**Item 2.02. Results of Operations and Financial Condition.**

On May 20, 2016, the San Juan Basin Royalty Trust (the "Trust") issued a press release, a copy of which is attached hereto as Exhibit 99.1, announcing a monthly cash distribution to the holders of its units of beneficial interest of \$123,447.02 or \$0.002649 per Unit, based principally upon production during the month of March 2016. The amount of royalty income payable to the Trust in May, and accordingly, the amount of cash available for distribution to holders of units, was reduced by \$246,267 to account for a previous overpayment of royalty income to the Trust. The overpayment was due to an underallocation of certain expenses to the Trust for periods between February 2015 and March 2016. The distribution is payable June 14, 2016, to Unit Holders of record as of May 31, 2016.

In accordance with general instruction B.2 to Form 8-K, the information in this Form 8-K shall be deemed furnished and not filed with the Securities and Exchange Commission for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise, subject to the liabilities of that section.
