CONTENTS

*Results of Reconvened Annual Shareholder Meeting*

As anticipated and as described in its previous reports, on October 4, 2018, Stratasys Ltd. (“we,” “us” or the “Company”) reconvened its 2018 annual general meeting of shareholders (the “Meeting”) solely with respect to Proposal 3. The text of that proposal is listed below and was originally described in our proxy statement for the Meeting (the “Proxy Statement”), attached as Exhibit 99.1 to a Report of Foreign Private Issuer on Form 6-K (a “Form 6-K”) that we furnished to the Securities and Exchange Commission (the “SEC”) on August 8, 2018:

Approval of additional compensation for Messrs. David Reis (the Vice Chairman of the Board and an Executive Director) and Dov Ofer (a director) in respect of the additional services being provided by them on the oversight committee of the Company’s board of directors that assists the Company’s interim Chief Executive Officer.

The proposed compensation terms for Messrs. Reis and Ofer that were presented for a vote at the reconvened Meeting reflected amendments relative to those appearing in the Proxy Statement. Those amendments were implemented as a result of discussions that we held with our shareholders and their representatives, and are described in the Form 6-K that we furnished to the SEC on September 25, 2018. The foregoing description is incorporated by reference herein.

Based on the presence in person or by proxy of the requisite quorum of our outstanding ordinary shares, nominal value New Israeli Shekels 0.01 per share, at the reconvened Meeting, Proposal 3 was approved by the requisite majority of our shareholders under the Israeli Companies Law, 5759-1999.

The contents of this Form 6-K are incorporated by reference in the Company’s registration statements on Form S-8, SEC file numbers 333-185240 and 333-190963, filed by the Company with the SEC on December 3, 2012 and September 3, 2013, respectively, and shall be a part thereof from the date on which this Form 6-K is furnished, to the extent not superseded by documents or reports subsequently filed or furnished.
