PROXY STATEMENT

FOR 2016 ANNUAL MEETING OF STOCKHOLDERS

To Be Held at 10:00 a.m. Pacific Time on Thursday, June 16, 2016

This proxy statement and the enclosed form of proxy are furnished in connection with the solicitation of proxies by our board of directors for use at our 2016 annual meeting of stockholders (the Annual Meeting), and any postponements, adjournments or continuations thereof. The Annual Meeting will be held on Thursday, June 16, 2016 at 10:00 a.m. Pacific Time, at our headquarters, located at 3260 Bayshore Blvd., Brisbane, California 94005. The Notice of Internet Availability of Proxy Materials (the Notice) containing instructions on how to access this proxy statement and our annual report is first being mailed on or about May 5, 2016 to all stockholders entitled to receive notice of and to vote at the Annual Meeting.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

The information provided in the question and answer format below addresses certain frequently asked questions but is not intended to be a summary of all matters contained in this proxy statement. Please read the entire proxy statement carefully before voting your shares.

What matters am I voting on?

You will be voting on:

the election of two Class II directors to hold office until the 2019 annual meeting of stockholders or until their successors are duly elected and qualified;

a proposal to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2016;

the approval of the issuance of shares of the Company's common stock and the shares of the Company's common stock issuable upon the conversion of the Company's Series A Mandatorily Convertible Preferred Stock and upon the exercise of Warrants issued in connection with the Financings; and

any other business that may properly come before the Annual Meeting or any adjournments or postponements thereof.

How does our board of directors recommend that I vote?

Our board of directors recommends that you vote:

Edgar Filing: CareDx, Inc. - Form DEF 14A

FOR the election of each of the two directors nominated by our board of directors and named in this proxy statement as Class II directors to serve for a three-year term;

FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2016; and

FOR the approval of the issuance of shares of the Company's common stock and the shares of the Company's common stock issuable upon the conversion of the Company's Series A Mandatorily Convertible Preferred Stock and upon the exercise of Warrants issued in connection with the Financings.

Will there be any other items of business on the agenda?

If any other items of business or other matters are properly brought before the Annual Meeting, your proxy gives discretionary authority to the persons named on the proxy card with respect to those items of business or

Table of Contents

other matters. The persons named on the proxy card intend to vote the proxy in accordance with their best judgment. Our board of directors does not intend to bring any other matters to be voted on at the Annual Meeting, and we are not currently aware of any matters that may be properly presented by others for consideration at the Annual Meeting.

Who is entitled to vote at the Annual Meeting?

Holders of our common stock at the close of business on April 18, 2016, the record date for the Annual Meeting (the Record Date), are entitled to notice of and to vote at the Annual Meeting. Each stockholder is entitled to one vote for each share of our common stock held as of the Record Date. Stockholders are not permitted to cumulate votes with respect to the election of directors.

However, per applicable NASDAQ Listing Rules, the shares of common stock issued in the Private Placement will not be eligible to vote for, and votes submitted with respect to such shares of common stock will not be counted for, Proposal No. 3. As of the Record Date, there were 13,960,762 shares of common stock outstanding and entitled to vote. In addition, 591,860 shares of CareDx common stock issued in the Private Placement are entitled to vote at the Annual Meeting on Proposal No. 1 and Proposal No. 2.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Stockholder of Record: Shares Registered in Your Name. If, at the close of business on the Record Date, your shares were registered directly in your name with Computershare Trust Company, our transfer agent, then you are considered the stockholder of record with respect to those shares. As the stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or to vote in person at the Annual Meeting.

Beneficial Owners: Shares Registered in the Name of a Broker, Bank or Other Nominee. If, at the close of business on the Record Date, your shares were held, not in your name, but rather in a stock brokerage account or by a bank or other nominee on your behalf, then you are considered the beneficial owner of shares held in street name. As the beneficial owner, you have the right to direct your broker, bank or other nominee how to vote your shares by following the voting instructions your broker, bank or other nominee provides. If you do not provide your broker, bank or other nominee with instructions on how to vote your shares, your broker, bank or other nominee may, in its discretion, vote your shares with respect to routine matters but may not vote your shares with respect to any non-routine matters. Please see *What if I do not specify how my shares are to be voted?* for additional information.

Do I have to do anything in advance if I plan to attend the Annual Meeting in person?

Stockholder of Record: Shares Registered in Your Name. If you were a stockholder of record at the close of business on the Record Date, you do not need to do anything in advance to attend and/or vote your shares in person at the Annual Meeting, but you will need to present government-issued photo identification for entrance to the Annual Meeting.

Beneficial Owners: Shares Registered in the Name of a Broker, Bank or Other Nominee. If you were a beneficial owner at the close of business on the Record Date, you may not vote your shares in person at the Annual Meeting unless you obtain a legal proxy from your broker, bank or other nominee who is the stockholder of record with respect to your shares. You may still attend the Annual Meeting even if you do not have a legal proxy. For entrance to the Annual Meeting, you will need to provide proof of beneficial ownership as of the Record Date, such as the notice or voting instructions you received from your broker, bank or other nominee or a brokerage statement reflecting your ownership of shares as of the Record Date, and present government-issued photo identification.

Please note that no cameras, recording equipment, large bags, briefcases or packages will be permitted in the Annual Meeting.

How do I vote and what are the voting deadlines?

Stockholder of Record: Shares Registered in Your Name. If you are a stockholder of record, you can vote in one of the following ways:

You may vote via the Internet or by telephone. To vote via the Internet or by telephone, follow the instructions provided in the Notice of Internet Availability of Proxy Materials. If you vote via the Internet or by telephone, you do not need to return a proxy card by mail. Internet and telephone voting are available 24 hours a day. Votes submitted through the Internet or by telephone must be received by 11:59 p.m. Eastern Time on June 15, 2016. Alternatively, you may request a printed proxy card by telephone at 1-866-641-4276, over the Internet at www.investorvote.com/cdna, or by email at investorvote@computershare.com with Proxy Material CareDx, Inc. in the subject heading, and then follow the instructions under the heading You may vote by mail immediately below.

You may vote by mail. If you have received printed proxy materials by mail and would like to vote by mail, you need to complete, date and sign the proxy card that accompanies this proxy statement and promptly mail it to the tabulation agent in the enclosed postage-paid envelope so that it is received no later than June 15, 2016. You do not need to put a stamp on the enclosed envelope if you mail it from within the United States. The persons named in the proxy card will vote the shares you own in accordance with your instructions on the proxy card you mail. If you return the proxy card, but do not give any instructions on a particular matter to be voted on at the Annual Meeting, the persons named in the proxy card will vote the shares you own in accordance with the recommendations of our board of directors. Our board of directors recommends that you vote FOR the election of each of the two directors nominated by our board of directors and named in this proxy statement as Class II directors to serve for a three-year term (Proposal No. 1), FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2016 (Proposal No. 2), and FOR the approval of the issuance of shares of the Company's common stock and the shares of the Company's common stock issuable upon the conversion of the Company's Series A Mandatorily Convertible Preferred Stock and upon the exercise of Warrants issued in connection with the Financings (Proposal No. 3). However, per applicable NASDAQ Listing Rules, the shares of common stock issued in the Private Placement will not be eligible to vote for, and votes submitted with respect to such shares of common stock will not be counted for, Proposal No. 3.

You may vote in person. If you plan to attend the Annual Meeting, you may vote by delivering your completed proxy card in person or by completing and submitting a ballot, which will be provided at the Annual Meeting.

Beneficial Owners: Shares Registered in the Name of a Broker, Bank or Other Nominee. If you are the beneficial owner of shares held of record by a broker, bank or other nominee, you will receive voting instructions from your broker, bank or other nominee. You must follow the voting instructions provided by your broker, bank or other nominee in order to instruct your broker, bank or other nominee how to vote your shares. The availability of Internet and telephone voting options will depend on the voting process of your broker, bank or other nominee. **As discussed above, if you are a beneficial owner, you may not vote your shares in person at the Annual Meeting unless you obtain a legal proxy from your broker, bank or other nominee.**

Can I change my vote or revoke my proxy?

Edgar Filing: CareDx, Inc. - Form DEF 14A

Stockholder of Record: Shares Registered in Your Name. If you are a stockholder of record, you may revoke your proxy or change your proxy instructions at any time before your proxy is voted at the Annual Meeting by:

entering a new vote by Internet or telephone;

signing and returning a new proxy card with a later date;

delivering a written notice of revocation to our Corporate Secretary prior to the Annual Meeting; or

attending the Annual Meeting and voting in person.

Table of Contents

Beneficial Owners: Shares Registered in the Name of a Broker, Bank or Other Nominee. If you are the beneficial owner of your shares, you must contact the broker, bank or other nominee holding your shares and follow their instructions to change your vote or revoke your proxy.

What is the effect of giving a proxy?

Proxies are solicited by and on behalf of our board of directors. Peter Maag and Charles Constanti have been designated as proxy holders by our board of directors. When a proxy is properly dated, executed and returned, the shares represented by the proxy will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If no specific instructions are given, however, the shares will be voted in accordance with the recommendations of our board of directors. If any matters not described in this proxy statement are properly presented at the Annual Meeting, the proxy holders will use their own judgment to determine how to vote your shares. If the Annual Meeting is postponed or adjourned, the proxy holders can vote your shares on the new meeting date, unless you have properly revoked your proxy, as described above.

What if I do not specify how my shares are to be voted?

Stockholder of Record: Shares Registered in Your Name. If you are a stockholder of record and you submit a proxy but you do not provide voting instructions, your shares will be voted:

FOR the election of each of the two directors nominated by our board of directors and named in this proxy statement as Class II directors to serve for a three-year term (Proposal No. 1);

FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2016 (Proposal No. 2); and

FOR the approval of the issuance of shares of the Company's common stock and the shares of the Company's common stock issuable upon the conversion of the Company's Series A Mandatorily Convertible Preferred Stock and upon the exercise of Warrants issued in the Financings (Proposal No. 3);

In the discretion of the named proxy holders regarding any other matters properly presented for a vote at the Annual Meeting.

Beneficial Owners: Shares Registered in the Name of a Broker, Bank or Other Nominee. If you are a beneficial owner and you do not provide your broker, bank or other nominee that holds your shares with voting instructions, then your broker, bank or other nominee will determine if it has discretion to vote on each matter. Brokers do not have discretion to vote on non-routine matters. Proposal No. 1 (election of directors) and Proposal No. 3 (approval of share issuance) are non-routine matters, while Proposal No. 2 (ratification of appointment of independent registered public accounting firm) is a routine matter. As a result, if you do not provide voting instructions to your broker, bank or other nominee, then your broker, bank or other nominee may not vote your shares with respect to Proposal No. 1 or Proposal No. 3, which would result in a broker non-vote, but may, in its discretion, vote your shares with respect to Proposal No. 2. For additional information regarding broker non-votes, see *What are the effects of abstentions and broker non-votes?* below.

What is a quorum?

A quorum is the minimum number of shares required to be present at the Annual Meeting for the meeting to be properly held under our bylaws and Delaware law. A majority of the shares of common stock outstanding and entitled to vote, in person or by proxy, constitutes a quorum for the transaction of business at the Annual Meeting. As noted above, as of the Record Date, there were a total of 13,960,762 shares of common stock outstanding, which means that 6,980,382 shares of common stock must be represented in person or by proxy at the Annual Meeting to have a quorum. If there is no quorum, a majority of the shares present at the Annual Meeting may adjourn the meeting to a later date.

Table of Contents**What are the effects of abstentions and broker non-votes?**

An abstention represents a stockholder's affirmative choice to decline to vote on a proposal. If a stockholder indicates on its proxy card that it wishes to abstain from voting its shares, or if a broker, bank or other nominee holding its customers' shares of record causes abstentions to be recorded for shares, these shares will be considered present and entitled to vote at the Annual Meeting. As a result, abstentions will be counted for purposes of determining the presence or absence of a quorum and will also count as votes against a proposal in cases where approval of the proposal requires the affirmative vote of a majority of the shares present and entitled to vote at the Annual Meeting (e.g., Proposal No. 2 and Proposal No. 3). However, because the outcome of Proposal No. 1 (election of directors) will be determined by a plurality vote, abstentions will have no impact on the outcome of such proposal as long as a quorum exists.

A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker, bank or other nominee does not have discretionary voting power with respect to such proposal and has not received voting instructions from the beneficial owner of the shares. Broker non-votes will be counted for purposes of calculating whether a quorum is present at the Annual Meeting but will not be counted for purposes of determining the number of votes cast. Therefore, a broker non-vote will make a quorum more readily attainable but will not otherwise affect the outcome of the vote on any proposal.

How many votes are needed for approval of each proposal and how are votes counted?

Proposal No. 1: The election of Class II directors requires a plurality vote of the shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon to be approved. This means that the two nominees who receive the most FOR votes will be elected. You may (i) vote FOR all nominees, (ii) WITHHOLD your vote as to all nominees, or (iii) vote FOR all nominees except for those specific nominees from whom you WITHHOLD your vote. Any shares not voted FOR a particular nominee (whether as a result of voting withheld or a broker non-vote) will not be counted in such nominee's favor and will have no effect on the outcome of the election. If you WITHHOLD your vote as to all nominees, you will be deemed to have abstained from voting on Proposal No. 1, and such abstention will have no effect on the outcome of the proposal.

Proposal No. 2: The ratification of the appointment of Ernst & Young LLP requires an affirmative vote of a majority of the shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon to be approved. You may vote FOR, AGAINST or ABSTAIN. If you ABSTAIN from voting on Proposal No. 2, the abstention will have the same effect as a vote AGAINST the proposal.

Proposal No. 3: The approval of the issuance of shares of the Company's common stock and the shares of the Company's common stock issuable upon the conversion of the Company's Series A Mandatorily Convertible Preferred Stock and upon the exercise of Warrants issued in the Financings requires an affirmative vote of a majority of the shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon to be approved. You may vote FOR, AGAINST or ABSTAIN. If you ABSTAIN from voting on Proposal No. 3, the abstention will have the same effect as a vote AGAINST the proposal. However, per applicable NASDAQ Listing Rules, the shares of common stock issued in the Private Placement will not be eligible to vote for, and votes submitted with respect to such shares of common stock will not be counted for,

Proposal No. 3.

How are proxies solicited for the Annual Meeting and who is paying for such solicitation?

Our board of directors is soliciting proxies for use at the Annual Meeting by means of the proxy materials. We will bear the entire cost of proxy solicitation, including the preparation, assembly, printing, mailing and distribution of the proxy materials. Copies of solicitation materials will also be made available upon request to

Table of Contents

brokers, banks and other nominees to forward to the beneficial owners of the shares held of record by such brokers, banks or other nominees. The original solicitation of proxies may be supplemented by solicitation by telephone, electronic communication, or other means by our directors, officers, employees or agents. No additional compensation will be paid to these individuals for any such services, although we may reimburse such individuals for their reasonable out-of-pocket expenses in connection with such solicitation. We have retained Georgeson Inc. to help us solicit proxies. We will pay Georgeson Inc. \$15,000 plus reasonable expenses for its services.

If you choose to access the proxy materials and/or vote over the Internet, you are responsible for Internet access charges you may incur. If you choose to vote by telephone, you are responsible for telephone charges you may incur.

Why did I receive a Notice of Internet Availability of Proxy Materials instead of a full set of proxy materials?

In accordance with the rules of the Securities and Exchange Commission (the SEC), we have elected to furnish our proxy materials, including this proxy statement and our annual report, primarily via the Internet. Stockholders may request to receive proxy materials in printed form by mail or electronically by e-mail by following the instructions contained in the Notice. We encourage stockholders to take advantage of the availability of our proxy materials on the Internet to help reduce the environmental impact of our annual meetings of stockholders.

What does it mean if I received more than one Notice?

If you receive more than one Notice, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on each Notice to ensure that all of your shares are voted.

Is my vote confidential?

Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within CareDx or to third parties, except as necessary to meet applicable legal requirements, to allow for the tabulation of votes and certification of the vote, or to facilitate a successful proxy solicitation.

Will members of the board of directors attend the Annual Meeting?

We encourage, but do not require, our board members to attend the Annual Meeting. Those who do attend will be available to answer appropriate questions from stockholders.

Table of Contents

I share an address with another stockholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?

We have adopted an SEC-approved procedure called householding, under which we can deliver a single copy of the proxy materials and annual report to multiple stockholders who share the same address unless we received contrary instructions from one or more of the stockholders. This procedure reduces our printing and mailing costs.

Stockholders who participate in householding will continue to be able to access and receive separate proxy cards.

Upon written or oral request, we will promptly deliver a separate copy of the proxy materials and annual report to any stockholder at a shared address to which we delivered a single copy of any of these documents. To receive a separate copy, or, if you are receiving multiple copies, to request that we only send a single copy of next year's proxy materials and annual report, you may contact us as follows:

CareDx, Inc.

Attention: Corporate Secretary

3260 Bayshore Blvd.

Brisbane, CA 94005

(415) 287-2300

Stockholders who hold shares in street name may contact their brokerage firm, bank, broker-dealer or other nominee to request information about householding.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the Annual Meeting. If final voting results are not available to us at that time, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an amendment to the Form 8-K to publish the final results.

What is the deadline to propose actions for consideration at next year's annual meeting of stockholders or to nominate individuals to serve as directors?

Stockholder Proposals

Stockholders may present proper proposals for inclusion in our proxy statement and for consideration at the next annual meeting of stockholders by submitting their proposals in writing to our Corporate Secretary in a timely manner. For a stockholder proposal to be considered for inclusion in our proxy statement for our 2017 annual meeting of stockholders, our Corporate Secretary must receive the written proposal at our principal executive offices not later than January 5, 2017. In addition, stockholder proposals must comply with the requirements of Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the Exchange Act), regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Stockholder proposals should be addressed to:

CareDx, Inc.

Edgar Filing: CareDx, Inc. - Form DEF 14A

Attention: Corporate Secretary

3260 Bayshore Blvd.

Brisbane, CA 94005

Our bylaws also establish an advance notice procedure for stockholders who wish to present a proposal before an annual meeting of stockholders but do not intend for the proposal to be included in our proxy statement. Our bylaws provide that the only business that may be conducted at an annual meeting is business that is (i) specified in the notice of meeting (or any supplement thereto) given by or at the direction of the board of directors, (ii) otherwise properly brought before the annual meeting by or at the direction of our board of directors, or (iii) properly brought before the annual meeting by a stockholder of record entitled to vote at the

Table of Contents

annual meeting who has delivered timely written notice to our Corporate Secretary, which notice must contain the information specified in our bylaws.

To be timely for our 2017 annual meeting of stockholders, our Corporate Secretary must receive the written notice at our principal executive offices:

not earlier than February 19, 2017; and

not later than March 21, 2017.

In the event that we hold our 2017 annual meeting of stockholders more than 30 days before or after the first anniversary of the date of the Annual Meeting, then notice of a stockholder proposal that is not intended to be included in our proxy statement must be received no earlier than the close of business on the 120th day before such annual meeting and no later than the close of business on the later of the following two dates:

the 90th day prior to such annual meeting; or

the 10th day following the day on which public announcement of the date of such annual meeting is first made.

If a stockholder who has notified us of his, her or its intention to present a proposal at an annual meeting does not appear to present his, her or its proposal at such annual meeting, we are not required to present the proposal for a vote at such annual meeting.

Nomination of Director Candidates

You may propose director candidates for consideration by our nominating and corporate governance committee. Any such recommendations should include the nominee's name and qualifications for membership on our board of directors and should be directed to our Secretary at the address set forth above. For additional information regarding stockholder recommendations for director candidates, see *Board of Directors and Corporate Governance* *Stockholder Recommendations for Nominations to the Board of Directors*.

In addition, our bylaws permit stockholders to nominate directors for election at an annual meeting of stockholders. To nominate a director, the stockholder must provide the information required by our bylaws. In addition, the stockholder must give timely notice to our Secretary in accordance with our bylaws, which, in general, require that the notice be received by our Secretary within the time period described above under *Stockholder Proposals* for stockholder proposals that are not intended to be included in a proxy statement.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Our board of directors is currently composed of seven members. Effective as of June 16, 2016, the size of the board of directors will be reduced from seven members to six members. In accordance with our certificate of incorporation, our board of directors is divided into three classes with staggered three-year terms. At the Annual Meeting, two Class II directors will be elected for a three-year term to succeed the same class whose term is then expiring.

Each director's term continues until the election and qualification of such director's successor, or such director's earlier death, resignation, or removal. Any increase or decrease in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of our directors. This classification of our board of directors may have the effect of delaying or preventing changes in control of our company.

Nominees

Our nominating and corporate governance committee has recommended, and our board of directors has approved Fred E. Cohen and William A. Hagstrom as nominees for election as Class II directors at the Annual Meeting. If elected, each of Messrs. Cohen and Hagstrom will serve as Class II directors until the 2019 annual meeting of stockholders or until their successors are duly elected and qualified. Each of the nominees is currently a director of our company. For information concerning the nominees, please see the section titled "Board of Directors and Corporate Governance."

If you are a stockholder of record and you sign your proxy card or vote over the Internet or by telephone but do not give instructions with respect to the voting of directors, your shares will be voted FOR the re-election of Messrs. Cohen and Hagstrom. We expect that Messrs. Cohen and Hagstrom will accept such nomination; however, in the event that a director nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by our board of directors to fill such vacancy. If you are a beneficial owner of shares of our common stock and you do not give voting instructions to your broker, bank or other nominee, then your broker, bank or other nominee will leave your shares unvoted on this matter.

Vote Required

The election of Class II directors requires a plurality vote of the shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon to be approved. Broker non-votes will have no effect on this proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF EACH OF THE TWO DIRECTORS NOMINATED BY OUR BOARD OF DIRECTORS AND NAMED IN THIS PROXY STATEMENT AS CLASS II DIRECTORS TO SERVE FOR A THREE-YEAR TERM.

Director Independence

Our common stock is listed on The NASDAQ Global Market. Under the rules of The NASDAQ Stock Market, independent directors must comprise a majority of a listed company's board of directors. In addition, the rules of The NASDAQ Stock Market require that, subject to specified exceptions, each member of a listed company's audit, compensation, and nominating and corporate governance committees be independent. Under the rules of The NASDAQ Stock Market, a director will only qualify as an independent director if, in the opinion of the listed company's board of directors, the director does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Audit committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Exchange Act and the listing requirements of The NASDAQ Stock Market. In addition, compensation committee members must satisfy the independence criteria set forth in Rule 10C-1 under the Exchange Act and the listing requirements of The NASDAQ Stock Market.

Our board of directors has undertaken a review of the independence of each director and considered whether such director has a material relationship with us that could compromise his ability to exercise independent judgment in carrying out his responsibilities. As a result of this review, our board of directors has determined that Messrs. Byers, Cohen, Goldberg, Hagstrom and Snyderman are independent directors as defined under the applicable rules and regulations of the SEC and the listing requirements and rules of The NASDAQ Stock Market.

Board Leadership Structure

Our board of directors has an independent Chairman, Mr. Goldberg, who has authority, among other things, to preside over board of directors meetings, including meetings of the independent directors, and to call special meetings of the board. Accordingly, the Chairman has substantial ability to shape the work of our board of directors. We currently believe that separation of the roles of Chairman and Chief Executive Officer reinforces the independence of our board

of directors in its oversight of the business and affairs of our Company. In

Table of Contents

addition, we currently believe that having an independent Chairman creates an environment that is more conducive to objective evaluation and oversight of management's performance, increasing management accountability and improving the ability of our board of directors to monitor whether management's actions are in the best interests of the Company and its stockholders. However, no single leadership model is right for all companies and at all times. Our board of directors recognizes that depending on the circumstances, other leadership models, such as combining the role of Chairman with the role of Chief Executive Officer, might be appropriate. Accordingly, our board of directors may periodically review its leadership structure.

Legal Proceedings with Directors

There are no legal proceedings related to any of the directors or director nominees which require disclosure pursuant to Items 103 or 401(f) of Regulation S-K.

Agreements with Directors

None of the directors or nominees for director was selected pursuant to any arrangement or understanding, other than compensation arrangements in the ordinary course of business.

Board and Committee Meetings

During 2015, our board of directors held 4 meetings (including regularly scheduled and special meetings), and each director attended at least 75% of the aggregate of (i) the total number of meetings of our board of directors held during the period for which he served as a director and (ii) the total number of meetings held by all committees of our board of directors on which he served during the periods that he served.

It is the policy of our board of directors to regularly have separate meeting times for independent directors without management.

Although we do not have a formal policy regarding attendance by members of our board of directors at annual meetings of stockholders, we encourage, but do not require, our directors to attend.

Our board of directors has four standing committees: an audit committee, a compensation committee, a science and technology committee and a nominating and corporate governance committee. Our compensation committee is responsible for, among other things:

reviewing and approving our Chief Executive Officer's and other executive officers' annual base salaries; incentive compensation plans, including the specific goals and amounts; equity compensation, employment agreements, severance arrangements and change in control agreements; and any other benefits, compensation or arrangements; provided that any approvals relating to the Chief Executive Officer's compensation will be subject to the ratification of our entire board of directors, with any non-independent directors abstaining;

None of our executive officers currently serves, or in the past year has served, as a member of the board of directors or compensation committee, or other board committee performing equivalent functions, of any entity that has one or more executive officers serving on our compensation committee or our board of directors.

Considerations in Evaluating Director Nominees

Our nominating and corporate governance committee uses a variety of methods for identifying and evaluating director nominees. In its evaluation of director candidates, our nominating and corporate governance committee will consider the composition of our board of directors, including, without limitation, issues of character, integrity, judgment, diversity, age, independence, education, expertise, business acumen, business experience, length of service, understanding of our business and other commitments. Members of our board of directors are expected to prepare for, attend, and participate in all board of director and applicable committee meetings. Our nominating and corporate governance committee requires the following minimum qualifications to be satisfied by any nominee for a position on the board of directors: (i) the highest personal and professional ethics and integrity, (ii) proven achievement and competence in the nominee's field and the ability to exercise sound business judgment, (iii) skills that are complementary to those of the existing board of directors, (iv) the ability to assist and support management and make significant contributions to our success, and (v) an understanding of the fiduciary responsibilities that are required of a member of the board of directors and the

Table of Contents

commitment of time and energy necessary to diligently carry out those responsibilities. Other than the foregoing, there are no other stated minimum criteria for director nominees, although our nominating and corporate governance committee may also consider such other factors as it may deem, from time to time, are in our and our stockholders best interests.

Although our board of directors does not maintain a specific policy with respect to board diversity, our board of directors believes that our board of directors should be a diverse body, and our nominating and corporate governance committee considers a broad range of backgrounds and experiences. In making determinations regarding nominations of directors, our nominating and corporate governance committee may take into account the benefits of diverse viewpoints. Our nominating and corporate governance committee also considers these and other factors as it oversees the annual board of directors and committee evaluations. After completing its review and evaluation of director candidates, our nominating and corporate governance committee recommends to our full board of directors the director nominees for selection.

Stockholder Recommendations for Nominations to the Board of Directors

Our nominating and corporate governance committee will consider candidates for directors recommended by stockholders holding at least one percent (1%) of the fully diluted capitalization of the company continuously for at least 12 months prior to the date of the submission of the recommendation. Our nominating and corporate governance committee will evaluate such recommendations in accordance with its charter, our bylaws, our policies and procedures for director candidates, as well as the regular director nominee criteria described above. This process is designed to ensure that our board of directors includes members with diversity of experience, skills and expertise, including appropriate financial and other expertise relevant to our business. Stockholders wishing to recommend a candidate for nomination should contact our Corporate Secretary in writing. Such recommendations must include the candidate's name, home and business contact information, detailed biographical data, relevant qualifications, a signed letter from the candidate confirming willingness to serve on our board of directors, information regarding any relationships between the candidate and CareDx and evidence of the recommending stockholder's ownership of our common stock. Such recommendations must also include a statement from the recommending stockholder in support of the candidate, particularly within the context of the criteria for board of directors membership. Our nominating and corporate governance committee has discretion to decide which individuals to recommend for nomination as directors.

A stockholder can nominate a candidate directly for election to our board of directors by complying with the procedures in Section 2.4(ii) of our bylaws and the rules and regulations of the SEC. Any eligible stockholder who wishes to submit a nomination should review the requirements in the bylaws on nominations by stockholders. Any nomination should be sent in writing to our Corporate Secretary at CareDx, Inc., 3260 Bayshore Blvd., Brisbane, California 94005. To be timely for our 2017 annual meeting of stockholders, our Corporate Secretary must receive the nomination no earlier than February 19, 2017 and no later than March 21, 2017. The notice must state the information required by Section 2.4(ii) of our bylaws and otherwise must comply with applicable federal and state law.

Communications with the Board of Directors

Stockholders wishing to communicate with our board of directors or with an individual member of our board of directors may do so by writing to our board of directors or to the particular member of our board of directors, and mailing the correspondence to our Chief Financial Officer at CareDx, Inc., 3260 Bayshore Blvd., Brisbane, CA 94005. This procedure

does not apply to stockholder proposals submitted pursuant to Rule 14a-8 under the Exchange Act.

Board's Role in Risk Oversight

Risk is inherent with every business, and we face a number of risks, including strategic, financial, business and operational, legal and compliance, and reputational. We have designed and implemented processes to manage risk in our operations. Management is responsible for the day-to-day management of risks the company faces, while our board of directors, as a whole and assisted by its committees, has responsibility for the oversight of risk management. In its risk oversight role, our board of directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are appropriate and functioning as designed.

Our board of directors believes that open communication between management and our board of directors is essential for effective risk management and oversight. Our board of directors meets with our Chief Executive Officer and other members of the senior management team at quarterly meetings of our board of directors, where, among other topics, they discuss strategy and risks facing the company, as well as at such other times as they deemed appropriate.

While our board of directors is ultimately responsible for risk oversight, our board committees assist our board of directors in fulfilling its oversight responsibilities in certain areas of risk. Our audit committee assists our board of directors in fulfilling its oversight responsibilities with respect to risk management in the areas of internal control over financial reporting and disclosure controls and procedures, legal and regulatory compliance, and discusses with management and the independent auditor guidelines and policies with respect to risk assessment and risk management. Our audit committee also reviews our major financial risk exposures and the steps management has taken to monitor and control these exposures. In addition, our audit committee monitors certain key risks on a regular basis throughout the fiscal year, such as risk associated with internal control over financial reporting and liquidity risk. Our nominating and corporate governance committee assists our board of directors in fulfilling its oversight responsibilities with respect to the management of risk associated with board organization, membership and structure, and corporate governance. Our compensation committee assesses risks created by the incentives inherent in our compensation policies. Finally, our full board of directors reviews strategic and operational risk in the context of reports from the management team, receives reports on all significant committee activities at each regular meeting, and evaluates the risks inherent in significant transactions.

Director Compensation

Directors who are employees do not receive any additional compensation for their service on our board of directors. We reimburse our non-employee directors for their reasonable out-of-pocket costs and travel expenses in connection with their attendance at board of directors and committee meetings. In 2015, certain of our non-employee directors received cash compensation and options to purchase shares of our common stock pursuant to our 2014 Equity Incentive Plan as set forth below.

Table of Contents

Our non-employee directors received an annual retainer of \$30,000 for their service on our board of directors and any committee thereof. Members of our audit committee, compensation committee, nominating and corporate governance committee, and science and technology committee, other than the chair of each such committee, received an additional annual retainer of \$10,000, \$6,000, \$4,000 and \$4,000, respectively. The chair of our audit committee, compensation committee, nominating and corporate governance, and science and technology committee each received an additional annual retainer of \$20,000, \$12,000, \$8,000 and \$8,000, respectively. Additionally, the individual acting as Chairman of the Board received an additional annual retainer of \$65,000. All annual retainers were paid quarterly and pro-rated for partial service in any year. Two-thirds of each non-employee director's retainer was paid in the form of common stock of the Company, the remaining one-third was paid in cash. At the individual's election each quarter, each non-employee director was permitted to elect to receive 100% of their retainer in the form of common stock of the Company. We will also continue to reimburse our non-employee directors for their reasonable out-of-pocket costs and travel expenses in connection with their attendance at board of directors and committee meetings in accordance with our travel policy.

In addition, nondiscretionary, automatic grants of nonstatutory stock options will be made to our non-employee directors. Any non-employee director who first joins our board of directors on or after the effective date of our 2014 Equity Incentive Plan will be automatically granted an initial stock option to purchase 10,948 shares of our common stock at an exercise price equal to the fair market value of our common stock on the date of grant. The options will vest and become exercisable in equal monthly installments beginning with the first monthly anniversary after the grant date over the following three years. On the first business day after each annual meeting of our stockholders, each non-employee director who continues to serve on our board of directors will be automatically granted an option to purchase an additional 5,255 shares of our common stock at an exercise price equal to the fair market value of our common stock on the date of grant. Each of these options will vest and become exercisable in equal monthly installments beginning with the first monthly anniversary after the grant date over the following one year. The vesting of the options described above will accelerate in full upon a change in control as defined in our 2014 Equity Incentive Plan.

The following table sets forth the compensation accrued or paid by us to certain non-employee directors during the year ended December 31, 2015, for service on our board of directors.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our audit committee has appointed Ernst & Young LLP (EY) as our independent registered public accounting firm to audit our consolidated financial statements for our fiscal year ending December 31, 2016. EY also served as our independent registered public accounting firm for our fiscal year ended December 31, 2015.

At the Annual Meeting, stockholders are being asked to ratify the appointment of EY as our independent registered public accounting firm for our fiscal year ending December 31, 2016. Stockholder ratification of the appointment of EY is not required by our bylaws or other applicable legal requirements. However, our board of directors is submitting the appointment of EY to our stockholders for ratification as a matter of good corporate governance. In the event that this appointment is not ratified by the affirmative vote of a majority of the shares present in person or by proxy at the Annual Meeting and entitled to vote, such appointment will be reconsidered by our audit committee. Even if the appointment is ratified, our audit committee, in its sole discretion, may appoint another independent registered public accounting firm at any time during our fiscal year ending December 31, 2016 if our audit committee believes that such a change would be in the best interests of CareDx and its stockholders. A representative of EY is expected to be present at the Annual Meeting, will have an opportunity to make a statement if he or she wishes to do so, and is expected to be available to respond to appropriate questions from stockholders.

PROPOSAL NO. 3

STOCKHOLDER APPROVAL OF PRIVATE INVESTMENT

IN PUBLIC EQUITY FINANCING

Background

On April 12, 2016, we entered into a securities purchase agreement (the **Purchase Agreement**) with certain accredited investors (the **Investors**) named therein in connection with the sale and issuance (the **Private Placement**) of approximately \$14.1 million worth of units (**Units**). Each Unit is comprised of: (i) one share of our common stock, par value \$0.001 per share (the **Common Stock**); (ii) five shares of our Series A Mandatorily Convertible Preferred Stock, par value \$0.001 per share (the **Series A Preferred**); and (iii) three warrants (the **Common Warrants**), each to purchase one share of Common Stock upon exercise of such Warrants, at a purchase price of \$23.94 per Unit (the equivalent of \$3.99 per share of Common Stock, assuming conversion of the Series A Preferred). Pursuant to the Private Placement, we sold an aggregate of 591,860 Units, consisting of an aggregate of (i) 591,860 shares of Common Stock; (ii) 2,959,300 shares of Series A Preferred; and (iii) 1,775,580 Common Warrants, for an aggregate offering price of approximately \$14.1 million. We made payments of approximately \$1.1 million and \$97,000 in placement fees and other offering expenses, respectively, to Leerink Partners LLC, Brookline Capital Markets and M.M. Dillon & Co. Group as part of closing the sale of the 591,860 Units in the Private Placement. Additionally, we issued warrants to purchase an aggregate of 200,000 shares of Common Stock to certain of our placement agents (the **Placement Agent Warrants**, and together with the Common Warrants, the **Warrants**). Please see **RELATED PERSON TRANSACTIONS** **Financial Advisors and Placement Agent Agreements** of this proxy statement for more information.

Additionally, we will issue an additional 334,169 Units, consisting of (i) 334,169 shares of Common Stock; (ii) 1,670,845 shares of Series A Preferred; and (iii) 1,002,507 Common Warrants, for an aggregate investment amount of \$8 million (the **Subsequent Financing**). If the consummation of the Subsequent Financing occurs after the date of the Annual Meeting and this Proposal No. 3 is approved by our shareholders, we will issue 2,005,014 shares of Common Stock and 1,002,507 Common Warrants, and no Series A Preferred, in connection with the Subsequent Financing. Securities issued in the Subsequent Financing will be at the same price and on substantially the same terms as in the Private Placement. The Private Placement and the Subsequent Financing are collectively referred to herein as the **Financings**.

Subject to certain limitations described below under **DESCRIPTION OF THE WARRANTS**, the Common Warrants are exercisable for a period of seven (7) years expiring on April 14, 2023 and have an initial exercise price of \$4.98 per share. The Placement Agent Warrants are exercisable for a period of five (5) years expiring on April 14, 2021 and have an initial exercise price of \$3.99 per share. Pursuant to the terms of the Warrants, the holder of the Warrants cannot exercise the Warrants until we have obtained the **Requisite Stockholder Approval** (defined below).

The offer and sale of the Common Stock, Series A Preferred and Warrants were not registered under the Securities Act of 1933, as amended (the **Securities Act**), or under the securities laws of any state in reliance upon exemptions from registration thereunder, including the exemptions provided under Section 4(a)(2) of the Securities Act and Rule 506 of Regulation D promulgated thereunder. The Common Stock, Series A Preferred and Warrants were sold solely to **accredited investors** as defined in Rule 501(a) promulgated under the Securities Act.

Each share of Series A Preferred is mandatorily convertible into Common Stock upon our receipt of certain stockholder approvals required pursuant to the rules of the NASDAQ Stock Market (the **Requisite Stockholder Approval**). Subject to obtaining the **Requisite Stockholder Approval**, each share of Series A Preferred is initially

convertible into one share of Common Stock, subject to certain adjustments. The Series A Preferred are not entitled to receive dividends and are not redeemable at our election. Except as required by the General

Table of Contents

Corporation Law of Delaware, the Series A Preferred do not have voting rights and will not be included in determining the number of shares voting or entitled to vote on any matter of the company. The Series A Preferred are subject to and qualified by the terms and conditions of the Certificate of Designation of the Preferences, Rights and Limitations of the Series A Mandatorily Convertible Preferred Stock (the Certificate of Designation), a copy of which has been filed with our Form 8-K filed on April 14, 2016 as Exhibit 3.1 and is incorporated herein by reference.

Unless and until we obtain the approval of our stockholders for the issuance of the shares of Common Stock upon the conversion of the Series A Preferred and the exercise of the Warrants, the Series A Preferred cannot be converted into, and the Warrants cannot be exercised for, shares of our Common Stock.

Reasons for the Financings

Our board of directors determined that the Financings are advisable and in the best interests of our stockholders. The purpose of the Financings is to increase our capital levels, to fund continued growth and for other general corporate purposes.

Reasons for Requesting Stockholder Approval

Our common stock is listed on the NASDAQ Global Market and, therefore, we are subject to the NASDAQ Listing Rules. NASDAQ Listing Rule 5635(d) requires that an issuer obtain stockholder approval prior to the issuance of common stock in a non-public offering if such issuance would equal 20% or more of the issuer's common stock or voting power outstanding before the issuance. Because we had a total of 11,983,298 shares of Common Stock outstanding prior to the Private Placement, we are restricted by NASDAQ Listing Rule 5635 from issuing 2,396,660 or more shares of Common Stock, or securities convertible into or exercisable for such shares of Common Stock, in a non-public offering without obtaining stockholder approval. Because the shares of Common Stock issued or issuable upon conversion or exercise of securities in connection with the Financings would exceed 20% of our Common Stock outstanding, the Series A Preferred cannot be converted into, and the Warrants cannot be exercised for, shares of our Common Stock until such time as stockholder approval is obtained.

We agreed to seek to obtain the Requisite Stockholder Approval by the date of the Annual Meeting.

Voting Agreements

We entered into a voting agreement (the Voting Agreement) with certain stockholders of ours (the Stockholders) representing a majority of our outstanding Common Stock, pursuant to which each Stockholder agreed to vote certain of its shares of Common Stock in favor of granting us the Requisite Stockholder Approval. The Voting Agreement limits the ability of each Stockholder to sell or otherwise transfer the shares of Common Stock it beneficially owns. The Voting Agreement terminates upon the earliest to occur of (i) the date upon which the Requisite Stockholder Approval is obtained, (ii) the termination of the Purchase Agreement in accordance with its terms, and (iii) June 30, 2016.

The foregoing description of the Purchase Agreement, Preferred Stock, Warrants, and Voting Agreement, and the transactions contemplated thereby does not purport to be complete and is subject to, and is qualified in its entirety by the full text of the Form of Purchase Agreement, Certificate of Designation, Form of Voting Agreement and Form of Warrant, which have been filed on Form 8-K filed on April 14, 2016 as Exhibit 3.1, Exhibit 10.1, Exhibit 10.2 and Exhibit 10.3, respectively, which are incorporated herein by reference.

Possible Effects if Proposal No. 3 is Approved

If Proposal No. 3 is approved by our stockholders, (i) we will issue 4,630,145 shares of Common Stock upon conversion of the Series A Preferred (or, if the Subsequent Financing is completed after receipt of the Requisite Stockholder Approval, 2,959,300 shares of Common Stock upon conversion of the Series A Preferred and 1,670,846 shares of Common Stock issued in lieu of the Series A Preferred in the Subsequent Financing), (ii) the Common Warrants may be exercised for an aggregate of 2,778,087 shares of our Common Stock at an exercise price of \$4.98 per share of Common Stock, and (iii) the Placement Agent Warrants may be exercised for an aggregate of 200,000 shares of our Common Stock at an exercise price of \$3.99 per share of Common Stock. If stockholder approval is received, the rights and privileges associated with the Common Stock issuable upon conversion of the Series A Preferred and exercise of the Warrants will be identical to the rights and privileges associated with the Common Stock held by our existing common stockholders. Approval of Proposal No. 3 will also have the following consequences:

Dilution. Upon conversion of the Series A Preferred and exercise of the Warrants issued in the Financings, we will issue an aggregate of 7,608,232 shares of Common Stock. This will dilute the earnings per share of our Common Stock and dilute the voting power and percentage ownership of our outstanding capital stock. Assuming the conversion of all of the outstanding shares of Series A Preferred and exercise in full of all of the Warrants, the shares of common stock currently outstanding would represent approximately 65.25% of the Common Stock after such conversion and exercise.

Improved Balance Sheet and Capital Levels. We received aggregate gross proceeds of approximately \$14.1 million from the sale of the Units in the Private Placement. We expect to receive aggregate gross proceeds of approximately \$8.0 million from the sale of Units, or if completed following the receipt of the Requisite Stockholder Approval, from the sale of Common Stock in the Subsequent Financing. These proceeds strengthened our balance sheet and increased our capital levels. Upon the exercise of the Warrants for Common Stock, we will receive additional equity through payment of the exercise price, which will further strengthen our capital levels.

Market Effects. Despite the existence of certain restrictions on transfer, the issuance of shares of Common Stock upon the conversion of the Series A Preferred and the exercise of the Warrants could affect trading patterns and adversely affect the market price of our Common Stock. Additionally, sales in the public market of the shares of Common Stock acquired upon conversion of the Series A Preferred or exercise of the Warrants, or the perception that such sales could occur, could adversely affect the prevailing market price of our Common Stock and impair our ability to raise funds in additional stock financings.

Possible Effects if Proposal No. 3 is Not Approved

If Proposal No. 3 is not approved by stockholders, we will not have the right to convert the Series A Preferred under the Series A Preferred's mandatory conversion feature, and the Warrants will not be exercisable.

DESCRIPTION OF THE SERIES A PREFERRED

This section summarizes specific terms and provisions of the Series A Preferred. The description of the Series A Preferred contained in this section is qualified in its entirety by the actual terms of the Series A Preferred as set forth

in the Certificate of Designations filed with Form 8-K filed on April 14, 2016 as Exhibit 3.1.

Table of Contents

Ranking

The Series A Preferred will rank, with respect to the payment of distributions upon our liquidation, dissolution or winding up, senior to our Common Stock and each other class or series of capital stock we may issue in the future, the terms of which do not expressly provide that it ranks on a parity with or senior to the Series A Preferred as to dividend rights and rights upon our liquidation, dissolution or winding up. The Series A Preferred will rank junior to our existing and future debt obligations and junior to each class or series of capital stock we may issue in the future, the terms of which expressly provide that it ranks senior to the Series A Preferred. The Series A Preferred will rank on parity with each other class or series of capital stock we may issue in the future, the terms of which expressly provide that it ranks on parity with the Series A Preferred.

Dividend Rights

The Series A Preferred shall not be entitled to receive any dividends.

Liquidation Preference

In the event of our liquidation, dissolution or winding up, holders of the Series A Preferred will be entitled to receive, out of our assets available for distribution to stockholders, before any distribution of assets is made to the holders of our Common Stock or any securities that rank junior with respect to distributions (but subject to the prior rights of holders of any senior stock), an amount equal to \$3.99 per share. The amount that holders of the Series A Preferred will be entitled to receive in the event of our liquidation, dissolution or winding up is subject to adjustment whenever there is a share split, combination, reclassification or other similar event involving the Series A Preferred, as determined by the board of directors.

If, upon any voluntary or involuntary liquidation, dissolution or winding up of ours, the amounts payable related to the Series A Preferred and any parity stock shall be insufficient to pay in full the amount to which such holders are entitled, the holders of the Series A Preferred and parity stock will share ratably in any distribution of assets in proportion to the full respective distributable amounts to which they are entitled. After payment of the full amount of the liquidating distribution to which they are entitled, the holders of the Series A Preferred will not be entitled to any further participation in any distribution of our assets. All distributions made with respect to the Series A Preferred in connection with any liquidation, dissolution or winding up will be made pro rata to the holders of Series A Preferred.

Neither the sale, lease, exchange or conveyance for cash, shares of stock, other securities or other consideration of all or substantially all of our assets or business (other than in connection with our voluntary or involuntary liquidation, dissolution or winding up) nor our merger, consolidation or share exchange into or with any other person will be deemed to be a liquidation, dissolution or winding up of ours for purposes of the liquidation rights of the Series A Preferred.

No Redemptions

The Series A Preferred is not redeemable by us.

Mandatory Conversion

Upon obtaining the Requisite Stockholder Approval all outstanding shares of Series A Preferred shall automatically be converted into shares of Common Stock at a conversion rate equal to the original issue price of \$3.99 divided by the then applicable conversion price.

Table of Contents

The initial conversion price of \$3.99 will adjust for stock dividends, stock splits and other corporate actions affecting the Common Stock. Upon obtaining the Requisite Stockholder Approval, each share of Series A Preferred will be automatically converted into one (1) share of Common Stock.

On the date of the mandatory conversion, we will provide notice of the mandatory conversion date to holders of the Series A Preferred along with a statement of the number of shares of Common Stock to be issued upon the conversion and, if certificates are to be issued, the place where certificates for the Series A Preferred may be surrendered.

Fractional Shares. No fractional shares of Common Stock shall be issued upon conversion of the Series A Preferred. Upon any conversion, all fractional share interests to which a holder may be entitled shall be aggregated into whole shares of Common Stock with cash being paid for any fractional interest that may remain after such aggregation. We will pay cash for the fractional share based on the closing stock price of the Common Stock on the trading date preceding conversion.

Adjustments to Conversion Ratio and Conversion Price. The conversion ratio and the conversion price will be proportionately adjusted from time to time for stock splits, stock dividends and other reclassifications of our Common Stock, as described in the Certificate of Designations filed on Form 8-K filed on April 14, 2016 as Exhibit 3.1. In addition, the liquidation preference of the Series A Preferred will be adjusted whenever there occurs a stock split, combination, reclassification or other similar event involving the Series A Preferred, which will also result in a corresponding adjustment to the conversion ratio.

Voting Rights

The holders of the Series A Preferred will not have voting rights, except as specifically required by Delaware law and as set forth in the Certificate of Designations filed with our Form 8-K filed on April 14, 2016 as Exhibit 3.1. In any matter in which the Series A Preferred may vote, each share of Series A Preferred will represent one vote.

So long as any shares of Series A Preferred remain outstanding, unless a greater percentage is required by law, the affirmative vote or consent of the holders of at least a majority of all of the shares of Series A Preferred at the time outstanding, voting separately as a class, will be required to amend, alter or repeal any provision of our Certificate of Incorporation (including the Certificate of Designations creating the Series A Preferred), if the amendment, alteration or repeal would materially and adversely affect the rights, preferences, powers or privileges of the Series A Preferred.

Except as otherwise required by law, we may, without the consent of any holder of Series A Preferred, (i) increase the amount of authorized shares of Series A Preferred, (ii) issue any additional shares of Series A Preferred, or (iii) authorize, increase the authorized amount of, or issue parity stock (provided that dividend rights are noncumulative) and junior stock, provided that any such parity stock or junior stock does not rank senior to the Series A Preferred as to dividend rights or rights upon our liquidation, dissolution or winding up.

EXECUTIVE COMPENSATION

Our named executive officers for 2015, which consist of our principal executive officer and the next two most highly compensated executive officers, are:

Peter Maag, our President and Chief Executive Officer;

Ken Ludlum, our Former Chief Financial Officer and Senior Financial Advisor; and

John Sninsky, our Chief Scientific Officer.

Processes and Procedures for Compensation Decisions

Our compensation committee is responsible for the executive compensation programs for our executive officers and reports to our board of directors on its discussions, decisions and other actions. The salary and bonuses paid to our executive officers are reviewed annually by the compensation committee. Typically, our Chief Executive Officer makes recommendations to our compensation committee, often attends committee meetings and is involved in the determination of compensation for the respective executive officers who report to him, except that the Chief Executive Officer does not make recommendations as to his own compensation. Our Chief Executive Officer makes recommendations to our compensation committee regarding short- and long-term compensation for all executive officers (other than himself) based on our results, an individual executive officer's contribution toward these results and performance toward individual goal achievement. Our Chief Executive Officer recuses himself from compensation committee and board discussions when his compensation is reviewed. Our compensation committee then reviews the recommendations and other data and makes decisions as to total compensation for each executive officer other than the Chief Executive Officer, as well as each individual compensation component. Our compensation committee makes recommendations to our board of directors regarding compensation for the Chief Executive Officer. The independent members of our board of directors make the final decisions regarding executive compensation for the Chief Executive Officer.

Our compensation committee is authorized to retain the services of one or more executive compensation advisors, as it sees fit, in connection with the establishment of our compensation programs and related policies. Beginning in 2014, the compensation committee retained Radford Associates, a national compensation consultant, to provide it with information, recommendations and other advice relating to executive compensation on an ongoing basis. Accordingly, Radford now serves at the discretion of our compensation committee. Our compensation committee engaged Radford to assist in developing an appropriate group of peer companies to help us determine the appropriate level of overall compensation for our executive officers, as well as assess each separate element of compensation, with a goal of ensuring that the compensation we offer to our executive officers is competitive and fair.

RELATED PERSON TRANSACTIONS

We describe below transactions and series of similar transactions, since the beginning of our last fiscal year, to which we were or will be a party, in which:

the amounts involved exceeded or will exceed \$120,000; and

any of our directors, nominees for director, executive officers or holders of more than 5% of our outstanding capital stock, or any immediate family member of, or person sharing the household with, any of these individuals or entities, had or will have a direct or indirect material interest.

Other than as described below, there has not been, nor is there any currently proposed, transactions or series of similar transactions to which we have been or will be a party.

Financial Advisors and Placement Agents Agreements

We entered into financial advisors and placement agents agreements (the **Agreements**) with M.M. Dillon & Co., LLC (**MMD**), an investment banking firm, Brookline Group LLC (**Brookline**), a consulting firm, and Leerink Partners LLC (collectively, the **Advisors**) to act as our lead financial advisors and placement agents in connection with a private equity placement of Common Stock (the **Private Placement**) and the execution of any such Private Placement that we may choose to pursue. George W. Bickerstaff, III, a member of our board of directors, is the managing director of MMD.

On April 12, 2016, we entered into a securities purchase agreement (the **Purchase Agreement**) with certain accredited investors named therein and the Private Placement was consummated on April 14, 2016. In connection with the consummation of the Private Placement, we agreed to pay MMD and Brookline a placement fee (the **Placement Fee**) in cash equal to three and one-half percent (3.5%) of the aggregate gross proceeds from securities sold in the Private Placement, including (i) proceeds funded under a financing commitment arranged in the Private Placement and (ii) any follow-on investment by the new investor(s) for a period of three (3) months following the closing of the Private Placement. The Placement Fee will be reduced by fifty percent (50%) for any funds received from our or Allenex AB's current major stockholders. Pursuant to the Agreements, we paid the Advisors an aggregate of \$1,093,573.

Pursuant to the Agreements, each of MMD and Brookline received warrants (the **Placement Agent Warrants**) to purchase an aggregate of 100,000 shares of our stock. The Placement Agent Warrants have an exercise price equal to \$3.99 and contain terms customarily included in warrants of similar type. We have also agreed to bear all expenses in connection with the Advisors' services to be provided under the Agreements, including and without limitation, certain out-of-pocket expenses incurred by Advisors and their counsel, counsel and accounting fees, and roadshow expenses, if any.

We believe that we entered into the transaction described above on terms no less favorable to us than we could have obtained from an unaffiliated third party.

Private Investment in Public Equity Financing

On April 12, 2016, we entered into the Purchase Agreement in connection with the sale and issuance of units (Units) in the Private Placement, each comprised of common stock, preferred stock and warrants, to certain private investors, including our 5% stockholders and persons or entities associated with them. Specifically, each Unit is comprised of: (i) one share of our common stock, par value \$0.001 per share (the Common Stock); (ii) five shares of our Series A Mandatorily Convertible Preferred Stock, par value \$0.001 per share (the Series A Preferred); and (iii) three warrants (the Common Warrants), each to purchase one share of Common Stock upon exercise of such Common Warrants, at a purchase price of \$23.94 per Unit (the equivalent of \$3.99 per share of Common Stock, assuming conversion of the Series A Preferred).

Policies and Procedures for Related Party Transactions

Our audit committee has adopted a formal written policy providing that our audit committee is responsible for reviewing related party transactions, which are transactions (i) in which we were, are or will be a participant, (ii) in which the aggregate amount involved exceeds or may be expected to exceed \$120,000, and (iii) in which a related person had, has or will have a direct or indirect material interest. For purposes of this policy, a related person is defined as a director, nominee for director, executive officer, or greater than 5% beneficial owner of our common stock and their immediate family members, any entity in which such person is employed or is a general partner or principal and any entity where such person has a 5% or greater beneficial ownership interest. Under this policy, all related party transactions may be consummated or continued only if approved or ratified by our audit committee. In determining whether to approve or ratify any such proposal, our audit committee will take into account, among other factors it deems appropriate, (i) whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and (ii) the extent of the related party's interest in the transaction. The policy grants standing pre-approval of certain transactions, including (i) certain compensation arrangements of executive officers, (ii) certain director compensation arrangements, (iii) transactions with another company at which a related party's only relationship is as a non-executive employee, director or beneficial owner of less than 5% of that company's shares, (iv) transactions where a related party's interest arises solely from the ownership of our common stock and all holders of our common stock received the same benefit on a pro rata basis, and (v) transactions available to all U.S. employees generally.
