(1) The aggregate of these two option awards vests in three approximately equal annual installments beginning on March 7, 2019 and ending on March 7, 2021.

The vesting of each of three approximately equal performance share tranches is contingent on the achievement of certain market-vesting thresholds based on the price per share of Heska's common stock average over a 20-day trailing trading period. The first tranche is to vest at the later of the achievement of \$87.21 per share or the second anniversary of grant date. The second tranche is to vest at the later of the achievement of \$101.17 per share or the third anniversary of grant date. The third tranche is to vest at the later of the achievement of \$122.10 per share or the fourth anniversary of grant date. Any performance shares that do not vest by March 31, 2025 are to be forfeited.
