PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

This Proxy Statement and the accompanying proxy are being furnished with respect to the solicitation of proxies by the Board of Directors of China Valves Technology, Inc., a Nevada corporation (the Company or we), for the Company's 2011 Annual Meeting of Stockholders (the Annual Meeting). The Annual Meeting is to be held at 9:00 a.m., local time, on Tuesday, July 12, 2011, and at any adjournment(s) or postponement(s) thereof, at the principal executive offices of the Company, located at 21F Kineer Plaza, 226 Jinshui Road, Zhengzhou, Henan Province, People's Republic of China 450008.

The date on which the Proxy Statement and form of proxy card are intended to be sent or made available to stockholders is June 1, 2011.

The purposes of the Annual Meeting are to seek stockholder approval of four proposals: (i) electing five (5) directors to the Board of Directors of the Company (the Board); (ii) ratifying the appointment of the Company's independent registered accountants for fiscal year 2011; (iii) the approval, on an advisory basis, of the compensation of the Company's named executive officers as disclosed in these materials; and (iv) a frequency of every three years for future advisory votes on executive compensation. We will also transact such other business as may properly come before the Annual Meeting or any adjournment thereof.

Who May Vote

Only stockholders of record of our Common Stock, par value \$0.001 per share (Common Stock), as of the close of business on May 20, 2011 (the Record Date) are entitled to notice and to vote at the Annual Meeting and any adjournment or adjournments thereof.

A list of stockholders entitled to vote at the Annual Meeting will be available at the Annual Meeting and for ten days prior to the Annual Meeting, during office hours, at the executive offices of the Company at 21F Kineer Plaza, 226 Jinshui Road, Zhengzhou, Henan Province, People's Republic of China 450008, by contacting the Secretary of the Company.

The presence at the Annual Meeting of thirty-three and one-third percent (33-1/3%) of the outstanding shares of Common Stock entitled to vote as of the Record Date, in person or by proxy, is required for a quorum. Should you submit a proxy or voter instructions, even if you abstain as to one or more proposals, or you are present in person at the Annual Meeting, your shares shall be counted for the purpose of determining if a quorum is present.

Broker non-votes are included for the purposes of determining whether a quorum of shares is present at the Annual Meeting. A broker non-vote occurs when a nominee holder, such as a brokerage firm, bank or trust company, holding shares of record for a beneficial owner does not vote on a particular proposal because the nominee holder does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

As of the Record Date, we had issued and outstanding 35,669,654 shares of Common Stock. Each holder of Common Stock on the Record Date is entitled to one vote for each share then held on all matters to be voted at the Annual Meeting. No other class of voting securities was then outstanding.

Voting Your Proxy

You may vote by proxy over the Internet by following the instructions provided in the Notice of Internet Availability of Proxy Materials that is being mailed to you. If you have received printed copies of the proxy materials by mail, or if you request printed copies of the proxy materials by mail by following the instructions on the Notice of Internet Availability of Proxy Materials mailed to you, you can also vote by mail by completing, dating, and signing the proxy or vote instruction form and mailing it in the pre-addressed envelope provided, which requires no additional postage if mailed in the United States. You may submit your vote over the Internet until 11:59pm (EST) on March 7, 2011. If you vote by mail, please be aware that we can recognize your vote only if we receive it by close of business of the second business day before the Annual Meeting.

You may also vote in person at the Annual Meeting. If your shares are held through a broker, trust, bank, or other nominee, please refer to the Notice of Internet Availability of Proxy Materials mailed to you and any other information forwarded to you by such holder of record to obtain a valid proxy from it. You will need to bring this legal proxy with you to the Annual Meeting in order to vote in person.

The shares represented by any proxy duly given will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If you are a registered holder and no specific instructions are given the shares will be voted FOR all of the proposals. If you are a beneficial holder (i.e., you hold your shares through a bank or broker), the shares will be voted FOR ratification of PKF as the Company's independent registered public accounting firm, and will be deemed broker non-votes as to the other proposals. In addition, if other matters properly come before the Annual Meeting, the persons named in the accompanying form of proxy will vote in accordance with their best judgment with respect to such matters.

Each share of Common Stock outstanding on the Record Date will be entitled to one vote on all matters. Approval of Proposal 1 (Election of Directors), requires that the five candidates proposed for election as directors at the Annual Meeting be elected by at least a plurality of the votes cast at the Annual Meeting. Approval of Proposal 2 (Ratification of the Selection of Independent Auditors) requires that the number of votes that stockholders cast for exceed the votes that stockholders cast against. Approval of Proposal 3 (Advisory Vote on Executive Compensation) also requires that the number of votes that stockholders cast for exceed the votes that stockholders cast against. With respect to Proposal 4 (Advisory Vote on the Frequency of an Advisory Vote on Executive Compensation), the alternative receiving the greatest number of votes every year, every two years or every three years will be the frequency that stockholders approve. In counting the votes cast, only those cast as for or against a matter are included. Please note that you cannot vote against a nominee for director, although you may withhold your vote from a nominee. Withheld, abstain and broker non-votes will be counted for purposes of establishing quorum only.

Brokers are permitted, but not required, to use discretionary authority to vote shares on routine matters such as the ratification of the selection of the independent registered public accounting firm, but are not permitted to use discretionary authority to vote shares on non-routine matters including the election of directors, the advisory vote on executive compensation, and the advisory vote on the frequency of an advisory vote on executive compensation.

Stockholders have no cumulative voting rights or dissenter's or appraisal rights relating to the matters to be acted upon at the Annual Meeting.

Revoking Your Proxy

Even if you submit a proxy or voter instructions, you may revoke and change your vote. You may revoke your proxy or voter instructions by submitting a new proxy or voter instructions over the Internet by using the procedure to vote your shares online described in the Notice of Internet Availability of Proxy Materials that you receive. You may also revoke your proxy by mail by requesting a copy be mailed to you, executing a subsequently-dated proxy or vote instruction form, and mailing it in the pre-addressed envelope, which requires no additional postage if mailed in the United States. You may also revoke your proxy by your attendance and voting in person at the Annual Meeting. Mere attendance at the meeting will not revoke a proxy or voter instructions. We will vote the shares in accordance with the directions given in the last proxy or voter instructions submitted in a timely manner before the Annual Meeting. You may revoke your vote over the Internet until 11:59pm (EST) on June 20, 2011. If you revoke your vote by mail, please be aware that we can recognize the revoked vote only if we receive it by close of business of the second business day before the Annual Meeting.

If the Annual Meeting is postponed or adjourned for any reason, at any subsequent reconvening of the Annual Meeting, all proxies will be voted in the same manner as the proxies would have been voted at the original convening of the Annual Meeting (except for any proxies that have at that time effectively been revoked or withdrawn), even if the proxies had been effectively voted on the same or any other matter at a previous meeting.

You are requested, regardless of the number of shares you own or your intention to attend the Annual Meeting, to vote your shares as described above.

Solicitation of Proxies

The expenses of solicitation of proxies will be paid by the Company. We may solicit proxies by mail, and the officers and employees of the Company may solicit proxies personally or by telephone and will receive no extra compensation from such activities. The Company will reimburse brokerage houses and other nominees for their expenses incurred in sending proxies and proxy materials to the beneficial owners of shares held by them.

**PROPOSAL 1
ELECTION OF DIRECTORS**

General Information

Our amended and restated by-laws provide that the number of our directors shall be fixed as the Board of Directors may from time to time designate. No decrease in the number of directors shall have the effect of shortening the term of any incumbent director. The Board currently consists of five members, all of whom are standing for re-election. The term of office of the directors is one year, expiring on the date of the next annual meeting, or when their respective successors shall have been elected and shall qualify, or upon their prior death, resignation or removal.

Except where the authority to do so has been withheld, it is intended that the persons named in the enclosed proxy will vote for the election of the nominees to our Board of Directors listed below to serve until the date of the next annual meeting and until their successors are duly elected and qualified. Although our directors have no reason to believe that the nominees will decline or be unable to serve, in the event that such a contingency should arise, the accompanying proxy will be voted for a substitute (or substitutes) designated by our Board of Directors.

Substitute Nominees

If, at the time of or before the Annual Meeting, any nominee is unable to be a candidate when the election occurs, or otherwise declines to serve, the persons named as proxies may use the discretionary authority provided to them in the proxy to vote for a substitute nominee designated by the Board. At this time, we do not anticipate any nominee will be unable to be a candidate for election or will otherwise decline to serve.

Vacancies

Under our bylaws, the Board has the authority to fill any vacancies that arise, including vacancies created by an increase in the number of directors or vacancies created by the resignation of a director. Any nominee so elected and appointed by the Board would hold office for the remainder of the term of office of all directors, which term expires annually at our annual meeting of stockholders.

The Board's Role in Risk Oversight

The Board of Directors has oversight responsibility of the processes established by management to report and monitor systems for material risks applicable to the Company. In addition, the Board considers the risks inherent in our corporate strategy and offers insight to management relating to risk. At Board meetings, the Board considers strategic risks and opportunities as well as risks to the Company's reputation and reviews risks related to the sustainability of its operations together with management's input. Each committee of the Board monitors the risks associated with their areas of responsibility and consults with the rest of the Board regarding any risks relevant to their area of responsibility. It is management's responsibility, however, to manage day-to-day risk and bring to the Board of Directors' attention the most material risks to the Company.

Board Leadership Structure

Mr. Fang is our Chairman. During Board meetings when Mr. Fang is present, he leads the Board.

The lead independent director position is determined by the issues to be discussed by the independent members of the Board and is lead by the relevant Chairman of the committee. Independent members of the Board met in executive session twice during 2010. Mr. Peter Li, as Chairman of the Audit Committee, was the lead director during the executive session.

Attendance at Board and Committee Meetings

Our directors are expected to attend Board meetings as frequently as necessary to properly discharge their responsibilities and to spend the time needed to prepare for each such meeting. The Board held four meetings during 2010 and no director missed a meeting of the Board.

Family Relationships

Mr. Binjie Fang is the son of Mr. Siping Fang. Other than otherwise disclosed, there are no other family relationships between any of our directors or executive officers.

None of our directors or executive officers has, during the past ten years:

- been convicted in a criminal proceeding or been subject to a pending criminal proceeding (excluding traffic violations and other minor offences);
- had any bankruptcy petition filed by or against the business or property of the person, or of any partnership, corporation or business association of which he was a general partner or executive officer, either at the time of the bankruptcy filing or within two years prior to that time;

- been found by a court of competent jurisdiction in a civil action or by the Securities and Exchange Commission or the Commodity Futures Trading Commission to have violated a federal or state securities or commodities law, and the judgment has not been reversed, suspended, or vacated;
- been the subject of, or a party to, any federal or state judicial or administrative order, judgment, decree, or finding, not subsequently reversed, suspended or vacated (not including any settlement of a civil proceeding among private litigants), relating to an alleged violation of any federal or state securities or commodities law or regulation, any law or regulation respecting financial institutions or insurance companies including, but not limited to, a temporary or permanent injunction, order of disgorgement or restitution, civil money penalty or temporary or permanent cease-and-desist order, or removal or prohibition order, or any law or regulation prohibiting mail or wire fraud or fraud in connection with any business entity; or
- been the subject of, or a party to, any sanction or order, not subsequently reversed, suspended or vacated, of any self-regulatory organization (as defined in Section 3(a)(26) of the Exchange Act (15 U.S.C. 78c(a)(26))), any registered entity (as defined in Section 1(a)(29) of the Commodity Exchange Act (7 U.S.C. 1(a)(29))), or any equivalent exchange, association, entity or organization that has disciplinary authority over its members or persons associated with a member.

Promoters and Certain Control Persons

We did not have any promoters at any time during the past five fiscal years.

Committees of the Board of Directors

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The Board has determined that each member of all our Committees are independent as director independence is specifically defined with respect to such members under the NASDAQ listing standards and applicable SEC rules and regulations. A copy of the charters for the Audit Committee, Compensation Committee, and Corporate Governance and Nominating Committee is available both at the Investors section of the Company's website located at www.evalve.com and in print to any stockholder who requests it.

Audit Committee. The Audit Committee, which consists of Messrs. Li (chairman), Haus, and Yu, is primarily responsible for reviewing the services performed by our independent auditors, evaluating our accounting policies and our system of internal controls. Mr. Li serves as our audit committee financial expert as that term is defined by the applicable SEC rules. The Audit Committee held two meetings during 2010.

Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee, which consists of Messrs. Yu (chairman), Haus, and Li, oversees all aspects regarding the nominating of directors and setting policies and procedures for the nomination of directors. The Corporate Governance and Nominating Committee is

also responsible for overseeing the creation and implementation of our corporate governance policies and procedures..
The Corporate Governance and Nominating Committee held two meetings during 2010.

Our Corporate Governance and Nominating Committee endeavors to identify individuals to serve on the Board who have expertise that is useful to us and complementary to the background, skills, and experience of other Board members. The Nominating/Governance Committee's consideration of candidates for membership on the Board may include such factors as (a) the skills of each member of the Board, including each director's business and management experience, accounting experience, and understanding of corporate governance regulations and public policy matters; (b) the characteristics of each member of the Board, which may include leadership abilities, sound business judgment, and independence; and (c) the general composition of the Board, which may include public company experience of the directors. The principal qualification for a director is the ability to act in the best interests of the Company and its stockholders. Each of the candidates for director named in this proxy statement have been recommended by the Corporate Governance and Nominating Committee and approved by the Board of Directors for inclusion on the attached proxy card.

Board Diversity. The Company does not have a specific policy on diversity relating to the selection of nominees for the Board, but the Board believes that while diversity and a variety of experiences and viewpoints represented on the Board should always be considered, a director nominee should not be chosen nor excluded solely or largely because of race, color, gender, national origin, sexual orientation, or identity. In selecting a director nominee, the Corporate Governance and Nominating Committee focuses on diversity in the broadest sense, considering, among other things, skills, expertise, or background that would complement our existing Board taking into account the Company's business and industry.

Stockholder Nominees. The Corporate Governance and Nominating Committee also considers director nominees recommended by stockholders. See the section of this proxy statement titled, "Deadline for Stockholder Proposals," for a description of how stockholders desiring to make nominations for directors and/or to bring a proper subject before a meeting should do so. The Corporate Governance and Nominating Committee evaluates director candidates recommended by stockholders in the same manner as it evaluates director candidates recommended by our directors, management, or employees.

Compensation Committee

General. The Compensation Committee consists of Messrs. Haus (chairman), Yu, and Li. The Compensation Committee held one meeting during 2010. The Compensation Committee is primarily responsible for reviewing and approving our compensation and benefit policies, including compensation of executive officers. When determining executive compensation, the Compensation Committee typically reviews the following materials, among others:

- Financial reports on year-to-date performance versus budget and compared to prior year performance.
- Calculations and reports on levels of achievement of individual and corporate performance objectives.
- Reports on the Company's strategic objectives and budget for future periods.
- Information on the executive officers' stock ownership and option holdings.
- Peer companies' information regarding compensation programs and compensation levels.

These materials may also be reviewed during regular Board of Directors meetings.

Role of the Compensation Committee. The Compensation Committee is responsible for (i) overseeing the determination, implementation, and administration of the remuneration (including compensation, benefits, bonuses, and perquisites) of all directors and executive officers of the Company, (ii) reviewing and approving all equity compensation to be paid to other Company employees, and (iii) administering the Company's equity-based compensation plans, although the Company does not currently have any such plans. Our compensation program and policies are designed to help us attract, motivate, and retain executives of outstanding ability and align the interests of key leadership with the long-term interests of the Company's stockholders in order to maximize the return to stockholders.

Management's Role in the Compensation-Setting Process. Management plays a role in the compensation-setting process. The most significant aspects of management's role are:

- evaluating employee performance;
- establishing business performance targets and objectives; and
- recommending salary levels and any equity awards.

The Chief Executive Officer works with the Compensation Committee to provide:

- background information regarding the Company's strategic objectives;
- his evaluation of the performance of the senior executive officers; and
- compensation recommendations as to senior executive officers (other than himself).

Although our Chief Executive Officer may recommend to the Compensation Committee the compensation package and awards to our executive officers, the Compensation Committee approves the compensation packages and also grants all awards to executive officers. The Company does not currently have a stock option or other equity incentive plan.

Role of Compensation Consultants. The Compensation Committee may retain a compensation consultant from time to time to assist the Compensation Committee in researching and evaluating executive officer and director compensation and compensation programs. The Compensation Committee did not engage any independent compensation consultants in 2010.

Delegation of Authority. The Compensation Committee may form and delegate authority to subcommittees and may delegate authority to one or more designated members of the Compensation Committee in order to determine or administer the compensation to the Company's executive officers and/or directors.

Vote Required and Board of Directors Recommendation

Assuming a quorum is present, a plurality of the votes cast at the annual meeting of stockholders by the stockholders entitled to vote in the election, either in person or by proxy, is required to elect the director nominees. For purposes of the election of directors, abstentions and broker non-votes will have no effect on the result of the vote.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE ELECTION OF THE NOMINEES PREVIOUSLY NAMED.

Under its Charter, our Nominating and Corporate Governance Committee is also responsible for reviewing requests for any waivers and recommending to the Board whether a particular request should be granted.

Peter Li, *Chairman*
William Haus
Zengbiao Yu

The foregoing Audit Committee Report does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other filing of our company under the Securities Act of 1933, as amended (the Securities Act), or the Exchange Act, except to the extent we specifically incorporate this Audit Committee Report by reference therein.

EXECUTIVE AND DIRECTOR COMPENSATION COMPENSATION DISCUSSION AND ANALYSIS

Compensation Philosophy

Our executive compensation philosophy is to align the interests of executive management with stockholder interests and with our business strategy and success through an integrated executive compensation program that considers short-term performance, the achievement of long-term strategic goals and growth in total stockholder value. The key elements of our executive compensation philosophy are competitive base salary, annual incentive opportunities and equity participation. Our aggregate compensation package is designed to attract and retain individuals critical to the long-term success of the Company, to motivate these persons to perform at their highest levels, and to reward exceptional performance.

The compensation of our executive officers is determined by the Compensation Committee of the Board, except that the entire Board makes the final determination as to the compensation of our Chief Executive Officer. The Chief Executive Officer reviews and revises compensation proposals prepared by Human Resources and presents his recommendations to the Compensation Committee for the Committee's ultimate review and approval. The Chief Executive Officer does not participate in Compensation Committee meetings and is not involved in decisions relating to his own compensation.

Elements of Compensation

We pay each of our named executive officers a base annual salary. Bonuses and equity incentives may also be provided to supplement base salary. The criteria for determining each of these components of compensation is described below. We do not provide retirement benefits and only minimal perquisites except as described below.

Base Salary. Base salary levels for executive officers are set forth in their individual employment agreements, and are reflected in the Summary Compensation Table below under the heading "Executive Compensation". The Compensation Committee considered the total compensation paid by other manufacturing companies in Shenzhen, China to persons holding equivalent positions in setting base salary levels. However, the Compensation Committee did not conduct a peer group compensation analysis or target any particular compensation level in establishing the base salaries for named executive officers.

The Compensation Committee believes that any increases in base salary should be based upon a favorable evaluation of individual performance relative to individual goals, the functioning of the executive's team within the corporate structure, success in furthering corporate strategy and goals, individual management skills and responsibilities, demonstrated loyalty, and the Company's commitment to attract and retain executives. We expect that our Compensation Committee will reward superior individual and company performance with commensurate cash and other compensation. Salary will next be reviewed when the Compensation Committee deems appropriate, but the Compensation Committee will not review salary more frequently than on an annual basis.

Bonuses. Executives are eligible to receive a discretionary bonus pursuant to the terms of their respective employment agreements. However, in fiscal 2010 we did not set any performance targets and no discretionary bonuses were paid. If our Compensation Committee determines to do so in the future, bonuses may be paid on an ad hoc basis to recognize superior performance. If the Compensation Committee determines to provide bonus compensation as a regular part of our executive compensation package, it will establish performance goals for each of the executive officers and maximum bonuses that may be earned upon attainment of such performance goals. Some of the components of our key performance appraisal index that we may use to consider in establishing these performance goals include the following: internal control improvement, cash flow (accounts receivable, inventory, accounts payable); sales (revenue, accounts receivables collection, gross profit, customer credit management and goods delivery management); costs and expenses (financial costs, manufacturing costs, general and administrative expenses,

sales and marketing expenses, research and development costs); and capital expenditures.

Equity Incentives. Named executive officers are eligible for equity awards in the form of restricted stock. Equity awards are granted at the discretion of the Compensation Committee. The size of an award to any individual, including named executive officers, depends in part on individual performance, including the components of our key performance appraisal index described above and any other indicators of the impact that such employee's productivity may have on stockholder value over time. Other factors include salary level and competitive data. In addition, in determining the number of stock options or shares of restricted stock granted to each named executive officer, the Compensation Committee considers the future benefits potentially available to the named executive officers from existing awards. The number of options or restricted shares granted depend in part on the total number of unvested options and restricted shares deemed necessary to provide an incentive to that individual to remain with the Company for the long-term.

We seek to further align management and stockholder interests by giving to executives an equity interest in our company, the value of which depends upon stock performance. The Committee believes that using restricted stock as part of the overall equity awards program better aligns the interest of management and stockholders as restricted stock closely replicates the economic characteristics of capital stock. No grants of restricted stock were made to any of our named executive officers during fiscal year 2010.

Retirement Benefits. Currently, we do not provide any company-sponsored retirement benefits or deferred compensation programs to any employee, including the named executive officers (other than a mandatory state pension scheme in which all of our employees in China participate) because it is not customary to provide such benefits and programs in China.

Perquisites. Historically, we have provided our named executive officers with minimal perquisites and other personal benefits that we believe are reasonable, such as company car-related benefits. We do not view perquisites as a significant element of compensation, but do believe they can be useful in attracting, motivating and retaining the executive talent for which we compete.

For a description of our executive officers' employment agreements, please see Executive Compensation Summary of Employment Agreements .

Zengbiao Yu was appointed director effective as of January 30, 2008. We entered into an independent director indemnification agreement with Zengbiao Yu, pursuant to which he is entitled to \$17,000, as annual compensation for the services to be provided as an independent director, and as chairperson of various board committees, as applicable. Under the terms of the indemnification agreement, we agreed to indemnify the independent director against expenses, judgments, fines, penalties or other amounts actually and reasonably incurred by the independent director in connection with any proceeding if the independent director acted in good faith and in our best interests. It is our practice to reimburse our directors for reasonable travel expenses related to attendance at board of directors and committee meetings.

On November 22, 2008, the Company appointed Peter Li and William Haus as new directors of the Company to fill the vacancies created by Huifeng Chen and Renrui Tang's resignations from the board on the same day. We entered into separate independent director agreements with Peter Li and William Haus.

Mr. Li's agreement was effective as of November 22, 2008 for a term of two years. Under the terms of Mr. Li's agreement, the Company agreed to pay Mr. Li a monthly fee of \$1,000, as compensation for the services to be provided by him as a director of the Company. The Company also agreed to grant a non-qualified stock option to Mr. Li for the purchase of 22,500 shares of common stock of the Company at an exercise price of \$8.00. One third of the options (or 7,500 shares) will vest on November 22, 2009. The remaining options will vest in eight equal quarterly installments (or 1,875 shares each installment) over a two-year period in every quarter after November 22, 2009. The stock option expires in five years. Mr. Li's agreement also contains customary confidentiality and non-compete provisions.

The agreement with Mr. Haus became effective on December 1, 2008 and was revised on June 29, 2009. Under the terms of Mr. Haus' agreement, the Company agreed to pay Mr. Haus a monthly fee of \$2,000, as compensation for the services to be provided by him as a director of the Company. The Company also agreed to grant 5,000 shares of common stock to Mr. Haus on June 29, 2009. On June 29, 2009, the Company agreed to grant a non-qualified stock option to Mr. Haus for the purchase of 27,500 shares of common stock of the Company at an exercise price of \$6.00. The stock option expires on June 28, 2014. Mr. Haus' agreement also contains customary confidentiality and non-compete provisions.

On October 8, 2010, the Compensation Committee and the Board approved to increase the compensation for Mr. Li, Mr. Yu and Mr. Haus to \$5,000 a month.

The stock options granted to Mr. Li and Mr. Haus have not yet been exercised as of December 31, 2010. The restricted common shares granted to Mr. Haus was issued on February 2, 2011.

Mr. Siping Fang and Mr. Binjie Fang are paid in their capacity as executive officers of the Company and they do not receive any additional compensation for their service as directors.

Changes in Director Compensation in Fiscal Year 2011

In April 2011, our Board of Directors unanimously approved to grant 25,000 shares of restricted stock to each of Mr. William Haus, Mr. Peter Li and Mr. Zengbiao Yu, independent directors of the Company (the 2011 Stock Grants). The 2011 Stock Grants all vest immediately on May 1 2011.

PROPOSAL 2
RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Audit Committee of our Board of Directors has appointed Frazer Frost LLP (Frazer Frost) as our independent registered public accounting firm to audit our financial statements for the year ending December 31, 2011, and recommends that our stockholders vote to ratify such appointment.

In the event that ratification of this appointment of independent registered public accounting firm is not approved by the affirmative vote of a majority of votes cast on the matter, the appointment of our independent registered public accounting firm will be reconsidered by our Board of Directors. Unless marked to the contrary, proxies received will be voted for ratification of the appointment of Frazer Frost as our independent registered public accounting firm for the fiscal year ending December 31, 2011.

Representatives of Frazer Frost are expected to attend the annual meeting of stockholders in person or by telephone conference call, and each such representative will have the opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions from stockholders.

Your ratification of the appointment of Frazer Frost as our independent registered public accounting firm for the fiscal year ending December 31, 2011 does not preclude our Board of Directors from terminating its engagement of Frazer Frost and retaining a new independent registered public accounting firm, if it determines that such an action would be in our best interests.

Auditor Fees and Services

Audit Fees

Frazer Frost was paid aggregate fees of approximately \$383,368 and \$325,891 for the fiscal years ended December 31, 2010 and 2009, respectively, for professional services rendered for the audit of our annual financial statements.

Audit-Related Fees

We did not engage Frazer Frost to provide assurance or related services during the last two fiscal years.

Tax Fees

Frazer Frost was paid \$10,000 for the fiscal year ended December 31, 2010 for professional services rendered for tax compliance and \$7,000 was paid for the fiscal year ended December 31, 2009.

All Other Fees

Frazer Frost was paid no other fees for professional services during the fiscal years ended December 31, 2010 and 2009.

Pre-Approval Policies and Procedures

All auditing services, internal control-related services, and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by our independent auditor must be approved by the Audit Committee in advance, except non-audit services (other than review and attestation services) if such services fall within exceptions established by the SEC. The Audit Committee will pre-approve any permissible non-audit services to be provided by the Company's independent auditors on behalf of the Company that do not fall within any exception to the pre-approval requirements established by the SEC. The Audit Committee may delegate to one or more members the

authority to pre-approve permissible non-audit services, but any such delegate or delegates must present their pre-approval decisions to the Audit Committee at its next meeting. All of our accountants' services described above were pre-approved by the Audit Committee or by one or more members under the delegate authority described above.

Vote Required and Board of Directors' Recommendation

Assuming a quorum is present, the affirmative vote of a majority of the votes cast at the annual meeting of stockholders, either in person or by proxy, is required for approval of this proposal. For purposes of the ratification of our independent registered public accounting firm, abstentions will have the same effect as a vote against this proposal and broker non-votes will have no effect on the result of the vote.

The Board of Directors recommends a vote FOR ratification of the selection of Frazer Frost as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2011.

**PROPOSAL 3:
ADVISORY VOTE ON EXECUTIVE COMPENSATION**

In accordance with recent legislation, the Company is providing stockholders with an advisory (non-binding) vote to approve compensation programs for our named executive officers (sometimes referred to as "say on pay") as required by the Exchange Act. Accordingly, you may vote on the following resolution at the 2011 annual meeting: Resolved, that the stockholders approve, on a non-binding advisory basis, the compensation of the Company's named executive officers as disclosed under "Compensation Discussion and Analysis", the accompanying compensation tables, and the related narrative disclosure in this Proxy Statement.

This vote is nonbinding. The Board and the Compensation Committee, which is comprised of independent directors, expect to take into account the outcome of the vote when considering future executive compensation decisions to the extent they can determine the cause or causes of any significant negative voting results.

As described in detail under "Compensation Discussion and Analysis", our compensation programs are designed to motivate our executives to create a successful company. We believe that our compensation program rewards sustained performance that is aligned with long-term stockholder interests. Stockholders are encouraged to read the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure in this Proxy Statement.

The Board of Directors recommends a vote FOR the approval, on an advisory basis, of the compensation of our named executive officers as disclosed under "Compensation Discussion and Analysis", the accompanying compensation tables, and the related narrative disclosure in this Proxy Statement.

PROPOSAL 4:
**ADVISORY VOTE ON THE FREQUENCY OF AN ADVISORY VOTE ON EXECUTIVE
COMPENSATION**

In accordance with recent legislation, in addition to providing stockholders with the opportunity to cast an advisory vote on executive compensation, the Company this year is providing stockholders with an advisory (non-binding) vote on how frequently the Company should seek an advisory vote on executive compensation as required by the Exchange Act. The stockholders may indicate whether they prefer that an advisory vote on the compensation of the named executive officers be held every one, two or three years.

The Board believes that a frequency of every three years for the advisory vote on executive compensation is the optimal interval for conducting and responding to a say on pay vote. Stockholders who have concerns about executive compensation during the interval between say on pay votes are welcome to bring their specific concerns to the attention of the Board. Please refer to Stockholder Communications in this Proxy Statement for information about communicating with the Board.

The proxy card provides stockholders with the opportunity to choose among four options (one year, two years, three years, or abstain) for the following resolution: Resolved, that the option of once every one year, two years, or three years that receives the highest number of votes will be determined to be the stockholders preferred frequency with which the Company would hold a non-binding advisory stockholder vote to approve the compensation of the named executive officers, as disclosed in the Company's proxy statements.

This advisory vote on the frequency of the say on pay vote is nonbinding. The Board and the Compensation Committee will take into account the outcome of the vote when considering the frequency of future advisory votes on executive compensation but may decide that it is in the best interests of the stockholders and the Company to hold an advisory vote more or less frequently than the stockholders preferred frequency.

The Board of Directors unanimously recommends that you vote for the option of 3 years for the frequency of future advisory votes on executive compensation.
