The stock options will have a term of 10 years and become exercisable in four equal installments on each of the first four anniversaries of the grant date. The exercise price of all such options will be the composite closing price of a share of Common Stock on the New York Stock Exchange as of 4:00 p.m. on the trading day immediately preceding the grant date, as quoted in the Wall Street Journal.

Mr. Short, age 45, has served as Executive Vice President and Chief Financial Officer of Universal City Development Partners, Ltd.
