This Amendment No. 1 to the Tender Offer Statement on Schedule TO amends and supplements the Schedule TO originally filed with the Securities and Exchange Commission (*SEC*) on November 21, 2017 (together with any amendments and supplements thereto and the exhibits hereto, the *Schedule TO*) relating to a tender offer by SunLink Health Systems, Inc. (*SunLink* or the *Company*) to purchase up to 1,562,500 common shares of SunLink, no par value, for an aggregate purchase price of up to \$2,500,000, to the sellers in cash, without interest, upon the terms and subject to the conditions set forth in the offer to purchase, dated November 21, 2017 (the *Offer to Purchase*) and the accompanying letter of transmittal (the *Letter of Transmittal*) as amended hereby, which together, as each may be amended and supplemented from time to time, constitute the tender offer (the *Offer*). This Amendment No. 1 to Schedule TO also is intended to satisfy the reporting requirements of Rule 13e-4(c)(2) of the Securities Exchange Act of 1934, as amended, and amend the Schedule TO with respect thereto.

The information contained in the Offer to Purchase and the accompanying Letter of Transmittal, copies of which were attached to the Schedule TO as Exhibits (a)(1)(A) and (a)(1)(B), respectively, which, except as amended and supplemented hereby, is incorporated herein by reference in response to all of the items of this Schedule TO as more particularly described below.

The Offer to Purchase and the Schedule TO, to the extent Item 1, Item 2, Item 10, and Item 13 incorporate by reference the information contained in the Offer to Purchase are hereby amended and supplemented as set forth below.

1. In the Offer to Purchase, the second sentence of Section 1 of the Offer to Purchase under the subheading entitled **Has SunLink or its board of directors adopted a position on the Offer?** is hereby amended and supplemented by amending the second sentence thereof to read as follows:

As discussed in Section 2, the Company's Board, on behalf of the Company, believes that the Offer, taken as a whole, is procedurally and substantively fair to the unaffiliated shareholders of the Company including both those who tender their shares and receive payment and those who continue to hold the Company's common shares after the Offer.

2. In the Offer to Purchase, the first sentence of the seventh paragraph under the subheading entitled **INTRODUCTION** , the first sentence of the sixth paragraph under the subheading **Purpose of the Offer** in Section 2, and the first sentence under the subheading **Fairness of the Offer** in Section 2, each are amended and supplemented to read as follows:

The Board, on behalf of the Company, believes that the Offer, as a whole, is procedurally and substantively fair to the unaffiliated shareholders of the Company, both those who tender their shares and receive payment and those who continue to hold the Company's common shares after the Offer is completed.

3. In the Offer to Purchase, the information in Section 2 under the subheading **Certain Effects of the Offer** is amended and supplemented by adding the following text at the end of the ninth paragraph after such subheading:

SunLink may be the beneficiary of existing and future operating loss carryforwards (**NOLs**). As of September 30, 2017, SunLink had estimated NOL carryforwards for federal income tax purposes of \$12,400,000 million. Such NOLs expire in 2025. Use of this NOL carry-forward is subject to (a) the Company achieving taxable income, and (b) the limitation provisions of Internal Revenue Code Section 382. As a result, some or all of the NOLs carry-forward may not be applied in the future. SunLink cannot estimate the exact amount of NOLs that it would be able to use to reduce any future income tax liability because SunLink cannot predict the amount and timing of its future taxable income. SunLink believes its NOLs are a valuable assets and has taken steps to avoid the IRC Section 382 limitation of its NOLs, including a shareholder rights provision and a Code of Regulations amendment to limit the risk of an IRC Section 382 limitation. Nevertheless, if an ownership change were to occur, the limitations imposed by Section 382 could result in a material amount of SunLink's NOLs expiring unused and, therefore, significantly impair the value of SunLink's NOLs. While the complexity of Section 382's provisions and the limited knowledge that SunLink, like other

public companies generally, has about the ownership of its publicly traded common equity make it difficult to determine whether an ownership change has occurred, SunLink currently believes that an ownership change has not occurred and will not occur solely as a result of the tender offer even if fully subscribed.

ITEM 13. INFORMATION REQUIRED BY SCHEDULE 13E-3

4. The information in the Schedule TO is amended and supplemented to add the following sentence immediately after the Item 13 heading in the Schedule TO:

The following sets forth the information required by Schedule 13E-3 that has not already been set forth in Items 1-12 above. The information set forth in the Offer to Purchase is incorporated herein by reference to the items required by Schedule 13E-3.

Schedule 13E-3, Item 2. Subject Company Information is amended and supplemented as follows:

5. In the Offer to Purchase, the information set forth under the heading **Section 9 Certain Information Concerning the Company** in the **Unaudited Pro Forma Financial Data** table is amended and supplemented to add line item disclosure for noncurrent liabilities and noncurrent assets such that such table reads in its entirety as follows:

¹ The Company, as guarantor, and Southern Health Corporation of Houston, Inc. (Trace), as borrower, a wholly owned subsidiary of the Company which operates the Company's sole remaining hospital, are parties to a mortgage loan agreement (Trace RDA Loan) with a bank, originally entered into on July 5, 2012, which loan had an outstanding principal amount of approximately \$7,000 at October 30, 2017. The Company and Trace are discussing and believe they have reached an agreement in principal with the bank for a modification of the Trace RDA Loan. If completed the modification would require a prepayment of approximately \$3,500 of the

outstanding principal loan balance. The outstanding loan balance after the prepayment would be re-amortized over the remaining term of the Trace RDA Loan, which matures in July 2027, resulting in monthly payments of approximately \$39 per month at an interest rate equal to the prime rate (as published in The Wall Street Journal) plus 1% with an interest rate floor of 5.5%. The loan covenants also would be modified, including a waiver of covenant violations for the quarters ended June 30 and September 30, 2017. Such modification, if completed November 30, 2017, would result in a loss on early extinguishment of debt of approximately \$234. In connection with such proposed modification, an existing deposit of \$1,000 into a blocked interest bearing account with the lender would be released. There can be no assurance any such modification will be achieved or that Trace will receive waivers of its existing covenant violations under the Trace RDA Loan, and if the modification is completed, there can be no assurance Trace will be able to achieve compliance with the modified loan covenants.
