MiFID II product governance:

Solely for the purposes of each manufacturer s product approval process, the target market assessment in respect of the Securities has led to the conclusion that: (i) the target market for the Securities is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, MiFID II); and (ii) all channels for distribution of the Securities to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Securities (a distributor) should take into consideration the manufacturers target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Securities (by either adopting or refining the manufacturers target market assessment) and determining appropriate distribution channels.

investors:

Restrictions on marketing and sales to retail The Securities are complex financial instruments and are not a suitable or appropriate investment for all investors. In some jurisdictions, regulatory authorities have adopted or published laws, regulations or guidance with respect to the offer or sale of securities such as the Securities to retail investors. In particular, in June 2015, the Financial Conduct Authority (the FCA) published the Product Intervention (Contingent Convertible Instruments and Mutual Society Shares) Instrument 2015, which set out certain rules and took effect from October 1, 2015 (the PI Rules). In addition, (i) on January 1, 2018, the provisions of Regulation (EU) No 1286/2014 (as amended, the PRIIPs Regulation) on key information documents for packaged retail and insurance-based investment products became directly applicable in all European Economic Area (EEA) member states and (ii) MiFID II was required to be implemented in EEA member states by January 3, 2018. Together, the PI Rules, the PRIIPs Regulation and MiFID II are referred to as the Regulations.

The Regulations set out various obligations in relation to (i) the manufacturing and distribution of financial instruments and (ii) the offering, sale and distribution of packaged retail and insurance-based investment products and certain contingent write-down or convertible securities, such as the Securities.

Potential investors should inform themselves of, and comply with, any applicable laws, regulations or regulatory guidance with respect to any resale of the Securities (or any beneficial interests therein) including the Regulations.

HSBC Holdings and some or all of the underwriters are required to comply with the Regulations. By purchasing, or making or accepting an offer to purchase (including by an indication of interest), any Securities (or a beneficial interest in such Securities) from HSBC Holdings and/or any underwriter, each prospective investor represents, warrants, agrees with and undertakes to HSBC Holdings and its affiliates and each of the underwriters and their affiliates that: (1) it is not a retail investor in the EEA; (2) it will not (A) sell, offer or recommend the Securities (or any beneficial interest therein) or otherwise make them available to retail investors in the EEA or (B) communicate (including the distribution of the prospectus supplement or the accompanying prospectus) or approve an invitation or inducement to participate in, acquire or underwrite the Securities (or any beneficial interests therein) where that invitation or inducement is addressed to or disseminated in such a way that it is likely to be received by a retail investor in the EEA; and (3) it will at all times comply with all applicable laws, regulations and regulatory guidance (whether inside or outside the EEA) relating to the promotion, offering, distribution and/or sale of the Securities (or any beneficial interests therein), including (without limitation) any such applicable laws, regulations and regulatory guidance relating to determining the appropriateness and/or suitability of an investment in the Securities (or any beneficial interests therein) by investors in any relevant jurisdiction, having

regard to the target market assessment for the Securities. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; or (ii) a customer within the meaning of Directive 2002/92/EC (as amended, the IMD), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II.

Where acting as agent on behalf of a disclosed or undisclosed client when purchasing, or making or accepting an offer to purchase, any Securities (or any beneficial interests therein) from HSBC Holdings or any underwriter, the foregoing representations, warranties, agreements and undertakings will be given by and be binding upon both the agent and its underlying client. For the avoidance of doubt, the restrictions described above do not affect the distribution of the Securities in jurisdictions outside the EEA, such as the United States, provided that any distribution into the EEA complies with the PI Rules.

PRIIPS Regulation Prohibition of sales to EEA retail investors:

The Securities are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; or (ii) a customer within the meaning of the IMD, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently, no key information document required by the PRIIPs Regulation for offering or selling the Securities or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Securities or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation. The expression Prospectus Directive means Directive 2003/71/EC (and amendments thereto, including Directive 2010/73/EU), and includes any relevant implementing measure in any Member State.

Edgar Filing: HSBC HOLDINGS PLC - Form FWP

Net Price: 99.000% Net Proceeds to Issuer: £990,000,000 **Interest Payment Dates:** Interest on the Securities, if any, will be payable in arrear on March 28 and September 28 of each year, beginning on March 28, 2019, subject to cancellation or deemed cancellation as described in the prospectus supplement. Reset Dates: September 28, 2026 and each fifth anniversary date thereafter (each such date, a Reset Date). Each period from (and including) a Reset Date to (but excluding) the following Reset Date will be a Reset Period. Reset Determination Date: Second London banking day immediately preceding a Reset Date.

London banking day means any day on which dealings in pounds sterling are transacted in the London interbank market.

Mid-Market Swap Rate:

The Mid-Market Swap Rate Quotation (as defined below) that appears on Reuters page ICESWAP4 (or such other page as may replace such page on Reuters or such other information service, in each case, as may be nominated by the person providing or sponsoring the information appearing on such page for purposes of displaying comparable rates) (the relevant screen page) as of approximately 11:00 a.m. (London time) on the relevant Reset Determination Date, all as determined by the calculation agent (the Mid-Market Swap Rate); provided, however, that if no such rate appears on the relevant screen page for a five-year term, then the Mid-Market Swap Rate will be determined through the use of straight-line interpolation by reference to two rates, one of which will be determined in accordance with the above provisions, but as if the relevant Reset Period were the period of time for which rates are available next shorter than the length of the actual Reset Period and the other of which will be determined in accordance with the above provisions, but as if the relevant Reset Period were the period of time for which rates are available next longer than the length of the actual Reset Period; provided further that if on any Reset

Determination Date the relevant screen page is not available or the Mid-Market Swap Rate does not appear on the relevant screen page, subject to the first proviso in the definition of Mid-Market Swap Rate Quotation below, the calculation agent will request the principal office in London of four major banks in the swap, money, securities or other market most closely connected with the relevant Mid-Market Swap Rate (as selected by HSBC Holdings on the advice of an investment bank of international repute) (the Reference Banks) to provide it with its Mid-Market Swap Rate Quotation as of approximately 11:00 a.m. (London time) on the relevant Reset Determination Date. If two or more of the Reference Banks provide the calculation agent with Mid-Market Swap Rate Quotations, the interest rate for the relevant Reset Period will be the sum of the Margin and the arithmetic mean of the relevant Mid-Market Swap Rate Quotations, as determined by the calculation agent. If only one or none of the Reference Banks provides the calculation agent with a Mid-Market Swap Rate Quotation, the interest rate will be determined to be the rate of interest as of the last preceding Reset Date or, in the case of the initial Reset Determination Date, the Initial Interest Rate.

Mid-Market Swap Rate Quotation:

A quotation (expressed as a percentage rate per annum) for the mean of the bid and offered rates for the fixed leg payable semi-annually (calculated on the basis of the actual number of days in the relevant period from (and including) the date on which interest begins to accrue to (but excluding) the date on which it falls due divided by 365) of a fixed-for-floating interest rate swap transaction in pounds sterling which transaction (i) has a five-year term commencing on the relevant Reset Date, (ii) is in an amount that is representative for a single transaction in the pounds sterling swap rate market at 11:00 a.m. (London time) with an acknowledged dealer of good credit in the swap market and (iii) has a floating leg based on six-month LIBOR (calculated on the basis of the actual number of days in the relevant period from (and including) the date on which interest begins to accrue to (but excluding) the date on which it falls due divided by 365); provided that, notwithstanding the second proviso in the definition of Mid-

Market Swap Rate, if HSBC Holdings (in consultation with the calculation agent) determine that the Mid-Market Swap Rate has ceased to be published on the relevant screen page as a result of LIBOR ceasing to be calculated or administered for publication, HSBC Holdings will use reasonable efforts to appoint an Independent Financial Adviser (as defined below) to determine the Alternative Base Rate (as defined below) and the Alternative Screen Page (as defined below) by no later than five business days prior to the Reset Determination Date (the Reset Determination Cut-off Date). If HSBC Holdings is unable to appoint an Independent Financial Adviser, or if the Independent Financial Adviser fails to determine the Alternative Base Rate and the Alternative Screen Page prior to the Reset Determination Cut-off Date, HSBC Holdings will determine the Alternative Base Rate and the Alternative Screen Page for the Reset Period. In either case, the Mid-Market Swap Rate Quotation will then be the quotation for the mean of bid and offered rates determined as provided above but as if the reference to LIBOR was a reference to the Alternative Base Rate on the Alternative Screen Page with any required Calculation Changes (as defined below). Notwithstanding the foregoing, if HSBC Holdings does not determine the Alternative Base Rate and the Alternative Screen Page prior to the Reset Determination Date, the interest rate will be determined to be the rate of interest as of the last preceding Reset Date or, in the case of the initial Reset Determination Date, the Initial Interest Rate.

If the Independent Financial Adviser or HSBC Holdings determine the Alternative Base Rate, the Independent Financial Adviser or HSBC Holdings, as applicable, may also, following consultation with the calculation agent, make changes to the day count fraction, the business day convention and the definition of business day, in each case in order to follow market practice, as well as any other changes (including to the Margin) that HSBC Holdings, following consultation with the Independent Financial Adviser (if appointed), determine in good faith are reasonably necessary to ensure the proper operation of the Alternative Base Rate or the Mid-Market Swap Rate, as well as the comparability of the

interest rate determined by reference to the Alternative Base Rate to the interest rate determined by reference to LIBOR (the Calculation Changes).

HSBC Holdings will promptly give notice of the determination of the Alternative Base Rate, the Alternative Screen Page and any Calculation Changes to the trustee, the paying agent, the calculation agent and the securityholders; provided that failure to provide such notice will have no impact on the effectiveness of, or otherwise invalidate, any such determination.

Alternative Base Rate means the rate that has replaced LIBOR in customary market usage for determining floating interest rates in respect of bonds denominated in pounds sterling or, if the Independent Financial Adviser or HSBC Holdings (in consultation with the calculation agent and acting in good faith and a commercially reasonable manner), as applicable, determine that there is no such rate, such other rate as the Independent Financial Adviser or HSBC Holdings (in consultation with the calculation agent and acting in good faith and a commercially reasonable manner), as applicable, determine in the Independent Financial Adviser s or HSBC Holdings sole discretion is most comparable to LIBOR.

Alternative Screen Page means the alternative screen page, information service or source on which the Alternative Base Rate appears (or such other page, information service or source as may replace the alternative screen page, information service or source, in each case, as may be nominated by the person providing or sponsoring the information appearing on such page for purposes of displaying comparable rates).

Independent Financial Adviser means an independent financial institution of international repute or other independent financial adviser experienced in the international capital markets, in each case appointed by HSBC Holdings at its own expense.

Certain Other Terms and Information:

Terms which are defined in Description of the Securities included in the preliminary prospectus supplement dated September 20, 2018 relating to the Securities (the prospectus supplement) beginning on page S-53 of the prospectus supplement have the same meaning when used in this Pricing Term Sheet.

Discretionary Interest Payments:

HSBC Holdings will have sole and absolute discretion at all times and for any reason to cancel (in whole or in part) any interest payment that would otherwise be payable on any interest payment date (the Discretionary Interest Payment Right).

Restrictions on Interest Payments:

Without prejudice to the Discretionary Interest Payment Right or the prohibition contained in Article 141(2) of CRD (as defined in the prospectus supplement under *Description of the Securities Definitions*) (and any implementation of such provision in the UK or, as the case may be, any succeeding provision amending or replacing such Article or any such implementing provision) on the making of payments on the Securities before the Maximum Distributable Amount has been calculated, subject to the extent permitted in the following paragraph in respect of partial interest payments in respect of the Securities, HSBC Holdings will not make an interest payment on any interest payment date (and such interest payment will therefore be deemed to have been cancelled and thus will not be due and payable on such interest payment date) if:

- (a) the amount of Relevant Distributions exceeds the amount of Distributable Items as of such interest payment date;
- (b) the aggregate of (x) the interest amount payable in respect of the Securities and (y) the amounts of any distributions of the kind referred to in Article 141(2) of CRD (and any implementation of such provision in the UK or, as the case may be, any succeeding provision amending or replacing such Article or any such implementing provision) exceeds the Maximum Distributable Amount (if any) applicable to HSBC Holdings as of such interest payment date;

- (c) the Solvency Condition is not satisfied in respect of such interest payment; or
- (d) the Relevant Regulator orders HSBC Holdings to cancel (in whole or in part) the interest otherwise payable on such interest payment date.

HSBC Holdings may, in its sole discretion, elect to make a partial interest payment on the Securities on any interest payment date, only to the extent that such partial interest payment may be made without breaching the restriction in the preceding paragraph. For the avoidance of doubt, the portion of interest not paid on the relevant interest payment date will be deemed to have been cancelled and thus will not be due and payable on such interest payment date.

Distributable Items means the amount of HSBC Holdings profits at the

end of the last financial year plus any profits brought forward and reserves available for that purpose before distributions to holders of the Securities and any Parity Securities and Junior Securities less any losses brought forward, profits which are non-distributable pursuant to the Companies Act 2006 (UK), as amended from time to time (the Companies Act) or other provisions of English law from time to time applicable to HSBC Holdings or its Memorandum and Articles of Association (its Articles of Association) and sums placed to non-distributable reserves in accordance with the Companies Act or other provisions of English law from time to time applicable to HSBC Holdings or its Articles of Association, those losses and reserves being determined on the basis of HSBC Holdings individual accounts and not on the basis of HSBC Holdings consolidated accounts.

Junior Securities means, in respect of the Securities, (i) any of HSBC Holdings ordinary shares or HSBC Holdings other securities that rank, or are expressed to rank, junior to the Securities in HSBC Holdings winding-up or administration as described in the prospectus supplement under *Description of the Securities Subordination* and/ or (ii) any securities

issued by any other member of the HSBC Group where the terms of such securities benefit from a guarantee or support agreement entered into by HSBC Holdings that ranks, or is expressed to rank, junior to the Securities in HSBC Holdings winding-up or administration as described in the prospectus supplement under *Description of the Securities Subordination* and/or (iii) any of HSBC Holdings capital instruments that qualify as common equity Tier 1 instruments under the Relevant Rules (as defined in the prospectus supplement under *Description of the Securities Definitions*).

Maximum Distributable Amount means any applicable maximum distributable amount relating to HSBC Holdings required to be calculated in accordance with Article 141 of CRD (and any implementation of such provision in the UK or, as the case may be, any succeeding provision amending or replacing such Article or any such implementing provision).

Parity Securities means, (i) the most senior ranking class or classes of preference shares in HSBC Holdings capital from time to time and any other of HSBC Holdings securities ranking, or expressed to rank, *pari passu* with the Securities and/or such senior preference shares in HSBC Holdings winding-up or administration as described in the prospectus supplement under *Description of the Securities Subordination*, and/or (ii) any securities issued by any other member of the HSBC Group where the terms of such securities benefit from a guarantee or support agreement entered into by HSBC Holdings which ranks or is expressed to rank *pari passu* with the Securities and/or such senior preference shares in HSBC Holdings winding-up or administration as described in the prospectus supplement under *Description of the Securities Subordination*.

Relevant Distributions means, in relation to any interest payment date, the sum of (i) all distributions or interest payments made or declared by HSBC Holdings since the end of the last financial year and prior to such interest payment date on or in respect of any Parity Securities, the Securities

and any Junior Securities and (ii) all distributions or interest payments payable by HSBC Holdings (and not cancelled or deemed to have been cancelled) on such interest payment date on or in respect of any Parity Securities, the Securities and any Junior Securities, in the case of each of (i) and (ii), excluding any payments already accounted for in determining the Distributable Items.

Solvency Condition means the condition that, other than in the event of HSBC Holdings winding-up or administration, as described in the prospectus supplement under Description of the Securities Subordination, or with respect to the payment of the cash proceeds from any Conversion Shares Offer Consideration, as described in the prospectus supplement under Description of the Securities Automatic Conversion Upon Capital Adequacy Trigger Event Conversion Shares Offer, payments in respect of, or arising from, the Securities will be conditional (x) upon HSBC Holdings being solvent at the time of payment by it, and (y) in that no sum in respect of or arising from the Securities may fall due and be paid except to the extent that HSBC Holdings could make such payment and still be solvent immediately thereafter. For purposes of determining whether the Solvency Condition is met, HSBC Holdings will be considered to be solvent at a particular point in time if (x) it is able to pay its debts owed to Senior Creditors as they fall due and (y) the Balance Sheet Condition has been met.

Agreement to Interest Cancellation:

By its acquisition of the Securities, each securityholder (which, for these purposes, includes each beneficial owner) will acknowledge and agree that:

(a) interest is payable solely at HSBC Holdings discretion and no amount of interest will become due and payable in respect of the relevant interest period to the extent that it has been (x) cancelled (in whole or in part) by HSBC Holdings at its sole discretion and/or (y) deemed to have been cancelled (in whole or in part), including as a result of HSBC Holdings Distributable Items or the Maximum Distributable Amount being exceeded, failing to satisfy the Solvency Condition or an order from the Relevant Regulator; and

(b) a cancellation or deemed cancellation of interest (in each case, in whole or in part) in accordance with the terms of the Indenture and the Securities will not constitute a default in payment or otherwise under the terms of the Indenture or the Securities.

Capital Adequacy Trigger Event:

A Capital Adequacy Trigger Event will occur if at any time the end-point CET1 Ratio is less than 7.0%. Whether a Capital Adequacy Trigger Event has occurred at any time will be determined by HSBC Holdings, the Relevant Regulator or any agent of the Relevant Regulator appointed for such purpose by the Relevant Regulator.

end-point CET1 Ratio means, as of any date, the ratio of CET1 Capital to the Risk Weighted Assets, in each case as of such date, expressed as a percentage.

CET1 Capital means, as of any date, the sum, expressed in U.S. dollars, of all amounts that constitute common equity Tier 1 capital of the HSBC Group as of such date, less any deductions from common equity Tier 1 capital required to be made as of such date, in each case as calculated by HSBC Holdings on a consolidated basis and without applying the transitional provisions set out in Part Ten of the CRR (or in any successor provisions thereto or any equivalent provisions of the Relevant Rules which replace or supersede such provisions) in accordance with the Relevant Rules applicable to HSBC Holdings as of such date (which calculation will be binding on the trustee, the paying agent and the securityholders). For the purposes of this definition, the term common equity Tier 1 capital will have the meaning assigned to such term in CRD IV (as the same may be amended or replaced from time to time) as interpreted and applied in accordance with the Relevant Rules then applicable to the HSBC Group or by the Relevant Regulator.

Risk Weighted Assets means, as of any date, the aggregate amount, expressed in U.S. dollars, of the risk weighted assets of the HSBC Group as of such date, as calculated by HSBC Holdings on a consolidated basis and without applying the transitional provisions set out in Part Ten of the CRR (or in any successor provisions thereto or any equivalent provisions of the Relevant Rules which replace or supersede such provisions) in accordance with the Relevant Rules applicable to HSBC Holdings as of such date (which calculation will be binding on the trustee, the paying agent and the securityholders). For the purposes of this definition, the term risk weighted assets means the risk weighted assets or total risk exposure amount, as calculated by HSBC Holdings in accordance with the Relevant Rules.

Automatic Conversion upon a Capital Adequacy Trigger Event:

If a Capital Adequacy Trigger Event occurs, then an Automatic Conversion will occur without delay (but no later than one month following the date on which it is determined such Capital Adequacy Trigger Event has occurred), as described in the prospectus supplement under *Description of the Securities Automatic Conversion Upon Capital Adequacy Trigger Event Procedure Automatic Conversion Procedure*, at which point all of HSBC Holdings obligations under the Securities will be irrevocably and automatically released in consideration of HSBC Holdings issuance of the Conversion Shares to the Conversion Shares Depository (or to the relevant recipient in accordance with the terms of the Securities) on the date on which the Automatic Conversion will take place, or has taken place, as applicable (such date, the Conversion Date), and under no circumstances will such released obligations be reinstated.

After a Capital Adequacy Trigger Event, subject to the conditions described in the prospectus supplement under *Description of the Securities Automatic Conversion Upon Capital Adequacy Trigger Event Procedure*, HSBC Holdings expects the Conversion Shares Depository to deliver to the securityholders on the Settlement Date (as defined in the prospectus supplement under *Description of the Securities Definitions*) either (i) Conversion Shares or (ii) if HSBC

Holdings elects, in its sole and absolute discretion, that a Conversion Shares Offer be made, the Conversion Shares Offer Consideration.

The Securities will not be convertible into Conversion Shares at the option of the securityholders at any time.

Conversion Shares means HSBC Holdings ordinary shares to be issued to the Conversion Shares Depository (or to the relevant recipient in accordance with the terms of the Securities) following an Automatic Conversion, which ordinary shares will be in such number as is determined by dividing the aggregate principal amount of the Securities outstanding immediately prior to the Conversion Date by the Conversion Price rounded down, if necessary, to the nearest whole number of ordinary shares. The Conversion Price is fixed initially at £2.70 and is subject to certain anti-dilution adjustments as described in the prospectus supplement under *Description of the Securities Anti-dilution Adjustment of Conversion Price and Conversion Shares Offer Price*.

Conversion Shares Offer means, HSBC Holdings election, at its sole and absolute discretion, that the Conversion Shares Depository make an offer of all or some of the Conversion Shares to all or some of HSBC Holdings ordinary shareholders at a cash price per Conversion Share equal to the Conversion Shares Offer Price, subject to the conditions described further in the prospectus supplement under *Description of the Securities Automatic Conversion Upon Capital Adequacy Trigger Event Procedure*.

Conversion Shares Offer Price is fixed initially at £2.70 per Conversion Share and is subject to certain anti-dilution adjustments as described in the prospectus supplement under *Description of the Securities Anti-dilution Adjustment of Conversion Price and Conversion Shares Offer Price*.

Conversion Shares Offer Consideration means in respect of each Security (i) if all the Conversion Shares are sold in the Conversion Shares Offer, the *pro rata* share of the cash

proceeds from such sale attributable to such Security in pounds sterling (the *pro rata* cash component), (ii) if some but not all of the Conversion Shares are sold in the Conversion Shares Offer, (x) the *pro rata* cash component and (y) the pro rata share of the Conversion Shares not sold pursuant to the Conversion Shares Offer attributable to such Security rounded down to the nearest whole number of Conversion Shares, and (iii) if no Conversion Shares are sold in a Conversion Shares Offer, the relevant Conversion Shares attributable to such Security rounded down to the nearest whole number of Conversion Shares, subject in the case of (i) and (ii)(x) above to deduction from any such cash proceeds of an amount equal to the *pro rata* share of any stamp duty, stamp duty reserve tax, or any other capital, issue, transfer, registration, financial transaction or documentary tax that may arise or be paid as a consequence of the transfer of any interest in the Conversion Shares to the Conversion Shares Depository (or the relevant recipient in accordance with the terms of the Securities) in order for the Conversion Shares Depository (or the relevant recipient in accordance with the terms of the Securities) to conduct the Conversion Shares Offer.

Agreement with Respect to a Capital Adequacy Trigger Event:

By its acquisition of the Securities, each securityholder (which, for these purposes, includes each beneficial owner) will (i) consent to all of the terms and conditions of the Securities, including (x) the occurrence of a Capital Adequacy Trigger Event and any related Automatic Conversion following a Capital Adequacy Trigger Event and (y) the appointment of the Conversion Shares Depository (or the relevant recipient in accordance with the terms of the Securities), the issuance of the Conversion Shares to the Conversion Shares Depository (or the relevant recipient in accordance with the terms of the Securities) and the potential sale of the Conversion Shares pursuant to a Conversion Shares Offer, (ii) acknowledge and agree that effective upon, and following, a Capital Adequacy Trigger Event, other than any amounts payable in the case of HSBC Holdings winding-up or the appointment of an administrator for HSBC Holdings administration as described in the prospectus supplement under *Description of the Securities Subordination*, no

securityholder will have any rights against HSBC Holdings with respect to repayment of the principal amount of the Securities or payment of interest or any other amount on or in respect of such Securities, in each case that is not due and payable, which liabilities will be automatically released, (iii) acknowledge and agree that events in, and related to, clause (i) may occur without any further action on the part of such securityholder (or beneficial owner), the trustee or the paying agent, (iv) authorize, direct and request the Clearing Systems and any direct participant in the Clearing Systems or other intermediary through which it holds such Securities to take any and all necessary action, if required, to implement the Automatic Conversion without any further action or direction on the part of such securityholder (or beneficial owner), the trustee or the paying agent and (v) waive, to the extent permitted by the Trust Indenture Act of 1939, as amended, any claim against the trustee arising out of its acceptance of its trusteeship for the Securities, including, without limitation, claims related to or arising out of or in connection with a Capital Adequacy Trigger Event and/or any Automatic Conversion.

Agreement with Respect to a Conversion Shares Offer:

If HSBC Holdings elects, in its sole and absolute discretion, that a Conversion Shares Offer be conducted, by its acquisition of the Securities, each securityholder (which, for these purposes, includes each beneficial owner) will: (i) consent to (x) any Conversion Shares Offer and to the Conversion Shares Depository s using the Conversion Shares to settle any Conversion Shares Offer in accordance with the terms of the Securities, notwithstanding that such Conversion Shares are held by the Conversion Shares Depository on behalf of the securityholders and (y) the transfer of the beneficial interest it holds in the Conversion Shares to the Conversion Shares Depository in connection with the Conversion Shares Offer in accordance with the terms of the Securities, and (ii) irrevocably agree that (x) HSBC Holdings, the Conversion Shares Depository (or the relevant recipient in accordance with the terms of the Securities) and the Conversion Shares Offer Agent, if any, may take any and all actions necessary to conduct the Conversion Shares Offer in

accordance with the terms of the Securities, and (y) neither HSBC Holdings, the trustee, the paying agent, the Conversion Shares Depository nor the Conversion Shares Offer Agent, if any, will, to the extent permitted by applicable law, incur any liability to the securityholders in respect of the Conversion Shares Offer (except for the obligations of the Conversion Shares Depository in respect of the securityholders entitlement to any Conversion Shares Offer Consideration).

Agreement with Respect to the Exercise of UK Bail-in Power:

By its acquisition of the Securities, each securityholder (which, for these purposes, includes each beneficial owner) will acknowledge, accept, consent and agree, notwithstanding any other term of the Securities, the Indenture or any other agreements, arrangements or understandings between HSBC Holdings and any securityholder, to be bound by (a) the effect of the exercise of any UK bail-in power (as defined below) by the relevant UK resolution authority (as defined below); and (b) the variation of the terms of the Securities or the Indenture, if necessary, to give effect to the exercise of any UK bail-in power by the relevant UK resolution authority. No repayment or payment of Amounts Due will become due and payable or be paid after the exercise of any UK bail-in power by the relevant UK resolution authority if and to the extent such amounts have been reduced, converted, cancelled, amended or altered as a result of such exercise.

Moreover, each securityholder (which, for these purposes, includes each beneficial owner) will consent to the exercise of the UK bail-in power as it may be imposed without any prior notice by the relevant UK resolution authority of its decision to exercise such power with respect to the Securities.

For the avoidance of doubt, the potential conversion of the Securities into shares, other securities or other obligations in connection with the exercise of any UK bail-in power by the relevant UK resolution authority is separate and distinct from an Automatic Conversion following a Capital Adequacy Trigger Event.

For these purposes, Amounts Due are the principal amount of, and any accrued but unpaid interest, including any Additional Amounts, on, the Securities. References to such amounts will include amounts that have become due and payable, but which have not been paid, prior to the exercise of any UK bail-in power by the relevant UK resolution authority;
