## NOTICE TO THE MARKET

**São Paulo, December 28, 2012** - Braskem S.A. (BM&FBovespa: BRKM5, BRKM3, BRKM6; NYSE: BAK; LATIBEX: XBRK), in line with its strategy to focus its investments on the petrochemical sector, sold on this date, for Odebrecht Ambiental (“Transaction”) (i) the assets related to the Water Treatment Unit (“WTU”) located at the Camaçari petrochemical complex, upon sale of all shares issued by Distribuidora de Águas Camaçari S.A. (“Distribuidora de Águas Camaçari”) and (ii) all shares held by Braskem at Cetrel S.A. (“Cetrel”), equivalent to 54.2% of the total and voting capital of Cetrel. The value of the Operation is R\$652 million, to be adjusted pursuant to the net cash position on December 28, 2012.

The WTU is responsible for producing demineralized, clear and drinkable water, as well as for managing the fire water reservoir. Cetrel is responsible, among other things, for the treatment and final disposal of industrial effluents and waste, as well as for environmentally monitoring the Camaçari petrochemical complex.

The supply of industrial water and the treatment and disposal of industrial effluents and waste are guaranteed to Braskem through contracts entered into with Distribuidora de Águas Camaçari and Cetrel, respectively.

### FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
