**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On August 10, 2017, Merrimack Pharmaceuticals, Inc. (the Company) entered into an employment agreement with Jean M. Franchi (the Employment Agreement) to serve as the Company's Chief Financial Officer. Ms. Franchi will also serve as the Company's Principal Financial Officer, Principal Accounting Officer and Treasurer. Ms. Franchi will begin her employment and assume such positions with the Company on August 21, 2017.

In connection with entering into the Employment Agreement, effective as of August 21, 2017, (i) Richard Peters, the Company's President and Chief Executive Officer, will cease to serve in the position of Principal Financial Officer and (ii) John L. Green, the Company's Controller, will cease to serve in the position of Principal Accounting Officer. Dr. Peters and Mr. Green have served as Principal Financial Officer and Principal Accounting Officer, respectively, on an interim basis since June 14, 2017.

Ms. Franchi, age 50, previously served as Chief Financial Officer, Treasurer and Secretary at Dimension Therapeutics, Inc., a biotechnology company, from August 2015 to July 2017. From February 2012 to July 2015, Ms. Franchi served as Chief Financial Officer at Good Start Genetics, Inc., a molecular genetics information company. From 1995 to 2011, Ms. Franchi held various positions at Sanofi Genzyme, a global pharmaceutical company, including Senior Vice President of Corporate Finance, Senior Vice President of Business Unit Finance, Vice President of Finance and Controller, Product Line and International Group. Ms. Franchi holds a B.B.A. from Hofstra University and successfully completed the Uniform CPA Examination.

There is no family relationship between Ms. Franchi and any of the Company's directors or executive officers.

The Employment Agreement continues until December 31, 2017 and thereafter renews automatically on December 31 of each year for successive one year terms, unless either the Company or Ms. Franchi gives notice of non-renewal.

Pursuant to the terms of the Employment Agreement, Ms. Franchi will receive an annual base salary of \$400,000 and is eligible for an annual bonus percentage of up to 35% of her base salary. The Company will also pay Ms. Franchi a one-time signing bonus of \$100,000. Subject to the further approval of the Board, the Company will also grant Ms. Franchi an option to purchase 450,000 shares of the Company's common stock at an exercise price per share equal to the fair market value of the Company's common stock on the date of grant. The option will vest over three years at a rate of 1/6<sup>th</sup> of the total number of shares on February 21, 2018 and an additional 1/12<sup>th</sup> of the total number of shares at the end of each successive three month period following February 21, 2018 until fully exercisable.

Ms. Franchi is also bound by the terms of a separate non-disclosure, developments, non-competition and non-solicitation agreement, which, among other things, prohibits Ms. Franchi, during the term of her employment and for a period of one year thereafter, from competing with the Company and soliciting or hiring the Company's employees.

Upon execution and effectiveness of a severance agreement and release of claims, Ms. Franchi is entitled to severance payments if the Company terminates her employment without cause (as defined in the Employment Agreement), including the Company's decision not to renew her term of employment, or if she terminates her employment with the Company for good reason (as defined in the Employment Agreement).

If Ms. Franchi's employment terminates under these circumstances, in each case prior to a change in control (as defined in the Employment Agreement), the Company is obligated for a period of 12 months to pay Ms. Franchi her base salary and pay for coverage for her under any company sponsored medical benefit plans available to the Company's senior management employees. In addition, the Company would be obligated to pay her a pro-rata bonus for the portion of the year in which she was employed by the Company based on her average annual bonus payments over each of the three years prior to the year of termination, or such lesser period during which she served as one of the Company's executive officers.

If Ms. Franchi's employment terminates under these circumstances, in each case within 18 months following a change in control, the Company is obligated to pay her a lump sum amount equal to 36 months of her base salary plus a bonus equal to three times the average of her annual bonus payments over each of the three years prior to the year of termination, or such lesser period during which she served as one of the Company's executive officers, accelerate the vesting of all outstanding stock options, restricted stock or other equity awards granted to her and pay for coverage for her under any company sponsored medical benefit plans available to the Company's senior management employees for a period of 18 months.

If Ms. Franchi dies or the Company terminates Ms. Franchi's employment due to disability, she will be eligible to receive a pro-rata bonus for the portion of the year in which she was employed by the Company based on her average annual bonus payments over each of the three years prior to the year of termination, or such lesser period during which she served as one of the Company's executive officers.
