Notice to the Market

São Paulo, Brazil, January 9, 2015. **Companhia de Saneamento Básico do Estado de São Paulo - Sabesp**, hereby informs its shareholders and the market in general that it will apply a contingency tariff to those municipalities served by Sabesp in the Piracicaba, Capivari and Jundiaí Water Basin under influence of the Cantareira System. The contingency tariff will be applied for users whose monthly consumption exceeds their monthly average consumption between February 2013 and January 2014, as follows:

- i. 40% increase on the tariff amount applicable to the water consumption portion that exceeds up to 20% of the average; or
- ii. 100% increase on the tariff amount applicable to the water consumption portion that exceeds more than 20% of the average.

All users are subject to the contingency tariff, including those with fixed demand agreements, except in the following cases:

- i. those with monthly consumption equal to or less than 10 m³; and
- ii. hospitals, emergency rooms, nursing homes, police stations, prisons, detention centers and CASA Foundation service centers.

The municipalities included in the expansion of the program are: Bragança Paulista, Joanópolis, Nazaré Paulista, Pinhalzinho, Piracaia, Vargem, Hortolândia, Itatiba, Jarinu, Monte Mor, Morumgaba and Paulínia.

The contingency tariff will remain in effect for consumption measured as of the publication date in São Paulo State Official Journal of Sabesp Notice 01/15 until December 31, 2015.

The full content of mentioned Notice is also available on www.sabesp.com.br.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
