INDEPENDENT DIRECTORS

The Board of Directors is comprised of six (6) members, of which three (3) are classified as "independent" as defined in the NASDAQ Stock Market Marketplace Rule 4200. The three independent directors are Ken Maddison, Robert Singer and Doron Nevo.

MEETINGS OF THE BOARD OF DIRECTORS

The Board of Directors held 4 meetings during the year ended December 31, 2003. Each director attended at least (i) 75% of all of the meetings of the Board of Directors held during the period and (ii) 75% of the meetings of each committee on which he or she served. The Company does not have a policy requiring incumbent directors and director nominees to attend the Company's annual meeting of stockholders. Three incumbent directors attended last year's annual meeting.

COMMITTEES OF THE BOARD OF DIRECTORS

The Company has a separately designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. Serving on the Committee are Messrs. Maddison and Singer with one position vacant. The Board of Directors has determined that it has an audit committee financial expert serving on the audit committee, Mr. Ken Maddison. Mr. Maddison is an independent director as defined in Item 7(d)(3)(iv) of Schedule 14A. The functions of the Audit Committee are, among other things, to make recommendations concerning the selection each year of independent auditors of the Company, to review the effectiveness of the Company's internal accounting methods and procedures, to consider whether the Company's principal accountant's provision of non-audit services is compatible with maintaining the principal accountant's independence and to determine through discussions with the independent auditors whether any instructions or limitations have been placed upon them in connection with the scope of their audit or its implementation. To carry out its responsibilities, the Audit Committee met four times during fiscal 2003. The Board of Directors has determined that the two current members of the Audit Committee are "independent" as defined in the NASDAQ Stock Market's Marketplace Rule 4200. A copy of the amended and restated charter of the Audit Committee adopted by the Audit Committee on May 17, 2004 is attached

hereto as Exhibit A.

The Compensation Committee is comprised of Mr. Nevo, with two positions vacant. The function of the Compensation Committee is to make recommendations to the Board of Directors concerning the compensation packages for the Executive Officers of the Company, including its Chief Executive Officer. To carry out its responsibilities, the Compensation Committee met four times during fiscal 2003. The Board of Directors has determined that the member of the Compensation Committee is "independent" as defined in the NASDAQ Stock Market's Marketplace Rule 4200.

The Company does not have a standing Nominating Committee. Due to the size of the Company and the resulting efficiency of a Board of Directors that is also limited in size, as well as the lack of turnover in the Company's Board of Directors, the Board of Directors has determined that it is not necessary or appropriate at this time to establish a separate Nominating Committee. Potential candidates are discussed by the entire Board of Directors, and director nominees are selected by Board of Director resolution subject to the recommendation of a majority of the independent directors. All of the nominees recommended for election to the Board of Directors at the Annual Meetings are directors standing for re-election. Although the Board of Directors has not established any minimum qualifications for director candidates, when considering potential director candidates, the Board considers the candidate's character, judgment, diversity, skills, including financial literacy, and experience in the context of the needs of the Company and the Board of Directors. In 2003 the Company did not pay any fees to any third party to assist in identifying or evaluating potential nominees.

The Company's By-laws include a procedure whereby its stockholders can nominate persons for election to the Board of Directors, as more fully described in its By-laws as summarized under "Stockholder Proposals for the 2004 Annual Meeting." The Board of Directors will consider director candidates recommended by the Company's stockholders in a similar manner as those recommended by members of management or other directors, provided the stockholder submitting such nomination has complied with the procedures set forth in its By-laws. To date, the Company has not received any recommended nominees from any non-management stockholder or group of stockholders that beneficially owns five percent of its voting stock.

REPORT OF THE AUDIT COMMITTEE

The following report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report by reference therein.

The responsibilities of the Audit Committee, which are set forth in the Audit Committee Charter, include providing oversight to the Company's financial reporting process through periodic meetings with the Company's independent accountants and management to review accounting, auditing, internal controls and financial reporting matters. The Audit Committee is also responsible for the appointment, compensation and

oversight of the Company's independent auditors. The management of the Company is responsible for the preparation and integrity of the financial reporting information and related systems of internal controls. The Audit Committee, in carrying out its role, relies on the Company's senior management, including senior financial management, and its independent accountants.

The Audit Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under the Audit Committee's charter. To carry out its responsibilities, the Audit Committee met four times during fiscal 2003.

The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities relating to the quality and integrity of the Company's financial reports and financial reporting processes and systems of internal controls. Management of the Company has primary responsibility for the Company's financial statements and the overall reporting process, including maintenance of the Company's system of internal controls. The Company retains independent auditors who are responsible for conducting an independent audit of the Company's financial statements, in accordance with generally accepted auditing standards, and issuing a report thereon.

In performing its duties, the Audit Committee has reviewed and discussed the audited financial statements with management and the Company's independent auditors. The Audit Committee has also discussed with the Company's independent auditors, the matters required to be discussed by Statement of Auditing Standards ("SAS") No. 61, "Communications with Audit Committee." SAS No. 61 requires the independent auditors to provide the Audit Committee with additional information regarding the scope and results of their audit of the Company's financial statements, including with respect to (i) their responsibility under auditing standards generally accepted in the United States of America, (ii) significant accounting policies, (iii) management judgments and estimates, (iv) any significant audit adjustments, (v) any disagreements with management, and (vi) any difficulties encountered in performing the audit. In addition, the Audit Committee received written disclosures and the letter from the independent auditors required by Independence Standards Board Statement No. 1, "Independence Discussions with Audit Committees". The independent auditors have discussed its independence with the Audit Committee, and has confirmed to us that, in its professional judgment, it is independent of the Company within the meaning of the federal securities laws.

On the basis of the foregoing reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2003, for filing with the Securities and Exchange Commission. The Audit Committee has also recommended, subject to shareholder approval, the selection of the Company's independent auditors.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Other than as disclosed below, there have been no transactions, or proposed transactions, which have materially affected or will materially affect us in which any director, executive officer or beneficial holder of more than 5% of the outstanding common stock, or any of their respective relatives, spouses, associates or affiliates, has had or will have any direct or material indirect interest.

Our board of directors agreed to advance \$90,000 to John Robertson, the former president, Chief Executive Officer and a director of our company, to enable him to subscribe for 500,000 units in conjunction with the private placement completed on December 24, 2001. The loan principal plus interest was due on December 24, 2003 and was secured by the units being issued. On May 24, 2002, the units as well as all obligations under this loan were transferred to Mark Godsy, the former Chairman of our board of directors. On August 20, 2002, Mark Godsy repaid and satisfied

his obligations under the terms of the loan by repaying the \$90,000 principal amount and exercising 500,000 warrants at an exercise price of \$0.30 per share for total gross proceeds of \$150,000. For financial statement reporting purposes, this loan was recorded as a reduction in stockholders' equity until August 20, 2002, the repayment date.

In November 2002, Casey O Byrne, who was then a director, through an affiliated corporation purchased CDN \$100,000 principal amount of convertible debentures that were originally convertible at CDN \$0.15 Canada, and warrants to purchase 666,667 shares at an original exercise price of CDN \$0.15. The conversion price was subsequently reduced to US \$0.06, and the warrant exercise price was reduced to US \$0.05. Mr. O Byrne subsequently converted all of these debentures and exercised all of these warrants, at which point we issued to him 666,667 replacement warrants at US \$0.10.

Our director and corporate secretary, Andrew Chamberlain, is a partner in a law firm to which we paid \$13,658 for legal services during the year ended December 31, 2003 and \$9,249 during the year ended December 31, 2002.

In August 2003 we entered into a consulting agreement with Myer Bentob that expires on December 31, 2005. Under the agreement, Mr. Bentob agreed, among other things, to assist the Company's sales and marketing efforts. The Company agreed to nominate him to be a director and Executive Vice Chairman, and to pay a fee to an entity controlled by Mr. Bentob equal to CDN \$84,000 per year, plus commission at a maximum rate of 1.8% of amounts collected by the Company from specified clients. The agreement also contains a non-compete provision that continues for six months after termination, and confidentiality requirements. Mr. Bentob is a director and Executive Chairman of the Company.

In August 2003, the Company in a private placement issued to Mr. Bentob 833,333 shares of common stock for US \$108,333, together with warrants to purchase 416,667 shares at US \$0.26 per share. In March 2004, the Company further issued 1,016,105 shares of common stock for US\$152,416, together with warrants to purchase 508,053 shares at US \$0.30 per share under the provisions of the August 2003 private placement agreement.

ITEM II. RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Subject to approval by the stockholders, the Board of Directors has appointed KPMG LLP as the independent auditors to audit the financial statements of the Company for the fiscal year ending December 31, 2004. KPMG LLP has served as the Company's auditors for each of the fiscal years ended since December 31, 2001. It is expected that a representative of KPMG LLP will be present at the Annual & Special Meeting with the opportunity to make a statement if he desires to do so and to be available to respond to appropriate questions from stockholders.

In the event that the stockholders fail to ratify this appointment, other certified public accountants will be considered upon recommendation of the Audit Committee. Even if this appointment is ratified, our Board of Directors, in its discretion, may direct the appointment of a new independent accounting firm at any time during the year, if the Board believes that such a change would be in the best interest of the Company and its stockholders.

**THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR RATIFICATION OF THE
APPOINTMENT OF KPMG LLP AS INDEPENDENT AUDITORS**

ITEM III. AMENDMENT OF THE CERTIFICATE OF INCORPORATION

The Board of Directors has unanimously adopted a resolution authorizing an amendment to the Company's Certificate of Incorporation (the "Certificate") to increase the total number of Unity Wireless Corporation's authorized shares of Common Stock from 100,000,000 shares to 150,000,000 shares, \$0.001 par value. The proposed amendment is subject to approval by the Company's Stockholders.

The Common Stock, including the additional shares proposed for authorization, do not have pre-emptive or similar rights, which means that current Stockholders do not have a prior right to purchase any new issue of capital stock of Unity Wireless in order to maintain their proportionate ownership thereof. Thus, the issuance of additional shares of Common Stock might dilute, under certain circumstances, the ownership and voting rights of stockholders. Each of the additional authorized shares of Common Stock will have the same rights and privileges as the currently authorized Common Stock.

The proposed amendment will modify the first paragraph (1) of Article Four of the Certificate to read as follows:

FOURTH: The total number of shares of stock which this corporation is authorized to issue is: 155,000,000 shares, which shall consist of 150,000,000 shares of common stock, \$.001 par value per share ("Common Stock") and 5,000,000 shares of preferred stock, \$.001 par value per share ("Preferred Stock").

Unity Wireless is currently authorized to issue 105,000,000 shares of capital stock, of which 100,000,000 are designated as Common Stock and 5,000,000 shares are designated as Preferred Stock. The proposed amendment would increase the total number of shares of authorized capital stock to 155,000,000 shares and the number of shares of Common Stock authorized to 150,000,000.

As of April 15, 2004, 76,137,916 shares of Common Stock were issued and outstanding, no shares of capital stock were held by the Company as treasury stock and no shares of Preferred Stock were issued and outstanding. In relation to the 23,862,084 currently un-issued shares of Common Stock, an aggregate of 13,297,402 shares have been reserved for future issuance: 7,063,583 shares of Common Stock upon exercise of outstanding stock options; and, 6,233,819 shares of Common Stock upon exercise of outstanding warrants to purchase Common Stock.

If the proposed amendment is adopted, it will become effective upon filing of the proposed amendment with the Delaware Secretary of State's Office.

The Board of Directors believes that it is advisable and in the best interests of the Company to have available additional authorized but un-issued shares of Common Stock in an amount adequate to provide for the future business needs of Unity Wireless and to take advantage of future corporate opportunities. The increase in authorized Common Stock will not have any immediate effect on the rights of existing stockholders. However, the additional shares will be available for issuance from time to time by the Company, in the discretion of the Board of Directors, without further authorization by vote of the stockholders unless applicable law or regulation or stock exchange requirements otherwise require such authorization. These shares may be issued for any proper corporate purpose including, without limitation: acquiring other businesses in exchange for shares of Common Stock; entering into joint venture arrangements with other companies in which Common Stock or the right to acquire Common Stock are part of the consideration; stock splits or stock dividends; raising capital through the sale of Common Stock; and attracting and retaining valuable employees and consultants by the issuance of additional stock, stock options or use of stock-based plans.

Although the Company may engage in the foregoing actions in the future, except for the issuance of additional stock options under Unity's Incentive Stock Option Plan and the possible sale of shares of common stock to raise additional capital, no such actions involving the issuance of additional shares of Common Stock are pending as of the date hereof.

If the proposed amendment is approved, the Board of Directors would be able to authorize the issuance of shares of Common Stock without the necessity, and related costs and delays, of either calling a special stockholders' meeting or waiting for the next regularly scheduled meeting of stockholders in order to increase the authorized shares of Common Stock.

The issuance of the additional shares of Common Stock could have the effect of diluting earnings per share and book value per share, which could adversely affect Unity's existing stockholders. Issuing additional shares of Common Stock may also have the effect of delaying or preventing a change of control of Unity Wireless. The Company's authorized but un-issued Common Stock could be issued in one or more transactions that would make more difficult or costly, and less likely, a takeover of Unity Wireless. The proposed amendment to the Certificate is not being recommended in response to any specific effort of which Unity Wireless is aware to obtain control of Unity Wireless, and the Board of directors has no present intention to use the additional shares of Common Stock in order to impede a takeover attempt.

The affirmative vote of a majority of the issued and outstanding shares of Voting Securities of Unity Wireless entitled to vote at the Special Meeting is required for approval of this Amendment to the Certificate to increase Unity's authorized shares of Common Stock. An abstention will, accordingly, result in a vote against the proposal.

In the event that the stockholders fail to ratify Item III, the Board of Directors would be severely limited in its options to maintain the operations and advancement of the Company in its market.

**THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR AMENDING THE COMPANY'S
CERTIFICATE OF INCORPORATION**

VOTE REQUIRED

Election of Directors. Directors will be elected at the meeting by a plurality of the votes cast (i.e., the six nominees receiving the greatest number of votes will be elected as Directors).

Ratification of the Appointment of Independent Auditors. The appointment of KPMG LLP as independent auditors requires the affirmative vote of a majority of the shares present in person or represented by proxy at the meeting and entitled to vote on the matter. Abstentions will have the same effect as a vote against such ratification, whereas broker non-votes and shares not represented at the meeting will not be counted for purposes of determining whether such ratification has been approved.

Amendment of the Company's certificate of incorporation requires that a minimum of 50% of the issued and outstanding shares of the Company, present in person or represented by proxy at the meeting and entitled to vote on the matter, vote FOR such an amendment.

EXPENSE OF SOLICITATION

The cost of soliciting proxies, which also includes the preparation, printing and mailing of the Proxy Statement, will be borne by the Company. Solicitation will be made by the Company primarily through the mail, but regular employees of the Company may solicit proxies personally, by telephone or telegram. The Company will request brokers and nominees to obtain voting instructions of beneficial owners of the

stock registered in their names and will reimburse them for any expenses incurred in connection therewith.

11. COMPLIANCE OVERSIGHT RESPONSIBILITIES

12. At the conclusion of each audit, obtain from the Company's independent auditors assurance that during the course of the audit, the auditors did not become aware that an occurrence or a likely occurrence of an illegal act obligates the independent auditors under Section 10A(b) of the Exchange Act to assure that the Audit Committee is adequately informed of such occurrence.

OTHER

Discuss with management and the Board policies with respect to risk assessment and risk management, and review and discuss with management, the Board and the Company's independent auditors any annual reports by management on the Company's internal control over financial reporting that are required by Commission rules and any related attestation reports that are required from the independent auditors pursuant to Commission rules.

VI. LIMITATION OF AUDIT COMMITTEE'S ROLE

The Audit Committee's role is one of oversight.
