To Our Stockholders:

2016 marked the fourth year since the re-launch of Blackstone Mortgage Trust (BXMT) as the senior commercial lending vehicle of Blackstone's world-renowned real estate platform. In four short years, we've built a market-leading business with a \$10 billion loan portfolio, supported by nearly \$3 billion of equity capital and a highly efficient, low-cost liability structure. Our global footprint now extends to 107 loans across North America and Europe, with 83 unique borrowers—many of which have borrowed multiple times from BXMT. And the scale and earnings power of the company have continued to grow. In 2016 alone, we originated \$3.5 billion of loans despite significant turbulence in global markets, generating nearly \$240 million of earnings and strong dividend coverage for our stockholders. Since our re-launch in 2013, BXMT shares have delivered a cumulative total return of over 50%.⁽¹⁾

Navigating the Unexpected

To say that 2016 was a year defined by the unexpected would be an understatement. We remember January as one of the worst starts to a year for global markets on record. Only six weeks in, the S&P 500 index had plummeted 11%, while high-yield spreads spiked substantially as concerns that economic growth was slowing dominated sentiment. After a full recovery in the spring, turbulence again took center stage in June following the Brexit referendum, and in November with the U.S. presidential election, which ultimately sparked a sharp market rally on the premise of pro-growth policies and tax reform. As we all know, the S&P 500 ended 2016 in record territory, up nearly 10%. What a year.

Delivering Stability

Amid this turbulence, BXMT remained a rock of stability in the marketplace. Commercial real estate activity continued, and we were there for our borrowers when markets seized up, generating new loans and providing support for existing business. From our stockholders' perspective, we protected and grew your capital, delivering a 22% total return in 2016, including a 9.3% dividend yield⁽²⁾—which is particularly compelling given BXMT's risk profile. Our underlying business is stable and sound, the result of our focus on senior mortgages and high-quality collateral in top markets. The credit quality of our portfolio remains excellent with an average origination LTV of 61%. We've kept our underlying debt facilities term-, currency- and index-matched (or hedged). And we haven't strayed into ancillary businesses, riskier markets or asset classes in search of yield or to chase growth. We believe our emphasis on floating rate transitional loans is the best use of BXMT's capital right now, and best leverages the significant competitive advantages that come with being part of Blackstone.

Discipline is our Hallmark

We're proud of the discipline we've exercised on behalf of our stockholders. We've completed five underwritten equity raises since our 2013 re-launch, always at a premium to book value and only when we needed the capital to prudently grow the scale of the business. We didn't offer new equity in 2016 considering the significant volume of repayments

we received, largely from the portfolio we acquired from GE in 2015.

- (1) Cumulative return data is as of March 31, 2017
- (2) Yield based on year-end 2015 closing price of \$26.76, to illustrate full year 2016 performance

Table of Contents

Instead, we concentrated our efforts on redeploying that capital into attractive new floating rate loans. Looking forward, with the bulk of these repayments behind us, we are in an excellent position to continue growing the portfolio.

What's Next?

Following the presidential election, we've seen surging confidence in financial markets, predicated on the adoption of policies that could drive better economic growth. To the extent there are changes that support better growth or lowered tax rates on our dividend, we expect these to be positive for us, although it's too early to predict the specifics. In the meantime, we remain highly confident in our business and our prospects, and will continue to leverage the full advantages of being part of one of the strongest investing platforms in the world. Commercial real estate fundamentals are healthy, and we're at a good point in the cycle for our business, with ample transaction activity and demand for our capital. Our book is approximately 90% floating rate and will benefit as USD LIBOR moves higher. For example, a 1.0% increase in LIBOR would increase our net interest income per share by \$0.19 per year, all else equal.

I'm incredibly proud of the business we've built at Blackstone, and I'm excited to share with you in our future successes. On behalf of the BXMT management team, as well as everyone at Blackstone, I thank you for your continued support.

Sincerely,

/s/ Michael B. Nash

PROXY STATEMENT FOR

2017 ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON JUNE 21, 2017

This proxy statement is being furnished by and on behalf of the board of directors of Blackstone Mortgage Trust, Inc., a Maryland corporation, or the Company, BXMT, we, us or our, in connection with the solicitation of proxies to be voted at the 2017 annual meeting of stockholders, or the annual meeting. We are furnishing the proxy materials for the annual meeting electronically using the Internet through the mailing to our stockholders of a Notice of Internet Availability of Proxy Materials, or the Notice and Access Card. The Notice and Access Card furnishing this proxy statement and the enclosed proxy card and our 2016 annual report to stockholders will be first mailed to stockholders of record on or about April 24, 2017.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

In this section of the proxy statement, we answer some common questions regarding our 2017 annual meeting and the voting of shares at the meeting.

Where and when will the annual meeting be held?

The meeting will be held at the offices of Simpson Thacher & Bartlett LLP, 425 Lexington Avenue, New York, New York 10017 at 10:00 a.m., Eastern Daylight Time, on Wednesday, June 21, 2017.

Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a paper copy of proxy materials?

The United States Securities and Exchange Commission, or the SEC, has approved Notice and Access rules relating to the delivery of proxy materials over the Internet. These rules permit us to furnish proxy materials, including this proxy statement and our annual report, to our stockholders by providing access to such documents on the Internet instead of mailing printed copies. Most stockholders will not receive paper copies of the proxy materials unless they request them. Instead, the Notice and Access Card, which will be mailed to our stockholders, provides instructions regarding how you may access and review all of the proxy materials on the Internet. The Notice and Access Card also instructs you as to how you may authorize your proxy via the Internet or by telephone. If you would like to receive a paper or email copy of our proxy materials, you should follow the instructions for requesting such materials printed on the Notice and Access Card.

Can I vote my shares by filling out and returning the Notice and Access Card?

No. The Notice and Access Card identifies the items to be voted on at the annual meeting, but you cannot vote by marking the Notice and Access Card and returning it. The Notice and Access Card provides instructions on how to authorize your proxy via the Internet or by telephone or vote in person at the annual meeting or to request a paper proxy card, which will contain instructions for authorizing a proxy by the Internet, by telephone or by returning a

signed paper proxy card.

Table of Contents

How do I vote my shares in person at the annual meeting?

First, you must satisfy the requirements for admission to the annual meeting (see below). Then, if you are a stockholder of record as of the close of business on April 14, 2017, and prefer to vote your shares at the annual meeting, you must bring proof of identification along with your Notice and Access Card or proof of stock ownership. You may vote shares held in street name at the annual meeting only if you obtain a signed proxy from the record holder (broker, bank or other nominee) giving you the right to vote the shares.

Even if you plan to attend the annual meeting, we encourage you to vote in advance by Internet, telephone or mail so that your vote will be counted even if you later decide not to attend the annual meeting.

Do I need a ticket to be admitted to the annual meeting?

You will need your proof of identification along with either your Notice and Access Card or proof of stock ownership to enter the annual meeting. If your shares are held beneficially in the name of a bank, broker or other holder of record and you wish to be admitted to attend the annual meeting, you must present proof of your stock ownership, such as a bank or brokerage account statement.

Do I also need to present identification to be admitted to the annual meeting?

Yes, all stockholders must present a form of personal identification in order to be admitted to the annual meeting.

NO CAMERAS, RECORDING EQUIPMENT, ELECTRONIC DEVICES, LARGE BAGS, BRIEFCASES OR PACKAGES WILL BE PERMITTED AT THE ANNUAL MEETING.

What am I voting on?

There are three proposals scheduled to be considered and voted on at the annual meeting:

Proposal 1: Election of eight director nominees listed herein;

Proposal 2: Ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2017; and

Proposal 3: Non-binding vote on executive compensation of our named executive officers.

Who can vote?

You can vote your shares of class A common stock if our records show that you were the owner of the shares as of the close of business on April 14, 2017, the record date determining the stockholders who are entitled to vote at the annual meeting. As of April 14, 2017, there were a total of 94,827,306 shares of our class A common stock outstanding and entitled to vote at the annual meeting. You have one vote for each share of class A common stock that you own.

What constitutes a quorum?

We will convene the annual meeting if stockholders representing the required quorum of shares of class A common stock entitled to vote either sign and return their paper proxy cards, authorize a proxy to vote electronically or telephonically or attend the meeting. The presence in person or by proxy of stockholders entitled to cast a majority of all the votes entitled to be cast at such meeting on any matter will constitute a quorum. If you sign and return your paper proxy card or authorize a proxy to vote electronically or telephonically, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote as indicated in the proxy materials. Broker non-votes and abstentions will also be considered present for the purpose of determining whether we have a quorum.

Table of Contents

What is the required vote for approval of each proposal?

Proposal 1: Election of eight director nominees listed herein. A plurality of all the votes cast on such election at the annual meeting is required for the election of each nominee for director. Plurality voting simply means that the number of candidates getting the highest number of affirmative votes cast at the annual meeting will be elected. Neither a properly executed proxy marked `withhold` nor `broker non-votes` will affect the outcome of this proposal.

Proposal 2: Ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2017. A majority of the votes cast on the proposal at the annual meeting is required for the auditor ratification proposal. Abstentions and `broker non-votes`, if any, will not affect the outcome of this proposal. As described below, brokerage firms can vote your uninstructed shares on this proposal.

Proposal 3: Non-binding vote on executive compensation of our named executive officers. A majority of the votes cast on the proposal at the annual meeting is required to approve the non-binding vote on executive compensation. Neither abstentions nor `broker non-votes` will affect the outcome of this proposal.

What is a `broker non-vote` ?

A `broker non-vote` occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. Your shares may be voted on Proposal 2 if they are held in the name of a brokerage firm, even if you do not provide the brokerage firm with voting instructions. Brokerage firms have the authority under the New York Stock Exchange, or NYSE, rules to cast votes on certain `routine` matters if they do not receive instructions from their customers. The ratification of the appointment of Deloitte & Touche LLP as our independent auditors is considered a `routine` matter for which brokerage firms may vote shares for which they did not receive instructions from beneficial owners. All other items on this year's ballot are `non-routine` matters under the NYSE rules for which brokers may not vote absent voting instructions from the beneficial owner.

How do I authorize a proxy to vote my shares?

Follow the instructions on the Notice and Access Card to authorize a proxy to vote your shares electronically via the Internet or by telephone. If you requested a paper copy of our proxy materials, follow the instructions printed on the paper proxy card to authorize a proxy to vote via the Internet, by telephone or by completing and returning the paper proxy card. The individuals named and designated as proxies will vote your shares as you instruct. You have the following choices in voting electronically, by telephone or by paper proxy card:

You may authorize a proxy to vote your shares on each proposal, in which case your shares will be voted in accordance with your choices.

In voting on directors, you can either authorize a proxy to vote `FOR` each director nominee or `withhold` your vote on all or certain director nominees specified by you.

You may authorize a proxy to vote `FOR`, `against` or `abstain` on the proposal to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2017.

You may authorize a proxy to vote FOR , against or abstain regarding the non-binding vote on executive compensation of our named executive officers.

If you submit a signed proxy without indicating your vote on any matter, the designated proxies will vote to elect all eight nominees as directors, approve the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2017 and approve the non-binding vote on executive compensation of our named executive officers.

Table of Contents

How can I authorize a proxy to vote over the Internet or by telephone?

To authorize a proxy to vote electronically via the Internet, go to **www.proxydocs.com/BXMT** and follow the instructions. Please have your Notice and Access Card in hand when accessing the website, as it contains a **12-digit control number** required to vote.

If you have access to a touch-tone telephone, you may authorize your proxy by dialing **(866) 286-2946** and following the recorded instructions. You will need the **12-digit control number** included on your Notice and Access Card or your proxy card in order to vote by telephone.

If you requested a paper copy of our proxy materials, in order to authorize a proxy to vote by telephone or over the Internet, you must either call the toll-free number reflected on the paper proxy card or go to **www.proxydocs.com/BXMT** and follow the instructions. Please have your paper proxy card in hand when calling the toll-free number or accessing the website, as it contains a **12-digit control number** required to vote.

You can authorize a proxy to vote via the Internet or by telephone at any time prior to 11:59 p.m., Eastern Daylight Time, June 20, 2017, the day before the annual meeting.

What do I do if my shares are held in street name ?

If your shares are held in a stock brokerage account or by a bank or other holder of record, you are considered the beneficial owner of shares held in street name. The Notice and Access Card or proxy materials, if you elected to receive a hard copy, has been forwarded to you by your broker, bank or other holder of record who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other holder of record on how to vote your shares by following their instructions for voting.

What if other matters come up at the annual meeting?

At the date this proxy statement went to press, we did not know of any matters to be properly presented at the annual meeting other than those referred to in this proxy statement. If other matters are properly presented at the meeting or any adjournment or postponement thereof for consideration, and you are a stockholder of record and have submitted a proxy card, the persons named in your proxy card will have the discretion to vote on those matters for you.

Can I change my vote or revoke my proxy after I authorize my proxy?

Yes. At any time before the vote on a proposal, you can change your vote either by:

executing or authorizing, dating and delivering to us a new proxy with a later date that is received no later than June 20, 2017;

voting again via the Internet or by telephone at a later time before the closing of those voting facilities at 11:59 p.m., Eastern Daylight Time, on June 20, 2017;

Edgar Filing: BLACKSTONE MORTGAGE TRUST, INC. - Form DEF 14A

sending a written statement revoking your proxy card to our Corporate Secretary or any corporate officer of the Company, provided such statement is received no later than June 20, 2017; or

by attending the annual meeting, revoking your proxy and voting your shares in person.

Your attendance at the annual meeting will not, by itself, revoke a proxy previously authorized by you. We will honor the proxy card or authorization with the latest date.

Proxy revocation notices should be sent to Blackstone Mortgage Trust, Inc., 345 Park Avenue, 42nd Floor, New York, New York 10154, Attention: Secretary. New paper proxy cards should be sent to Mediant Communications, P.O. Box 8035, Cary, North Carolina 27512-9916.

Table of Contents

Who will count the votes?

Representatives of Mediant Communications will count the votes and will serve as the independent inspector of election.

Who pays for this proxy solicitation?

We do. In addition to sending you these proxy materials, some of the employees of an affiliate of BXMT Advisors L.L.C., a Delaware limited liability company, or our Manager, may contact you by telephone, by mail or in person. None of these employees will receive any extra compensation for doing this. We have engaged D.F. King & Co., Inc., an outside proxy solicitation firm, to solicit votes and the cost to us of engaging such a firm is estimated to be approximately \$10,000, plus reasonable out-of-pocket expenses.

The Board of Directors; Committees

Our business is managed by our Manager, subject to the oversight and direction of our board of directors. Our board of directors has eight members and is currently comprised of Messrs. Nash, Plavin, Cotton, Dobrowski, Edelman, Nassau and Pollack, and Dr. Sagalyn.

Director Independence

Under our corporate governance guidelines and NYSE rules, the board of directors must be comprised of at least a majority of directors who qualify as independent directors. A director is not independent unless the board of directors affirmatively determines that he or she does not have a material relationship with us and the director must meet the bright-line test for independence set forth by the NYSE rules. Our corporate governance guidelines also require all members of the audit committee, the compensation committee and the corporate governance committee to be independent directors. Based upon its review, the board of directors has affirmatively determined that each of Messrs. Cotton, Dobrowski, Edelman and Nassau and Dr. Sagalyn is independent under all applicable criteria for independence set forth in the listing standards of the NYSE, including with respect to committee service.

In making its determination that Mr. Edelman is an independent director, the board of directors considered that he is of counsel to Paul Hastings LLP, a law firm that (i) was engaged in 2017 by the Company to dissolve certain entities relating to our legacy Capital Trust business for less than \$20,000 and (ii) from time to time has served as counsel for the underwriters and placement agents in our public offering of securities and for certain lenders in our master repurchase facilities. We did not engage or directly compensate Paul Hastings LLP for any of the services that they provide to such underwriters, placement agents or lenders. Mr. Edelman was not involved in any of the legal representations that his firm participated in described above, and any compensation that he received as a result of his firm's representations described above were indirect and de *minimis*.

Board of Directors Composition

The board of directors seeks to ensure that it is composed of members whose particular experience, qualifications, attributes and skills, when taken together, will allow it to satisfy its oversight responsibilities effectively. In that regard, the corporate governance committee is responsible for recommending candidates for all directorships to be filled by the board of directors or by the stockholders at an annual or special meeting. In identifying candidates, the corporate governance committee will review all nominees for director in accordance with the requirements and qualifications contained in the corporate governance guidelines and, subject to the requirements in the Purchase Agreement, recommend that the board of directors select those nominees whose attributes the corporate governance committee believes would be most beneficial to us. In identifying candidates for membership on the board of directors, the corporate governance committee takes into account (i) minimum individual qualifications, such as personal integrity and moral character, willingness to apply sound business judgment, industry knowledge or experience and an ability to work collegially with the other members of the board of directors and (ii) all other factors it considers appropriate. While our corporate governance guidelines do not include an express diversity policy, we note that Dr. Sagalyn, who has been one of our longest standing directors, was recruited in part with a gender diversity goal in mind. The corporate governance committee has previously utilized the services of professional search firms and has also sought referrals from other members of the board of directors, management, stockholders and other sources.

Our board of directors currently has four standing committees: an audit committee, a compensation committee, a corporate governance committee and an investment risk management committee. The current written charters for each of the audit committee, compensation committee and corporate governance committee are available on our website,

www.blackstonemortgagetrust.com, under the Investor Relations tab by selecting Corporate Governance.

Audit Committee

The audit committee is currently comprised of Messrs. Cotton and Dobrowski and Dr. Sagalyn, with Dr. Sagalyn serving as the committee's chairperson. All audit committee members meet the independence criteria and have the qualifications set forth in the listing standards of the NYSE and Rule 10A-3 under the Securities Exchange Act of 1934, as amended, or Exchange Act. Each of Messrs. Cotton and Dobrowski is qualified as an audit committee financial expert within the meaning of Item 407(d)(5) of Regulation S-K under the Exchange Act, and our board of directors has determined that they each have the accounting and related financial management expertise within the meaning of the listing standards of the NYSE. The SEC has determined that the audit committee financial expert designation does not impose on a person with that designation any duties, obligations or liability that are greater than the duties, obligations or liability imposed on such person as a member of the audit committee of the board of directors in the absence of such designation.

The audit committee's primary duties are described in the audit committee charter and include:

overseeing the quality and integrity of the Company's financial statements and internal controls;

assisting with the Company's compliance with legal and regulatory requirements and overall risk management profile;

Compensation Committee

The compensation committee is currently comprised of Messrs. Cotton, Edelman and Nassau and Dr. Sagalyn, with Mr. Nassau serving as the committee's chairperson. All compensation committee members meet the independence criteria set forth in the listing standards of the NYSE.

We are externally managed by our Manager pursuant to the second amended and restated management agreement with our Manager, or the Management Agreement, and as of the date hereof we have no employees. Since December 19, 2012, our executive officers have not received any cash compensation from us or any of our subsidiaries for serving as

executive officers. To the extent that we are responsible for paying the compensation and/or any other employee benefits of our executive officers and senior management, the compensation committee also oversees such compensation, including plans and programs relating to cash compensation, incentive compensation, equity-based awards and other benefits and perquisites, and administers any such plans or programs as required by the terms thereof.

In particular, the compensation committee's primary duties are described in the compensation committee charter and include:

to the extent that we are responsible for paying the compensation and/or any other employee benefits of our chief executive officer, reviewing and approving corporate goals and objectives relevant to the compensation of our chief executive officer, evaluating the performance of our chief executive officer

in light of those goals and objectives, and either as a committee or together with the other independent directors (as directed by our board of directors) to determine and approve our chief executive officer's compensation level based on this evaluation;

determining the long-term incentive component, if any, of our chief executive officer's compensation that we are responsible for paying by considering, among other factors selected by the compensation committee, our performance and relative stockholder return, our chief executive officer's individual performance, including progress on strategic objectives, the value of similar incentive awards to chief executive officers at comparable companies, and the awards given to our chief executive officer in past years;

to the extent that we are responsible for paying incentive compensation and equity-based compensation to our employees or the employees of any external manager, considering the recommendations of our chief executive officer with respect to non-chief executive officer management and key employee compensation and determining and approving such compensation;

to the extent that we are responsible for paying incentive compensation and equity-based compensation to our employees or the employees of any external manager, reviewing and making recommendations to our board of directors with respect to incentive compensation plans and equity-based compensation plans or material changes to any such existing plans and discharging and administering any such plans as required by the terms thereof;

overseeing the preparation of the compensation discussion and analysis and related disclosures for inclusion in our annual report or proxy statement in accordance with the rules of the SEC;

preparing and approving any compensation committee report required to be included in our annual report or proxy statement in accordance with applicable SEC regulations;

to the extent that we are responsible for sponsoring or managing executive compensation programs, periodically reviewing, as and when determined appropriate, executive compensation programs and total compensation levels;

reviewing and making recommendations to our board of directors concerning compensation arrangements for members of our board of directors who are not employees of the Company, the Manager or any of its affiliates;

in consultation with management, overseeing regulatory compliance with respect to compensation matters, including overseeing our policies on structuring compensation programs to preserve tax deductibility, and, as and when required or desired, establishing performance goals and confirming that performance goals have been attained for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended, or the Code;

reviewing and approving any severance or similar termination payments proposed to be made by the Company to any of our current or former executive officers; and

performing any other duties or responsibilities expressly delegated to the compensation committee by our board of directors from time to time relating to our compensation programs.

The compensation committee shall have the resources and authority appropriate to discharge its duties and responsibilities, including the sole authority to retain, on terms it deems appropriate, legal counsel and other experts or consultants as it deems appropriate, without obtaining the approval of our board of directors or management. The compensation committee shall have the sole authority to select and retain a compensation consultant to assist in the evaluation of chief executive officer compensation.

The compensation committee may, in its discretion, delegate all or a portion of its duties and responsibilities to a subcommittee of the committee. In particular, the committee may delegate the approval of certain transactions to a subcommittee consisting solely of members of the compensation committee who are

(i) Non-Employee Directors for the purposes of Rule 16b-3 under the Exchange Act and (ii) outside directors for the purposes of Section 162(m) of the Code, or qualified subcommittee. The compensation committee has established a qualified subcommittee for the purpose of approving equity grants.

Compensation Committee Interlocks and Insider Participation

The compensation committee is currently comprised of Messrs. Cotton, Edelman and Nassau and Dr. Sagalyn, none of whom were officers or employees of the Company during the fiscal year ended December 31, 2016, and none of whom had any relationship requiring disclosure by the Company under Item 404 of Regulation S-K under the Exchange Act. None of our executive officers has served on the board of directors or compensation committee of any other entity that has or has had one or more executive officers who served as a member of our board of directors or our compensation committee during the fiscal year ended December 31, 2016.

Corporate Governance Committee

The corporate governance committee is currently comprised of Messrs. Dobrowski and Nassau and Dr. Sagalyn, with Mr. Nassau serving as the committee's chairperson. All corporate governance committee members meet the independence criteria set forth in the listing standards of the NYSE.

Among other things, the corporate governance committee identifies qualified individuals to become members of the board of directors, recommends to the board of directors individuals to be designated as nominees for election as directors at the annual meetings of stockholders, develops and recommends to the board of directors our corporate governance guidelines and oversees the annual review of the Management Agreement. More specifically, the corporate governance committee is responsible for reviewing, on an annual basis, the requisite skills and characteristics of individual members of the board of directors, as well as the composition of the board as a whole, in the context of our needs. The corporate governance committee will review all nominees for director, including those recommended by stockholders, in accordance with requirements and qualifications set forth in our corporate governance guidelines and will, subject to the requirements of the Purchase Agreement, recommend that the board of directors select those nominees whose attributes it believes would be most beneficial to us. This review involves an assessment of the personal qualities and characteristics, accomplishments and business reputation of director candidates. The corporate governance committee will assess candidates' qualifications based on the following minimum criteria, which may be modified from time to time by the corporate governance committee:

demonstrated personal integrity and moral character;

willingness to apply sound and independent business judgment for the long-term interests of stockholders;

relevant business or professional experience, technical expertise or specialized skills;

personality traits and background that appear to fit with those of the other directors to produce a collegial and cooperative board responsive to the Company's needs; and

ability to commit sufficient time to effectively carry out the substantial duties of a director.

Investment Risk Management Committee

The investment risk management committee is comprised of independent directors and currently consists of Messrs. Cotton, Dobrowski and Edelman, with Mr. Edelman serving as the committee's chairperson. The investment risk management committee is currently responsible for the supervision of our Manager's compliance with our investment guidelines and conducting periodic reviews of our loan and investment portfolio. In addition, any proposed investment (i) of more than 25% of our Equity (as defined in the Management Agreement) in any individual investment or (ii) in excess of \$250.0 million requires the approval of a majority of the members of the investment risk management committee.

Table of Contents

Meetings

Directors are expected to attend board meetings and meetings of the committees on which they serve, to spend the time needed and to meet as frequently as necessary, in order to properly discharge their responsibilities. Our board of directors conducts its business through meetings of the board of directors, actions taken by written consent in lieu of meetings and by actions of its committees. During the fiscal year ended December 31, 2016, the board of directors held 10 meetings. During the fiscal year 2016, (i) the audit committee held four meetings, (ii) the compensation committee held three meetings, (iii) the corporate governance committee held one meeting, and (iv) the investment risk management committee held one meeting. Each director attended at least 75% of the combined number of meetings of the board of directors and meetings of committees on which he or she served during the period in 2016 in which he or she served as a director or member of such committee, as applicable.

We do not have a formal policy regarding attendance by directors at our annual meeting of stockholders but invite and encourage all directors to attend. We make every effort to schedule our annual meeting of stockholders at a time and date to permit attendance by directors, taking into account the directors' schedules and the timing requirements of applicable law. Three of our directors attended our last annual stockholders meeting, which was held on June 16, 2016. The meeting was routine in nature.

Executive Sessions

In accordance with applicable NYSE listing requirements, our non-management directors periodically hold executive sessions at which management is not present. Our corporate governance guidelines provide that the chairperson of the corporate governance committee, or if he or she is not present, any non-management independent director shall serve as such presiding director.

Board Leadership Structure and Role in Risk Oversight

Our board of directors benefits from the service of three members of the board who also serve in leadership and risk oversight roles at Blackstone: Michael B. Nash, the chairman of BREDS, serves as executive chairman of the board of directors; Stephen D. Plavin, a senior managing director of Blackstone, serves as our chief executive officer and president and as a member of the board of directors; and Jonathan L. Pollack, the global head of BREDS, is also a member of the board of directors. In his capacity as executive chairman of the board of directors, Mr. Nash leads the investment strategy of the Company with Mr. Plavin, our chief executive officer and president, who is responsible for managing the day-to-day operations of the Company. We believe separating the executive chairman of the board of directors and the chief executive officer positions is appropriate as it helps the board of directors meet its responsibilities of overseeing management and setting our strategic direction as well as fostering long-term value of the Company.

As with every business, we confront and must manage various risks including financial and economic risks related to the performance of our portfolio and how our investments have been financed. Pursuant to our charter and bylaws and the Maryland General Corporation Law, our business and affairs are managed under the direction of our board of directors. Our Manager is responsible for the day-to-day management of risks we face, while our board of directors, as a whole and through its committees, has responsibility for establishing broad corporate policies for our overall performance and for the direction and oversight of our risk management. Members of our board of directors keep informed of our business by participating in meetings of our board of directors and its committees, by reviewing analyses, reports and other materials provided to them by and through discussions with our Manager and our executive officers. In particular, we believe that our board of directors benefits from the valuable insights to developments in our industry provided by Messrs. Nash, Plavin and Pollack as a result of their active involvement in

real estate-related investments at Blackstone.

In connection with their oversight of risks to our business, our board of directors and the audit committee consider feedback from our Manager concerning the risks related to our business, operations and strategies. The

Table of Contents

audit committee also assists the board in fulfilling its oversight responsibilities with respect to risk management in the areas of financial reporting, internal controls and compliance with legal and regulatory requirements, and, in accordance with NYSE requirements, discusses policies with respect to risk assessment and risk management. The compensation committee and the corporate governance committee assist the board in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs and risks associated with board organization, membership and structure, succession planning and corporate governance. Our board of directors reviewed with the compensation committee its compensation policies and practices applicable to our Manager that could affect our assessment of risk and risk management. Following such review, our board of directors determined that our compensation policies and practices, pursuant to which we pay no cash compensation to our Manager's officers and employees since they are compensated by our Manager or its affiliates, do not create risks that are reasonably likely to have a material adverse effect on us. Our board of directors also considered that while we may grant our officers, our Manager and affiliates of our Manager's employees equity awards, such grants align their interests with our interests and do not create risks that are reasonably likely to have a material adverse effect on us. The investment risk management committee exercises the authority of the board of directors to supervise our Manager's compliance with the investment guidelines approved by the board of directors and to approve any proposed investments in excess of the limits set forth in the investment guidelines described above.

Corporate Governance

Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics that applies to all of our directors and employees (if any), and to all of the officers and employees of the Manager and its affiliates who provide services to us, including our principal executive officer and principal financial officer. Our code of business conduct and ethics, as it relates to employees of Blackstone, operates in conjunction with, and in addition to, the policies of our Manager and those of Blackstone. Our code of business conduct and ethics is designed to comply with SEC regulations and NYSE listing standards relating to codes of conduct and ethics. Our code of business conduct and ethics is available on our website, www.blackstonemortgagetrust.com, under the Investor Relations tab by selecting Corporate Governance.

Any waiver of the code of business conduct and ethics may be made only by our board or the audit committee and will be promptly disclosed as required by law or stock exchange regulations. Any modifications to the code of business conduct and ethics will be reflected on our website.

Corporate Governance Guidelines

We have also adopted corporate governance guidelines to advance the functioning of our board of directors and its committees and to set forth our board of directors' expectations as to how it and they should perform its and their respective functions. Our corporate governance guidelines are available on our website, www.blackstonemortgagetrust.com, under the Investor Relations tab by selecting Corporate Governance.

We are aware that a proxy advisory firm has recently adopted a policy of recommending withhold votes for members of nominating and corporate governance committees of public companies that have governance documents that restrict the ability of stockholders to amend the bylaws. As part of our corporate governance review, our board of directors considered an amendment to our bylaws to allow our stockholders (without the concurrence of our board of directors) to implement bylaw amendments. After careful consideration of this matter, our board of directors concluded that it remains in the best interests of our stockholders and the Company for authority to amend our bylaws to continue to vest exclusively in our board of directors as is permitted by Maryland law. Our board of directors believes the existing authority has served our interests well. Under Maryland law, our directors owe legal duties to our

stockholders that require them to act with a reasonable belief that their actions are in the best interests of all stockholders and the best interests of the Company. On the other hand, under Maryland law, stockholders are not bound by such legal duty and are permitted to take or to

Table of Contents

recommend actions that are in their own individual interests as stockholders without taking into account the broader interests of other stockholders or the interests of the Company. Beyond this factor, a significant percentage of our stockholders at any given time could consist of exchange traded or index funds that do not normally exercise independent judgment on matters presented to stockholders. Further, our stockholders already have rights to submit governance proposals and oppose the election of directors that do not implement such proposals. In our discussions with our stockholders, none of our stockholders expressed any disagreement with or objection to our corporate governance policies, including the procedures for amending our bylaws. As a result of these factors, we believe that our directors are in the best position to consider possible future bylaw amendments (including those proposed by our stockholders in accordance with the provisions of our bylaws) and will adopt such amendments only after concluding that such amendments are in the best interests of our stockholders and of the Company. We will continue to engage with our stockholders on governance matters and we remain committed to maintaining strong corporate governance practices and updating those practices to the extent such updates are in the best interests of the Company.

Stockholder Nominations and Communications Policy

Our board of directors has adopted policies with respect to the consideration of candidates recommended by stockholders for election as directors and stockholder and interested party communications with the board of directors.

Stockholders may recommend director nominees for consideration by the corporate governance committee by submitting the names and the following supporting information to our secretary at: Secretary, Stockholder Nominations, Blackstone Mortgage Trust, Inc., 345 Park Avenue, 42nd Floor, New York, New York 10154. The submissions should include a current resume and curriculum vitae of the candidate and a statement describing the candidate's qualifications and contact information for personal and professional references. The submission should also include the name and address of the stockholder who is submitting the nominee, the number of shares that are owned of record or beneficially by the submitting stockholder and a description of all arrangements or understandings between the submitting stockholder and the candidate. Director nominees may be nominated by our stockholders in accordance with our bylaws and in accordance with the advance notice requirements contained in our bylaws. See [Stockholder Proposals For the 2018 Annual Meeting](#) for more information regarding the advance notice requirements contained in our bylaws.

Stockholders and other interested parties may communicate directly with our board of directors or the non-management directors. All communications should be in writing and should be directed to our secretary at: Secretary, Stockholder Communications, Blackstone Mortgage Trust, Inc., 345 Park Avenue, 42nd Floor, New York, New York 10154. The sender should indicate in the address whether it is intended for the entire board of directors, the non-management directors as a group or an individual director. Each communication intended for the board of directors or non-management directors received by the secretary will be forwarded to the intended recipients in accordance with the existing instructions.

Stockholder Engagement

We regularly attend investor conferences and hold one-on-one meetings and calls with stockholders, potential investors and analysts. In recent years, we have made a concerted effort to engage with our stockholders both during and outside the proxy season in order to have a better understanding of their perspectives on our Company, including matters of corporate governance and executive compensation, as well as our strategies and performance. This dialogue has helped inform the board's decision-making and ensures our interests remain well-aligned with those of our stockholders.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Our Compensation Discussion and Analysis describes our compensation program, objectives and policies for our chief executive officer, chief financial officer and our other named executive officers, as such term is defined in Item 402(a) of Regulation S-K of the Exchange Act, or our Named Executive Officers, for our fiscal year ended December 31, 2016, or fiscal 2016.

Our Named Executive Officers for fiscal 2016 were:

Stephen D. Plavin, our chief executive officer, president and director;

Douglas N. Armer, our managing director, head of capital markets, and treasurer;

Anthony F. Marone, Jr., our managing director, chief financial officer and assistant secretary;

Thomas C. Ruffing, our managing director, head of asset management; and

Paul D. Quinlan, our former chief financial officer and assistant secretary.

Executive Management Changes

On January 8, 2016, the board of directors appointed Anthony F. Marone, Jr., the Company's principal accounting officer at the time, to serve as the Company's chief financial officer and assistant secretary, effective March 1, 2016. Mr. Marone's appointment coincided with the resignation, also effective March 1, 2016, of Paul D. Quinlan as the Company's chief financial officer and assistant secretary. Mr. Quinlan resigned in recognition of Mr. Marone's experience and strong qualifications for the position and in order to focus on his duties as global chief financial officer for Blackstone's Real Estate group.

Overview of Compensation Program and Philosophy

Since the consummation of the sale of our investment management and special servicing business on December 19, 2012, or the Investment Management Business Sale, we have been externally managed and advised by our Manager pursuant to the Management Agreement and, as a result, our executive officers no longer receive cash compensation from us.

Our Manager is a part of Blackstone's alternative asset management business, which includes the management of investment vehicles focused on private equity, real estate, hedge fund solutions, non-investment grade credit, secondary private equity funds of funds and multi-asset class strategies, all on a global basis. Through its different businesses, Blackstone had total assets under management of approximately \$367 billion as of December 31, 2016. In connection with the performance of its duties, we believe our Manager benefits from the resources, relationships, and expertise of nearly 424 professionals in Blackstone's global real estate group, which is one of the largest real estate

managers in the world with approximately \$102 billion of investor capital under management representing approximately \$200 billion of debt and equity investments as of December 31, 2016. This includes the BREDS business, of which our Manager is a part, which has more than 104 dedicated professionals, including more than 19 investment professionals based in London and other international locations, with \$14.4 billion of investor capital as of December 31, 2016. Our Manager's Investment Committee consists of, among others, Blackstone Real Estate's global head, chief investment officer and chief operating officer, as well as the global head and global chairman of BREDS.

Our Manager provides the day-to-day management of the Company's operations. Our chief executive officer, chief financial officer, and other executive officers are senior Blackstone Real Estate professionals and we do not have any employees. Because our Management Agreement provides that our Manager is responsible for managing our affairs, our executive officers for fiscal year 2016 do not currently receive any cash

Table of Contents

compensation from us or any of our subsidiaries for serving as our executive officers. Additionally, the Management Agreement does not require our Named Executive Officers to dedicate a specific amount of time to fulfilling our Manager's obligations to us under the Management Agreement and does not require a specified amount or percentage of the fees paid to the Manager to be allocated to the Named Executive Officers. As a result, our Manager has informed us that it cannot identify the portion of the compensation awarded to our Named Executive Officers by our Manager that relates solely to their services to us. Our Manager does not compensate its employees specifically for such services because these individuals also provide investment management and other services to other investment vehicles that are sponsored, managed or advised by affiliates of our Manager. As such, the compensation of our Named Executive Officers reflects the performance of all the investment vehicles for which these individuals provide services, including, but not limited to, us. However, for context of our Named Executive Officers' compensation, our Manager paid our Named Executive Officers aggregate base salary, cash bonus and Company incentive fee participation payments of \$5,680,155 during fiscal year 2016, which amount represented 9.9% of the management and incentive fees we paid to our Manager in 2016. This aggregate compensation amount excludes (i) incentive payments to our Named Executive Officers by affiliates of our Manager specifically related to the performance of other investment vehicles that are sponsored, managed or advised by affiliates of our Manager, (ii) equity grants of Blackstone common units by affiliates of our Manager to our Named Executive Officers, and (iii) the compensation, disclosed in the Summary Compensation Table on page 23, paid by us directly to our Named Executive Officers during fiscal year 2016, including equity grants of our restricted class A common stock and legacy long-term compensation awards that are tied to the recovery of legacy assets owned by CT Legacy Partners and CTOPI (each as defined below), which are not paid by our Manager.

We do not determine the cash compensation payable by our Manager to our Named Executive Officers. Our Manager and its affiliates determine the salaries, bonuses and other wages earned by our Named Executive Officers from our Manager and its affiliates. Our Manager and its affiliates also determine whether and to what extent our Named Executive Officers will be provided with employee benefit plans. We do not have employment agreements with our Named Executive Officers, we do not provide pension or retirement benefits, perquisites or other personal benefits to our Named Executive Officers and we do not have arrangements to make payments to our Named Executive Officers upon their termination or in the event of a change in control of the Company.

Our Manager and its affiliates compensate their employees, including our Named Executive Officers, in accordance with the Blackstone compensation philosophy. The compensation of senior employees at Blackstone, including our Named Executive Officers, is primarily composed of (a) annual cash bonus payments tied to the performance of the applicable business unit(s) in which such employee works, (b) performance interests/compensation (composed primarily of carried interest and/or incentive fee interests) tied to the performance of the investments made by the funds and other investment vehicles in the business unit in which such employee works or for which he or she has responsibility, including the Company (c) deferred equity awards reflecting the value of Blackstone's common units and/or our class A common stock and (d) additional cash payments and deferred equity awards tied to extraordinary performance of such employee or other circumstances (for example, if there has been a change of role or responsibility). Base salary, which is the fixed element of Blackstone's senior employee compensation philosophy, generally represents a significantly lesser component of an employee's total compensation. Blackstone believes that the appropriate combination of annual cash bonus payments and performance interests or deferred equity awards encourages their senior employees, including our Named Executive Officers, to focus on the underlying performance of their investments, as well as the overall performance of the firm and the Company. To that end, the primary form of compensation to Blackstone's senior employees, including our Named Executive Officers, is variable, performance-based compensation.

For 2016, our Named Executive Officers' compensation from Blackstone, in the aggregate, was apportioned 20.7% to fixed compensation and 79.3% to performance-based compensation.

While we may not pay our Named Executive Officers any cash compensation, we pay our Manager the management and incentive fees described under the heading Transactions With Related Persons, Promoters and

Table of Contents

Certain Control Persons Investment Management Business Sale and Related Matters and, in the discretion of the compensation committee of our board of directors, we may also grant our Manager and our Named Executive Officers equity awards pursuant to our equity compensation plans. The management and incentive fees compensate our Manager for the services that it provides to the Company and the equity grants serve to further align the interests of our Manager and our Named Executive Officers with that of the Company and mitigate the possibility of excessive risk taking. As of December 31, 2016, our consolidated balance sheet included \$12.8 million of accrued management and incentive fees payable to our Manager. During the year ended December 31, 2016, we paid \$57.5 million of management and incentive fees to our Manager. In addition, during the year ended December 31, 2016, we reimbursed our Manager for \$462,000 of expenses incurred on our behalf.

The corporate governance committee evaluates the performance of our Manager on an annual basis, in light of the goals and objectives of the Company and the terms of the Management Agreement, and reports its views regarding the performance of our Manager to the board of directors. The board of directors reviews the Company's long-term strategic plan and the fundamental factors affecting the Company's successful operation of its business, including the management and performance of the Company's business in light of the goals and objectives of the Company and the terms of the Management Agreement during at least one meeting a year.

Role of Compensation Committee

Currently, we do not have any employees and our executive officers do not receive any cash compensation from us or any of our subsidiaries for serving as executive officers. Accordingly, our compensation committee does not currently make any recommendations regarding the base salaries and target bonus levels of our Named Executive Officers. Our compensation committee reviews and approves the equity based awards to be paid or made by us to our Named Executive Officers based on recommendations from the Company's chief executive officer and outside compensation consultants. The compensation committee also oversees risk when it considers granting equity awards to the Manager under the Management Agreement.

Role of Compensation Consultant

The compensation committee engaged the services of a compensation consultant, FPL Associates, L.P., or FPL, to review and advise the compensation committee regarding the terms of the Blackstone Mortgage Trust, Inc. 2016 Stock Incentive Plan, or the 2016 Stock Plan, and the Blackstone Mortgage Trust, Inc. 2016 Manager Incentive Plan, or the 2016 Manager Plan, and the equity awards to be made pursuant to such plans. In addition, in 2017 FPL advised the compensation committee regarding the pay levels of our non-employee directors. FPL has no other relationships with the Company and is considered an independent third party advisor. At the time of the engagement of FPL in 2016 and 2017, the compensation committee reviewed FPL's independence and determined that FPL's work for the compensation committee did not raise any conflict of interest pursuant to the SEC and NYSE rules.

Role of Executive Officers

The compensation committee is responsible for approving compensation by us for our Named Executive Officers. Our chief executive officer annually reviews the financial performance of the Company, current market conditions and the performance of each executive officer of the Company and based on these reviews, provides a recommendation regarding the appropriate equity based grants, if any, to be presented to the compensation committee for approval.

Say-On-Pay Vote

At our 2016 annual meeting of stockholders, we provided our stockholders with the opportunity to vote to approve, on a non-binding advisory basis, our executive compensation. Approximately 65% of the votes cast at our 2016 annual meeting of stockholders voted to approve our executive compensation as described in our proxy

Table of Contents

statement for the 2016 annual meeting of stockholders. The compensation committee reviewed the results of this advisory say-on-pay vote and considered it in determining specific award amounts granted to our Named Executive Officers for 2016. The compensation committee will also carefully consider future stockholder votes on this matter, along with other expressions of stockholder views it receives on specific policies and desirable actions.

Equity-Based Compensation

The compensation committee may, from time to time pursuant to our 2016 Stock Plan, grant our Named Executive Officers equity-based awards, including stock options, restricted shares of our class A common stock, restricted stock units, stock appreciation rights and other equity-based awards. These awards are designed to align the interests of our Named Executive Officers with those of our stockholders, by allowing our Named Executive Officers to share in the creation of value for our stockholders through capital appreciation and dividends. These equity awards are generally subject to vesting requirements over a number of years, and are designed to promote the retention of management and achievement of strong performance for the Company. These awards provide a further benefit to us by enabling our Manager to attract, motivate and retain talented individuals to serve as our executive officers. The compensation committee reviews the recommendations from the Company's chief executive officer and outside compensation consultants in determining the appropriate size of the equity award for each executive officer. These recommendations take into account the financial performance of the Company during the prior fiscal year, current market conditions, the performance of each executive officer and the desire to continue to align the interests of each of our executive officers with our stockholders.

In 2016, the compensation committee considered a number of individual performance factors that are described below in determining the size of the equity awards granted to each of our Named Executive Officers. There was no specific numerical value given to any individual factor and each factor was considered in light of the other factors noted along with any additional information available to the compensation committee at the time, including market conditions in general. The compensation committee applied its business judgment in assessing the extent to which each Named Executive Officer met his objectives. The key factors that the compensation committee considered in making its determination with respect to Mr. Plavin were his performance as chief executive officer and president of the Company, his role in overseeing the financial performance and investing activity of the Company, and his leadership in regard to the strategic direction of the Company. The key factors that the compensation committee considered in making its determination with respect to Mr. Armer were his performance as the head of capital markets of the Company, his guidance and management of key operational, financing and investment activities of the Company, his oversight of the capital structure of the Company, his role in executing the Company's strategic direction and his support in investor relations initiatives. The key factors that the compensation committee considered in making such determination with respect to Mr. Marone were his performance as chief financial officer of the Company and his leadership and oversight of its finance, treasury, and operations functions. The key factors that that the compensation committee considered in making its determination with respect to Mr. Ruffing were his performance as head of asset management of the Company and his asset management and administration of the Company's investments.

After completing its review of the recommendation of the chief executive officer, the financial performance of the Company, market conditions and the achievement of the individual performance factors of each Named Executive Officer, in 2016, the Company granted 45,000 restricted shares of class A common stock to Mr. Plavin, 20,000 restricted shares of class A common stock to Mr. Armer, 8,500 restricted shares of class A common stock to Mr. Marone, and 4,500 restricted shares of class A common stock to Mr. Ruffing, which in each case vest (i) with respect to one third of the award, on the first anniversary from the date of grant and (ii) with respect to the remaining two-thirds, ratably in quarterly installments over the two-year period following the first anniversary of the date of grant.

As part of our incentive compensation program, in the past we have also granted incentive awards to certain Named Executive Officers in two other forms that are described below. For a further discussion on these awards, see Notes 4, 11 and 13 to the consolidated financial statements in our 2016 Annual Report on Form 10-K that we filed with the SEC on February 14, 2017.

CT Legacy REIT Management Incentive Awards Plan

In conjunction with the restructuring of our debt obligations in March 2011, we created an employee pool for up to 6.75% (subject to certain caps and priority distributions) of the distributions paid to the common equity holders of CT Legacy REIT Mezzanine Borrower, Inc., or CT Legacy REIT, which was merged into CT Legacy Partners, LLC, or CT Legacy Partners, in July 2013. CT Legacy REIT was a majority-owned subsidiary formed in 2011 to which we contributed the legacy loan and securities portfolios of the Company, subject to attendant indebtedness.

Messrs. Plavin, Ruffing, Armer and Marone were previously awarded 35%, 15%, 5% and 2%, respectively, of the employee pool. As of December 31, 2016, all of the value in the employee pool was paid to the plan participants. To the extent there is future value in the employee pool, it will be subject to the vesting schedule described below.

As of December 31, 2016, incentive awards for 91% of the pool have been granted and are outstanding, and the remainder was unallocated. If any rewards remain unallocated at the time distributions are paid, any amounts otherwise payable to the unallocated awards will be distributed pro rata to the plan participants then employed by an affiliate of our Manager.

Approximately 50% of the pool is 75% vested as of December 31, 2016, with the remainder contingent on continued employment with an affiliate of our Manager and our receipt of distributions from CT Legacy Partners. Of the remaining 50% of the pool, 27% is fully vested as a result of an acceleration event, and 23% vest only upon our receipt of distributions from CT Legacy Partners.

The CT Legacy Partners awards contain provisions that accelerate vesting of the awards upon an involuntary termination (as defined in our 2007 Long-Term Incentive Plan and our 2011 Long-Term Incentive Plan) from continuous service by affiliates of our Manager. As of December 31, 2016, each of our Named Executive Officers was employed by affiliates of our Manager.

Table of Contents***CTOPI Incentive Management Fee Grants***

CT Opportunity Partners I, LP, or CTOPI, is a private investment fund that was previously under our management and is now managed by an affiliate of our Manager. While this affiliate of our Manager earns the base management fees from CTOPI, we continue to earn any incentive management fees. Incentive management fees are defined as 17.7% of CTOPI's profits after a 9.0% preferred return and a 100% return of capital to the CTOPI partners. We retained only our carried interest in CTOPI subsequent to the Investment Management Business Sale.

In January 2011, we created a pool for employees equal to 45% of the CTOPI incentive management fee and Messrs. Plavin, Ruffing, Armer and Marone were awarded 30%, 10%, 5% and 1%, respectively, of the employee pool. Substantially all of the value in the employee pool was paid to the plan participants as of December 31, 2016. The residual value in the employee pool of approximately \$20,000 was paid to the plan participants in March 2017.

Non-Employee Director Compensation

During 2016, our non-employee directors, other than John G. Schreiber, earned (i) an annual cash retainer of \$50,000 and (ii) a \$75,000 annual award of the Company's deferred stock units, in each case payable in quarterly installments in arrears. The award is vested in full as of the date of grant and settled upon the non-employee directors' separation from service (as defined in Treas. Reg. 1.409A-1(h)) with the Company by delivering to the non-employee director one share of class A common stock for each deferred stock unit settled. For those directors who elected to receive stock units, the number of units was determined based upon the quarterly fee and the average stock price for the applicable quarter. In addition, the chairperson of the audit committee receives \$12,000 per annum payable in four quarterly cash installments. All directors are also reimbursed for travel expenses incurred in attending board and committee meetings.

Messrs. Schreiber, Nash, Pollack and Plavin did not receive compensation for their services as directors during 2016.

In 2017, the compensation committee engaged FPL to conduct a review of the compensation of our non-employee directors. After considering the recommendations of FPL that were based, in part, upon a market assessment of our non-employee director pay levels and the practices of our competitors, the compensation committee recommended the following changes to the compensation of our non-employee directors to the board of directors:

The annual cash retainer increase from \$50,000 to \$75,000;

The annual award of deferred stock units increase from \$75,000 to \$100,000;

The audit committee chair annual cash retainer was increase from \$12,000 to \$20,000;

That the chair of each of our compensation and corporate governance committees receive an annual cash retainer of \$10,000; and

That members of the audit committee receive an annual cash retainer of \$10,000.

In April 2017, the board of directors approved each of the recommendations of the compensation committee and the new non-employee director compensation will be effective with the beginning of the third quarter of 2017.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires executive officers and directors, a company's chief accounting officer and persons who beneficially own more than 10% of a company's common stock, to file reports of ownership and changes in ownership with the SEC and the NYSE. Executive officers, directors, the chief accounting officer and greater than 10% stockholders are required by regulation of the SEC to furnish us with copies of all Section 16(a) forms they file.

Based solely on our review of Forms 3, 4 and 5 and amendments thereto available to us and other information obtained from our directors, executive officers, chief accounting officer and certain 10% stockholders or otherwise available to us, we believe that no director, executive officer, chief accounting officer or beneficial owner of more than 10% of our class A common stock failed to file on a timely basis a report required pursuant to Section 16(a) of the Exchange Act with respect to 2016.

Investment Management Business Sale and Related Matters

On December 19, 2012, pursuant to the Purchase Agreement, and an Assignment Agreement, dated as of December 19, 2012, by and among us, Huskies Acquisition and Blackstone Holdings III L.P., or Holdings III, an affiliate of Blackstone, we completed the sale of our investment management and special servicing business, including CT Investment Management Co., LLC, related private investment fund co-investments and 100% of the outstanding class A preferred stock of our CT Legacy Partners subsidiary. In accordance with the Purchase Agreement, two members of our board of directors were designated by Blackstone at such time.

We, CT Legacy Partners and CTOPI held mortgage and mezzanine loans and other investments that were made or acquired prior to the sale of our investment management and special servicing business to Blackstone, in which Blackstone affiliates have interests in the collateral securing or backing such investments and CT Legacy Partners and CTOPI receive interest and other payments on such investments in accordance with their terms. These investments have been fully realized.

Pursuant to the terms of the Purchase Agreement, we also entered into a Registration Rights Agreement, dated December 19, 2012, with Holdings III. On May 6, 2013, we entered into an Amended and Restated Registration Rights Agreement, or Amended and Restated Registration Rights Agreement, with Holdings III and our Manager that amended and restated the existing Registration Rights Agreement. Pursuant to the terms of the Amended and Restated Registration Rights Agreement, on or after the earlier of (x) such date that we become eligible to use Form S-3 in connection with a public offering of our securities and (y) December 19, 2013, Holdings III or our Manager may require us to prepare and file a shelf registration statement relating to the resale of all shares of class A common stock currently held or later acquired by them or their permitted transferees and under certain circumstances they may require us to file up to four resale registration statements on demand and provide unlimited piggyback rights with respect to the resale of such shares (subject to certain cutback and other provisions).

Pursuant to the terms of the Purchase Agreement, we entered into the management agreement with our Manager (which was subsequently amended and superseded by the Management Agreement), pursuant to which we are externally managed by our Manager pursuant to the terms and conditions of the Management Agreement. The Management Agreement requires our Manager to manage our investments and our day-to-day business and affairs in

conformity with our investment guidelines and other policies that are approved and monitored by our

Table of Contents

board of directors. The initial term of the management agreement expired on December 19, 2015, has been automatically renewed on each anniversary of such date for a one-year term and will be automatically renewed for a one-year term each anniversary thereafter unless earlier terminated.

Pursuant to the terms of the Management Agreement, our Manager is entitled to receive from us a base management fee payable in cash quarterly in arrears with respect to each calendar quarter in an amount equal to the greater of (i) \$250,000 per annum and (ii) 1.50% per annum of our Equity (as defined in the Management Agreement), and, if earned, certain quarterly incentive compensation. We are also required to reimburse our Manager for certain expenses incurred on our behalf during any given year. So long as the Management Agreement remains in effect, we are required to continue to make quarterly payments of the base management fee and, if applicable, incentive compensation to the Manager and to reimburse the Manager for certain expenses. See Notes 11 and 15 to our consolidated financial statements in our 2016 Annual Report on Form 10-K filed with the SEC on February 14, 2017 for additional details.

As of December 31, 2016, our consolidated balance sheet included \$12.8 million of accrued management and incentive fees payable to our Manager. During the year ended December 31, 2016, we paid \$57.5 million of management and incentive fees to our Manager. In addition, during the year ended December 31, 2016, we reimbursed our Manager for \$462,000 of expenses incurred on our behalf. During the year ended December 31, 2016, CT Legacy Partners made aggregate preferred distributions of \$616,000 to an affiliate of our Manager. There were no accrued preferred distributions payable by CT Legacy Partners as of December 31, 2016.

Other Transactions

As of December 31, 2016, our Manager held 775,961 shares of our unvested restricted class A common stock, which had an aggregate grant date fair value of \$22.5 million. The shares vest in installments over three years from the date of issuance. During the years ended December 31, 2016, 2015, and 2014, we recorded non-cash expenses related to these shares of \$9.6 million, \$6.7 million, and \$3.8 million, respectively.

During the year ended December 31, 2016, we originated three loans whereby each respective borrower engaged an affiliate of our Manager to act as title insurance agent in connection with each transaction. The borrowers paid this affiliate aggregate fees of \$346,000 for its services. We did not incur any expenses or receive any revenues as a result of these transactions.

In the fourth quarter of 2016, we originated a \$79.0 million senior loan to a borrower to finance its purchase of a property that it acquired from an affiliate of our Manager. The purchase price of the property was fixed between the borrower and the affiliate of our Manager prior to our engaging in discussions with the borrower to act as its potential lender.

In 2016, we originated a \$104.0 million loan to finance a borrower's purchase of a property from an unrelated third-party that had previously financed its purchase of the property from an affiliate our Manager. As a result of the purchase of this property by the borrower, the loan held by the affiliate of our Manger was repaid by the third-party seller.

On May 8, 2015, a joint venture of CT Legacy Partners, certain affiliates of our Manager, and other non-affiliated parties, which we refer to as the Three-Pack JV, sold a hotel portfolio it owned to an investment vehicle managed by an affiliate of our Manager. We consented to the sale of the hotel portfolio by the Three-Pack JV, which resulted in the ultimate liquidation of the Three-Pack JV and distribution of net sale proceeds to CT Legacy Partners in respect of its investment therein. An aggregate \$41.3 million of net sales proceeds has been received to date by CT Legacy

Partners, of which \$3.6 million was received during the year ended December 31, 2016. As a result of the sale transaction, employees of our Manager, including certain of our executive officers, received incentive compensation payments totaling \$2.8 million under the CT Legacy Partners Management Incentive Awards Plan, of which \$2.5 million was paid during 2015, and the remaining \$244,000 was paid during the year ended December 31, 2016.

Table of Contents

During the year ended December 31, 2016, we incurred \$385,000 of expenses for various administrative and capital market data services to third-party service providers that are affiliates of our Manager.

Indemnification Agreements with Directors and Officers

We have entered into indemnification agreements with each of our directors and officers. We refer to such indemnification agreements as Indemnification Agreements and our directors and officers party thereto as Indemnitees. The Indemnification Agreements provide that we will, subject to certain limitations and exceptions, indemnify, to the fullest extent permitted under Maryland law, and advance expenses to, each Indemnitee, in connection with (among other things) the Indemnitee's capacity as a director, officer, employee or agent of the Company. This obligation includes, subject to certain terms and conditions, indemnification for any expenses (including reasonable attorneys' fees), judgments, fines, penalties and settlement amounts actually and reasonably incurred by the Indemnitee in connection with any threatened or pending action, suit or proceeding. In certain instances, we may be required to advance such expenses, in which case the Indemnitee will be obligated to reimburse us for the amounts advanced if it is later determined that the Indemnitee is not entitled to indemnification for such expenses.

Related Party Transaction Policies

Our board of directors recognizes the fact that transactions with related persons may present risks of conflicts or the appearance of conflicts of interest. Our board of directors has adopted a written policy on transactions with related persons that is in conformity with the requirements upon issuers having publicly-held common stock that is listed on the NYSE. Under the policy, a committee of our board of directors composed solely of independent directors who are disinterested or the disinterested members of our board of directors must review and approve or ratify any related person transaction (defined as any transaction that would be required to be disclosed by us under Item 404(a) of Regulation S-K in which we were or are to be a participant, other than an employment relationship or transaction involving an executive officer and any related compensation, and the amount involved exceeds \$120,000 and in which any related person (as defined as in paragraph (a) of Item 404 of Regulation S-K) had or will have a direct or indirect material interest) and all material facts with respect thereto. No related person transaction will be executed without the approval or ratification of a committee of our board of directors composed solely of independent directors who are disinterested or by the disinterested members of our board of directors.

Pursuant to our code of business conduct and ethics, our audit committee is required to review on a quarterly basis all material related party transactions involving the Manager and/or its affiliates. In reviewing a related person transaction or proposed related person transaction, the audit committee will consider all relevant facts and circumstances, including:

the nature of the related person's interest in the transaction;

the material terms of the transaction;

the importance of the transaction both to the Company and the related person;

whether the transaction would likely impair the judgment of a director or executive officer to act in the best interest of the Company;

whether the value and the terms of the transaction are substantially similar as compared to those of similar transactions previously entered into by the Company with non-related persons, if any; and

any other matters that management or the audit committee or disinterested directors, as applicable, deem appropriate.

Table of Contents

In addition, the related person transaction policy provides that the audit committee or disinterested directors, as applicable, in connection with any approval or ratification of a related person transaction involving a non-employee director or director nominee, should consider whether such transaction would compromise the director or director nominee's status as an independent, outside, or non-employee director, as applicable, under the rules and regulations of the SEC, the NYSE, the Code and our code of business conduct and ethics for board and committee service.

Table of Contents**PROPOSAL 2 RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The audit committee of the board of directors has appointed Deloitte & Touche LLP, or Deloitte, to be our independent public accounting firm for the fiscal year ending December 31, 2017 and has directed that the appointment of such independent registered public accounting firm be submitted for ratification by our stockholders at the annual meeting. Deloitte also serves as the independent registered public accounting firm of the parent of our Manager, Blackstone.

We have been advised by Deloitte that neither that firm nor any of its associates has any relationship with us or our subsidiaries other than the usual relationship that exists between an independent registered public accounting firm and its clients.

We expect that representatives of Deloitte will be present at the annual meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions. If the appointment of Deloitte is not ratified, our board of directors will reconsider the appointment.

Stockholder ratification of the appointment of Deloitte as our independent registered public accounting firm is not required by our charter or otherwise. However, our board of directors is submitting the appointment of Deloitte to the stockholders for ratification as a matter of what it considers to be good corporate practice. Even if the appointment is ratified, our audit committee, in its discretion, may direct the appointment of different independent registered public accounting firm at any time during the year if it determines that such a change would be in our best interests.

Audit and Non-Audit Fees

Aggregate fees that we were billed for the fiscal years ended December 31, 2016 and 2015 by our independent registered public accounting firm, Deloitte, were as follows:

	Fiscal Year ended December 31,	
	2016	2015
Audit fees(a)	\$ 677,250	\$ 769,750
Audit-related fees(b)		45,000
Total audit and audit-related fees		
Tax fees		
All other fees		
Total	\$ 677,250	\$ 814,750

(a) Audit fees include amounts billed to us related to annual financial statement audit work, quarterly financial statement reviews and comfort letters on and review of SEC registration statements.

(b) Audit-related fees in 2015 consisted of a review of our XBRL taxonomy.

The audit committee of our board of directors was advised that there were no services provided by Deloitte that were unrelated to the audit of the annual fiscal year-end financial statements and the review of interim financial statements that could impair Deloitte from maintaining its independence as our independent auditor and concluded that it was.

Audit Committee Pre-Approval Policy

In accordance with our audit committee pre-approval policy, all audit and non-audit services performed for us by our independent registered public accounting firm were pre-approved by the audit committee of our board of directors, which concluded that the provision of such services by Deloitte was compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

Table of Contents

The pre-approval policy provides for categorical pre-approval of specified audit and permissible non-audit services. Services to be provided by the independent registered public accounting firm that are not within the category of pre-approved services must be approved by the audit committee prior to engagement, regardless of the service being requested or the dollar amount involved.

Requests or applications for services that require specific separate approval by the audit committee are required to be submitted to the audit committee, and must include a description of the services to be provided and a statement by the independent registered public accounting firm and principal accounting officer of the Company confirming that the provision of the proposed services does not impair the independence of the independent registered public accounting firm.

The audit committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the audit committee at its next scheduled meeting. The audit committee does not delegate to management its responsibilities to pre-approve services to be performed by the independent registered public accounting firm.

VOTING RECOMMENDATION

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF DELOITTE & TOUCHE LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2017.

AUDIT COMMITTEE REPORT

Our board of directors' audit committee carries out oversight functions with respect to the preparation, review and audit of our financial statements, our system of internal controls and the qualifications, independence and performance of our internal auditor consultants and independent auditors, and operates under a written charter adopted by the board of directors. The charter can be viewed, together with any future changes that may occur, on our website at www.blackstonemortgagetrust.com. The audit committee has the sole authority and responsibility to select, evaluate and, as appropriate, replace our independent auditors. The audit committee members are independent within the meaning of the applicable New York Stock Exchange listing standards and Rule 10A-3 under the Securities Exchange Act of 1934, as amended.

Our management is responsible for the development, maintenance and evaluation of internal controls and procedures and our financial reporting system, the maintenance of appropriate accounting and financial reporting principles or policies and the preparation, presentation and integrity of our financial statements. Our independent registered public accounting firm is responsible for auditing our consolidated financial statements in accordance with U.S. generally accepted auditing standards and expressing an opinion as to their conformity with U.S. generally accepted accounting principles. In addition, the independent registered public accounting firm is responsible for auditing and expressing an opinion on our internal controls over financial reporting. The audit committee's responsibility is to monitor and oversee the foregoing functions.

The audit committee reviews our financial reporting process on behalf of the board of directors. In performance of its oversight function, the audit committee has met and held discussions with management and our independent registered public accounting firm with respect to our audited consolidated financial statements for fiscal year 2016 and related matters. Management advised the audit committee that our consolidated financial statements were prepared in accordance with generally accepted accounting principles and the committee has reviewed and discussed the consolidated financial statements with management and our independent auditors, Deloitte & Touche LLP. Our independent auditors presented to and reviewed with the audit committee the matters required to be discussed by the applicable standards adopted by the Public Company Accounting Oversight Board. Our independent auditors also provided to the committee the written disclosures and the letter from the auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence and in connection therewith the committee discussed with the independent auditors their views as to their independence. The audit committee also reviewed, among other things, the audit and non-audit services performed by, and the amount of fees paid for such services to, Deloitte & Touche LLP. The audit committee meetings regularly include executive sessions with our independent registered public accounting firm without the presence of our management.

In undertaking its oversight function, the audit committee relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States and on the representations of the independent auditors included in their report on our financial statements. The audit committee is not, however, professionally engaged in the practice of accounting or auditing and does not provide any expert or other special assurance or professional opinion as to the sufficiency of the external or internal audits, whether the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles, or on the effectiveness of the system of internal control.

Based on the audit committee's considerations, discussions with management and discussion with the independent auditors as described above, the audit committee recommended to the board of directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2016 filed with

the SEC.

PROPOSAL 3 ADVISORY VOTE ON EXECUTIVE COMPENSATION

Pursuant to Section 14A of the Exchange Act, we are providing stockholders with an opportunity to vote, on a non-binding advisory basis, on the compensation of our Named Executive Officers as disclosed in this proxy statement in accordance with SEC rules. The advisory vote on executive compensation described in this proposal is commonly referred to as a say-on-pay vote. Approximately 65% of the votes cast at the 2016 annual meeting voted to approve our executive compensation. At the 2013 annual meeting, we asked our stockholders to indicate if we should hold an advisory vote on the compensation of our Named Executive Officers every one, two or three years. Because at our 2013 annual meeting our stockholders voted in favor of an annual advisory vote, we again are asking our stockholders to approve the compensation of our Named Executive Officers as disclosed in this proxy statement in accordance with the SEC's rules.

As described under Executive Compensation Compensation Discussion and Analysis elsewhere in this proxy statement, we are externally managed and advised by our Manager pursuant to the Management Agreement. Our Named Executive Officers for fiscal 2016 currently serve as officers of our Manager and we have no employees. Because our Management Agreement provides that our Manager is responsible for managing our affairs, our Named Executive Officers for fiscal 2016 do not currently receive any cash compensation from us or any of our subsidiaries for serving as our executive officers. Additionally, we do not have any agreements with any of our Named Executive Officers with respect to their cash compensation and do not intend to directly pay any cash compensation to them. However, from time to time we may grant to our Named Executive Officers and our Manager equity-based awards pursuant to our equity incentive plans, which we believe serve to align the interests of our Named Executive Officers and our Manager with the interests of our stockholders in receiving attractive risk-adjusted dividends and growth.

We do not determine the cash compensation payable by the Manager to our Named Executive Officers. The Manager and its affiliates determine the salaries, bonuses and other wages earned by our Named Executive Officers from our Manager and its affiliates. The Manager and its affiliates also determine whether and to what extent our Named Executive Officers will be provided with employee benefit plans.

This proposal gives our stockholders the opportunity to express their views on the overall compensation of our Named Executive Officers provided by us and the philosophy, policies and practices described in this proxy statement. For the reasons discussed above, we are asking our stockholders to indicate their support for our Named Executive Officer compensation by voting **FOR** the following resolution at the Annual Meeting:

RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed pursuant to the compensation disclosure rules of the SEC (which disclosure includes the Compensation Discussion and Analysis, compensation tables and any related material disclosed in this proxy statement).

The say-on-pay vote is advisory only, and therefore it will not bind the Company or our board of directors. However, the board of directors and the compensation committee will consider the voting results as appropriate when making future decisions regarding executive compensation.

VOTING RECOMMENDATION

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE ADVISORY RESOLUTION RELATING TO THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.

Your proposal should be mailed by certified mail return receipt requested to our Secretary at Blackstone Mortgage Trust, Inc., 345 Park Avenue, 42nd Floor, New York, New York 10154. Failure to deliver a proposal in accordance with this procedure may result in it not being deemed timely received. In addition, if you desire to bring business (including director nominations) before our 2018 annual meeting, you must comply with our bylaws, which currently require that you provide written notice of such business to our Secretary no earlier than November 22, 2017 and no later than 5:00 p.m. (Eastern Standard Time) on December 22, 2017. HOUSEHOLDING OF PROXY MATERIALS

SEC rules permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements and notices with respect to two or more stockholders sharing the same address by delivering a single proxy statement or a single notice addressed to those stockholders. This process, which is commonly referred to as householding, provides cost savings for companies. Some brokers household proxy materials, delivering a single proxy statement or notice to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding materials to your address, householding will generally continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement or notice, or if you are receiving duplicate copies of these materials and wish to have householding apply, please notify your broker. You may also call (800) 542-1061 or write to: Household Department, 51 Mercedes Way, Edgewood, New York 11717, and include your name, the name of your broker or other nominee and your account number(s). You can also request prompt delivery of a copy of the proxy statement and annual report by contacting Blackstone Mortgage Trust Stockholders Relations Department, 345 Park Avenue, 42nd Floor, New York, New York 10154, (212) 655-0220.
