Item 1.01 Entry into Material Definitive Agreement.

At its Annual Meeting of Shareholders held on May 19, 2005 (the "Annual Meeting"), the shareholders of 1st Constitution Bancorp (the "Company") approved the 1st Constitution Bancorp 2005 Equity Incentive Plan (the "Plan").

The purposes of the Plan are to aid the Company in attracting, retaining, motivating and rewarding employees and other persons who provide substantial services to the Company or its subsidiaries or affiliates, to provide for equitable and competitive compensation opportunities, to prescribe individual contributions, to reward achievement of Company goals, and to promote the creation of long-term value for shareholders by closely aligning the interests of participants with those of shareholders.

The Plan provides that the Company may grant participants stock options, restricted stock, or such other awards as the Committee may determine. Options awarded under the Plan may either be options that qualify as incentive stock options ("ISOs") under Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), or options that do not, or cease to, qualify as incentive stock options under the Code ("nonqualified stock options" or "NQSOs").

Awards may be granted under the Plan to employees of the Company or any subsidiary or affiliate, including any executive officer or employee director of the Company, a consultant or other person who provides substantial services to the Company or a subsidiary or affiliate, and any person who has been offered employment by the Company or a subsidiary or affiliate, provided that such prospective employee may not receive any payment or exercise any right relating to an award until such person has commenced employment with the Company or a subsidiary or affiliate. Non-employee directors shall not be eligible to participate in the Plan.

The Plan will be administered by a committee of two or more directors selected by the Board, who are not employees of the Company or any subsidiary or affiliate (the "Committee"). The Committee shall have full and final authority to select participants, to grant awards, to determine the type and number of awards, to establish the terms, conditions, restrictions and other provisions of awards, to cancel or suspend awards, to prescribe documents evidencing or setting terms of awards, amendments thereto, and rules and regulations for the administration of the Plan and amendments thereto, to construe and interpret the Plan and award documents and correct defects, supply omissions or reconcile inconsistencies therein, and to make all other decisions and determinations as the Committee may deem necessary or advisable for the administration of the Plan. Decisions of the Committee shall be final, conclusive, and binding upon all persons interested in the Plan.

A total of 300,000 shares have been reserved and available for delivery in connection with awards under the Plan; however, the total number of shares which may be issued and delivered in connection with awards that are granted as ISOs is limited to 150,000. Shares delivered under the Plan shall be authorized and unissued shares, or treasury shares, or partly out of each, as shall be determined by the Board. Shares subject to an award under the Plan that is canceled, expired, forfeited, settled in cash or otherwise terminated without a delivery of shares to the participant will again be available for awards, but with respect to shares reserved and available for ISOs, only to the extent consistent with applicable

regulations relating to ISOs under the Code. The Committee will determine the appropriate adjustments, if any, to the number of shares available under the Plan and to awards under the Plan in the case of recapitalization, forward or reverse split, stock dividend, reorganization, merger, consolidation, spin-off, combination, repurchase, share exchange, liquidation, dissolution or other similar corporate transaction.

Participants are limited in any year to awards under the Plan relating to no more than 20,000 shares per type of award (that is, options, restricted stock, and other awards), plus the amount of the participant's unused annual limit relating to the same type of award as of the close of the previous year, subject to adjustment.
