Item 2.01 Completion of Acquisition or Disposition of Assets

On April 1, 2009 we issued a news release reporting that we have closed the transaction that brings the Podiatry Insurance Company of America (PICA) into ProAssurance as a standalone subsidiary based in Nashville. Under the terms of the agreement, a total of \$120 million is being paid to current and certain former policyholders in accordance with the approved plan of demutualization. Another \$15 million in premium credits will go to eligible renewing PICA policyholders for three years beginning in 2010. Those due a share of the proceeds from the transaction will receive a check in mid-April. Further, the agreement calls for Dr. Brant to be nominated to a seat on ProAssurance's Board of Directors; that nomination will be voted on by ProAssurance shareholders at their annual meeting in May, 2009.

PICA is the nation's leading provider of professional liability to doctors of podiatric medicine, insuring approximately 9,800 podiatric physicians in 47 states and the District of Columbia. PICA insures other health care professionals and provides E&O insurance for a small, but growing, number of independent insurance agents through its subsidiary PACO. PICA wrote approximately \$96 million in direct premium in 2008, has \$284 million in total assets and has maintained an A. M. Best rating of "A-" (Excellent) for the past 13 years.
