Table of Contents

Q: What shares can I vote?

A: Each share of Teekay Tankers common stock issued and outstanding as of the close of business on April 17, 2018, the *record date* for the annual meeting, is entitled to be voted on all items being voted upon at the annual meeting. The record date for the annual meeting is the date used to determine both the number of shares of Teekay Tankers common stock that are entitled to be voted at the annual meeting and the identity of the *shareholders of record* and *beneficial owners* of those shares of common stock who are entitled to vote those shares at the annual meeting. On the record date for the annual meeting, we had approximately 231,550,575 shares of Class A common stock and 37,007,981 shares of Class B common stock issued and outstanding. You may vote all shares owned by you as of the record date for the annual meeting, including (1) shares held directly in your name as the shareholder of record, and (2) shares held for you as the beneficial owner through a broker, trustee or other nominee such as a bank.

Q: What is the difference between holding shares as a shareholder of record and as a beneficial owner?

A: Most Teekay Tankers shareholders hold their shares through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholder of Record

If your shares are registered directly in your name with Teekay Tankers transfer agent, Computershare, you are considered, with respect to those shares, the *shareholder of record*, and these proxy materials are being sent directly to you by Teekay Tankers. As the shareholder of record, you have the right to grant your voting proxy directly to Teekay Tankers management or to vote in person at the meeting. Teekay Tankers has enclosed or sent a proxy card for you to use.

Beneficial Owner

If your shares are held in a brokerage account or by another nominee, you are considered the *beneficial owner* of shares held in street name and these proxy materials are being forwarded to you together with a voting instruction card. As the beneficial owner, you have the right to direct your broker, trustee or nominee how to vote and are also invited to attend the annual meeting.

Since a beneficial owner is not the shareholder of record, you may not vote these shares in person at the meeting unless you obtain a legal proxy from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the meeting. Your broker, trustee or nominee should have provided voting instructions for you to use in directing the broker, trustee or nominee how to vote your shares.

Q: How can I attend the annual meeting?

A:

You are entitled to attend the annual meeting only if you were a Teekay Tankers shareholder as of the close of business on Tuesday, April 17, 2018 or you hold a valid proxy for the annual meeting. You should be prepared to present photo identification for admittance. In addition, if you are a shareholder of record, your name will be verified against the list of shareholders of record on the record date prior to your being admitted to the annual meeting. If you are not a shareholder of record but hold shares through a broker or nominee (*i.e.*, in street name), you should provide proof of beneficial ownership on the record date, such as your most recent account statement prior to the record date, a copy of the voting instructions provided by your broker, trustee or nominee, or other similar evidence of ownership. If you do not provide photo identification or comply with the procedures outlined above upon request, you will not be admitted to the annual meeting. The meeting is scheduled to begin promptly at 11:30a.m. Atlantic Daylight Time.

Q: How can I vote my shares in person at the annual meeting?

A: Shares held in your name as the shareholder of record may be voted in person at the annual meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares. *Even if you plan to attend the annual*

Table of Contents

meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the meeting.

Q: How can I vote my shares without attending the annual meeting?

A: Whether you hold shares directly as the shareholder of record or beneficially in street name, you may direct how your shares are voted without attending the meeting. If you are a shareholder of record, you may vote by submitting a proxy or by voting online or by telephone. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, trustee or nominee.

Q: Can I change my vote?

A: You may change your vote at any time prior to the vote at the annual meeting. If you are the shareholder of record, you may change your vote by granting a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to Teekay Tankers Corporate Secretary by mail received prior to your shares being voted, or by attending the annual meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker or nominee giving you the right to vote your shares, by attending the meeting and voting in person.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Teekay Tankers or to third parties, except (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote and (3) to facilitate a successful proxy solicitation. Occasionally, shareholders provide written comments on their proxy card, which are then forwarded to Teekay Tankers management.

Q: What are the relative voting rights of Teekay Tankers Class A common stock and Class B common stock?

A: Holders of shares of Class A common stock and Class B common stock are entitled to vote on all matters submitted to a vote of shareholders at the meeting, including the election of directors and the approval of the Charter Amendment. Holders of Teekay Tankers Class A common stock will be entitled to one vote per share on all matters voted on at the meeting. Pursuant to Teekay Tankers articles of incorporation, holders of Teekay Tankers Class B common stock are generally entitled to five votes per share, provided that the voting power of the Class B common stock is limited such that the aggregate voting power of all shares of outstanding Class B common stock can at no time exceed 49% of the voting power of our outstanding Class A common stock and Class B common stock, voting together as a single class. Based on the current number of outstanding shares of Teekay Tankers Class A common stock and Class B common stock, each outstanding share of Class B common

stock will be entitled to five votes on all matters voted on at the meeting.

Q: How many shares must be present or represented to conduct business at the annual meeting?

A: The general quorum requirement for holding the annual meeting and transacting business is that holders of a majority of the total voting power of all shares of Teekay Tankers Class A and Class B common stock entitled to vote must be present in person or represented by proxy. In order to approve the Charter Amendment, it is also required that the holders of a majority of the Class A Common Stock entitled to vote at the annual meeting must also be present in person or represented by proxy at the annual meeting. Abstentions are counted for the purpose of determining the presence of a quorum, but broker non-votes will not be counted for purposes of determining the presence of a quorum.

Q: How are votes counted?

A: In the election of directors, you may vote FOR all of the nominees or your vote may be WITHHELD with respect to one or more of the nominees. For any other item of business, including the approval of the Charter Amendment, you may vote FOR, AGAINST or ABSTAIN. If you ABSTAIN, the abstention has the same effect as a vote AGAINST because the required vote, in each case, is based on the number of shares outstanding rather than the number of votes cast.

Table of Contents

If you provide specific instructions for a given item, your shares will be voted as you instruct on such item. If you sign your proxy card or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board (*i.e.*, FOR all of Teekay Tankers nominees to the Board, FOR the Charter Amendment and in the discretion of the proxyholders on any other matters that properly come before the meeting.)

If your broker holds your shares in its name (or street name), the broker is permitted to vote your shares on discretionary matters, even if it does not receive voting instructions from you. The proposal to ratify the Charter Amendment is the only discretionary matter proposed for action at the annual meeting. If you hold shares beneficially in street name and do not provide your broker with voting instructions on any of the remaining non-discretionary matters, such as the election of directors, your shares may constitute broker non-votes. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote on that proposal. Thus, broker non-votes will not affect the outcome of the election of directors, assuming that a quorum is obtained.

Q: What is the voting requirement to approve each of the proposals?

A: In the election of directors, the seven persons receiving the highest number of FOR votes at the annual meeting will be elected.

Approval of the Charter Amendment requires the affirmative FOR vote of the holders of at least a majority of (1) the outstanding shares of Class A Common Stock as of the record date, voting as a single class, and (2) the outstanding voting power of Class A Common Stock and Class B Common Stock as of the record date, voting together as a single class.

Any other proposal requires the affirmative FOR vote of a majority of the total voting power of those shares of common stock present in person or represented by proxy and entitled to vote on that proposal at the annual meeting.

Q: Is cumulative voting permitted for the election of directors?

A: No. Teekay Tankers does not allow you to cumulate your vote in the election of directors. For all matters proposed for shareholder action at the annual meeting, each share of Class A common stock outstanding as of the close of business on the record date is entitled to one vote and each share of Class B common stock outstanding as of the close of business on the record date is entitled to five votes.

Q: What happens if additional matters are presented at the annual meeting?

A: Other than the two items of business described in this proxy statement, we are not aware of any business to be acted upon at the annual meeting. If you grant a proxy, the persons named as proxyholders, Kevin Mackay, Stewart Andrade and Arthur Bensler, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any unforeseen reason any of our nominees are not available as a candidate for director, the persons named as proxyholders will vote your proxy for such candidate or candidates as may be nominated by the Board, unless the Board chooses to reduce the number of directors serving on the

Board.

Q: What should I do if I receive more than one set of voting materials?

A: If you request a printed set of voting materials, you may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a shareholder of record requesting printed voting materials and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive.

Q: How may I obtain a separate set of voting materials?

A: If you share an address with another shareholder and request a printed set of voting materials, you may receive only one set of proxy materials unless you have provided contrary instructions. If you wish to receive a

separate set of proxy materials now or in the future, you may contact us to request a separate copy of these materials at:

Email: investor.relations@teekay.com

Similarly, if you share an address with another shareholder and have received multiple copies of our proxy materials, you may contact us as indicated above to request delivery of a single copy of these materials in the future.

Q: Who will bear the cost of soliciting votes for the annual meeting?

A: Teekay Tankers is making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing proxy materials and soliciting votes. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. Upon request, we will reimburse brokerage houses and other custodians, nominees and fiduciaries for forwarding proxy and solicitation materials to shareholders.

Q: Where can I find the voting results of the annual meeting?

A: We intend to announce preliminary voting results at the annual meeting and publish final results in our report on Form 6-K for the second quarter of 2018.

Q: What is the deadline to propose actions for consideration at next year's annual meeting of shareholders or to nominate individuals to serve as directors?

A: You may submit proposals, including director nominations, for consideration at future shareholder meetings as indicated below.

Table of Contents**CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS**

Teekay Tankers is committed to sound corporate governance principles. These principles contribute to Teekay Tankers' business success and are essential to maintaining Teekay Tankers' integrity in the marketplace. Teekay Tankers' Corporate Governance Guidelines and Standards of Business Conduct are available under Governance in the Investors Teekay Tankers Ltd. section of our website at www.teekay.com. Although Teekay Tankers is a foreign private issuer, the Company has voluntarily chosen to comply in all material respects with the New York Stock Exchange (or NYSE) domestic corporate governance listing standards applicable to U.S. controlled companies.

Board Independence

The Board has determined that each of our directors, other than Arthur Bensler, the Executive Vice President and General Counsel of Teekay Corporation, and Kenneth Hvid, President and CEO of Teekay Corporation, has no material relationship with Teekay Tankers (either directly or as a partner, shareholder or officer of an organization that has a relationship with Teekay Tankers) and is *independent* within the meaning of Teekay Tankers' director independence standards, which reflect the NYSE director independence standards, as currently in effect. Five of the current directors standing for re-election at the annual meeting are independent directors.

The Board has determined that each member of Teekay Tankers' Audit Committee and Conflicts Committee has no material relationship with Teekay Tankers (either directly or as a partner, shareholder or officer of an organization that has a relationship with Teekay Tankers) and is independent within the meaning of Teekay Tankers' director independence standards. In addition, the Board has determined that each member of the Audit Committee and the Conflicts Committee also satisfies Teekay Tankers' Audit Committee member independence standards, which reflect applicable NYSE and SEC audit committee member independence standards.

Board Structure and Committee Composition

Teekay Tankers has chosen to separate the positions of Chairman of the Board and Chief Executive Officer and to have those positions occupied by different individuals believing such separation promotes greater management accountability to shareholders.

As of the date of this proxy statement, the Board has seven directors and the following three committees: (1) Audit, (2) Conflicts, and (3) Nominating and Corporate Governance. The function of each of the committees is described later in this section. Each of the committees operates under a written charter adopted by the Board. All of the committee charters are available under Governance in the Investors Teekay Tankers Ltd. section of our website at www.teekay.com. During 2017, the Board held nine meetings. Directors attended all board meetings. All committee members attended all committee meetings in 2017. The membership of each of the committees for 2017, and as of the date of this proxy statement, and the number of meetings of each committee held during 2017 are as follows:

the integrity of Teekay Tankers' consolidated financial statements;

Teekay Tankers' compliance with legal and regulatory requirements;

the independent auditors' qualifications and independence; and

the performance of Teekay Tankers' internal audit function and independent auditors.

Specific duties of the Audit Committee include:

engagement of Teekay Tankers' independent auditor;

meeting with management and the independent auditor to review and discuss annual and quarterly consolidated financial statements, financial disclosure and, as applicable, the independent auditor's report on internal controls over financial reporting;

periodic assessment of accounting practices and policies and risk and risk management, including the Company's policy on use of derivatives and its compliance with the policy;

review of Teekay Tankers' internal controls, internal audit function and corporate policies with respect to financial information;

periodic review with management, and if applicable, the independent auditor, of any material correspondence with, or other material action by, regulators or governmental agencies, any material legal affairs of the Company, pension governance, and Teekay Tankers' compliance with applicable laws and listing standards;

oversight of the hiring of any employees or former employees of the independent auditor to ensure compliance with applicable regulations;

periodic review and monitoring of compliance with and the effectiveness of Teekay Tankers Standards of Business Conduct;

overseeing the establishment of procedures for handling complaints concerning financial, accounting, internal accounting controls and auditing matters;

reporting to the Board on significant matters arising from the Committee's activities;

preparing an Audit Committee report for inclusion in the annual proxy statement;

annually reviewing the Audit Committee charter and the Committee's performance; and

The Audit Committee works closely with Teekay Tankers' management, internal auditors and independent auditors. The Audit Committee has the authority to obtain advice and assistance from and receive appropriate funding from Teekay Tankers for outside legal, accounting and other advisors as the Audit Committee deems necessary to fulfill its duties. The Audit Committee meets at least quarterly, and holds such other meetings as are necessary or appropriate for the Committee to fulfill its responsibilities. Periodically, the Audit Committee meets separately with management, with internal audit personnel and with the independent auditors to discuss matters that the Committee or the other groups believe deserve Committee attention. The report of the Audit Committee is included on page 25 of this proxy statement.

Conflicts Committee

Teekay Tankers' Conflicts Committee is composed entirely of directors who satisfy the same heightened NYSE and SEC independence standards as apply to audit committee membership. The Conflicts Committee reviews matters that the Board refers to the committee for consideration and which constitute (a) matters the Board believes may involve conflicts of interest between (1) Teekay Tankers and (2) its controlling shareholder Teekay Corporation or its affiliates (other than Teekay Tankers) or (b) material related-party transactions, including transactions between Teekay Tankers and its officers or directors or their affiliates. The Board is not obligated to seek approval of the Conflicts Committee on any matter and may determine the resolution of any conflict of interest itself. The Conflicts Committee has the authority to obtain advice and assistance from, and receive appropriate funding from Teekay Tankers for, outside advisers as the Conflicts Committee deems necessary to fulfill its duties.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee:

identifies individuals qualified to become Board members;

selects and recommends to the Board director and committee member candidates;

develops and recommends to the Board corporate governance principles and policies applicable to Teekay Tankers, monitors compliance with these principles and policies and recommends to the Board appropriate changes; and

oversees the evaluation of the Board and its committees.

Specific duties of the Nominating and Corporate Governance Committee include, among others: annually assessing the size and composition of the Board; periodically reviewing director qualification criteria; annually reviewing and, as appropriate, recommending directors for continued service; overseeing the Board's committee structure; recommending Board committee assignments; monitoring compliance with Board and Board committee membership criteria; developing procedures for selecting the Chair of the Board; determining the method of communication between employees, shareholders and other interested parties and non-management directors; and annually evaluating the Committee's performance and its charter. The Committee has the authority to obtain assistance from outside advisors in fulfilling its duties and to compensate these advisors.

Consideration of Director Nominees

Shareholder Nominees

The policy of the Nominating and Corporate Governance Committee is to consider properly submitted shareholder nominations for Board of Directors candidates as described below under "Identifying and Evaluating Nominees for Directors." In evaluating these nominations, the Committee considers the balance of knowledge, experience and capability of Directors and the membership guidelines set forth below under "Director Qualifications." Any shareholder nominations proposed for consideration by the Nominating and Corporate Governance Committee should include the

nominee's name and qualifications for Board membership and should be delivered or mailed, addressed to:

Corporate Secretary

Teekay Tankers Ltd.

4th Floor, Belvedere Building

69 Pitts Bay Road

Hamilton, HM 08 Bermuda

In addition, Teekay Tankers' bylaws permit shareholders to nominate directors for consideration at an annual shareholders meeting. For a description of the process for nominating directors in accordance with Teekay Tankers' bylaws, please read *Questions and Answers about the Proxy Materials and the Annual Meeting - What is the deadline to propose actions for consideration at next year's annual meeting of shareholders or to nominate individuals to serve as directors?* on page 6 of this proxy statement.

Director Qualifications

Teekay Tankers' Corporate Governance Guidelines include Board membership guidelines that the Nominating and Corporate Governance Committee should consider in reviewing and in recommending to the Board director nominees. Under these guidelines, members of the Board should have high standards of personal and professional ethics, integrity and values. Among other things, the Nominating and Corporate Governance Committee should consider: the nominee's training, experience and ability in making and overseeing policy in business, government or education sectors; willingness and availability to carry out his or her duties effectively; and commitment to act in the best interests of Teekay Tankers and its stakeholders; and to assess objectively Board, committee and management performance. In evaluating director nominees, the Nominating and Corporate Governance Committee also assesses an individual's qualifications, skills, experience, background and knowledge in light of the overall composition of the existing Board. Teekay Tankers' Corporate Governance Guidelines, which include a more detailed discussion of desired director qualifications, are available under 'Corporate Governance' in the 'About Us' section of our website at www.teekay.com.

Identifying and Evaluating Nominees for Directors

The Nominating and Corporate Governance Committee uses a variety of methods for identifying and evaluating director nominees for recommendation to the Board for approval. The Nominating and Corporate Governance Committee regularly assesses the appropriate size of the Board, and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated or otherwise arise, the Nominating and Corporate Governance Committee considers potential director candidates. Candidates may come to the attention of the Nominating and Corporate Governance Committee through current Board members, professional search firms, shareholders or others. These candidates are evaluated at regular or special meetings of the Nominating and Corporate Governance Committee and may be considered at any time during the year. As described above, the Nominating and Corporate Governance Committee considers properly submitted shareholder nominations for candidates for the Board. Following verification of the shareholder status of persons proposing candidates, any recommendations are aggregated and considered by the Nominating and Corporate Governance Committee. If any materials are provided by a shareholder in connection with the nomination of a director candidate, these materials are forwarded to the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee also reviews materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a shareholder. In evaluating these nominations, the Nominating and Corporate Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board.

Executive Sessions

Teekay Tankers' non-management directors hold at least four executive sessions each year at which the non-management directors meet without management directors or other executives present. A non-management director presides over each executive session of the non-management directors, although the same director is not required to preside over each session. Any non-management director may request that additional executive sessions of the non-management directors be held, and the presiding non-management director for the previous session will determine whether to call any such meeting.

Exemptions from NYSE Corporate Governance Rules

As a foreign private issuer and as a controlled company, Teekay Tankers is exempt from certain corporate governance rules that apply to U.S. domestic companies under NYSE listing standards. The following are the significant ways in which Teekay Tankers' corporate governance practices differ from those followed by U.S. domestic companies:

Unlike domestic companies listed on the NYSE, foreign private issuers and controlled companies are not required to have a majority of independent directors. Teekay Tankers' Board has determined that five of its seven current directors (being Richard J. F. Bronks, Richard T. du Moulin, William Lawes, Richard Paterson and Bjorn Moller) satisfy the NYSE's independence standards for domestic companies.

U.S. issuers are required to have a compensation committee and a nominating and corporate governance committee, each comprised entirely of independent directors. Although as a foreign private issuer and controlled company these rules do not apply to Teekay Tankers, the Board has a nominating and corporate governance committee that currently includes four independent directors. Primarily because Teekay Tankers executive officers are employees of Teekay Corporation, with a portion of their compensation reimbursed by Teekay Tankers, the Board does not have a compensation committee. Please read *Executive Officers Executive Compensation*.

PROPOSAL NO. 2

AMENDMENT TO THE AMENDED AND RESTATED ARTICLES OF INCORPORATION

Introduction

Our Amended and Restated Articles of Incorporation currently authorize the issuance of up to 285,000,000 shares of Class A Common Stock, par value \$0.01 per share, up to 100,000,000 shares of Class B Common Stock, par value \$0.01 per share, and up to 100,000,000 shares of Preferred Stock, par value \$0.01 per share. Of the authorized shares of Class A Common Stock and Class B Common Stock, 231,550,575 shares of Class A Common Stock and 37,007,981 shares of Class B Common Stock were issued and outstanding as of the date of this proxy statement. In addition, as of the date of this proxy statement, we have reserved a total of 50,470,128 shares of our authorized Class A Common Stock for (a) the potential conversion, pursuant to our Amended and Restated Articles of Incorporation, of our outstanding shares of Class B Common Stock into shares of Class A Common Stock, (b) issuance under the Teekay Tankers Ltd. 2007 Long-Term Incentive Plan, of which 2,910,729 options for Class A Common Stock were issued and outstanding and 3,029,415 shares of Class A Common Stock were subject to outstanding restricted stock unit awards as of April 26, 2018, and (c) other purposes. We currently do not have outstanding any preferred shares.

Description of the Charter Amendment

On March 15, 2018, our Board unanimously approved the Charter Amendment, pursuant to which Section 5.1 of our Amended and Restated Articles of Incorporation would be amended, subject to shareholder approval, to increase the number of shares of Class A Common Stock authorized for issuance from 285,000,000 to 485,000,000, with a corresponding increase in the number of total shares of capital stock authorized for issuance from 485,000,000 to 685,000,000.

The Board is recommending this increase in the number of shares of Class A Common Stock and capital stock authorized for issuance primarily for future corporate purposes, which may include, among other things, equity issuances to fund growth opportunities. The shares of Class A Common Stock may be issued by the Board in its discretion upon such terms as the Board or an applicable Board committee deems appropriate.

The Board believes that these additional shares of Class A Common Stock will provide us with the ability to act on favorable market conditions in the future without the potential expense and delay incident to obtaining shareholder approval for an amendment to the Amended and Restated Articles of Incorporation at that time.

Effect of the Amendment

The increase in the number of shares of Class A Common Stock and capital stock authorized for issuance will have no dilutive effect upon the proportionate voting power of our present shareholders. Any subsequent issuance of the shares of Class A Common Stock would have a dilutive effect upon the voting power and could have a dilutive effect upon the economic interest of our existing shareholders.

Effectiveness

The Charter Amendment will become effective upon the filing of an amendment to our Amended and Restated Articles of Incorporation with the Registrar of Corporations of the Marshall Islands after approval by our shareholders.

Required Vote

Approval of the Charter Amendment requires the affirmative **FOR** vote of the holders of at least a majority of (i) the outstanding shares of our Class A Common Stock, voting as a single class, and (ii) the outstanding voting power of our Class A Common Stock and Class B Common Stock, voting together as a single class. Abstentions and broker non-votes will have the same effect as voting **AGAINST** the Charter Amendment because the required vote is based on the number of shares outstanding rather than the number of votes cast.

Our Board recommends a vote **FOR** the Charter Amendment.

Please read *Common Stock Ownership of Certain Beneficial Owners and Management* for more information.

Teekay Tankers Class B common stock has five votes per share, subject to a 49% aggregate Class B common stock voting power maximum, while Teekay Tankers Class A common stock has one vote per share. Except as otherwise provided by the Marshall Islands Business Corporations Act, holders of shares of Class A common stock and Class B common stock vote together as a single class on all matters submitted to a vote of shareholders, including the election of directors. Teekay Corporation currently controls all of Teekay Tankers' outstanding Class B common stock and additional shares of Class A common stock. Because of Teekay Tankers' dual-class structure, Teekay Corporation may continue to control all matters submitted to Teekay Tankers' shareholders for approval even if it and its affiliates own significantly less than 50% of the shares of Teekay Tankers' outstanding common stock.

Teekay Tankers' articles of incorporation renounce in favor of Teekay Corporation business opportunities that may be attractive to both Teekay Corporation and Teekay Tankers. This provision effectively limits the fiduciary duties Teekay Tankers or its shareholders otherwise may be owed regarding these business opportunities by the Teekay Tankers directors and officers, who also serve as directors or officers of Teekay Corporation or its other affiliates. If Teekay Corporation or its affiliates no longer beneficially own shares representing at least 20% of the total voting power of Teekay Tankers' outstanding capital stock and no person who is an officer or director of Teekay Tankers is also an officer or director of Teekay Corporation or its other affiliates, then this business opportunity provision of Teekay Tankers' articles of incorporation will terminate.
