 - “ Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))
-

Item 8.01 Other Events.

On April 27, 2011, IDT Corporation (the “Registrant”) filed a Form 15 with the Securities and Exchange Commission (“SEC”) with respect to its Common Stock, par value \$0.01 per share (“Common Stock”), thereby, voluntarily terminating its registration and suspending its reporting obligations under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) with respect to its Common Stock.

As a result of filing the Form 15, the Registrant will no longer be required to file annual and quarterly reports with the SEC with respect to its Common Stock. The deregistration and suspension of its reporting obligations under the Exchange Act with respect to its Common Stock will become effective within 90 days after filing the Form 15 with the SEC.

The deregistration is the last step in the Registrant’s previously disclosed efforts to simplify its capital structure. The Registrant requested that the New York Stock Exchange (“NYSE”) submit a Form 25 with the SEC providing notification of the delisting of its Common Stock from the NYSE. The Form 25 was filed on April 13, 2011 and the delisting became fully effective ten days later on April 23, 2011.

The Registrant’s Class B Common Stock will remain listed on the NYSE under its existing “IDT” ticker symbol and will be the Registrant’s only publicly traded class of stock. By virtue of the ownership and NYSE-listing of its Class B Common Stock, the Registrant will remain subject to the reporting obligations under the Exchange Act with respect to its Class B Common Stock.

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
