**Acquisition of Ágora Holdings Ownership Control**

Banco Bradesco S.A. informs its shareholders, customers, employees and the market of the approval by the Brazilian Central Bank, on September 5<sup>th</sup>, 2008, of the Private Agreement on the Mergers of Shares and Other Covenants entered into with the shareholders of Ágora Holdings S.A. (Ágora Holdings), seeking the acquisition of its entire capital stock, through its controlled company Banco Bradesco BBI S.A. (BBI).

The transaction also involves the indirect transfer to BBI of 100% of the shares of Ágora Corretora de Títulos e Valores Mobiliários S.A., a wholly-owned subsidiary of Ágora Holdings.

The effective transfer of the ownership control of the Companies to BBI shall take place at the time of the General Meetings to be held in due course, by transferring shares to Ágora Holdings's shareholders representing approximately 8% of BBI's capital stock at closure of operation, turning Ágora Holdings into a wholly-owned subsidiary of BBI, pursuant to the provisions set forth in Article 252 of Law # 6,404/76.

**FORWARD-LOOKING STATEMENTS**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
