Timing of Equity Grants

For all of our employees, including our named executive officers, grants of equity-based compensation are effective on the date that our compensation committee approves them. All stock option grants to employees, including named executive officers, are made with an exercise price at least equal to the fair market value of the underlying stock on the grant date. Our compensation committee does not grant equity compensation awards in anticipation of the release of material nonpublic information. Similarly, we do not time the release of material nonpublic information based on equity award grant dates.

Severance and Change in Control Benefits

We provide certain severance and change in control benefits to our named executive officers. You can find detailed information about these benefits below.

Perquisites and Other Benefits

We generally provide the same health and welfare benefits to all of our full-time employees, including our named executive officers, including health and dental coverage, disability insurance, and paid holidays and other paid time off.

We maintain a 401(k) retirement savings plan for the benefit of all of our full-time employees, including our named executive officers.

Indemnification

Our certificate of incorporation and bylaws require us to indemnify our directors and officers to the fullest extent permitted by Delaware law. We also have entered into indemnity agreements with each of our directors and named executive officers.

Material Tax Implications of Our Compensation Policy

Section 162(m) of the Internal Revenue Code of 1986, as amended, limits the deductibility on our tax return of compensation over \$1 million to any of our named executive officers unless, in general, the compensation is paid under a plan which is performance-related, non-discretionary and has been approved by our stockholders. Our compensation committee's policy with respect to section 162(m) is to make every reasonable effort to ensure that compensation is deductible to the extent permitted while simultaneously providing our executives with appropriate compensation for their performance. We did not pay any compensation during fiscal 2009 that would be subject to the limitations set forth in section 162(m).

Potential Payments Upon Termination or Change in Control

The following describes the potential payments upon termination or a change in control for our named executive officers.

Retention Arrangements

In January 2008, our compensation committee agreed to pay specified retention payments to various named executive officers on April 30, 2008 (later amended to May 1, 2008) and September 30, 2008. The retention payments were based on the continued employment of such executive officers. Under these agreements, Mr. Soden received an aggregate retention payment of \$45,064 (\$64,191 based on applicable conversion rates on the dates paid) and Mr. Spillane received an aggregate retention payment of \$61,296.

Table of Contents

On July 15, 2008, we entered into written retention agreements with various named executive officers to incentivize such executive officers to remain in our employment up to and following a control event as defined in the retention agreements. The retention agreements provide that if, on the 60th calendar day following the first control event following July 15, 2008, we continue to employ the executive officer in any capacity, then we will pay to the executive officer certain amounts. The October 20, 2008 closing of the series A convertible preferred stock transaction constituted a control event under the retention agreements as it was a financing with gross proceeds to us of at least \$10,000,000. In December 2008, we entered into agreements with certain executive officers to provide for payment of these retention amounts in the form of restricted common stock instead of cash. Under their respective agreements, Messrs. Glover and Spillane each received 214,286 shares of restricted common stock. Mr. Soden would have been paid 72,100 (\$100,000 based on applicable conversion rates) under his retention agreement, if he continued to be employed by us on the 60th calendar day following October 20, 2008. In December 2008, we entered into an agreement with Mr. Soden under which his employment was terminated without cause effective December 31, 2008 and he agreed that he would not receive the foregoing retention payment.

Termination Without Cause

Under employment agreements with each of Messrs. Glover and Spillane, if we terminate such executive's employment without cause, we have agreed to pay the executive his annual base salary and a pro-rated bonus, and provide benefits to maintain medical insurance, for 12 months following termination.

Also, if we terminate Mr. Glover or Mr. Spillane without cause, then such officer is entitled to accelerated vesting or other treatment of some or all of the stock options granted to such executive under the terms of such executive's employment agreement.

For Mr. Glover, the vesting of any options held accelerates with respect to the number of shares of our common stock that equals (x) the number of shares that would have vested during the 12 months following termination, multiplied by (y) a fraction, the numerator of which is the number of full calendar months that have elapsed since the last vesting date or the original issue date (if a vesting date has not occurred) and the denominator of which is the number of full calendar months from the last vesting date or the original issue date (if a vesting date has not occurred) to the vesting date during the 12 months following termination. For Mr. Spillane, any unvested options that would have become vested if his employment continued during the 12 month period following his termination will become vested at the end of such 12 month period and will be exercisable for a period of two years after termination.

For Mr. Glover, cause is defined as (i) personal dishonesty, (ii) willful misconduct, (iii) breach of fiduciary duty, (iv) failure to substantially perform assigned duties relating to his performance under his agreement, (v) conviction or entry of any plea of guilty or nolo contendere to any felony or other lesser crime that would require removal from his position with us (e.g. any alcohol or drug related misdemeanor) or (vi) material breach of any provision of his employment agreement for a period of 15 days after written demand by us.

For Mr. Spillane, cause is defined as (i) personal dishonesty, (ii) willful misconduct, (iii) breach of fiduciary duty, (iv) failure to substantially perform assigned duties relating to his performance under his agreement (other than due to becoming disabled) as reasonably determined by our board or (v) any willful violation of any law, rule or regulation (other than traffic violations or similar offenses) or material breach of his employment agreement as reasonably determined by our board.

Non-Renewal of Employment Agreement

If we do not renew Mr. Glover's employment agreement, he is entitled to receive his annual base salary and medical benefits for six months and a pro-rata share of his annual incentive bonus.

Table of Contents***Termination Due to Disability***

The employment agreements of Messrs. Glover and Spillane each provide that, in each case, if we terminate such executive due to a disability, we must pay such executive his annual base salary for a period of one year following the date of termination, minus any other disability benefits provided by us to the executive during this period, plus a pro-rated bonus for the year in which the termination occurs. For each of our named executive officers, a disability is defined in his employment agreement as a failure, because of illness or incapacity, to perform the duties of his employment for six months.

Termination by Employee with Good Reason

Each of Messrs. Glover's and Spillane's employment agreements provides that if he terminates his employment for good reason, we must pay the executive his annual base salary for a period of one year following the date of termination.

For Mr. Glover, good reason means a termination of his employment within 30 days after (i) a material diminution in nature, title or status of his responsibilities, (ii) dissolution or divestiture of all or a significant portion of our assets or another material change to us that would materially adversely diminish the nature, title or status of his job responsibilities, (iii) a relocation of his principal place of work to a location of more than 50 miles from our current office or (iv) our failure to perform any obligation under his employment agreement for a period of 15 days following written notice by him. For Mr. Spillane, good reason means a termination of his employment within 30 days after (i) a material diminution in nature or status of his responsibilities, (ii) dissolution or divestiture of all or a significant portion of our assets or another material change to us that would materially adversely diminish the nature or status of his job responsibilities or (iii) our material breach of any provision under his employment agreement which is not cured within 15 business days following written notice by him.

Any severance payments described above under *Termination Without Cause*, *Non-Renewal of Employment Agreement*, *Termination of Employment Due to Disability* and *Termination by Employee with Good Reason* are in consideration of the non-compete provisions contained in each named executive officer's employment agreement.

Each of Messrs. Glover and Spillane is prohibited from, during the term of his employment and for 12 months thereafter, (1) competing with us, (2) soliciting our employees and (3) soliciting our customers.

Change in Control

On November 3, 2008, we granted to Richard J. Lampen, our interim president and chief executive officer, an option to purchase 1,000,000 shares of our common stock at an exercise price of \$0.35 per share. Such option vests in four equal annual installments beginning on the first anniversary of the grant date provided that Mr. Lampen is then still a director or officer. The vesting of this option accelerates upon a change of control or Mr. Lampen's death or disability. For Mr. Lampen, a change of control means: (i) consummation of a reorganization, merger or consolidation, sale, disposition of all or substantially all of our assets or stock or any other similar corporate event (a Business Combination), in each case, unless, following such Business Combination, all or substantially all of the individuals or entities who were the beneficial owners, respectively, of our voting securities entitled to vote generally in the election of directors immediately prior to such Business Combination beneficially own, directly or indirectly, more than 50% of, respectively, the then outstanding voting securities entitled to vote generally in the election of directors, as the case may be, of the corporation resulting from such Business Combination (including, without limitation, a corporation which as a result of such transaction owns our company or all or substantially all of our assets either directly or through one or more subsidiaries); or (ii) board approval of a complete dissolution or liquidation of our company; or (iii) any person (as such term is defined in Section 3(a)(9) of the Securities Exchange Act of 1934 (the Exchange Act) and as used in Sections 13(d)(3) and 14(d)(2) of the Exchange Act), other than Dr. Phillip Frost, any member of his immediate family, and any person or group (as used in Section 13(d)(3) of the Exchange Act) that is controlled by Dr. Frost or any member of his immediate family, any beneficiary of the estate of Dr. Frost, or any trust, partnership, corporation or other entity controlled by any of the foregoing, is or becomes, after the date hereof, a beneficial owner (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of our company representing 35% or more of the combined voting power of our then outstanding securities eligible to vote for the election of our board of directors.

If there is a change of control during the term of Messrs. Glover's and Spillane's employment agreement, then such named executive officer is entitled to immediate vesting and settlement of all stock options granted to the named executive officer under our 2003 Stock Incentive Plan, as amended.

If Mr. Glover or Mr. Spillane is terminated following or in connection with a change of control of our company (as defined for each executive below), then such named executive officer will continue to be paid an amount equal to his base salary for a period of two years. Under Messrs. Glover's and Spillane's employment agreements, each is entitled to continue his benefits for 24 months following a termination of employment following, or in connection with, a change of control.

For Messrs. Glover and Spillane, a change of control is defined as (i) any person becoming the beneficial owner of 35% or more of our outstanding voting stock, other than directly from us; (ii) a merger or consolidation of our company where 49% or more of the voting stock of the surviving company is held by persons other than our former stockholders; (iii) during any period of two consecutive years, individuals who at the beginning of such period were members of our board of directors cease to constitute at least a majority thereof (unless the appointment, election, or the nomination for election by our stockholders, of each new director was approved by a vote of at least two-thirds of the directors then still in office who were directors at the beginning of such

Table of Contents

period); or (iv) a sale or disposal of substantially all of our assets to an outside entity or entities. Subclause (i) of the prior sentence will not apply to any acquisition of our securities by Dr. Phillip Frost, any member of his immediate family, any person or group (as used in Section 13(d)(3) of the Exchange Act) that is controlled by Dr. Frost or any member of his immediate family, any beneficiary of the estate of Dr. Frost, or any trust, partnership, corporate or other entity controlled by any of the foregoing.

The closing of the October 2008 series A convertible preferred stock transaction did not constitute a change of control under any employment agreement with a named executive officer.

The following table quantifies for each named executive officer the estimated potential severance payments and benefits that would be provided, if each termination circumstance set forth below occurred on March 31, 2009.

(1) Estimated using the value of COBRA payments at the rates in effect on March 31, 2009.

(2) The estimated amount of benefit was calculated by multiplying the number of options that would accelerate

vesting upon the termination circumstance indicated by the difference between the closing price of our common stock on March 31, 2009, which was \$0.20 and the exercise price of the stock option or the par value of the restricted stock, as applicable. This column shows no benefit for Mr. Lampen since the exercise price for his stock options was above the closing price of ou
