This Amendment No. 1 to Form 10-K (this “Amendment”) amends the Annual Report on Form 10-K for the fiscal year ended December 31, 2017 of SITO Mobile, Ltd. (the “Company”, “our”, “we” and “us”), as originally filed with the Securities and Exchange Commission (“SEC”) on April 2, 2018 (the “Original Form 10-K”). We are filing this Amendment to present the information required by Part III of Form 10-K that was previously omitted from the Original Form 10-K in reliance on General Instruction G.(3) to Form 10-K.

Item 15 of Part IV has also been amended and restated in its entirety to contain the currently dated certifications from the Company’s principal executive officer and principal financial officer pursuant to Section 302 of the Sarbanes-Oxley Act of 2002 as exhibits, and to file the 2017 Equity Incentive Plan for the Company as Exhibit 10.11 to correct a typographical error in the version of the plan filed with the Original Form 10-K. The certifications of the Company’s principal executive officer and principal financial officer are attached to this Amendment as Exhibits 31.3 and 31.4. Because no financial statements have been included in this Amendment and this Amendment does not contain or amend any disclosure with respect to Items 307 and 308 of Regulation S-K, paragraphs 3, 4 and 5 of the certifications have been omitted.

Except as described above, no other changes have been made to the Original Form 10-K. This Amendment does not otherwise update information in the Original Form 10-K to reflect facts or events occurring subsequent to the filing date of the Original Form 10-K. This Amendment should be read in conjunction with the Original Form 10-K and with any of our filings made with the SEC subsequent to the filing of the Original Form 10-K.

## **Director Independence**

The NASDAQ Listing Rules require a majority of a listed company's board of directors to be comprised of independent directors. In addition, the NASDAQ Listing Rules require that, subject to specified exceptions, each member of a listed company's audit, compensation and nominating and corporate governance committees be independent and that audit committee members also satisfy independence criteria set forth in Rule 10A-3 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act").

Our Board undertook a review of the composition of our Board and its committees and the independence of each director. Based upon information provided by each director concerning his or her background, employment and affiliations, including family relationships, our Board has determined that each of our directors, with the exception of Mr. Pallack, our Chief Executive Officer, is an "independent director" as defined under the NASDAQ Listing Rules. Our Board also determined that Ms. Seminara Patton and Messrs. Durden and Rosenthal, who comprise our Audit Committee, Messrs. Durden, Fisher and Bornstein, who comprise our Compensation Committee, and Messrs. Fisher, Durden and Rosenthal, who comprise our Governance and Nominating Committee, satisfy the independence standards for such committees established by the SEC and the NASDAQ Listing Rules, as applicable. In making the independence determinations set forth above, our Board considered the relationships that each such director has with our Company and all other facts and circumstances our Board deemed relevant in determining independence

## Committees of the Board of Directors

To assist it in carrying out its duties, our Board has established three standing committees. These committees are the audit committee (the “Audit Committee”), the compensation committee (the “Compensation Committee”) and the governance and nominating committee (the “Governance and Nominating Committee”). The Audit Committee met five times in 2017.

### ***Governance and Nominating Committee***

Our Governance and Nominating Committee is currently comprised of Mr. Fisher (Chair), Mr. Durden and Mr. Rosenthal. Our Board has determined that all the members of our Governance and Nominating Committee are “independent,” as defined by SEC rules adopted pursuant to the requirements of the Sarbanes-Oxley Act of 2002 and the listing standards of NASDAQ. Our Governance and Nominating Committee met two times in 2017.

The duties and responsibilities of our Governance and Nominating Committee are set forth in our Governance and Nominating Committee’s charter adopted by our Board, which is available on our Company’s website ([www.sitomobile.com](http://www.sitomobile.com)).

Our Governance and Nominating Committee serves to assist our Board in fulfilling its oversight responsibilities with respect to: (i) developing and recommending to our Board a set of corporate governance principles applicable to the Company, and reviewing and reassessing the adequacy of such guidelines annually and recommending to our Board any changes deemed appropriate; (ii) developing policies on the size and composition of our Board; (iii) reviewing possible candidates for Board membership consistent with our Board’s criteria for selecting new directors; (iv) performing Board member performance evaluations on an annual basis; (v) annually recommending a slate of nominees to our Board with respect to nominations for our Board at the annual meeting of the Company’s stockholders; (vi) reviewing and discussing with our management the program that management has established to monitor compliance with the Company’s code of business conduct and ethics for directors, officers and employees; and (vii) generally advising our Board (as a whole) on corporate governance matters.

The process followed by our Governance and Nominating Committee to identify and evaluate candidates for Board membership includes (i) requests to Board members, our Chief Executive Officer, and others for recommendations; (ii) meetings from time to time to evaluate biographical information and background material relating to potential candidates and their qualifications; and (iii) interviews of selected candidates.

Our Governance and Nominating Committee also considers recommendations for nomination to our Board submitted by stockholders in accordance with the provisions contained in our by-laws (our “By-laws”). Each notice of nomination submitted in this manner must contain the information specified in our By-laws, including, but not limited to, information with respect to the beneficial ownership of our common stock or derivative securities that have a value associated with our common stock held by the proposing stockholder and its associates and any voting or similar agreement the proposing stockholder has entered into with respect to our common stock. To be timely, the notice must be received at our principal executive offices not less than 90 days nor more than 120 days prior to the first anniversary of the date of the prior year’s annual meeting of stockholders. If the annual meeting of stockholders is advanced by more than 30 days, or delayed by more than 60 days, from the anniversary of the preceding year’s annual meeting of stockholders, or if no annual meeting of stockholders was held in the preceding year, notice by the stockholder, to be timely, must be received no earlier than the 120th day prior to the annual meeting of stockholders and no later than the later of (1) the 90th day prior to the annual meeting of stockholders and (2) the tenth day following the day on which we notify stockholders of the date of the annual meeting of stockholders, either by mail or other public disclosure. In evaluating the suitability of candidates to serve on our Board, including stockholder nominees, our Governance and Nominating Committee seeks candidates who are “independent,” as defined by SEC rules adopted pursuant to the requirements of the Sarbanes-Oxley Act of 2002 and who meet certain selection criteria established by our Governance and Nominating Committee.

### **Director Attendance at Annual Meetings**

Our policy is that all directors, absent special circumstances, should attend our annual meeting of stockholders.

### **Code of Ethics**

On December 1, 2004, we adopted a Code of Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. A copy of our Code of Ethics will be provided to any person requesting it without charge. Our Code of Ethics is also available online at <http://ir.sitomobile.com/governance-documents>. We intend to post amendments to or waivers from, if any, certain provisions of our Code of Ethics (to the extent applicable to our directors; our executive officers, including our principal executive officer and principal financial officer; or our principal accounting officer or controller, or persons performing similar functions) at this location on our website. To request a hard copy of our Code of Ethics, please make a written request to our Chief Financial Officer c/o SITO Mobile, Ltd. at 100 Town Square Place, Suite 204, Jersey City, New Jersey 07310.

### **Board Leadership Structure**

Mr. Rosenthal serves as Chairman of our Board and Mr. Pallack serves as our Chief Executive Officer. Our Board is responsible for the selection of the Chairman of the Board and the Chief Executive Officer. Our Board does not have a policy on whether or not the roles of Chief Executive Officer and Chairman should be separate and, if they are to be separate, whether the Chairman should be selected from the non-employee directors or be an employee.

We currently separate the roles of Chairman of our Board and Chief Executive Officer. This structure enables our Board to effectively exercise its role in oversight of the Company while allowing our Chief Executive Officer to focus on the management of the day-to-day conduct of our business. The Board may review and change its leadership structure in the future.

### **Board Role in Risk Oversight**

One of the key functions of our Board is informed oversight of our risk management process. Our Board does not have a standing risk management committee, but rather administers this oversight function directly through our Board as a whole, as well as through various standing committees of our Board that address risks inherent in their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing strategic risk exposure and our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including adopting guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also monitors compliance with legal, regulatory and cybersecurity requirements. Our Governance and Nominating Committee monitors the effectiveness of our corporate governance practices, including whether they are successful in preventing illegal or improper liability-creating conduct. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. Members of management responsible for particular areas of risk for the Company provide presentations, information and updates on risk management efforts as requested by our Board or a committee of our Board.

### **Family Relationships**

There are no family relationships among our executive officers and directors.

### **Section 16(a) Beneficial Ownership Compliance**

Section 16(a) of the Exchange Act requires that our directors and executive officers and persons who beneficially own more than 10% of our common stock (referred to in this Amendment as the “reporting persons”) file with the SEC initial reports of ownership and reports of changes in ownership in our common stock. Such reporting persons are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file. To our knowledge, based solely upon a review of copies of Section 16(a) reports and representations received by us from reporting persons and without conducting any independent investigation of our own, in 2017 all such Section 16(a) filing requirements were met, except that (i) one Form 4 was filed late by Mr. Blanche, resulting in 2 transactions not being reported on a timely basis, (ii) two Form 4s were filed late by Mr. Petrow, resulting in five transactions not being reported on a timely basis, (iii) one Form 4 was filed late by former director Betsy J. Bernard, resulting in two transactions not being reported on a timely basis, (iv) one Form 4 was filed late by Mr. Pallack, resulting in one transaction not being reported on a timely basis and (v) one Form 4 was filed late by Mr. Bornstein, resulting in five transactions not being reported on a timely basis.

## Changes in Nominating Procedures

No material changes have been made to the procedures by which security holders may recommend nominees to our Board.

## ITEM 11. EXECUTIVE COMPENSATION.

This Compensation Overview provides important information on our executive compensation programs and on the amounts shown in the executive compensation tables that follow. The compensation programs are governed by our Compensation Committee, which is comprised solely of independent directors of the Company.

The Company's named executive officers for 2017 are set forth in the table below:

NEO	Position During Fiscal 2017
Thomas J. Pallack	<b>Chief Executive Officer, appointed as Interim CEO June 5, 2017, appointed as CEO, June 26, 2017</b>
Jerry Hug	<b>Former Chief Executive Officer, resigned February 17, 2017</b>
Richard O'Connell	<b>Former Interim Chief Executive Officer, appointed February 2017, removed June 2, 2017</b>
William A. Seagrave	<b>Chief Operating Officer, appointed June 26, 2017</b>
Mark Del Priore	<b>Chief Financial Officer, appointed as Interim CFO June 2, 2017, appointed as CFO, June 26, 2017</b>

## Changes in Management in 2017

During the first three quarters of 2017, the Company underwent fundamental changes and substantial turnover with respect to our Board and management. In the first quarter of 2017, both our Chief Executive Officer and Chief Financial Officer resigned and were replaced by interim executives. In June 2017, two stockholders who beneficially owned an aggregate of 5.2% of our common stock led a successful stockholder consent solicitation process that resulted in the removal of all of the then-current directors (other than Brent Rosenthal) and the election of five new directors to the Board.

The newly-constituted Board appointed a new Chief Executive Officer, Chief Financial Officer, Chief Operating Officer and Chief Revenue Officer and instituted new compensation policies and practices designed to (i) create long-term value for stockholders by increasing accountability for the performance of the Company's products; (ii) align the potential payouts under the Company's compensation programs with the Company's performance, and (iii) mitigate excessive risk-taking.

## Best Practices

The following compensation decisions and practices demonstrate how the Company's new 2017 executive compensation program reflects best practices and reinforces the Company's culture and values:

***Emphasis on At-Risk Pay*** — For our named executive officers, the majority of their total compensation opportunity is contingent upon the Company's financial performance and appreciation in the market price of our common stock.

***Equity-Based Compensation*** — Because the majority of the 2017 total compensation opportunity for our named executive officers is in the form of restricted stock units ("RSUs"), which are market-based, and stock options, we believe that the interests of our management is properly aligned with the long-term financial interests of the Company's stockholders. Because the RSUs granted to our named executive officers only vest upon sustained performance of our common stock at prices higher than the Company's current stock price, subject to continued service, we believe our management is properly incentivized to increase sustainable stockholder value.

***Rigorous Performance Metrics*** — Both the bonus payments and the performance-based RSUs awarded to our new management team, including the named executive officers, are earned based on achieving rigorous strategic and financial performance goals. The 2017 bonus payments to our named executive officers are contingent on two metrics tied to financial and strategic performance: (i) revenue earned during the six months ended December 31, 2017 and (ii) the number of "Data Deals" (as described below in the "Annual Bonuses" section) consummated by our management team during such period. Vesting of RSUs for our named executive officers is contingent on the price of our common stock consistently remaining above certain thresholds for 65 consecutive trading days. As such, we believe that performance targets for annual bonuses incentivize strong short-term performance with respect to operational metrics and performance targets applicable to our RSUs are intended to be challenging over a longer time period.

***No Excise Tax Gross-Up Payments*** — None of the named executive officers are entitled to gross-up payments in the event that any payments or benefits provided to her or him by the Company are subject to the golden parachute excise tax under Sections 280G and 4999 of the Internal Revenue Code.

***Derivatives and Hedging Policy*** — The Company prohibits employees (including our named executive officers) and directors from engaging in hedging transactions with respect to any equity securities of the Company held by them.

***Policy Against Pledging*** — The Company prohibits associates, employees (including our named executive officers) and directors from pledging any equity securities of the Company held by them.

## Compensation Process and Objectives

The Company's business is to develop customized, data-driven advertising solutions for brands and provide privacy-compliant data and strategic insights. We harness our proprietary location-based marketing intelligence platform to provide advertisement delivery, measurement and attribution services and consumer insights to brands, advertising agencies, out-of-home advertisers, media companies and non-media companies that utilize consumer insights for strategic decision-making purposes. Our products, fueled by our robust locational data, allow marketers and executive decision makers to better understand the movement and behaviors of their existing and prospective consumers.

To be successful, the Company must attract and retain key creative and management talents who thrive in this environment. The Company sets high goals and expects superior performance from these individuals. The Company's executive compensation structure is designed to support this culture, encourage a high degree of teamwork, and reward individuals for achieving challenging financial and operational objectives that we believe lead to the creation of sustained, long-term stockholder value.

The Company's executive compensation and benefit programs are designed to:

Drive high performance to achieve financial goals and create long-term stockholder value;

Reflect the strong team-based culture of the Company; and

Provide compensation opportunities that are competitive with those offered by similar marketing intelligence platforms and other companies with which the Company competes for high caliber executive talent.

The Compensation Committee, in consultation with management of the Company, oversees the executive compensation and benefits program for the Company's named executive officers.

*Base Salary*

The base salary component of executive officer compensation is intended to provide a competitive, stable level of minimum compensation to each officer commensurate with the executive’s role, experience and duties. The Compensation Committee reviews and approves base salaries for our named executive officers based on several factors, including the individual’s experience, responsibilities, performance, expected future contribution, our expected financial performance and salaries of similarly situated executives of our public peers in our industry. The initial base salaries of our named executive officers are set forth in each such executive’s employment agreement.

In July 2017, following the appointment of Messrs. Pallack, Seagrave and Del Priore in June 2017, the Company entered into employment agreements with each such executive, which are described below (referred to as the “Employment Agreements”). The Employment Agreements set forth initial base salaries, which are set forth in the table below, that were established based on an evaluation of the factors describe above, our desire to reward and retain the key executives who we believe are instrumental to our success, and the competitiveness of base salaries based upon a review of publicly available data for our competitors.

Executive	Base Salary
Thomas J. Pallack	\$350,000
William A. Seagrave	\$300,000
Mark Del Priore	\$225,000

Prior to his resignation, Mr. Hug received an annual base salary of \$350,000, which was reviewed annually. Mr. O’Connell was paid an annualized base salary of \$350,000 for his service as Interim Chief Executive Officer.

*Annual Bonuses*

The Compensation Committee historically awarded discretionary cash bonuses to reward performance. For 2017, the Employment Agreements with Messrs. Pallack, Seagrave and Del Priore established an incentive bonus opportunity based on Company performance. For 2018 and subsequent years, the Employment Agreements provide that Messrs. Pallack, Seagrave and Del Priore are eligible for incentive bonuses. Tying a portion of total compensation to annual Company performance permits us to adjust the performance measures each year to reflect changing objectives and those that may be of special importance for a particular year. Through this program, we seek to provide an appropriate amount of pre-established short-term cash compensation that is at-risk and tied to the achievement of certain

short-term performance goals. Due to their respective departures from the Company, Messrs. Hug and O'Connell were not eligible for bonuses with respect to 2017.

The 2017 bonus payments to Messrs. Pallack, Seagrave and Del Priore are contingent on two metrics tied to financial and strategic performance: (i) revenue earned during the six months ended December 31, 2017 and (ii) the number of "Data Deals" consummated by our management team during such period.

The performance objectives and the associated target bonus amounts as a percent of salary are described in the table below.

<b>In the event that the Company's total revenues during the six months ended December 31, 2017 are at least:</b>	<b>And the Company executes not less than the number of Data Deals (as defined below) specified below:</b>	<b>Executive shall be entitled to a cash bonus of the following percentage of Executive's Base Salary:</b>
\$20.0 million	Two (2)	50%
\$22.5 million	Three (3)	100%
\$25 million	Four (4)	200%

These performance objectives reflect the Board's objectives for the Company's new management following their appointment in June 2017. In particular, the Compensation Committee's revenue targets reflected a desire for significant revenue growth over the prior year and a strategic transition from our traditional ad placement business in favor of our data business. The maximum revenue target for the six months ended December 31, 2017 was set at approximately 86% of the revenue target for the entire prior year.

Data Deals, as defined in each of the Employment Agreements, refers to either the sourcing of new data or data models that are not generally available in the Company's data brokerage ecosystem and that are then available for inclusion in the Company's data analytics, included in the Company's sales packages and solutions for clients, used to create new avenues of the Company's analytic results for client leverage, or the packaging of the Company's data models, analytics, and insights for direct inclusion in sales and solutions to clients. Additionally, Data Deals include the multi-year licensing of the Company's data assets to third parties for inclusion in their data and marketing assets and for which the Company receives periodic licensing revenue and for which the Company must provide periodic data updates.

The performance objectives are the same for the entire management team, reflecting our high value placed upon team performance. The actual bonus amounts vary only by differences in the base salary to which the above percentages are applied. The table below outlines the salaries and possible bonus amounts for each eligible named executive officer.

Executive	Base Salary	Bonus @ 50% of Base Salary	Bonus @ 100% of Base Salary	Bonus @ 200% of Base Salary
Pallack	\$ 350,000	\$ 175,000	\$ 350,000	\$ 700,000
Seagrave	\$ 300,000	\$ 150,000	\$ 300,000	\$ 600,000
Del Priore	\$ 225,000	\$ 112,500	\$ 225,000	\$ 450,000

The Company's revenue for the six months ended December 31, 2017, excluding certain joint venture revenue, was \$25.6 million and the Compensation Committee certified that the Company had executed four Data Deals during the same period. As a result, each of Mr. Pallack, Seagrave and Del Priore were awarded bonuses at 200% of target. In order to allow the Company to preserve cash for strategic purposes, each of Messrs. Pallack, Seagrave and Del Priore elected to receive (i) 25% of such bonus in cash and (ii) 75% of their 2017 bonuses in the form of fully-vested shares of common stock (with the number of shares determined based on an assumed price of \$4.02 per share, representing the share price on March 29, 2018).

The bonus opportunities for Messrs. Pallack, Seagrave and Del Priore with respect to 2018 are contingent on Company performance as measured by revenue and EBITDA (defined as net income before interest expense, income tax expense, depreciation and amortization expense) earned during the year ending December 31, 2018. Threshold, target and maximum goals, along with relative weighting, are set forth in the table below. The target payout level was

designed to be achievable with strong management performance and the maximum level was designed to encourage and reward our named executive officers for outstanding performance.

The approach to goal setting for 2018 bonuses involved a process of reviewing, among other things, our prior year's financial performance and our short-term and long-term strategic objectives. We also took into account the need for setting goals that are challenging yet reasonably achievable so as to provide a competitive pay package necessary for the retention of our talent.

The performance objectives and the associated target bonus amounts as a percentage of salary are described in the table below.

		<b>Threshold</b>	<b>Target</b>	<b>Maximum</b>
Performance Metric	Weighting	<b>50% of base salary</b>	<b>100% of base salary</b>	<b>150% of base salary</b>
Revenue	60%	\$55.0 million	\$59.0 million	\$68.0 million
EBITDA	40%	\$1.0 million	\$3.0 million	\$4.0 million

All bonuses for 2018 are subject to continuous service through the date of payment and certification of performance by the Compensation Committee.

*Equity Incentive Awards*

We believe that equity awards are an important component of our executive compensation program. Equity compensation aligns our executives' and stockholders' interests by linking rewards with achievement of return to our stockholders based on our long-term growth plan.

In connection with the Employment Agreements, during 2017 we made one-time equity awards to each of Messrs. Pallack, Seagrave and Del Priore, which consisted of (i) options to purchase shares of our common stock and (ii) market-based RSUs, which will vest only in the event that the average closing price per share of our common stock reaches certain targets described below.

Executive	Stock Options (\$6.01 Exercise Price)	RSUs
Pallack	400,000	1,028,050
Seagrave	100,000	225,468
Del Priore	100,000	225,468

The stock options vest ratably over four years, beginning on July 24, 2018, subject to continuous service, and have an exercise price of \$6.01 based upon the closing price of a share of our common stock on the date of grant, which we believe will properly incentivize management to create and sustain stockholder value over a prolonged time period.

The RSUs vest only in the event that the average closing price per share of our common stock reaches certain targets for a period of 65 consecutive trading days, subject to continued service, as set forth in the table below.

Share Price Target Achieved and Sustained for 65 Consecutive Trading Days	Percentage of Award Vested
\$7.00 per share	20%
\$10.00 per share	an additional 30%
\$15.00 per share	an additional 50%

We believe that the vesting conditions of the RSUs incentivize significant growth in stockholder value, particularly the per share price targets of \$10.00 and \$15.00, which are set significantly higher than the historic trading value of our common stock.

Due to their respective departures from the Company, Messrs. Hug and O'Connell did not receive grants of equity compensation in 2017.

*Benefits and Prerequisites*

Other than health insurance and a 401(k) plan, we do not currently provide any employee benefit or retirement programs.

We have no plans in place and have never maintained any plans that provide for the payment of retirement benefits or benefits that will be paid primarily following retirement, including, but not limited to, tax qualified deferred benefit plans, supplemental executive retirement plans, tax-qualified deferred contribution plans and nonqualified deferred contribution plans.

In November 2017, the Board approved a housing stipend for certain executives, including Messrs. Pallack and Seagrave, to relocate to live near our corporate headquarters in Jersey City, NJ.

(1) These amounts include 1,742,319 RSUs, which do not factor into the weighted average exercise price of outstanding options, warrants and rights.

In April 2008, our Board and stockholders adopted the 2008 Stock Option Plan (the “2008 Plan”), to provide participating employees, non-employee directors, consultants and advisors with an additional incentive to promote our success. The maximum number of shares of our common stock which could be issued pursuant to options and awards granted under the 2008 Plan is 880,000. The 2008 Plan is administered by our Compensation Committee. The 2008 Plan authorized the grant to 2008 Plan participants of non-qualified stock options, incentive stock options, restricted stock awards, and stock appreciation rights. No option shall be exercisable more than 10 years after the date of grant. Upon separation from service, no further vesting of options can occur, and vested options will expire unless exercised within a year after separation, except as provided in individual employment agreements. No option granted under the 2008 Plan is transferable by the individual or entity to whom it was granted otherwise than by will or laws of decent and distribution, and, during the lifetime of such individual, is not exercisable by any other person, but only by him, her or it.

In December 2009, our Board adopted the 2009 Employee and Consultant Stock Plan (the “2009 Plan”), to provide common stock grants to selected employees, non-employee directors, consultants and advisors. The total number of shares subject to the 2009 Plan is 200,000. The 2009 Plan is administered by our Board.

In December 2010, our Board adopted the 2010 Stock Plan (the “2010 Plan”), to provide participating employees, non-employee directors, consultants and advisors with an additional incentive to promote our success. In June 2011, the Board increased the total number of shares subject to the 2010 Plan to 2,500,000 and then to 4,000,000 in November 2013. The 2010 Plan is administered by our Board. The 2010 Plan authorized the grant to 2010 Plan participants of non-qualified stock options, incentive stock options, restricted stock awards, and stock purchase rights. No option shall be exercisable more than 10 years after the date of grant. Upon separation from service, no further vesting of options can occur, except as provided in individual option agreements. The 2010 Plan provides various termination provisions to the extent not provided in a grant agreement, as determined by the administrator of the 2010 Plan. No option granted under the 2010 Plan is transferable by the individual or entity to whom it was granted otherwise than by will or laws of descent and distribution, and, during the lifetime of the individual or entity, is not exercisable by any other person, but only by the individual or entity, or his, her or its transferee

In October 2017, our Board adopted the 2017 Equity Incentive Plan (the “2017 Plan”) subject to stockholder approval, as a successor to and continuation of the 2008 Stock Option Plan. The maximum number of shares of our common stock which may be issued pursuant to options and awards granted under the 2017 Plan is 2,500,000, along with any shares that remain available for issuance under the 2008 Plan. The 2017 Plan is administered by the Compensation Committee of our Board. The 2017 Plan authorizes the grant to 2017 Plan participants of stock options, stock appreciation rights, restricted stock awards, restricted stock units, and cash awards. All 2,500,000 shares may be issued in respect any type of equity-based award, including incentive stock options.

In connection with the approval by our stockholders of the 2017 Plan in November 2017, the Board determined that no further grants would be made under the 2008 Plan, the 2009 Plan or the 2010 Plan.

## **ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS AND DIRECTOR INDEPENDENCE.**

### **Certain Relationships and Related-Party Transactions**

The following is a description of transactions since January 1, 2017 to which we have been a party in which the amount involved exceeded or will exceed \$120,000 and in which any of our directors, executive officers, beneficial holders of 5% or more of our capital stock, or entities affiliated with them, had or will have a direct or indirect material interest.

On October 3, 2014, the Company and its wholly owned subsidiaries, SITO Mobile Solutions, Inc. and SITO Mobile R&D IP, LLC, entered into a Revenue Sharing and Note Purchase Agreement (the “NPA”) with Fortress Credit Co LLC, as collateral agent, and CF DB EZ LLC and Fortress Credit Co LLC. On July 11, 2017, TAR SITO LendCo LLC, an entity owned and controlled by Julian Singer, the son of Karen Singer (sole member of TAR Holdings LLC, which at that time owned more than 5% of our common stock), acquired from Fortress Credit Opportunities V CLO Limited, CF EZ LLC, and CF DB EZ LLC all rights, title and interest as “Purchaser” and “Revenue Participant” under the NPA and related documents. On August 1, 2017, the Company used approximately \$4,900,000 of the proceeds of an offering of common stock and warrants to prepay in full all outstanding principal, accrued and unpaid interest due through the date of repayment and termination fees payable with respect to the senior secured note sold under the NPA (the “Note”).

On February 20, 2018, the Company and TAR SITO LendCo LLC, Mr. Julian Singer, Ms. Karen Singer and Mr. Gary Singer (collectively, the “TAR Group”), entered into a settlement agreement, pursuant to which the NPA was terminated and discharged and all pending litigation between the Company and the members of the TAR Group was dismissed with prejudice in exchange for a lump sum payment of \$3.5 million from the Company to the TAR Group. No future amounts are due with respect to the NPA or the Revenue Stream and the lump sum payment has been recorded as of December 31, 2017.

According to public filings made in accordance with Section 13 of the Exchange Act, Karen Singer and TAR Holdings LLC currently hold less than 5% of the Company’s capital stock.

### **Policies and Procedures for Approving Transactions with Related Persons**

The independent members of our Board are responsible for reviewing and approving related person transactions, either in advance or when we become aware of a related person transaction that was not reviewed and approved in advance; however, our Board has not yet adopted a written policy or procedures governing its approval of transactions with related persons. During 2017, all related party transactions were reviewed and approved by our Board, and each related person who was at the time serving as a director abstained from voting on the particular transaction.

### **Indemnification Agreements**

We have entered into, or plan to enter into, an indemnification agreement with each of our directors and executive officers, in addition to the indemnification provided for in our Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws. These indemnification agreements, among other things, require us to indemnify our directors and executive officers for certain expenses, including attorneys' fees, judgments, fines and settlement amounts incurred by a director or executive officer in any action or proceeding arising out of their services as one of our directors and/or executive officers or any other company or enterprise to which the person provides services at our request. These indemnification agreements also provide the directors and executive officers who are parties thereto with certain rights to advancement of expenses incurred in defending a proceeding in advance of the disposition of any proceeding for which indemnification rights may be available pursuant to the indemnification agreement. Further, the indemnification agreement provides for a process for our Board to determine whether an indemnified person is entitled to indemnification in a particular case. We believe that these Amended and Restated Certificate of Incorporation and Amended and Restated Bylaw provisions and indemnification agreements are necessary to attract and retain qualified persons as directors and executive officers.

## **ITEM 14. PRINCIPAL ACCOUNTING FEES AND SERVICES.**

### **Changes in Independent Registered Public Accounting Firm**

On January 10, 2018, our Audit Committee dismissed RBSM LLP (“RBSM”) as independent registered public accounting firm for the Company.

The audit report of RBSM on the consolidated financial statements of the Company as of December 31, 2016 did not contain any adverse opinion or disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope or accounting principles.

During the Company’s fiscal years ended December 31, 2016, and December 31, 2017 and through the date of dismissal of RBSM, there have been no “disagreements” (as such term is described in Item 304(a)(1)(iv) of Regulation S-K) with RBSM on any matter of accounting principle or practices, financial statement disclosure or auditing scope or procedure, which disagreements if not resolved to the satisfaction of RBSM would have caused RBSM to make reference thereto in their reports on the consolidated financial statements for such years.

During the fiscal years ended December 31, 2016 and 2015 and through the date of dismissal of RBSM, none of the “reportable events” described in Item 304(a)(1)(v) of Regulation S-K occurred.

At the time of its dismissal, the Company provided RBSM with a copy of the disclosures reproduced in this Amendment and requested that RBSM furnish the Company with a letter addressed to the SEC stating whether or not it agrees with the above statements. A copy of RBSM’s letter dated January 12, 2018 was filed as Exhibit 16.1 to our Current Report on Form 8-K filed with the SEC on January 12, 2018.

On January 10, 2018, the Audit Committee completed a competitive process to select the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2017. As a result of this process, the Audit Committee appointed BDO USA, LLP (“BDO”) as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2017.

During the Company's fiscal years ended December 31, 2016, and December 31, 2017 and through January 12, 2018, neither the Company nor anyone on its behalf consulted with BDO regarding (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, and no written report or oral advice was provided by BDO to the Company that BDO concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue, or (ii) any subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K) or any reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K).

### **Principal Accounting Fees for Audit of 2017 Financial Statements**

BDO served as our principal accountant for the fiscal year ended December 31, 2017. In connection with filing the Original Form 10-K, our Audit Committee reviewed and discussed with representatives of BDO our audited financial statements for the twelve months ended December 31, 2017 with our management, and the matters required to be discussed by the Statement on Auditing Standards, as amended.

No amounts were paid to BDO with respect to the fiscal year ended December 31, 2016.

#### ***Audit-Related Fees***

No aggregate fees were billed in either of the last two fiscal years for assurance and related services by BDO that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported under the heading Audit Fees above for the fiscal years ended December 31, 2017 and 2016, respectively.

#### ***Tax Fees***

No aggregate fees were billed for professional services rendered by BDO for tax compliance, tax advice, and tax planning for the fiscal years ended December 31, 2017 and 2016, respectively.

#### ***All Other Fees***

Except as described above, no other fees were billed to the Company by BDO for the fiscal years ended December 31, 2017 and 2016, respectively. The aggregate fees billed for the fiscal year ended December 31, 2016 for professional

services rendered by our former principal accountant, RBSM LLP, for the audit of the Company's financial statements as of December 31, 2016 and the year then ended included in the Original Form 10-K and for the review of our quarterly financial statements during the fiscal year ended December 31, 2016, were \$167,000.

### **Audit Committee Pre-Approval Policies**

Our Audit Committee has approved BDO's performance of services for the audit of our financial statements included in the Original Form 10-K. Audit-related fees, tax fees, and all other fees, if any, are approved by the Audit Committee.

### **Work Performed by Others**
