**Item 2. Informational Legends**

The below legend was included in each of the documents furnished as exhibits hereto:

**Special notice to shareholders in the United States**

This Offer is made for the securities of a foreign company. The Offer is subject to disclosure requirements of a foreign country that are different from those of the United States. Certain financial statements included or incorporated by reference in the document, have been prepared in accordance with foreign accounting standards that may not be comparable to the financial statements of U.S. companies.

It may be difficult for investors to enforce their rights and any claim they may have arising under the federal securities laws, since Meda is incorporated in Sweden and Mylan is incorporated in the Netherlands, and some or all of their respective officers and directors may be residents of a foreign country. Investors may not be able to sue a foreign company or its officers or directors in a foreign court for violations of the U.S. securities laws. It may be difficult to compel a foreign company and its affiliates to subject themselves to a U.S. court's judgment.

Investors should be aware that Mylan may purchase securities otherwise than under the Offer, such as in open market or privately negotiated purchases.
