Net sales for the period ended March 31, 2004 were \$760,382, up 119%, or \$413,515, from \$346,867 for the same period in 2003. Cost of goods sold for the 2004 period increased 36%, or \$138,439, to \$519,748, from \$381,319 in the 2003 period. Loss for the 2004 period increased 57%, or \$241,548, to \$662,902, or \$0.01 per share, from \$421,354, or \$0.01 per share, in the 2003 period. Loss for the periods include a stock-based compensation expense (recovery) of \$294,023 in 2004 versus \$(66,083) in 2003.

Current assets increased 94%, or \$715,330, to \$1,472,836 at March 31, 2004, from \$757,506 at December 31, 2003, reflecting increases of \$407,248 in accounts receivable and \$359,804 in inventory. Current liabilities increased 26% to \$1,430,009 at March 31, 2004 from \$1,132,985 at December 31, 2003, reflecting increases of \$173,441 in accounts payable and \$139,871 in short-term borrowings.

After the end of the first quarter, the Company received gross proceeds of \$833,871 from the exercise of outstanding warrants.

Dallas Pretty, CFO of Unity Wireless commented, "Although we shipped more than \$1 million in product during the first quarter, we did not recognize revenues of \$248,640 representing finished goods shipped but still in-transit at the end of the quarter. In the second quarter we have already shipped more than \$1 million in product against previously announced orders of \$2.1 million and continue to ship production quantities to customers in North America and Asia.

The Company's Form 10Q-SB for the first quarter ended March 31, 2004 contains additional financial information, and can be accessed at the Company's website or through the Securities and Exchange Commission's website at www.sec.gov.
