JUMPKICKS, INC.
(A Development Stage Company)
Notes to Financial Statements
April 30, 2009 and October 31, 2008

NOTE 1 - CONDENSED FINANCIAL STATEMENTS

The accompanying financial statements have been prepared by the Company without audit. In the opinion of management, all adjustments (which include only normal recurring adjustments) necessary to present fairly the financial position, results of operations, and cash flows at April 30, 2009, and for all periods presented herein, have been made.

Certain information and footnote disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America have been condensed or omitted. It is suggested that these condensed financial statements be read in conjunction with the financial statements and notes thereto included in the Company's October 31, 2008 audited financial statements. The results of operations for the periods ended April 30, 2009 are not necessarily indicative of the operating results for the full years.

NOTE 2 - GOING CONCERN

The Company's financial statements are prepared using generally accepted accounting principles in the United States of America applicable to a going concern which contemplates the realization of assets and liquidation of liabilities in the normal course of business. The Company has not yet established an ongoing source of revenues sufficient to cover its operating costs and allow it to continue as a going concern. The ability of the Company to continue as a going concern is dependent on the Company obtaining adequate capital to fund operating losses until it becomes profitable. If the Company is unable to obtain adequate capital, it could be forced to cease operations.

In order to continue as a going concern, the Company will need, among other things, additional capital resources. Management's plan is to obtain such resources for the Company by obtaining capital from management and significant shareholders sufficient to meet its minimal operating expenses and seeking equity and/or debt financing. However management cannot provide any assurances that the Company will be successful in accomplishing any of its plans.

The ability of the Company to continue as a going concern is dependent upon its ability to successfully accomplish the plans described in the preceding paragraph and eventually secure other sources of financing and attain profitable operations. The accompanying financial statements do not include any adjustments that might be necessary if the Company is unable to continue as a going concern.

Table of Contents

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

Forward-Looking Statements

Certain statements, other than purely historical information, including estimates, projections, statements relating to our business plans, objectives, and expected operating results, and the assumptions upon which those statements are based, are "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. These forward-looking statements generally are identified by the words "believes," "project," "expects," "anticipates," "estimates," "intends," "strategy," "plan," "may," "will," "would," "will be," "will continue," "will likely result," and similar expressions. Such forward-looking statements to be covered by the safe-harbor provisions for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995, and are including this statement for purposes of complying with those safe-harbor provisions. Forward-looking statements are based on current expectations and assumptions that are subject to risks and uncertainties which may cause actual results to differ materially from the forward-looking statements. Our ability to predict results or the actual effect of future plans or strategies is inherently uncertain. Factors which could have a material adverse affect on our operations and future prospects on a consolidated basis include, but are not limited to: changes in economic conditions, legislative/regulatory changes, availability of capital, interest rates, competition, and generally accepted accounting principles. These risks and uncertainties should also be considered in evaluating forward-looking statements and undue reliance should not be placed on such statements. We undertake no obligation to update or revise publicly any forward-looking statements, whether as a result of new information, future events or otherwise. Further information concerning our business, including additional factors that could materially affect our financial results, is included herein and in our other filings with the SEC.

Company Overview

We were incorporated as Jumpkicks, Inc. ("Jumpkicks") in the State of Delaware on August 3, 2007 to engage in the business of online retailing. Specifically, we purchased and further developed a martial arts website (the "Site"). Through the Site, we provide content of interest to martial artists and sell products, such as uniforms, t-shirts, protective equipment, mats, and other equipment and accessories of interest to martial arts practitioners and instructors.

We sought to draw martial arts students and practitioners to our site by positioning ourselves as a source of martial arts knowledge. We anticipated that a certain percentage of visitors to our Site will become retail customers, purchasing the equipment we display in our online catalog. Although we offered discounted retail pricing to individual martial arts practitioners and students, demand for these products has been very limited.

During May of 2008, an unknown third party changed the registration of our domain name, www.jumpkicks.com, so that our Site became inaccessible. We have investigated this change in registration, and we contracted with a third party to negotiate the return of our domain name. However, we have been unable to re-acquire the domain name www.jumpkicks.com.

Table of Contents

We have purchased additional domain names, www.jumpkicks.net, www.jumpkicks.org, www.jumpkicks.us, and www.jumpkicks.info. We have uploaded our Site to these domain names, and have pursued our business plan with these alternate sites.

Unfortunately, the domain name www.jumpkicks.com lent significant value to our company. The long history of the Site drew regular repeat traffic. We attempted to draw traffic to the new domain names, but were unable to do so successfully. Because we have not been able to generate significant traffic, we have not been able to generate significant revenue from sales to support our operations.

Our offices are located at 632 Marsh Creek Court, Henderson, Nevada 89002, and our telephone number is (888) 283-1426. Our Internet Site can be found at www.Jumpkicks.net. Information contained on our Web Site is not part of this periodic report.

Richard Douglas is our President, Secretary, Chief Executive Officer, Chief Financial Officer, and sole director.

Results of Operations for the three and six month periods ended April 30, 2009 and 2008, and from for the period from August 3, 2007 (date of inception) through April 30, 2009.

For the three months ended April 30, 2009 and 2008, we generated gross revenue from sales of \$140 and \$21, respectively. Our Cost of Goods Sold during the three month period ended April 30, 2009 was \$77 and our Operating Expenses equalled \$6,213, consisting of \$303 in Depreciation expense, \$5,760 in professional fees, and \$150 in General and Administrative Expenses. We therefore recorded a net loss of \$6,150 for the three months ended April 30, 2009. Our Cost of Goods Sold during the three month period ended April 30, 2008 was \$0 and our Operating Expenses equalled \$7,189, consisting of \$303 in Depreciation expense, \$6,113 in professional fees, and \$773 in General and Administrative Expenses. We therefore, recorded a net loss of \$7,168 for the three months ended April 30, 2008.

For the six months ended April 30, 2009 and 2008, we generated gross revenue from sales of \$190 and \$119, respectively. Our Cost of Goods Sold during the six month period ended April 30, 2009 was \$77 and our Operating Expenses equalled \$7,640, consisting of \$606 in Depreciation expense, \$6,860 in professional fees, and \$174 in General and Administrative Expenses. We therefore, recorded a net loss of \$7,527 for the six months ended April 30, 2009. Our Cost of Goods Sold during the six month period ended April 30, 2008 was \$121 and our Operating Expenses equalled \$1,476, consisting of \$302 in Depreciation expense, \$1,013 in professional fees, and \$161 in General and Administrative Expenses. We therefore, recorded a net loss of \$1,478 for the six months ended April 30, 2008.

For the period from August 3, 2007 (Date of Inception) until April 30, 2009, we generated gross revenue from sales of \$401. Our Cost of Goods Sold during this period was \$526 and our Operating Expenses equalled \$33,163, consisting of \$1,919 in Depreciation expense, \$23,315 in professional fees, and \$7,929 in General and Administrative Expenses. We also recorded interest income of \$118 during the period. We therefore, recorded a net loss of \$33,170 for the period from August 3, 2007 (Date of Inception) until April 30, 2009.

Table of Contents

Liquidity and Capital Resources

As of April 30, 2009, we had total current assets of \$309, consisting entirely of Cash. Our total current liabilities as of April 30, 2009 were \$10,406, consisting of \$5,906 in Accounts Payable and \$4,500 Due to Shareholder. Thus, we have a working capital deficit of \$10,097 as of April 30, 2009.

Operating activities used \$7,561 in cash for the six months ended April 30, 2009, \$7,798 in cash for the six months ended April 30, 2008, and \$25,345 in cash for the period from August 3, 2007 (Date of Inception) until April 30, 2009. Our net losses of \$7,527, \$8,646, and \$33,170 were the primary components of our negative operating cash flow for the periods, respectively.

Investing Activities used \$6,046 in cash during the period from August 3, 2007 (Date of Inception) until April 30, 2009, as a result of an increase in fixed assets and other assets. Investing activities did not use or generate cash for the six months ended April 30, 2009, or for the six months ended April 30, 2008.

Financing Activities generated \$4,500 in cash for the six months ended April 30, 2009, consisting entirely of proceeds from loans. Financing Activities neither generated nor used cash for the six months ended April 30, 2008. Financing activities generated \$31,700 in cash during the period from August 3, 2007 (Date of Inception) until April 30, 2009, due to proceeds of \$27,200 from common stock issued, and proceeds from loans of \$4,500.

We expect to spend approximately \$10,000 to further develop and market our Site, and to pay the professional fees associated with our business over the next twelve (12) months. As of April 30, 2009, we have insufficient cash to operate our business at the current level for the next twelve months and insufficient cash to achieve our business goals. The success of our business plan during the next 12 months and beyond is contingent upon us obtaining additional financing. We hope to obtain business capital through the use of private equity fundraising or shareholders loans. We do not have any formal commitments or arrangements for the sales of stock or the advancement or loan of funds at this time. There can be no assurance that such additional financing will be available to us on acceptable terms, or at all.

Off Balance Sheet Arrangements

As of April 30, 2009, there were no off balance sheet arrangements.

Going Concern

Our financial statements are prepared using generally accepted accounting principles in the United States of America applicable to a going concern which contemplates the realization of assets and liquidation of liabilities in the normal course of business. We have not yet established an ongoing source of revenues sufficient to cover our operating costs and allow us to continue as a going concern. Our auditors have indicated that our ability to continue as a going concern is dependent on our obtaining adequate capital to fund operating losses until we become profitable. If we are unable to obtain adequate capital, we could be forced to cease operations.

Table of Contents

In order to continue as a going concern, we will need, among other things, additional capital resources. Management's plan is to obtain such resources for the Company by obtaining capital from management and significant shareholders sufficient to meet our minimal operating expenses and seeking equity and/or debt financing. However management cannot provide any assurances that will be successful in accomplishing any of our plans.

Our ability to continue as a going concern is dependent upon our ability to successfully accomplish the plans described in the preceding paragraph and eventually secure other sources of financing and attain profitable operations. The accompanying financial statements do not include any adjustments that might be necessary if we are unable to continue as a going concern.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

A smaller reporting company is not required to provide the information required by this Item.

Item 4T. Controls and Procedures

We carried out an evaluation of the effectiveness of the design and operation of our disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) as of April 30, 2009. This evaluation was carried out under the supervision and with the participation of our Chief Executive Officer and our Chief Financial Officer, Richard Douglas. Based upon that evaluation, our Chief Executive Officer and Chief Financial Officer concluded that, as of April 30, 2009, our disclosure controls and procedures are effective. There have been no changes in our internal controls over financial reporting during the quarter ended April 30, 2009.

Disclosure controls and procedures are controls and other procedures that are designed to ensure that information required to be disclosed in our reports filed or submitted under the Exchange Act are recorded, processed, summarized and reported, within the time periods specified in the SEC's rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed in our reports filed under the Exchange Act is accumulated and communicated to management, including our Chief Executive Officer and Chief Financial Officer, to allow timely decisions regarding required disclosure.

Limitations on the Effectiveness of Internal Controls

Our management does not expect that our disclosure controls and procedures or our internal control over financial reporting will necessarily prevent all fraud and material error. Our disclosure controls and procedures are designed to provide reasonable assurance of achieving our objectives and our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures are effective at that reasonable assurance level. Further, the design of a control system must reflect the fact that there are resource constraints, and the benefits of controls must be considered relative to their costs. Because of the inherent limitations in all control systems, no evaluation of controls can provide absolute assurance that all control issues and instances of fraud, if any, within the Company have been detected. These inherent limitations include the realities that judgments in decision-making can be faulty, and that breakdowns can occur because of simple error or mistake. Additionally, controls can be circumvented by the individual acts of some persons, by collusion of two or more people, or by management override of the internal control. The design of any system of controls also is based in part upon certain assumptions about the likelihood of future events, and there can be no assurance that any design will succeed in achieving its stated goals under all potential future conditions. Over time, control may become inadequate because of changes in conditions, or the degree of compliance with the policies or procedures may deteriorate.
