INFORMATION ABOUT VOTING

Who is entitled to vote at the Annual Meeting?

Only shareholders of record at the close of business on the record date, March 17, 2006, are entitled to receive notice of the 2006 Annual Meeting and to vote the shares that they held on that date at the annual meeting, or any postponement or adjournment of the annual meeting. As of the close of business on March 17, 2006, the Company had 22,454,021 shares of common stock outstanding.

Shareholders of Record: Shares Registered in Your Name. If your shares were registered directly in your name with the Company's transfer agent, 1,371 as of March 17, 2006, then you are a shareholder of record. As a shareholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to submit your proxy prior to the meeting to ensure your vote is counted. For instructions on how to submit your proxy please see the enclosed proxy card or voter instruction form.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank. If your shares were held in an account at a brokerage firm, bank, dealer or other similar organization as of March 17, 2006, then you are the beneficial owner of shares held in [street name] and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the shareholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the annual meeting. However, since you are not the shareholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

How do I vote?

You may either vote [For] all the nominees to the Board of Directors or you may withhold from voting for any nominee you specify. For each of the other matters to be voted on, you may vote [For] or [Against] or abstain from voting. The procedures for voting are fairly simple:

Shareholder of Record: Shares Registered in Your Name. If you are a shareholder of record, you may vote in person at the annual meeting or vote by proxy. Instructions to vote by proxy can be found on the enclosed proxy card. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person if you have already voted by proxy.

- To vote in person, come to the annual meeting and we will give you a ballot when you arrive.
- To vote using the enclosed proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the postage paid envelope provided or follow the instructions on the card to vote via the internet. If you return your signed proxy card to us before the annual meeting, we will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of Broker or Bank. If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a voter instruction form with these proxy materials from that organization rather than from the Company. Simply follow the directions on the voter instruction form to ensure that your vote is counted. To vote in person at the annual meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of March 17, 2006.

What if I submit a proxy but do not make specific choices?

If you submit an executed proxy without marking any voting selections, your shares will be voted [For] the election of all nominees for Class III and Class I director, and [For] the ratification of Ernst & Young LLP as the Company's independent registered public accounting firm for its current fiscal year ending December 31, 2006. If any other matter is properly presented at the meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Can I change my vote?

Yes. You can revoke your proxy at any time before the final vote at the meeting. You may revoke your proxy in any one of three ways:

- You may submit another properly completed proxy bearing a later date;
- You may send a written notice that you are revoking your proxy to the Company's Corporate Secretary, Leslie Wolfgang, 6584 Poplar Avenue, Suite 300, Memphis, Tennessee 38138; or
- You may attend the annual meeting and notify the election officials at the meeting that you wish to revoke your proxy and vote in person. Simply attending the meeting will not, by itself, revoke your proxy.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count For and (with respect to proposals other than the election of directors) Against votes, abstentions and broker non-votes. Abstentions will be counted towards the vote total for each proposal and will have the same effect as Against votes. Broker non-votes have no effect and will not be counted towards the vote total for any proposal.

If your shares are held by your broker as your nominee (that is, in street name), you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares. If the broker or nominee is not given specific instructions, shares held in the name of such broker or nominee may not be voted on those matters and will not be considered as present and entitled to vote with respect to those matters. Shares represented by such broker non-votes will, however, be counted in determining whether there is a quorum.

How many votes are needed to approve each proposal?

- For the election of directors, the four nominees receiving the most For votes (among votes properly cast in person or by proxy) will be elected. Broker non-votes will have no effect.
- To be approved, the designation of Ernst & Young LLP as the Company's independent registered public accounting firm for its fiscal year ending December 31, 2006 must receive For votes from the majority of shares present and entitled to vote either in person or by proxy. If you Abstain from voting, it will have the same effect as an Against vote. Broker non-votes will have no effect.

What is the quorum requirement?

A quorum of shareholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares are represented by shareholders present at the meeting or by proxy. On March 17, 2006, the record date, there were 22,454,021 shares outstanding and entitled to vote. Thus 11,227,011 shares must be represented by shareholders present at the meeting or by proxy to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy vote or vote at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, a majority of the votes present at the meeting may adjourn the meeting to another date.

How can I find out the results of the voting at the annual meeting?

Preliminary voting results will be announced at the annual meeting. Final results will be published in the Company's quarterly report on Form 10-Q for the second quarter of 2006.

ADDITIONAL INFORMATION

How can I obtain the Company's Annual Report on Form 10-K?

Our Annual Report on Form 10-K for the year ended December 31, 2005, as filed with the SEC, including the financial statements, and financial statement schedules, but excluding the exhibits, is being mailed along with this Proxy Statement. A full copy of our Annual Report on Form 10-K for the year ended December 31, 2005, including all exhibits may be obtained from the SEC Filings link on the Investor Relations page of our web-site at www.maac.net or received free of charge by writing Investor Relations at Mid-America Apartment Communities, Inc., 6584 Poplar Avenue, Suite 300, Memphis, Tennessee 38138.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. We expect that this Proxy Statement will first be sent to shareholders on or about April 13, 2006. In addition to these mailed proxy materials, our directors and employees may also solicit proxies in person, by telephone or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

How many copies should I receive if I share an address with another shareholder?

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as householding, potentially provides extra convenience for shareholders and cost savings for companies.

The Company and some brokers household proxy materials, delivering a single proxy statement to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker or us that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If at any time you no longer wish to participate in householding and would prefer to receive a separate proxy statement, or if you are receiving multiple copies of the proxy statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares. You can notify us by sending a written request to the Corporate Secretary at Mid-America Apartment Communities, Inc., 6584 Poplar Avenue, Suite 300, Memphis, Tennessee 38138 or by calling 901-435-5371. You also may elect to participate in householding if you are eligible to do so by marking the appropriate box on your proxy card.

Who should I contact if I have any questions?

If you have any questions about the Annual Meeting, these proxy materials or your ownership of our common stock, please contact, our Investor Relations Department at 6584 Poplar Avenue, Suite 300, Memphis, Tennessee 38138, or by emailing investor.relations@maac.net or calling (901) 435-5371.

INFORMATION ABOUT THE BOARD OF DIRECTORS AND ITS COMMITTEES

What is our philosophy regarding corporate governance?

We believe that effective corporate governance is critical to our long-term health and our ability to create value for our shareholders. We have continued to review our corporate governance policies and practices and to compare them against best practice proposals and the practices of other public companies. We also have continued to review the provisions of the Sarbanes-Oxley Act of 2002, new and proposed rules of the SEC, and the corporate governance rules of the New York Stock Exchange, or the NYSE. We will continue to monitor emerging developments in corporate governance and enhance our policies and procedures when required or when our Board of Directors determines that it would benefit the Company and our shareholders. Based on this review, the Board of Directors has

established and maintains Corporate Governance Guidelines that include detailed specifications for director qualification and responsibility. You may find a copy of our Corporate Governance Guidelines on our website at

www.maac.net.

The responsibilities of our Board of Directors and Board committees are described below, along with other corporate governance-related disclosures. All of our Board's committees have written charters which can be found in the Company Info and Governance section on the Investor Relations page of our website at www.maac.net. The Company will also provide a copy of any committee charter, the Corporate Governance Guidelines or our Code of Business Conduct and Ethics without charge upon written request sent to: Mid-America Apartment Communities, Inc., Attention: Investor Relations, 6584 Poplar Avenue, Suite 300, Memphis, Tennessee 38138. The Board of Directors may, from time to time, form other committees as circumstances warrant. Such committees will have authority and responsibility as delegated by the Board of Directors.

How many independent directors do we have?

Our Board of Directors has affirmatively determined that six of our current nine directors are independent: Robert F. Fogelman, Alan B. Graf, Jr., John S. Grinalds, Ralph Horn, Mary E. McCormick and Michael S. Starnes. All of these directors meet the independence standards of our Corporate Governance Guidelines, the NYSE listing standards and applicable SEC rules.

How do we determine whether a director is independent?

A director is considered independent if our Board of Directors affirmatively determines that the director has no direct or indirect material relationship with us. Consistent with the requirements of the SEC, the NYSE and general corporate "best practices" proposals, our Board of Directors reviews all relevant transactions or relationships between each director, or any of his or her family members, and the Company, its senior management and its independent auditors. The Board has adopted the following categorical standards:

- A director who is an employee, or whose immediate family member is an executive officer, of the Company is not independent until three years after the end of such employment relationship.
- A director who receives, or whose immediate family member receives, more than \$100,000 per year in direct compensation from us, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), is not independent until three years after he or she ceases to receive more than \$100,000 per year in such compensation.
- A director who is affiliated with or employed by, or whose immediate family member is affiliated with or employed in a professional capacity by, a present or former internal or external auditor of the Company is not independent until three years after the end of the affiliation or the employment or auditing relationship.
- A director who is employed, or whose immediate family member is employed, as an executive officer of another company where any of the our present executive officers serve on that company's compensation committee is not independent until three years after the end of such service or the employment relationship.
- A director who is an executive officer or an employee, or whose immediate family member is an executive officer, of a company that makes payments to, or receives payments from, the Company for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues, is not "independent" until three years after falling below such threshold.

The Board consults with the Company's corporate counsel to ensure that the Board's determinations are consistent with all relevant securities and other laws and regulations regarding the definition of "independent," including those set forth in pertinent listing standards of the NYSE, as in effect from time to time.

Do any independent directors have relationships with the Company that the Board of Directors determined were not material?

Mr. Graf is an Executive Vice President and Chief Financial officer of FedEx Corporation. In the normal course of business, we use FedEx as an overnight courier. The Board of Directors concluded that this relationship is not material and does not otherwise impair, or appear to impair, Mr. Graf's independent judgment, and therefore does not prevent him from being independent.

Mr. Horn was Chairman of the Board of Directors of First Tennessee National Corporation, (FTNC), now First Horizon National Corporation, until December 2003 and was previously the President and Chief Executive Officer of FTNC until 2002. We have a line of credit with a group of banks led by AmSouth Bank. First Tennessee Bank, the principal banking subsidiary of FTNC, has committed approximately \$17.5 million towards this line of credit. We have also entered into interest rate swap agreements with First Tennessee Bank totaling a notional amount of \$75 million based on three-month LIBOR. Both the line of credit and the interest rate swap agreements were entered into in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions between unrelated parties. Because of the arm's-length nature of the transaction, the Board of Directors concluded that these relationships are not material and do not otherwise impair, or appear to impair, Mr. Horn's independent judgment, and therefore do not prevent him from being independent.

How many times did our Board of Directors meet last year?

The Board of Directors held eight meetings during 2005.

Did any of our directors attend fewer than 75% of the meetings of the Board of Directors and their assigned committees?

All of the directors who were serving during the calendar year 2005 attended more than 75% of the meetings of the Board of Directors and their assigned committees during the fiscal year.

Does our Board of Directors meet regularly without management present?

Our directors, excluding Messrs. Bolton and Wadsworth, regularly meet to promote open discussion among the non-management directors. Mr. Cates presides over these executive sessions. The non-management directors held three executive sessions during 2005.

Do our independent directors meet regularly without non-independent members?

Our directors, excluding Messrs. Bolton, Cates and Wadsworth, meet regularly to promote open discussion among the independent directors. The directors share presidation over these sessions. The independent directors held one executive session during 2005.

Do directors attend the annual meeting of shareholders?

The Company does not require its directors to attend its Annual Meeting of Shareholders, but the Board of Directors encourages its members to attend. Messrs. Bolton, Cates, Graf, Grinalds, Flournoy (now retired), Fogelman and Wadsworth attended the Annual Meeting of Shareholders held on May 19, 2005.

Does our Board of Directors have any standing committees?

We have three standing committees: Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee. The members of each committee are independent, pursuant to the standards set forth in our Governance Guidelines, the NYSE listing standards and applicable SEC rules.

What does the Audit Committee do?

The Audit Committee is responsible for:

- appointing, determining the compensation of, and overseeing the work of the independent registered public accounting firm;
- pre-approving all auditing services and permitted non-audit services, including the fees and terms thereof, to be performed by the independent registered public accounting firm;
- reviewing and discussing with management and the independent registered public accounting firm the annual audited and quarterly unaudited financials statements and our disclosure under "Management's Discussion and Analysis of Financial Condition and Results of Operations" in our 10-Qs and 10-Ks;
- reviewing and discussing the adequacy and effectiveness of our systems of internal accounting and financial controls;
- establishing procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters;
- reviewing the overall corporate "tone" for financial reports, controls, and ethical behavior;
- reviewing with management and the independent registered public accounting firm our compliance with the requirements for qualification as a REIT; and
- issuing a report annually as required by the SEC's proxy solicitation rules.

Where can I find a copy of the Audit Committee Charter?

The Audit Committee Charter can be found on our website at <http://www.maac.net> in the Company Info and Governance section on the Investor Relations page.

Who are the members of the Audit Committee?

The members of the Audit Committee are Messrs. Graf (Chairman), Grinalds, Starnes and Ms. McCormick.

How many meetings did the Audit Committee have last year?

The Audit Committee held nine meetings during 2005.

Does the Audit Committee have an Audit Committee Financial Expert?

The Board has determined that Mr. Graf and Ms. McCormick both meet the qualifications of an audit committee financial expert as defined by applicable SEC rules.

What does the Compensation Committee do?

The Compensation Committee:

- reviews and approves our compensation objectives;
- reviews and approves the compensation programs, plans, and awards for executive officers;
- acts as administrator as may be required for our equity-related incentive plans; and
- issues a report annually related to executive compensation, as required by the SEC's proxy solicitation rules.

Does the Compensation Committee have a charter?

The Compensation Committee Charter can be found at our corporate web site at <http://www.maac.net> in the Company Info and Governance section on the Investor Relations page.

Who are the members of the Compensation Committee?

The Compensation Committee consists of Messrs. Horn (Chairman), Fogelman and Grinalds.

How many meetings did the Compensation Committee have last year?

The Compensation Committee held two meetings during 2005.

What does the Nominating and Corporate Governance Committee do?

The Nominating and Corporate Governance Committee:

- provides assistance and oversight in identifying qualified candidates to serve as members of the Board of Directors;
- reviews the qualification and performance of incumbent directors to determine whether to recommend them as nominees for reelection;
- reviews and considers candidates for directors who may be suggested by any director or executive officer, or by any shareholder if made in accordance with our charter, bylaws and applicable law; and
- recommends to the Board of Directors appropriate corporate governance principles that best serve the practices and objectives of the Board of Directors.

Does the Nominating and Corporate Governance Committee have a charter?

The Nominating and Corporate Governance Committee Charter can be found at our website at <http://www.maac.net> in the Company Info and Governance section on the Investor Relations page.

Who are the members of the Nominating and Corporate Governance Committee?

The Nominating and Corporate Governance Committee consists of Messrs. Horn (Chairman), Fogelman and Grinalds.

How many meetings did the Nominating and Corporate Governance Committee hold last year?

The Nominating and Corporate Governance Committee held three meetings during 2005.

How does the Board of Directors select director candidates?

Our charter divides the Board of Directors into three classes as nearly equal in number as possible, with each class serving a term of three years. Our shareholders elect one class of directors at each annual meeting.

At the March 14, 2006, meeting of the Board of Directors, John F. Flournoy retired from the Board to pursue other opportunities and the Board of Directors elected Ms. McCormick to serve as a Class I director until the 2006 Annual Meeting of Shareholders. Shareholders are being asked to elect Ms. McCormick to serve as a Class I director until the 2007 Annual Meeting of Shareholders when that Class would normally be up for reelection.

Director Nomination Policy

It is the policy of the Nominating and Corporate Governance Committee to review and consider all candidates for nomination and election as directors who may be suggested by any director or executive officer of the Company. It is the Company's policy to refer to its Nominating and Corporate Governance committee for consideration any director candidate recommended by any shareholder who beneficially owns at least 1,000 shares of the Company's outstanding common stock if made in accordance with the Company's charter, bylaws and applicable law.

We will consider for inclusion in our proxy materials for the 2007 Annual Meeting of Shareholders, shareholder proposals that are received at our executive offices no later than December 14, 2006 and that comply with all applicable requirements of Rule 14a-8 promulgated under the Securities Exchange Act of 1934. Proposals must be sent to the Nominating and Corporate Governance Committee, Attention: Leslie B. C. Wolfgang,

Corporate Secretary, Mid-America Apartment Communities, Inc., 6584 Poplar Ave., Ste. 300, Memphis, TN 38138.

Shareholders wishing to submit proposals or director nominations that are not to be included in our proxy materials must have given timely notice thereof in writing to our Corporate Secretary. To be timely for the 2007 Annual Meeting of Shareholders, you must notify our Corporate Secretary, in writing, no later than the close of business on February 27, 2007. Any submission should include enough information about the proposed nominee to make them identifiable by the committee and include the submitter's name and the name their shares are held in so that the status as a shareholder and the number of shares they own may be verified.

Minimum Director Qualifications

The Nominating and Corporate Governance Committee along with the Board of Directors is responsible for determining the skills and characteristics that need to be met by each director and director nominee. In determining director or director nominee qualifications, views of both the individual and the Board of Directors as a whole shall be considered.

A director or director nominee's knowledge and/or experience in areas such as, but not limited to, real estate investing, REITs, management, leadership, public companies, equity and debt capital markets and financial accounting are likely to be considered both in relation to the individual's qualification to serve on our Board of Directors and the needs of the Board as a whole.

The Board of Directors does not impose term limits but has adopted a retirement age of 70 after which a director will not be nominated for election. While it is believed that a director's knowledge and/or experience can continue to provide benefit to the Board of Directors following a director's retirement from their primary work affiliation, it is recognized that a director's knowledge of and involvement in ever changing business environments can weaken and therefore their ability to continue to be an active contributor to the Board of Directors shall be reviewed. Upon a director's change in employment status they are required to notify the Chairman of the Board of Directors and the Nominating and Corporate Governance Committee of such change and to offer their resignation for review.

Other characteristics including, but not limited to, the director or director nominee's material relationships with the Company, time availability, service on other boards of directors and their committees, or any other characteristics which may prove relevant at any given time as determined by the Nominating and Corporate Governance Committee shall be reviewed for purposes of determining a director or director nominee's qualification.

Members of the Nominating and Corporate Governance Committee as well as other Board members and members of executive management may meet with directors or director nominees for purposes of determining their qualification.

What are directors paid?

Directors who are our employees do not receive additional remuneration for serving as directors. Beginning in 2005, each non-employee director receives \$26,000 annually for serving on the Board of Directors. To compensate for their additional duties, the Audit Committee chairman receives an additional \$15,000 annually, and other committee chairmen receive an additional \$5,500 annually. Directors also receive \$1,000 for attending a meeting of the Board of Directors or a committee meeting not held in conjunction with a Board of Directors meeting in person and \$500 for attending a meeting of the Board of Directors or a committee meeting not held in conjunction with a Board meeting by telephone. In accordance with the Company's Non-Qualified Deferred Compensation Plan For Outside Company Directors, the directors have the option of having phantom stock issued into a deferred compensation account in lieu of cash. This stock is then issued in two annual installments either in shares of the Company's common stock or in cash upon the director's retirement from the Board.

Beginning in 2005, non-employee directors also receive \$75,000 worth of shares of restricted stock in the Company. The shares of restricted stock are granted upon each director's reelection to the Board of Directors. The shares of restricted stock are issued through the Company's 2004 Stock Plan and vest in three equal annual installments at the end of each of the director's years of service. To begin the program, those directors who were not up for reelection at the 2005 Annual Meeting of Shareholders received a pro-rata grant of shares of restricted stock based upon the years of service remaining in their current term. Directors added to the Board mid-term receive a pro-rata

grant of restricted stock based on the amount of time until the next Annual Meeting of Shareholders at which time they receive a grant of restricted stock to encompass both any partial term left in their Class as well as the next full term of their Class.

INDEBTEDNESS OF MANAGEMENT TO THE COMPANY

In 1997, 1998, and 2000 we sold shares of common stock and limited partnership units in Mid-America Apartments, L.P. to certain employees pursuant to a Leadership Employee Stock Ownership Program (LESOP). Under the LESOP, shares of common stock and limited partnership units were sold to employees at market

prices, with 15% of the sale price bonused to the employee over a five-year period.

Mr. Cates purchased a total of 175,000 shares pursuant to this program at an aggregate purchase price of \$4,496,500. Roughly 85% of this amount, or \$3,822,063 was funded by personal loans obtained by Mr. Cates, and the balance, \$674,437, was funded by the Company's LESOP bonus program over a five-year period.

Mr. Bolton purchased a total of 110,000 limited partnership units pursuant to this program at an aggregate purchase price of \$2,966,500. Roughly 85% of this amount, or \$2,521,563 was funded by personal loans obtained by Mr. Bolton, and the balance, \$444,937 was funded by the Company's LESOP bonus program over a five-year period.

10

Mr. Wadsworth purchased a total of 100,000 shares and limited partnership units pursuant to this program at an aggregate purchase price of \$2,706,500. Roughly 85% of this amount, or \$2,300,563 was funded by personal loans obtained by Mr. Wadsworth, and the balance, \$405,937 was funded by the Company's LESOP bonus program over a five-year period.

In April 2002 the Company entered into duplicate LESOP bonus programs to the existing common stock and limited partnership unit sales. These agreements took effect immediately following the conclusion of the first agreements, have the same form and terms of the original agreements, and effectively raise the total LESOP bonus amount to 30% of the original sale price.

The employees of the Company listed in the table below are indebted to the Company pursuant to such promissory notes for shares of common stock and limited partnership units acquired under the LESOP, which amounts are bonused to them over a five-year period. The table indicates the largest amount of the indebtedness outstanding during fiscal year 2005 and the amount outstanding at February 28, 2006. Such indebtedness bears interest at rates ranging from 5.59% to 6.49% per annum.

	Maximum Indebtedness	Indebtedness at
	During 2005	February 28, 2006
George E. Cates (1)	\$ 415,593.75	\$ 415,593.75
H. Eric Bolton, Jr.	309,150.00	220,162.50
Simon R. C. Wadsworth	285,750.00	204,562.50
Total executive officers	\$ 1,010,493.75	\$ 840,318.75

(1) George E. Cates was not an executive officer of the Company during 2005, but is shown here as a participant in the LESOP program as a result of his former executive status with the Company.
