(a) Returns represent past performance and do not guarantee future results. Investment returns and the principal value of an investment will fluctuate. When shares are sold, they may be worth more or less than their original cost. Current performance may be lower or higher than the performance data presented. Visit www.gabelli.com for performance information as of the most recent month end. Investors should carefully consider the investment objectives, risks, charges, and expenses of the Fund before investing. The Dow Jones Industrial Average is an unmanaged index of 30 large capitalization stocks. The S&P 500 and the Nasdaq Composite Indices are unmanaged indicators of stock market performance. Dividends are considered reinvested except for the Nasdaq Composite Index.

(b) Total returns and average annual returns reflect changes in the NAV per share and reinvestment of distributions at NAV on the ex-dividend date and adjustment for the spin-off and are net of expenses. Since inception return is based on an initial NAV of \$19.06.

(c) Total returns and average annual returns reflect changes in closing market values on the NYSE, reinvestment of distributions and adjustment for the spin-off. Since inception return is based on an initial offering price of \$20.00.
