a shift in product mix. The materials and products acquired with our 2015 acquisitions have boosted aggregate and ready mix revenue in the first quarter of 2016. As a result and as shown in the table above, gross revenue from aggregates and ready-mixed concrete was 27.2% and 50.4%, respectively, of total revenue in the three months ended April 2, 2016, compared to 24.8% and 43.8%, respectively, in the three months ended March 28, 2015. Gross revenue from paving and related services, which generally has lower operating margins than the materials and products operations, was 19.3% of total gross revenue in the three months ended April 2, 2016 compared to 24.7% in the three months ended March 28, 2015.
- (2) Depreciation, depletion, amortization and accretion, as a percentage of revenue, increased from 10.3% to 14.1% in the first quarter of 2016 reflective of the incremental depreciation, depletion and accretion associated with the 2015 acquisitions of Lewis & Lewis and LeGrand.

The East segment's net revenue increased 35.7% in the three months ended April 2, 2016 due to both acquisitions and organic growth. Incremental net revenue from acquisitions totaled \$5.2 million and organic net revenue increased \$10.6 million. Gross revenue by product/service was as follows:

(in thousands)	Three months ended		Variance
	April 2, 2016	March 28, 2015	
Revenue by product:*			
Aggregates	\$ 31,463	\$ 20,659	\$ 10,804

* Revenue by product includes intercompany and intracompany sales transferred at market value. The elimination of intracompany transactions is included in Other. Revenue from the liquid asphalt terminals is included in asphalt revenue.

The \$0.5 million decrease in paving and related services primarily was a result of our exit of grading operations in Kentucky in 2015. The East segment's percent changes in sales volumes and pricing in the three months ended April 2, 2016 from the three months ended March 28, 2015 were as follows:

	Percentage Change in	
	Volume	Pricing
Aggregates	47.4%	3.3%
Ready-mixed concrete	25.7%	0.6%
Asphalt	112.5%	(14.7)%

Aggregate volumes in the three months ended April 2, 2016 increased 47.4% as a result of good weather driving in growth of all of the segment's markets and the AMC and Boxley acquisitions on February 5, 2016 and March 18, 2016, respectively. Aggregates pricing increased as a result of an improved market and shift in product mix.

Ready-mixed concrete volumes improved in Kansas and Missouri and the increase in asphalt volumes was driven by the Kansas markets on relatively low volumes. Prior to eliminations of intercompany transactions, the net effect of volume and pricing changes on gross revenue in the three months ended April 2, 2016 was approximately \$14.3 million and \$0.6 million, respectively.

The East segment's operating loss decreased \$5.9 million in the three months ended April 2, 2016, and Adjusted EBITDA increased \$6.7 million. Operating margin for the three months ended April 2, 2016 improved from (30.4)% to (12.6)%, which was attributable to the following:

Operating margin	2015	(30.4)%
Gross margin(1)		7.3%
General and administrative costs(2)		5.0%
Depreciation, depletion, amortization and accretion(3)		5.5%
Operating margin	2016	(12.6)%

- (1) The operating margin improvement in the East segment was partially due to a shift in product mix, increased organic volumes and price improvements across the segment's markets. As shown in the table above, gross revenue from aggregates and ready-mixed concrete was 44.5% and 25.3%, respectively, of total revenue in the three months ended April 2, 2016, compared to 39.3% and 26.9%, respectively, in the three months ended March 28, 2015. Gross revenue from paving and related services, which generally has lower operating margins than the materials and products, was 16.7% of total revenue in the three months ended April 2, 2016, compared to 23.5% in the three months ended March 28, 2015. Our business includes a significant amount of fixed costs and, as a result, volume growth across the East segment's lines of business resulted in an improvement in gross margin.
- (2) General and administrative costs as a percentage of net revenue decreased from 25.0% to 20.0% in the first quarter of 2016 as the East segment's revenue growth was primarily organic resulting in general and administrative costs growing at a slower rate than revenue.
- (3) Depreciation, depletion, amortization and accretion, as a percentage of revenue, decreased from 22.8% to 17.3% in the first quarter of 2016 as the East segment's growth was primarily organic.

Operating margin	(12.8)%	(51.4)%		
Adjusted EBITDA	\$ 971	\$ (3,413)	\$ 4,384	(128.5)%

Net revenue in the Cement segment increased \$20.2 million in three months ended April 2, 2016 primarily as a result of the acquisition of the Davenport Assets in July 2015. The Davenport Assets were immediately integrated with our existing cement operations such that it is impracticable to bifurcate the \$20.2 million increase in cement revenue between organic and acquisition growth. However, a significant portion of the 146.7% increase in Cement revenue is estimated to be a result of the acquisition of the Davenport Assets in July 2015. Gross revenue by product/service was as follows:

(in thousands)	Three months ended		Variance
	April 2, 2016	March 28, 2015	
Revenue by product:*

The Cement segment's percent changes in sales volumes and pricing in the three months ended April 2, 2016 from the three months ended March 28, 2015 were as follows:

Cement	Percentage Change in	
	Volume	Pricing
	142.7%	6.7%

For the three months ended April 2, 2016, cement volumes and pricing increased primarily as a result of the acquisition of the Davenport Assets. With the acquisition of the Davenport Assets, we expanded our markets from Minnesota to Louisiana, which included higher-priced markets than St. Louis and Hannibal, Missouri. The net effect of volume and pricing changes on gross revenue in the three months ended April 2, 2016 was approximately \$18.1 million and \$0.8 million, respectively.

The Cement segment's operating loss decreased \$2.7 million in the three months ended April 2, 2016 and Adjusted EBITDA improved \$4.4 million. Operating margin for the three months ended April 2, 2016 increased from (51.4)% to (12.4)%, primarily attributable to pricing improvements and increased production.

Liquidity and Capital Resources

Our primary sources of liquidity include cash on-hand, cash provided by operations and amounts available for borrowing under our credit facilities and capital-raising activities in the debt and capital markets. As of April 2, 2016, we had \$92.2 million in cash and cash equivalents and \$214.1 million of working capital compared to cash and working capital of \$186.4 million and \$258.0 million, respectively, at January 2, 2016. Working capital is calculated as current assets less current liabilities. There were no restricted cash balances as of April 2, 2016 or January 2, 2016. Our remaining borrowing capacity on our senior secured revolving credit facility was \$210.6 million as of April 2, 2016, which is net of \$24.4 million of outstanding letters of credit, and is fully available to us within the terms and covenant requirements of our credit agreement.

Table of Contents

Given the seasonality of our business, we typically experience significant fluctuations in working capital needs and balances throughout the year. Our working capital requirements generally increase during the first half of the year as we build up inventory and focus on repair and maintenance and other set-up costs for the upcoming season. Working capital levels then decrease as the construction season winds down and we enter the winter months, which is when we see significant inflows of cash from the collection of receivables. For example, net cash used for operating activities in the three months ended March 28, 2015 was \$61.3 million, compared to full year 2015 net cash provided by operating activities of \$98.2 million. Net cash used for operating activities in the three months ended April 2, 2016 was \$42.0 million.

We believe we have access to sufficient financial resources from our liquidity sources to fund our business and operations, including contractual obligations, capital expenditures and debt service obligations, for at least the next twelve months. Our growth strategy contemplates future acquisitions for which we believe we have sufficient access to capital.

As market conditions warrant, we and our equity holders, including our Sponsors, their respective affiliates and members of our management, may from time to time seek to purchase our outstanding debt securities or loans, including Senior Notes and borrowings under our Senior Secured Credit Facilities, in privately negotiated or open market transactions, by tender offer or otherwise. Subject to any applicable limitations contained in the agreements governing our indebtedness, any purchases made by us may be funded by the use of cash on our balance sheet or the incurrence of new secured or unsecured debt. The amounts involved in any such purchase transactions, individually or in the aggregate, may be material. Any such purchases may be with respect to a substantial amount of a particular class or series of debt, with the attendant reduction in the trading liquidity of such class or series.

Indebtedness

Please refer to the notes to the consolidated interim financial statements for detailed information about our long-term debt, scheduled maturities of long-term debt and affirmative and negative covenants, including the maximum allowable consolidated first lien net leverage ratio. As of April 2, 2016, we were in compliance with all debt covenants.

At April 2, 2016 and January 2, 2016, \$1,545.1 million and \$1,296.8 million, respectively, of total debt, without giving effect to original issuance discount, were outstanding under our respective debt agreements. Summit LLC has senior secured credit facilities that provide for term loans in an aggregate amount of \$650.0 million and revolving credit commitments in an aggregate amount of \$235.0 million (the Senior Secured Credit Facilities). Summit LLC's domestic wholly-owned subsidiary companies are named as guarantors of the Senior Notes and the Senior Secured Credit Facilities. Certain other partially-owned subsidiaries, and the wholly-owned Canadian subsidiary, Mainland, do not guarantee the Senior Notes or Senior Secured Credit Facilities. Summit LLC has pledged substantially all of its assets as collateral for the Senior Secured Credit Facilities.

On March 8, 2016, the Issuers issued \$250.0 million in aggregate principal amount of 8.500% senior notes due April 15, 2022. The 2022 notes were issued at par and interest on the 2022 Notes is payable semi-annually on April 15 and October 15 of each year commencing on October 15, 2016. The net proceeds of the 2022 Notes were used to fund the Boxley acquisition, replenish cash used for the AMC acquisition and the expenses incurred therewith.

In 2015, the Issuers issued \$650.0 million aggregate principal amount of 2023 Notes due July, 2023 under an indenture dated as of July 8, 2015 \$350.0 million on July 8, 2015 and \$300.0 million on November 19, 2015. The July issuance of the 2023 notes was issued at par and the November add-on was issued at a discount. Interest on the 2023 notes is payable semi-annually on January 15 and July 15 of each year commencing on January 15, 2016.

In 2015, \$625.0 million aggregate principal amount of outstanding 10 $\frac{1}{2}$ % senior notes due January 31, 2020 (2020 Notes) were redeemed \$288.2 million in April 2015 using proceeds from the IPO, \$183.0 million in August 2015 and \$153.8 million in December 2015.

On July 17, 2015, we refinanced our term loan under the Senior Secured Credit Facilities (the Refinancing). The Refinancing, among other things: (i) reduced the applicable margins used to calculate interest rates for term loans under our senior secured credit facilities to 3.25% for LIBOR rate loans and 2.25% for base rate loans, subject to a LIBOR floor of 1.00% (and one 25 basis point step down upon Summit LLC achieving a certain first lien net leverage

ratio); (ii) increased term loans borrowed under our term loan facility from \$422.0 million to \$650.0 million; and (iii) created additional flexibility under the financial maintenance covenants, which are tested quarterly, by increasing the applicable maximum Consolidated First Lien Net Leverage Ratio (as defined in the amended and restated credit agreement that governs the senior secured credit facilities).

We used the net proceeds from the 2023 Notes and the Refinancing to finance the initial \$370.0 million cash to purchase the Davenport Assets, to refinance our existing senior secured term loan facility, to redeem \$183.0 million aggregate principal amount of our outstanding 2020 Notes and to pay related fees and expenses.

Cash Flows

The following table summarizes our net cash used for or provided by operating, investing and financing activities and our capital expenditures in the three months ended April 2, 2016 and March 28, 2015:

Cash paid for capital expenditures	\$ (39,125)	\$ (17,708)	\$ (39,125)	\$ (17,708)

Operating activities

During the three months ended April 2, 2016, cash used in operating activities was \$42.0 million primarily as a result of:

Net loss of \$42.5 million, adjusted for \$37.3 million of non-cash expenses, including \$36.8 million of depreciation, depletion, amortization and accretion.

Additional investment in inventory of \$25.6 million consistent with the seasonality of our business for which our inventory levels typically increase in the first quarter in preparation for the upcoming season.

The timing of payments associated with accounts payable and accrued expenses withdrew \$18.5 million of cash in conjunction with the build-up of inventory levels and incurrence of repairs and maintenance costs to ready the business for increased sales volumes in the summer and fall. Almost all of our products are consumed and services provided outdoors. In addition, we made \$27.5 million of interest payments in the three months ended April 2, 2016.

\$20.3 million of accounts receivable collections (billed and unbilled) as a result of the seasonality of our business. The majority of our sales occur in the spring, summer and fall and we typically incur an increase in

accounts receivable (net billed and unbilled) during the second and third quarters of each year. This amount is typically converted to cash in the fourth and first quarters.

During the three months ended March 28, 2015, cash used in operating activities was \$61.3 million primarily as a result of:

Net loss of \$79.8 million, adjusted for \$42.2 million of non-cash expenses, including \$27.4 million of depreciation, depletion, amortization and accretion and \$15.2 million of share-based compensation expense.

\$21.4 million utilized to increase inventory consistent with the seasonality of our business for which our inventory levels typically decrease in the fourth quarter in preparation for the winter slowdown and are then increased during the first half of the year in preparation for the increased sales volumes in the spring and summer.

Table of Contents

The timing of payments associated with accounts payable and accrued expenses utilized \$30.5 million of cash in conjunction with the build-up of inventory levels and incurrence of repairs and maintenance costs to ready the business for increased sales volumes in the summer and fall. In addition, we made \$39.2 million of interest payments in the three months ended March 28, 2015.

Offsetting these cash outlays were \$30.3 million of net collections on accounts receivable in conjunction with the seasonality of our business.

Investing activities

During the three months ended April 2, 2016, cash used for investing activities was \$282.2 million, of which \$249.1 million related to the acquisitions of AMC and Boxley and \$39.1 million was invested in capital expenditures, which was partially offset by \$6.0 million of proceeds from asset sales.

During the three months ended March 28, 2015, cash used for investing activities was \$15.2 million, of which \$17.7 million was invested in capital expenditures, offset by \$2.7 million of proceeds from asset sales.

Financing activities

During the three months ended April 2, 2016, cash provided by financing activities was \$229.6 million, which was primarily composed of \$246.3 million of proceeds from the 2022 Notes, net of fees. Summit made \$12.0 million of payments on acquisition related liabilities, and \$5.0 million in debt issuance costs.

During the three months ended March 28, 2015, cash provided by financing activities was \$378.5 million, which was primarily composed of \$460.0 million of proceeds from the IPO. Summit Inc. sold 25.6 million shares of Common Stock in the first quarter of 2015, receiving \$424.0 million of proceeds net of underwriter and other issuance costs. Summit Inc. utilized \$35.0 million of the proceeds for the purchase of the noncontrolling interest of Continental Cement. The remaining proceeds were contributed to Summit LLC. We also made \$4.0 million of payments on acquisition related liabilities and paid \$4.1 million for the amendment to the revolving credit facility, which was accounted for as a modification.

Cash paid for capital expenditures

We expended approximately \$39.1 million in capital expenditures in the three months ended April 2, 2016 compared to \$17.7 million in the three months ended March 28, 2015. The first quarter 2016 capital expenditures were primarily composed of plant upgrades and rolling stock.

We estimate that we will invest between \$150.0 million and \$170.0 million in capital expenditures in 2016, which we have funded or expect to fund through cash on hand, cash from operations, outside financing arrangements and available borrowings under our revolving credit facility. In 2016, we expect to invest in Texas, including approximately \$23.7 million on new aggregate and ready-mix plants near Houston, \$7.3 million on an aggregate plant upgrade near Austin and the completion of a new asphalt plant in San Antonio. We also plan to invest approximately \$7.5 million on upgrades to our aggregate plants in Kentucky and South Carolina.

Commitments and contingencies

We are party to certain legal actions arising from the ordinary course of business activities. Accruals are recorded when the outcome is probable and can be reasonably estimated. While the ultimate results of claims and litigation

cannot be predicted with certainty, management expects that the ultimate resolution of all pending or threatened claims and litigation will not have a material effect on our consolidated results of operations, financial position or liquidity. We record legal fees as incurred.

Litigation and Claims We are obligated under an indemnification agreement entered into with the sellers of Harper Contracting for the sellers' ownership interests in a joint venture agreement. We have the rights to any benefits under the joint venture as well as the assumption of any obligations, but do not own equity interests in the joint venture. The joint venture has incurred significant losses on a highway project in Utah, which have resulted in requests for funding from the joint venture partners and ultimately from us. Through April 2, 2016, we have funded \$8.8 million,

Table of Contents

\$4.0 million in 2012 and \$4.8 million in 2011. In 2012 and 2011, we recognized losses on the indemnification agreement of \$8.0 million and \$1.9 million, respectively. As of April 2, 2016 and January 2, 2016, an accrual of \$4.3 million was recorded in other noncurrent liabilities as management's best estimate of future funding obligations.

Environmental Remediation Our operations are subject to and affected by federal, state, provincial and local laws and regulations relating to the environment, health and safety and other regulatory matters. These operations require environmental operating permits, which are subject to modification, renewal and revocation. We regularly monitor and review its operations, procedures and policies for compliance with these laws and regulations. Despite these compliance efforts, risk of environmental liability is inherent in the operation of our business, as it is with other companies engaged in similar businesses and there can be no assurance that environmental liabilities and noncompliance will not have a material adverse effect on our consolidated financial condition, results of operations or liquidity.

Other During the ordinary course of business, there may be revisions to project costs and conditions that can give rise to change orders. Revisions can also result in claims we might make against the customer or a subcontractor to recover project variances that have not been satisfactorily addressed through change orders with the customer. As of April 2, 2016, there were no unapproved change orders or claims and, as of January 2, 2016, unapproved change orders and claims in accounts receivable totaled \$1.2 million.

We are obligated under various firm purchase commitments for certain raw materials and services that are in the ordinary course of business. Management does not expect any significant changes in the market value of these goods and services during the commitment period that would have a material adverse effect on the financial condition, results of operations, and cash flows of the Company. The terms of the purchase commitments generally approximate one year.

Off-Balance sheet arrangements

As of April 2, 2016, we had no material off-balance sheet arrangements.

14. Governing Law; Venue; Language. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware. Any suit, action, or proceeding with respect to this Agreement, or any judgment entered by any court in respect of any thereof, shall be brought in any court of competent jurisdiction in the State of Delaware, and each of the Participant and the Company each hereby irrevocably waives (a) any objections which it may now or hereafter have to the laying of the venue of any suit, action, or proceeding arising out of or relating to this Agreement brought in any court of competent jurisdiction in the State of Delaware, (b) any claim that any such suit, action, or proceeding brought in any such court has been brought in any inconvenient forum, and (c) any right to a jury trial.

15. Award Subject to Plan. By entering into this Agreement, the Participant agrees and acknowledges that the Participant has received and read a copy of the Plan. The Restricted Stock Units granted hereunder are subject to the Plan. The terms and provisions of the Plan, as it may be amended from time to time, are hereby incorporated herein by reference. The Participant understands that the Participant may, at any time, view Personal Data, request additional information about the storage and processing of Personal Data, require any necessary amendments to Personal Data or refuse or withdraw the consents herein, in any case without cost, by contacting in writing the Participant's local human resources representative. Further, the Participant understands that the Participant is providing the consents herein on a purely voluntary basis. If the Participant does not consent, or if the Participant later seeks to revoke the Participant's consent, the Participant's status or service and career with the Company will not be adversely affected; the only consequence of the Participant's refusing or withdrawing the Participant's consent is that the Company would not be able to grant Restricted Stock Units or other equity awards to the Participant or administer or maintain such awards. Therefore, the Participant understands that refusing or withdrawing the Participant's consent may affect the Participant's ability to participate in the Plan. For more information on the consequences of Participant's refusal to consent or withdrawal of consent, the Participant understands that the Participant may contact the Participant's local human resources representative.

19. Limitation on Rights; No Right to Future Grants; Extraordinary Item of Compensation. By accepting this Agreement and the grant of the Restricted Stock Units evidenced hereby, the Participant expressly acknowledges that: (a) the Plan is discretionary in nature and may be suspended or terminated by the Company at any time; (b) the grant of the Restricted Stock Units is a one-time benefit that does not create any contractual or other right to receive future grants of restricted stock units, or benefits in lieu of restricted stock units; (c) all determinations with respect to future restricted stock unit grants, if any, including the grant date and the number of Shares granted, will be at the sole discretion of the Company; (d) the Participant's participation in the Plan is voluntary; (e) the value of the Restricted Stock Units is an extraordinary item of compensation that is outside the scope of the Participant's employment or services contract, if any, and nothing can or must automatically be inferred from such employment or services contract or its consequences; (f) Restricted Stock Units are not part of normal or expected compensation for any purpose and are not to be used for calculating any severance, resignation, redundancy, end of service payments, bonuses, long-service awards, pension or retirement benefits or similar payments, the Participant waives any claim on such basis and, for the avoidance of doubt, the Restricted Stock Units shall not constitute an acquired right under the applicable law of any jurisdiction; (g) the value of Shares received upon settlement of the Restricted Stock Units may increase or decrease in value; and (h) the future value of the underlying Shares is unknown and cannot be predicted with certainty. In addition, the Participant understands, acknowledges and agrees that the Participant will have no rights to compensation or damages related to Restricted Stock Unit proceeds in consequence of the termination of the Participant's engagement or service as a member of the Board for any reason whatsoever and whether or not in breach of contract.

20. Award Administrator. The Company may from time to time designate a third party (an Award Administrator) to assist the Company in the implementation, administration, and management of the Plan and any Restricted Stock Units granted thereunder, including by sending Award Notices on behalf of the Company to Participants, and by facilitating through electronic means acceptance of this Agreement by Participants.

21. Book Entry Delivery of Shares. Whenever reference in this Agreement is made to the issuance or delivery of certificates representing one or more Shares, the Company may elect to issue or deliver such Shares in book entry form in lieu of certificates.

22. Electronic Delivery and Acceptance. The Company may, in its sole discretion, decide to deliver any documents related to current or future participation in the Plan by electronic means. The Participant hereby consents to receive such documents by electronic delivery and agrees to participate in the Plan through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

23. Acceptance and Agreement by the Participant; Forfeiture upon Failure to Accept. The

Participant's rights under the Restricted Stock Units will lapse 45 days from the Date of Grant, and the Restricted Stock Units will be forfeited on such date if the Participant shall not have accepted this Agreement by such date. For the avoidance of doubt, the Participant's failure to accept this Agreement shall not affect the Participant's continuing obligations under any other agreement between the Company and the Participant. By accepting the Restricted Stock Units Participant expressly agrees that Participant has reviewed and agrees to abide by the Company's Securities Trading Policy, available at [HYPERLINK], as such may be revised or updated from time to time.

24. No Advice Regarding Grant. The Company is not providing any tax, legal, or financial advice, nor is the Company making any recommendations regarding the Participant's participation in the Plan, or the Participant's acquisition or sale of the underlying Shares. The Participant is hereby advised to consult with his or her own personal tax, legal, and financial advisors regarding his or her participation in the Plan before taking any action related to the Plan.

25. Appendices for Non-U.S. Participants. Notwithstanding any provisions in this Agreement, Participants residing and/or working outside the United States shall be subject to the Terms and Conditions for Non-U.S. Participants attached hereto as Appendix A. If the Participant relocates from the United States to another country, the Terms and Conditions for Non-U.S. Participants and the applicable Country-Specific Terms and Conditions will apply to the Participant, to the extent the Company determines that the application of such terms and conditions is necessary or advisable for legal or administrative reasons. Moreover, if the Participant relocates between any of the countries included in Country-Specific Terms and Conditions, the special terms and conditions for such country will apply to the Participant, to the extent the Company determines that the application of such terms and conditions is necessary or advisable for legal or administrative reasons. The Terms and Conditions for Non-U.S. Participants and the Country-Specific Terms and Conditions constitute part of this Agreement.

26. Imposition of Other Requirements. The Company reserves the right to impose other requirements on the Participant's participation in the Plan, on the Restricted Stock Units and on any Shares acquired under the Plan, to the extent the Company determines it is necessary or advisable for legal or administrative reasons, and to require the Participant to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

27. Section 409A. This Agreement is intended to comply with the provisions of Section 409A of the Code and the regulations promulgated thereunder. Without limiting the foregoing, the Committee shall have the right to amend the terms and conditions of this Agreement in any respect as may be necessary or appropriate to comply with Section 409A of the Code or any regulations promulgated thereunder, including, without limitation, by delaying the issuance of the Shares contemplated hereunder.

SUMMIT MATERIALS, INC.

2015 OMNIBUS INCENTIVE PLAN

RESTRICTED STOCK UNIT AGREEMENT

TERMS AND CONDITIONS FOR NON-U.S. PARTICIPANTS

Capitalized terms used but not otherwise defined herein shall have the meaning given to such terms in the Plan and the Restricted Stock Unit Agreement.

1. Responsibility for Taxes. This provision supplements Section 8 of the Restricted Stock Unit Agreement:

(a) The Participant acknowledges that, regardless of any action taken by the Company or, if different, the Employer, the ultimate liability for all income tax, social insurance, payroll tax, fringe benefits tax, payment on account or other tax-related items related to the Participant's participation in the Plan and legally applicable to the Participant (Tax-Related Items) is and remains the Participant's responsibility and may exceed the amount actually withheld by the Company or the Employer. The Participant further acknowledges that the Company and/or the Employer (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Restricted Stock Units, including, but not limited to, the grant, vesting or settlement of the Restricted Stock Units, the subsequent sale of Shares acquired pursuant to such settlement and the receipt of any dividends and/or any other distributions; and (ii) do not commit to and are under no obligation to structure the terms of the grant or any aspect of the Restricted Stock Units to reduce or eliminate the Participant's liability for Tax-Related Items or achieve any particular tax result. Further, if the Participant is subject to Tax-Related Items in more than one jurisdiction between the Date of Grant and the date of any relevant taxable or tax withholding event, as applicable, the Participant acknowledges that the Company and/or the Employer (or former employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

(b) Prior to any relevant taxable or tax withholding event, as applicable, the Participant agrees to make adequate arrangements satisfactory to the Company and/or the Employer to satisfy all Tax-Related Items. In this regard, the Participant authorizes the Company and/or the Employer, or their respective agents, at their discretion, to satisfy their withholding obligations with regard to all Tax-Related Items by:

(i) withholding from the Participant's wages or other cash compensation paid to the Participant by the Company and/or the Employer; or

(ii) withholding from proceeds of the sale of Shares acquired at settlement of the Restricted Stock Units either through a voluntary sale or through a mandatory sale arranged by the Company (on the Participant's behalf pursuant to this authorization) without further consent; or

(iii) withholding in Shares to be issued upon settlement of the Restricted Stock Units;

Table of Contents

provided, however, that if the Participant is a Section 16 officer of the Company under the Exchange Act, then the Company will withhold in Shares upon the relevant taxable or tax withholding event, as applicable, unless the use of such withholding method is problematic under applicable tax or securities law or has materially adverse accounting consequences, in which case, the obligation for Tax-Related Items may be satisfied by one or a combination of methods (i) and (ii) above.

(c) Depending on the withholding method, the Company may withhold or account for Tax-Related Items by considering applicable minimum statutory withholding rates or other applicable withholding rates, including maximum applicable rates, in which case the Participant will receive a refund of any over-withheld amount in cash and will have no entitlement to the Common Stock equivalent. If the obligation for Tax-Related Items is satisfied by withholding in Shares, for tax purposes, the Participant is deemed to have been issued the full number of Shares subject to the portion of the Restricted Stock Units that is settled, notwithstanding that a number of the Shares are held back solely for the purpose of paying the Tax-Related Items.

(d) Finally, the Participant agrees to pay to the Company or the Employer, any amount of Tax-Related Items that the Company or the Employer may be required to withhold or account for as a result of the Participant's participation in the Plan that cannot be satisfied by the means previously described. The Company may refuse to issue or deliver the Shares or the proceeds of the sale of Shares if the Participant fails to comply with the Participant's obligations in connection with the Tax-Related Items.

2. Nature of Grant. This provision supplements Section 20 of the Restricted Stock Unit Agreement:

In accepting the grant of the Restricted Stock Units, the Participant acknowledges, understands and agrees that:

(a) the Restricted Stock Unit grant and the Participant's participation in the Plan shall not create a right to employment or engagement, or be interpreted as forming an employment or services contract with the Company or any Affiliate;

(b) the Restricted Stock Units and the Shares subject to the Restricted Stock Units are not intended to replace any pension rights or compensation;

(c) for purposes of the Restricted Stock Units, the date of Termination shall be the date the Participant is no longer actively providing services to the Company or its Affiliates (regardless of the reason for such termination and whether or not later to be found invalid or in breach of employment laws in the jurisdiction where the Participant is employed or the terms of the Participant's employment or services agreement, if any), and unless otherwise expressly provided in this Agreement or determined by the Company, the Participant's right to vest in the Restricted Stock Units under the Plan, if any, will terminate and the Participant's right

Table of Contents

to have settled any vested Restricted Stock Units, if any, will be measured as of such date and will not be extended by any notice period (*e.g.*, the Participant's period of service would not include any contractual notice period or any period of garden leave or similar period mandated under employment laws in the jurisdiction where the Participant is employed or the terms of the Participant's employment or services agreement, if any); the Committee shall have the exclusive discretion to determine when the Participant is no longer actively providing services for purposes of the Restricted Stock Unit grant (including whether the Participant may still be considered to be providing services while on a leave of absence);

(d) unless otherwise provided in the Plan or by the Company in its discretion, the Restricted Stock Units and the benefits evidenced by this Agreement do not create any entitlement to have the Restricted Stock Units or any such benefits transferred to, or assumed by, another company nor to be exchanged, cashed out or substituted for, in connection with any corporate transaction affecting the Company's Common Stock; and

(e) neither the Company nor any Affiliate shall be liable for any foreign exchange rate fluctuation between the Participant's local currency and the United States Dollar that may affect the value of the Restricted Stock Units or of any amounts due to the Participant pursuant to the settlement of the Restricted Stock Units or the subsequent sale of any Shares acquired upon settlement.

3. Insider Trading Restrictions/Market Abuse Laws. The Participant acknowledges that, depending on his or her country of residence, the Participant may be subject to insider trading restrictions and/or market abuse laws, which may affect his or her ability to acquire or sell Shares or rights to Shares (*e.g.*, Restricted Stock Units) under the Plan during such times as the Participant is considered to have inside information regarding the Company (as defined by the laws in the Participant's country). Any restrictions under these laws or regulations are separate from and in addition to any restrictions that may be imposed under any applicable Company insider trading policy. The Participant is responsible for ensuring compliance with any applicable restrictions and is advised to consult his or her personal legal advisor on this matter.

(the Company) and Participant agree as follows.

1. Definitions. Capitalized terms not otherwise defined herein shall have the same meanings as in the Plan. The following terms shall have the following meanings for purposes of this Agreement:

The Company may make one or more additional grants of Restricted Stock Units to Participant under this Agreement by providing Participant with a new Award Notice, which may also include any terms and conditions differing from this Agreement to the extent provided therein. The Company reserves all rights with respect to the granting of additional Restricted Stock Units hereunder and makes no implied promise to grant additional Restricted Stock Units.

4. Settlement of Restricted Stock Units. The provisions of Section 9(d) of the Plan are incorporated herein by reference and made a part hereof.

5. Treatment of Restricted Stock Units Upon Termination.

(a) Upon any Termination occurring prior to a Vesting Date (as defined in the Award Notice), except as set forth in the Award Notice all unvested Restricted Stock Units shall be forfeited immediately upon such Termination and revert back to the Company without any consideration paid in respect thereof. In addition, upon any Termination for Cause, all vested Restricted Stock Units which have not been settled in accordance with Section 4 hereof shall be forfeited immediately upon such Termination and revert back to the Company without any consideration paid in respect thereof. As a pre-condition to a Participant's right to any vesting as a result of a Termination, or following a Termination, the Participant shall deliver a release of claims in favor of the Company and its affiliates in a form satisfactory to the Committee or its designee.

(b) The Participant's rights with respect to the Restricted Stock Units shall not be affected by any change in the nature of the Participant's employment so long as the Participant continues to be an employee of the Company or any of its Subsidiaries. Whether (and the circumstances under which) employment has been terminated and the determination of the date of Termination for the purposes of this Agreement shall be determined by the Committee (or, with respect to any Participant who is not a director or officer as defined under Rule 16a-1(f) under the Exchange Act, its designee, whose good faith determination shall be final, binding, and conclusive; provided, that such designee may not make any such determination with respect to the designee's own employment for purposes of the Restricted Stock Units).

6. Restrictions on Transfer. The Participant may not assign, alienate, pledge, attach, sell, or otherwise transfer or encumber the Restricted Stock Units or the Participant's right under the Restricted Stock Units to receive Shares, except other than by will or by the laws of descent and distribution and any such purported assignment, alienation, pledge, attachment, sale, transfer, or encumbrance shall be void and unenforceable against the Company or an Affiliate; provided, that the designation of a beneficiary (if permitted by the Committee) shall not constitute an assignment, alienation, pledge, attachment, sale, transfer, or encumbrance.

Participant or a permitted transferee of the Restricted Stock Units shall have no rights as a stockholder with respect to any share of Common Stock underlying a Restricted Stock Unit unless and until Participant shall have become the holder of record or the beneficial owner of such Common Stock, and no adjustment shall be made for dividends or distributions or other rights in respect of such share of Common Stock for which the record date is prior to the date upon which Participant shall become the holder of record or the beneficial owner thereof.

8. Tax Withholding. The provisions of Section 15(d) of the Plan are incorporated herein by reference and made a part hereof.

9. Restrictive Covenants. Participant acknowledges and recognizes the highly competitive nature of the businesses of the Company and its Affiliates and accordingly agrees to the provisions of Appendix A to this Agreement (the Restrictive Covenants). For the avoidance of doubt, the Restrictive Covenants contained in this Agreement are in addition to, and not in lieu of, any other restrictive covenants or similar covenants or agreements between Participant and the Company or any of its Affiliates.

10. Repayment of Proceeds; Clawback Policy. If a Restrictive Covenant Violation occurs or the Company discovers after a Termination that grounds existed for Cause at the time thereof, then Participant shall be required, in addition to any other remedy available (on a non-exclusive basis), to pay to the Company, within ten (10) business days of the Company's request to Participant therefor, an amount equal to the aggregate after-tax proceeds (taking into account all amounts of tax that would be recoverable upon a claim of loss for payment of such proceeds in the year of repayment) Participant received upon the sale or other disposition of, or distributions in respect of, the Restricted Stock Units and any Shares issued in respect thereof. Any reference in this Agreement to grounds existing for a Termination with Cause shall be determined without regard to any notice period, cure period, or other procedural delay or event required prior to finding of or Termination with Cause. The Restricted Stock Units and all proceeds of the Restricted Stock Units shall be subject to the Company's clawback policy, as in effect from time to time, to the extent Participant is a director or officer as defined under Rule 16a-1(f) of the Exchange Act.

11. No Right to Continued Employment. Neither the Plan nor this Agreement nor the Participant's receipt of the Restricted Stock Units hereunder shall impose any obligation on the Company or any Affiliate to continue the employment or engagement of the Participant. Further, the Company or any Affiliate (as applicable) may at any time terminate the employment or engagement of such Participant, free from any liability or claim under the Plan or this Agreement, except as otherwise expressly provided herein.

12. Notice. Every notice or other communication relating to this Agreement between the Company and Participant shall be in writing, and shall be mailed or delivered to the party for whom it is intended at such address as may from time to time be designated by it in a notice mailed or delivered to the other party as herein provided; provided, that, unless and until some other address be so designated, all notices or communications by Participant to the Company shall be mailed or delivered to the Company at its principal executive office, to the attention of the Chief Human Resources Officer or another officer designated by the Company, and all notices or communications by the Company to Participant may be given to Participant personally or may be mailed to Participant at Participant's last known address, as reflected in the Company's records. Notwithstanding the above, all notices and communications between Participant and any third-party plan administrator shall be mailed, delivered, transmitted, or sent in accordance with the procedures established by such third-party plan administrator and communicated to Participant from time to time.

13. Binding Effect. This Agreement shall be binding upon the heirs, executors, administrators, and successors of the parties hereto.

Table of Contents

14. Waiver. The Participant acknowledges that a waiver by the Company of breach of any provision of this Agreement shall not operate or be construed as a waiver of any other provision of this Agreement, or of any subsequent breach by the Participant or any other participant in the Plan.

15. Governing Law; Venue; Language. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware. Any suit, action, or proceeding with respect to this Agreement, or any judgment entered by any court in respect of any thereof, shall be brought in any court of competent jurisdiction in the State of Delaware, and each of the Participant and the Company each hereby irrevocably waives (a) any objections which it may now or hereafter have to the laying of the venue of any suit, action, or proceeding arising out of or relating to this Agreement brought in any court of competent jurisdiction in the State of Delaware, (b) any claim that any such suit, action, or proceeding brought in any such court has been brought in any inconvenient forum, and (c) any right to a jury trial.

16. Award Subject to Plan. By entering into this Agreement, the Participant agrees and acknowledges that the Participant has received and read a copy of the Plan. The Restricted Stock Units granted hereunder are subject to the Plan. The terms and provisions of the Plan, as it may be amended from time to time, are hereby incorporated herein by reference. In the event of a conflict between any term or provision contained herein and a term or provision of the Plan, the applicable terms and provisions of this Agreement will govern and prevail.

17. Severability. Should any provision of this Agreement be held by a court of competent jurisdiction to be unenforceable or invalid for any reason, the remaining provisions of this Agreement shall not be affected by such holding and shall continue in full force in accordance with their terms.

18. Successors in Interest. Any successor to the Company shall have the benefits of the Company under, and be entitled to enforce, this Agreement. Likewise, the Participant's legal representative shall have the benefits of Participant under, and be entitled to enforce, this Agreement. All obligations imposed upon the Participant and all rights granted to the Company under this Agreement shall be final, binding, and conclusive upon the Participant's heirs, executors, administrators, and successors.

19. Data Privacy Consent. The Participant hereby explicitly and unambiguously consents to the collection, use, and transfer, in electronic or other form, of the Participant's personal data as described in this Agreement and any other Restricted Stock Unit grant materials by and among, as applicable, the Participant's employer or contracting party (the Employer) and the Company for the exclusive purpose of implementing, administering, and managing the Participant's participation in the Plan. The Participant understands that the Company may hold certain personal information about the Participant, including, but not limited to, the Participant's name, home address, and telephone number, work location and phone number, date of birth, social insurance number, or other identification number, salary, nationality, job title, hire date, any shares of stock or directorships held in the Company, details of all awards or any other entitlement to shares awarded, cancelled, exercised, vested, unvested, or outstanding in the Participant's favor, for the purpose of implementing, administering, and managing the Plan (Personal Data). The Participant understands that Personal Data may be transferred to any

third parties assisting in the implementation, administration and management of the Plan, now or in the future, that these recipients may be located in the Participant's country or elsewhere, and that the recipient's country may have different data privacy laws and protections than the Participant's country. The Participant understands that the Participant may request a list with the names and addresses of any potential recipients of the Personal Data by contacting the Participant's local human resources representative. The Participant authorizes the recipients to receive, possess, use, retain and transfer the Personal Data, in electronic or other form, for the purposes of implementing, administering and managing the Participant's participation in the Plan. The Participant understands that Personal Data will be held only as long as is necessary to implement, administer and manage the Participant's participation in the Plan. The Participant understands that the Participant may, at any time, view Personal Data, request additional information about the storage and processing of Personal Data, require any necessary amendments to Personal Data or refuse or withdraw the consents herein, in any case without cost, by contacting in writing the Participant's local human resources representative. Further, the Participant understands that the Participant is providing the consents herein on a purely voluntary basis. If the Participant does not consent, or if the Participant later seeks to revoke the Participant's consent, the Participant's employment status or service and career with the Employer will not be adversely affected; the only consequence of the Participant's refusing or withdrawing the Participant's consent is that the Company would not be able to grant Restricted Stock Units or other equity awards to the Participant or administer or maintain such awards. Therefore, the Participant understands that refusing or withdrawing the Participant's consent may affect the Participant's ability to participate in the Plan. For more information on the consequences of Participant's refusal to consent or withdrawal of consent, the Participant understands that the Participant may contact the Participant's local human resources representative.

20. Limitation on Rights; No Right to Future Grants; Extraordinary Item of Compensation. By accepting this Agreement and the grant of the Restricted Stock Units evidenced hereby, the Participant expressly acknowledges that: (a) the Plan is discretionary in nature and may be suspended or terminated by the Company at any time; (b) the grant of the Restricted Stock Units is a one-time benefit that does not create any contractual or other right to receive future grants of restricted stock units, or benefits in lieu of restricted stock units; (c) all determinations with respect to future restricted stock unit grants, if any, including the grant date and the number of Shares granted, will be at the sole discretion of the Company; (d) the Participant's participation in the Plan is voluntary; (e) the value of the Restricted Stock Units is an extraordinary item of compensation that is outside the scope of the Participant's employment contract, if any, and nothing can or must automatically be inferred from such employment contract or its consequences; (f) Restricted Stock Units are not part of normal or expected compensation for any purpose and are not to be used for calculating any severance, resignation, redundancy, end of service payments, bonuses, long-service awards, pension or retirement benefits or similar payments, the Participant waives any claim on such basis and, for the avoidance of doubt, the Restricted Stock Units shall not constitute an acquired right under the applicable law of any jurisdiction; (g) the value of Shares received upon settlement of the Restricted Stock Units may increase or decrease in value; and (h) the future value of the underlying Shares is unknown and cannot be predicted with certainty. In addition, the Participant understands, acknowledges and agrees that the Participant will have no rights to compensation or damages related to Restricted Stock Unit proceeds in consequence of the termination of the Participant's employment for any reason whatsoever and whether or not in breach of contract.

21. Award Administrator. The Company may from time to time designate a third party (an Award Administrator) to assist the Company in the implementation, administration, and management of the Plan and any Restricted Stock Units granted thereunder, including by sending Award Notices on behalf of the Company to Participants, and by facilitating through electronic means acceptance of this Agreement by Participants.

22. Book Entry Delivery of Shares. Whenever reference in this Agreement is made to the issuance or delivery of certificates representing one or more Shares, the Company may elect to issue or deliver such Shares in book entry form in lieu of certificates.

23. Electronic Delivery and Acceptance. The Company may, in its sole discretion, decide to deliver any documents related to current or future participation in the Plan by electronic means. The Participant hereby consents to receive such documents by electronic delivery and agrees to participate in the Plan through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

24. Acceptance and Agreement by the Participant; Forfeiture upon Failure to Accept. By accepting the Restricted Stock Units (including through electronic means), the Participant agrees to be bound by the terms, conditions, and restrictions set forth in the Plan, this Agreement, and the Company's policies, as in effect from time to time, relating to the Plan. The Participant's rights under the Restricted Stock Units will lapse 45 days from the Date of Grant, and the Restricted Stock Units will be forfeited on such date if the Participant shall not have accepted this Agreement by such date. For the avoidance of doubt, the Participant's failure to accept this Agreement shall not affect the Participant's continuing obligations under any other agreement between the Company and the Participant. By accepting the Restricted Stock Units Participant expressly agrees that Participant has reviewed and agrees to abide by the Company's Securities Trading Policy, available at [HYPERLINK], as such may be revised or updated from time to time.

25. No Advice Regarding Grant. The Company is not providing any tax, legal, or financial advice, nor is the Company making any recommendations regarding the Participant's participation in the Plan, or the Participant's acquisition or sale of the underlying Shares. The Participant is hereby advised to consult with his or her own personal tax, legal, and financial advisors regarding his or her participation in the Plan before taking any action related to the Plan.

26. Appendices for Non-U.S. Participants. Notwithstanding any provisions in this Agreement, Participants residing and/or working outside the United States shall be subject to the Terms and Conditions for Non-U.S. Participants attached hereto as Appendix B. If the Participant relocates from the United States to another country, the Terms and Conditions for Non-U.S. Participants and the applicable Country-Specific Terms and Conditions will apply to the Participant, to the extent the Company determines that the application of such terms and conditions is necessary or advisable for legal or administrative reasons. Moreover, if the Participant relocates between any of the countries included in Country-Specific Terms and Conditions, the special terms and conditions for such country will apply to the Participant, to the

extent the Company determines that the application of such terms and conditions is necessary or advisable for legal or administrative reasons. The Terms and Conditions for Non-U.S. Participants and the Country-Specific Terms and Conditions constitute part of this Agreement.

27. Imposition of Other Requirements. The Company reserves the right to impose other requirements on the Participant's participation in the Plan, on the Restricted Stock Units and on any Shares acquired under the Plan, to the extent the Company determines it is necessary or advisable for legal or administrative reasons, and to require the Participant to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

28. Section 409A. This Agreement is intended to comply with the provisions of Section 409A of the Code and the regulations promulgated thereunder. Without limiting the foregoing, the Committee shall have the right to amend the terms and conditions of this Agreement in any respect as may be necessary or appropriate to comply with Section 409A of the Code or any regulations promulgated thereunder, including, without limitation, by delaying the issuance of the Shares contemplated hereunder.

Appendix A

Restrictive Covenants

1. **Confidentiality; Non-Compete; Non-Solicit; Non-Disparagement.**

- (a) For the purposes of this Appendix A, any reference to the Company shall mean the Company and its Subsidiaries and Affiliates, collectively. In view of the fact that Participant's work for the Company brings Participant into close contact with many confidential affairs of the Company not readily available to the public, and plans for further developments, Participant agrees:
- (i) Participant will not at any time (whether during or after Participant's Employment with the Company): (x) retain or use for the benefit, purposes, or account of Participant or any other person; or (y) disclose, divulge, reveal, communicate, share, transfer, or provide access to any person outside the Company (other than its professional advisers who are bound by confidentiality obligations), any non-public, proprietary, or confidential information including without limitation trade secrets, know-how, research and development, software, databases, inventions, processes, formulae, technology, designs, and other intellectual property, information concerning finances, investments, profits, pricing, costs, products, services, vendors, customers, clients, partners, investors, personnel, compensation, recruiting, training, advertising, sales, marketing, promotions, and government and regulatory activities and approvals concerning the past, current, or future business, activities, and operations of the Company and/or any third party that has disclosed or provided any of same to the Company on a confidential basis (Confidential Information) without the prior written authorization of the Board, except as specifically necessary during the term of Participant's Employment in order to perform the duties of his or her position and in the best interests of the Company.
- (ii) Confidential Information shall not include any information that is: (x) generally known to the industry or the public other than as a result of Participant's breach of this covenant or any breach of other confidentiality obligations by third parties; (y) made legitimately available to Participant by a third party without breach of any confidentiality obligation; or (z) required by law to be disclosed; provided, that Participant shall give prompt written notice to the Company of such requirement, disclose no more information than is so required, and cooperate with any attempts by the Company to obtain a protective order or similar treatment.
- (iii) Except as required by law, Participant will not disclose to anyone, other than Participant's immediate family and legal or financial advisors, the existence or contents of this Agreement; provided, that Participant may disclose to any prospective future employer the provisions of Section (b) of this Appendix A provided they agree to maintain the confidentiality of such terms.
- (iv) Upon termination of Participant's Employment with the Company for any reason, Participant shall: (x) cease and not thereafter commence use of any Confidential Information or intellectual property (including, without limitation, any

patent, invention, copyright, trade secret, trademark, trade name, logo, domain name, or other source indicator) owned or used by the Company, its Subsidiaries, or Affiliates; (y) immediately destroy, delete, or return to the Company, at the Company's option, all originals and copies in any form or medium (including memoranda, books, papers, plans, computer files, letters, and other data) in Participant's possession or control (including any of the foregoing stored or located in Participant's office, home, laptop, or other computer, whether or not Company property) that contain Confidential Information or otherwise relate to the business of the Company, except that Participant may retain only those portions of any personal notes, notebooks, and diaries that do not contain any Confidential Information; and (z) notify and fully cooperate with the Company regarding the delivery or destruction of any other Confidential Information of which Participant is or becomes aware.

- (b) Participant acknowledges and recognizes the highly competitive nature of the businesses of the Company and accordingly agrees as follows:
- (i) Participant will not, within twelve (12) months following the termination of Participant's Employment with the Company (the Post-Termination Period) or during Participant's Employment (collectively with the Post-Termination Period, the Restricted Period):
- (A) engage in any business involved, either directly or indirectly, in: (x) the acquisition of companies primarily engaged in the U.S. and Canadian aggregates and related downstream product sectors (including, but not limited to, asphalt, paving, cement, concrete, and concrete products) (any such company, a Business) or (y) the operation of any Business, in each case in any Restricted Area (any such business as described in subclauses (x) or (y), a Competitive Business); provided, that for the purposes of this Appendix A, Restricted Area shall mean any geographic area where each and any Service Recipient of the Participant during the Participant's Employment conducts or conducted Business; provided, further, that if the Service Recipient with respect to a Participant is the Operating Partnership, Summit Materials, LLC, or any of their respective successors thereto at any time during the Participant's Employment, the Restricted Area shall be the United States and Canada;
- (B) enter the employ of, or render any services to, any person (or any division or controlled or controlling affiliate of any person) who or which engages in a Competitive Business;
- (C) acquire a financial interest in, or otherwise become actively involved with, any Competitive Business, directly or indirectly, as an individual, partner, shareholder, officer, director, principal, agent, trustee, or consultant; or
- (D) interfere with, or attempt to interfere with, business relationships (whether formed before, on, or after the date of this Agreement) between the Company and customers, clients, suppliers, partners, members, investors, or acquisition targets.

- (ii) During the Restricted Period, Participant will not, whether on Participant's own behalf or on behalf of or in conjunction with any person, directly or indirectly:
 - (A) solicit or encourage any employee of the Company to leave the Employment of the Company; or
 - (B) hire any such employee who was employed by the Company as of the date of Participant's termination of Employment with the Company or who left the Employment of the Company coincident with, or within one (1) year prior to or after, the termination of Participant's Employment with the Company.
- (iii) During the Restricted Period, Participant will not, whether on Participant's own behalf or on behalf of or in conjunction with any person, directly or indirectly solicit or assist in soliciting in competition with the Company, the business of any client or prospective client:
 - (A) with whom Participant had personal contact or dealings on behalf of the Company during the one (1) year period preceding Participant's termination of Employment;
 - (B) with whom employees reporting to Participant have had personal contact or dealings on behalf of the Company during the one (1) year immediately preceding Participant's termination of Employment; or
 - (C) for whom Participant had direct or indirect responsibility during the one (1) year immediately preceding Participant's termination of Employment.

Notwithstanding anything to the contrary in this Agreement, Participant may, directly or indirectly own, solely as an investment, securities of any person which are publicly traded on a national or regional stock exchange or on the over-the-counter market if Participant (x) is not a controlling person of, or a member of a group which controls, such person and (y) does not, directly or indirectly, own 5% or more of any class of securities of such person.

- (c) During the Restricted Period, Participant will not, directly or indirectly, solicit or encourage to cease to work with the Company any consultant then under contract with the Company.

- (e) It is expressly understood and agreed that although Participant and the Company consider the restrictions contained in this Appendix A to be reasonable, if a final judicial determination is made by a court of competent jurisdiction that the time or territory or any other restriction contained in this Agreement is an unenforceable restriction against

Participant, the provisions of this Agreement shall not be rendered void but shall be deemed amended to apply as to such maximum time and territory and to such maximum extent as such court may judicially determine or indicate to be enforceable. Alternatively, if any court of competent jurisdiction finds that any restriction contained in this Agreement is unenforceable, and such restriction cannot be amended so as to make it enforceable, such finding shall not affect the enforceability of any of the other restrictions contained herein.

- (f) The period of time during which the provisions of this Appendix A shall be in effect shall be extended by the length of time during which Participant is in breach of the terms hereof as determined by any court of competent jurisdiction on the Company's application for injunctive relief.

2. Specific Performance: Survival.

- (a) Participant acknowledges and agrees that the Company's remedies at law for a breach or threatened breach of any of the provisions of this Appendix A would be inadequate and the Company would suffer irreparable damages as a result of such breach or threatened breach. In recognition of this fact, Participant agrees that, in the event of such a breach or threatened breach, in addition to any remedies at law, the Company, without posting any bond, shall be entitled to suspend making any payments or providing any benefit otherwise required by this Agreement and obtain equitable relief in the form of specific performance, temporary restraining order, temporary or permanent injunction, or any other equitable remedy which may then be available.
- (b) The provisions of this Appendix A shall survive the termination of Participant's Employment for any reason.

APPENDIX B

SUMMIT MATERIALS, INC.

2015 OMNIBUS INCENTIVE PLAN

RESTRICTED STOCK UNIT AGREEMENT

TERMS AND CONDITIONS FOR NON-U.S. PARTICIPANTS

Capitalized terms used but not otherwise defined herein shall have the meaning given to such terms in the Plan and the Restricted Stock Unit Agreement.

1. Responsibility for Taxes. This provision supplements Section 8 of the Restricted Stock Unit Agreement:

(a) The Participant acknowledges that, regardless of any action taken by the Company or, if different, the Employer, the ultimate liability for all income tax, social insurance, payroll tax, fringe benefits tax, payment on account or other tax-related items related to the Participant's participation in the Plan and legally applicable to the Participant (Tax-Related Items) is and remains the Participant's responsibility and may exceed the amount actually withheld by the Company or the Employer. The Participant further acknowledges that the Company and/or the Employer (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Restricted Stock Units, including, but not limited to, the grant, vesting or settlement of the Restricted Stock Units, the subsequent sale of Shares acquired pursuant to such settlement and the receipt of any dividends and/or any other distributions; and (ii) do not commit to and are under no obligation to structure the terms of the grant or any aspect of the Restricted Stock Units to reduce or eliminate the Participant's liability for Tax-Related Items or achieve any particular tax result. Further, if the Participant is subject to Tax-Related Items in more than one jurisdiction between the Date of Grant and the date of any relevant taxable or tax withholding event, as applicable, the Participant acknowledges that the Company and/or the Employer (or former employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

(b) Prior to any relevant taxable or tax withholding event, as applicable, the Participant agrees to make adequate arrangements satisfactory to the Company and/or the Employer to satisfy all Tax-Related Items. In this regard, the Participant authorizes the Company and/or the Employer, or their respective agents, at their discretion, to satisfy their withholding obligations with regard to all Tax-Related Items by:

(i) withholding from the Participant's wages or other cash compensation paid to the Participant by the Company and/or the Employer; or

(ii) withholding from proceeds of the sale of Shares acquired at settlement of the Restricted Stock Units either through a voluntary sale or through a mandatory sale arranged by the Company (on the Participant's behalf pursuant to this authorization) without further consent; or

(iii) withholding in Shares to be issued upon settlement of the Restricted Stock Units;

Table of Contents

provided, however, that if the Participant is a Section 16 officer of the Company under the Exchange Act, then the Company will withhold in Shares upon the relevant taxable or tax withholding event, as applicable, unless the use of such withholding method is problematic under applicable tax or securities law or has materially adverse accounting consequences, in which case, the obligation for Tax-Related Items may be satisfied by one or a combination of methods (i) and (ii) above.

(c) Depending on the withholding method, the Company may withhold or account for Tax-Related Items by considering applicable minimum statutory withholding rates or other applicable withholding rates, including maximum applicable rates, in which case the Participant will receive a refund of any over-withheld amount in cash and will have no entitlement to the Common Stock equivalent. If the obligation for Tax-Related Items is satisfied by withholding in Shares, for tax purposes, the Participant is deemed to have been issued the full number of Shares subject to the portion of the Restricted Stock Units that is settled, notwithstanding that a number of the Shares are held back solely for the purpose of paying the Tax-Related Items.

(d) Finally, the Participant agrees to pay to the Company or the Employer, any amount of Tax-Related Items that the Company or the Employer may be required to withhold or account for as a result of the Participant's participation in the Plan that cannot be satisfied by the means previously described. The Company may refuse to issue or deliver the Shares or the proceeds of the sale of Shares if the Participant fails to comply with the Participant's obligations in connection with the Tax-Related Items.

2. Nature of Grant. This provision supplements Section 20 of the Restricted Stock Unit Agreement:

In accepting the grant of the Restricted Stock Units, the Participant acknowledges, understands and agrees that:

(a) the Restricted Stock Unit grant and the Participant's participation in the Plan shall not create a right to employment or be interpreted as forming an employment or services contract with the Company or any Affiliate;

(b) the Restricted Stock Units and the Shares subject to the Restricted Stock Units are not intended to replace any pension rights or compensation;

(c) for purposes of the Restricted Stock Units, the date of Termination shall be the date the Participant is no longer actively providing services to the Company or its Affiliates (regardless of the reason for such termination and whether or not later to be found invalid or in breach of employment laws in the jurisdiction where the Participant is employed or the terms of the Participant's employment agreement, if any), and unless otherwise expressly provided in this Agreement or determined by the Company, the Participant's right to vest in the Restricted Stock Units under the Plan, if any, will terminate and the Participant's right to have

Table of Contents

settled any vested Restricted Stock Units, if any, will be measured as of such date and will not be extended by any notice period (*e.g.*, the Participant's period of service would not include any contractual notice period or any period of garden leave or similar period mandated under employment laws in the jurisdiction where the Participant is employed or the terms of the Participant's employment agreement, if any); the Committee shall have the exclusive discretion to determine when the Participant is no longer actively providing services for purposes of the Restricted Stock Unit grant (including whether the Participant may still be considered to be providing services while on a leave of absence);

(d) unless otherwise provided in the Plan or by the Company in its discretion, the Restricted Stock Units and the benefits evidenced by this Agreement do not create any entitlement to have the Restricted Stock Units or any such benefits transferred to, or assumed by, another company nor to be exchanged, cashed out or substituted for, in connection with any corporate transaction affecting the Company's Common Stock; and

(e) neither the Company nor any Affiliate shall be liable for any foreign exchange rate fluctuation between the Participant's local currency and the United States Dollar that may affect the value of the Restricted Stock Units or of any amounts due to the Participant pursuant to the settlement of the Restricted Stock Units or the subsequent sale of any Shares acquired upon settlement.

3. Insider Trading Restrictions/Market Abuse Laws. The Participant acknowledges that, depending on his or her country of residence, the Participant may be subject to insider trading restrictions and/or market abuse laws, which may affect his or her ability to acquire or sell Shares or rights to Shares (*e.g.*, Restricted Stock Units) under the Plan during such times as the Participant is considered to have inside information regarding the Company (as defined by the laws in the Participant's country). Any restrictions under these laws or regulations are separate from and in addition to any restrictions that may be imposed under any applicable Company insider trading policy. The Participant is responsible for ensuring compliance with any applicable restrictions and is advised to consult his or her personal legal advisor on this matter.
