Under the Company's excess benefit plan, each investment unit represents the economic equivalent of one share of People's United Financial, Inc. common stock. Excess benefit plan balances are distributable following a participant's termination of employment with the

(1) Company. Prior to November 1, 2008, excess benefit plan balances maintained on behalf of a participant, such as the reporting person, were deemed to have been proportionately invested in the same manner as the participant chose to invest actual balances in the Company's 401(k) plan. (Continued in Footnote #2).

(Continued from Footnote #1) Beginning November 1, 2008, the plan was amended to (a) reflect that all plan contributions made following such date would be directed to a new investment to be credited with earnings at a fixed annual rate of return established

(2) annually, and (b) permit participants to make an irrevocable, one-time election pursuant to which all existing plan balances would be directed to this new investment. The reporting person made such election, which resulted in the transfer of the value of 3,879 investment units to the fixed rate investment.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.
