PROXY STATEMENT

This proxy statement is provided in connection with the solicitation on behalf of our Board of Directors for proxies to be voted at our 2019 Annual Meeting of Shareholders to be held at 11:00 a.m., Eastern Daylight Saving Time, on Thursday, May 23, 2019, and any postponements or adjournments thereof (the “Annual Meeting”). The Annual Meeting will be held at our corporate office, 810 DSW Drive, Columbus, Ohio 43219. This proxy statement, including the Notice of Annual Meeting, is being made available electronically (or is first mailed to shareholders) on or about April 12, 2019.

Pursuant to rules adopted by the U.S. Securities and Exchange Commission (the “SEC”), we have elected to provide access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the “Notice of Internet Availability”) to our shareholders of record and beneficial owners. All shareholders will have the ability to access the proxy materials on a website referred to in the Notice of Internet Availability or request to receive a printed set of the proxy materials, at no charge. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found on the Notice of Internet Availability. In addition, shareholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis by following the instructions on the website referred to in the Notice of Internet Availability.

We have two classes of securities outstanding and entitled to vote at the Annual Meeting, our Class A Common Shares, no par value, and our Class B Common Shares, no par value. Only shareholders of record at the close of business on March 29, 2019, our record date for the Annual Meeting, are entitled to notice of and to vote at the meeting or any adjournments thereof. The total number of outstanding Class A Common Shares entitled to vote at the meeting is 67,880,066 and the total number of Class B Common Shares entitled to vote at the meeting is 7,732,786. Each outstanding Class A Common Share is entitled to one vote with respect to each matter to be voted on at the meeting and each outstanding Class B Common Share is entitled to eight votes with respect to each matter to be voted on at the meeting. Class A Common Shares and Class B Common Shares vote together as a single class with respect to all matters submitted to a vote of shareholders.

Without affecting any vote previously taken, a proxy may be revoked by a shareholder by giving a written notice of revocation to us in writing (attention: Michelle C. Krall, Corporate Secretary). A holder of record may also change his or her vote by executing and returning to us a later-dated proxy or by giving notice of revocation in person at the meeting. If your common shares are held in street name, you must follow the instructions of your broker, bank, or other nominee to revoke your voting instructions.

All properly executed proxies received by the Board of Directors will be voted as directed by the shareholder. All properly executed proxies received by the Board of Directors which do not specify how shares should be voted will be voted “FOR” the election of Class III directors of the nominees listed below under “Proposal 1 — Election of Directors,” “FOR” “Proposal 2 — Advisory Vote on the Compensation Paid to Named Executive Officers,” and in the discretion of the named proxies on any other business properly brought before the Annual Meeting.

The presence, in person or by proxy, of the holders of a majority of the outstanding Common Shares and entitled to vote, is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Abstentions, votes to withhold and broker non-votes are counted for purposes of determining the presence or absence of a quorum. Broker

non-votes occur when brokers holding shares on behalf of beneficial owners do not receive voting instructions from the beneficial holders and are not permitted to vote on the matter without voting instructions. If a broker does not receive voting instructions, the broker may vote those shares only on matters deemed “routine” by the New York Stock Exchange (the “NYSE”). On non-routine matters, such as the election of directors and the advisory vote on executive compensation, brokers cannot vote unless they receive voting instructions from beneficial holders.

Solicitation of proxies may be made by mail, personal interview and by telephone by our officers, directors, and regular employees. We will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and others for forwarding solicitation material to beneficial owners of shares.

Unless otherwise directed, the persons named in the proxy will vote the proxies "FOR" the election of the above-named nominees as directors. While it is contemplated that all nominees will stand for election, in the event any person nominated fails to stand for election, the proxies will be voted for such other person or persons as may be designated by the directors. OTHER DIRECTOR INFORMATION, BOARD COMMITTEES, AND CORPORATE GOVERNANCE INFORMATION

General

A total of ten meetings of the Board of Directors were held during the fiscal year ended February 2, 2019 (“fiscal 2018”). Other than Mr. Joseph Schottenstein, no director attended less than 75% of the aggregate of (i) the total number of meetings of the Board of Directors held during the time in which such director was a member of the Board of Directors and (ii) the total number of meetings held by all committees of the Board of Directors on which such director served during the period such director served as a member of such committee.

Other than Mr. Joseph Schottenstein, who is the son of our Executive Chairman, Mr. Jay Schottenstein, there are no family relationships among our directors and executive officers.

Our Corporate Governance Principles provide that all incumbent directors and director nominees are encouraged to attend our Annual Meeting of Shareholders. All of the Company’s then serving directors attended our 2018 Annual Meeting of Shareholders.

Board Leadership Structure

We have separated the CEO and Chairman roles since 2009. Mr. Schottenstein serves as our Executive Chairman and is not an independent member of the Board.

The Chairman is responsible for developing our agenda for Board meetings and presides at regular sessions of the Board. The Board does not have a lead or presiding director.

The Board of Directors meets in regularly scheduled executive sessions (without management present). The independent members of the Board also meet alone in regularly scheduled executive sessions. The Board of Directors does not have a designated director who leads executive sessions held by the independent directors. The independent directors alternate as the chair of such executive sessions in alphabetical order by last name.

Periodically, our Board assesses these roles and the board leadership structure to ensure the interests of the Company and its shareholders are best served. The Board believes that the current leadership structure, with a separated Chairman and CEO structure, provides the Company with the appropriate leadership structure and is in the best interests of the Company and its shareholders at this time. The current Board leadership allows the Executive Chairman to focus on Board of Director responsibilities and the CEO to focus on the Company’s administrative and operating functions.

Corporate Governance Principles

The Board of Directors has adopted Corporate Governance Principles that address Board structure, membership (including nominee qualifications), performance, operations, and management oversight. A current copy of our Corporate Governance Principles can be found at our corporate and investor website at www.designerbrands.com and is available in print (without charge) to any shareholder upon request.

Director Independence

Our director independence standards are set forth in our Corporate Governance Principles. The Corporate Governance Principles provide that a majority of the directors be independent. A director will be designated independent if he or she:

- has no material relationship with us or our subsidiaries;
- satisfies the other criteria specified by NYSE listing standards;
- has no business conflict with us or our subsidiaries; and
- otherwise meets applicable independence criteria specified by law, regulation, exchange requirement, or the Board of Directors.

During its review of director independence, the Board considered whether there were any transactions or relationships between the Company and any director or any member of his or her immediate family (or any entity of which a director or an immediate family member is an executive officer, general partner, or significant equity holder).

As a result of its review, the Board of Directors has affirmatively determined that the following persons are independent under our independence standards:

Peter S. Cobb
Elaine J. Eisenman
Joanna T. Lau
Carolee Lee
Ekta Singh-Bushell
Harvey L. Sonnenberg
Allan J. Tanenbaum
Joanne Zaiac

Our Board of Directors has a Nominating and Corporate Governance Committee, a Compensation Committee, and an Audit Committee, all of which are composed entirely of independent directors as defined under applicable SEC rules and the NYSE listing standards. Our Board of Directors also has a Technology Committee composed of a mix of independent and non-independent directors.

Board's Role in the Risk Management Process

Our Board and its committees play an important role in overseeing the identification, assessment, and mitigation of risks that are material to us. In fulfilling this responsibility, the Board and its committees regularly consult with management to evaluate and, when appropriate, modify our risk management strategies. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board is regularly informed about such risks through committee reports.

The Board charged management with the responsibility of creating an enterprise risk management ("ERM") program, which was implemented in fiscal 2010. Our CEO, who reports to our Board of Directors, is the sponsor of the ERM Program. As part of the ERM Program, management provides an annual report to the Board regarding our significant risks and what management is doing to mitigate risk. Management also updates the Board on significant new risks that are identified on a quarterly basis and reports on what it is doing to mitigate those significant risks. The Company believes that its leadership structure supports the risk oversight function of the Board.

Our Audit Committee assists the Board in fulfilling its oversight responsibilities relating to the performance of our system of internal controls; legal and regulatory compliance; our audit, accounting, and financial reporting processes; and the evaluation of enterprise risk issues, particularly those risk issues not overseen by other committees. The Audit Committee also reviews periodically with our General Counsel legal matters that may have a material adverse impact on our financial statements, compliance with laws and any material reports received from regulatory agencies. Our Compensation Committee is responsible for overseeing the management of risks relating to our compensation programs. Our Nominating and Corporate Governance Committee oversees risks associated with corporate governance and business conduct and ethics.

The Technology Committee assists the Board in fulfilling its oversight responsibilities with respect to technology and cybersecurity. Each quarter, management provides a report to the Technology Committee describing cybersecurity risks and the Company's mitigation activities. Such mitigation activities include removing customer cardholder data from our environment, regularly upgrading our systems and software, conducting quarterly e-mail phishing testing, engaging in cybersecurity crisis tabletop exercises, and monitoring industry trends. Additionally, Ms. Lau, as Chair of the Technology Committee, provides an annual cybersecurity report to the Board, which addresses cybersecurity trends in the retail industry, and the Company's policies and practices in comparison with the retail industry.

Nominating and Corporate Governance Committee

The members of our Nominating and Corporate Governance Committee are Ms. Lee (Chair), Mr. Cobb, and Mmes. Eisenman and Singh-Bushell, each of whom is independent as discussed above. A current copy of our Nominating and Corporate Governance Committee charter can be found on our corporate and investor website at www.designerbrands.com and is available in print (without charge) to any shareholder upon request.

The Nominating and Corporate Governance Committee met six times during fiscal 2018. Its functions include assisting the Board in determining the desired qualifications of directors, identifying potential individuals meeting

those qualification criteria, proposing to the Board a slate of nominees for election by the shareholders, and reviewing candidates nominated by shareholders. In addition, the Nominating and Corporate Governance Committee also reviews the Corporate Governance Principles, makes recommendations to the Board with respect to other corporate governance principles applicable to us, and oversees the annual evaluation of the Board and management.

The Nominating and Corporate Governance Committee meets to discuss, among other things, identification and evaluation of potential candidates for nomination as a director. Although there are no specific minimum qualifications that a director candidate must possess, potential candidates are identified and evaluated according to the qualification criteria set forth in the Nominating and Corporate Governance Committee charter, including:

independence;

judgment;

skill;

diversity;

strength of character;

age;

experience with businesses and organizations of comparable size and scope;

experience as an executive of, or advisor to, a publicly traded or private company;

experience and skill relative to other Board members;

specialized knowledge or experience;

service on other boards; and

desirability of the candidate's membership on the Board or any committees of the Board.

Although the Nominating and Corporate Governance Committee has not adopted a specific policy with regard to the consideration of diversity, in considering diversity, the Nominating and Corporate Governance Committee may take into account various attributes, including background, skill set, or viewpoint.

Ms. Singh-Bushell was appointed as a Class III Director by the Board in September 2018. Ms. Singh-Bushell's recommendation for appointment derived from the recommendation of multiple non-management directors.

The Nominating and Corporate Governance Committee will consider nominees recommended by shareholders for the 2020 Annual Meeting of Shareholders, provided that the recommendation is submitted in writing, between February 23, 2020 and March 24, 2020, to Designer Brands Inc., 810 DSW Drive, Columbus, Ohio 43219, Attn: Corporate Secretary. If the date of the 2020 Annual Meeting of Shareholders is advanced or delayed by more than 30 days from the first anniversary of the date of the 2019 Annual Meeting, or in the case of a special meeting of shareholders, nominations for director must be received by our Corporate Secretary within 7 days after we mail or otherwise provide public notice of the meeting.

Each such submission must include:

As to the nominee:

name, age, business address, and residence address;

principal occupation or employment;

the class and number of Designer Brands Inc. shares beneficially owned; and

any other information relating to the nominee that is required to be disclosed in solicitations for proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act").

As to the shareholder giving the notice:

name and record address;

the class and number of Designer Brands Inc. shares beneficially owned;

a representation that the shareholder is a holder of record of shares of Designer Brands Inc. entitled to vote at such meeting;

a representation that the shareholder intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; and
a description of all arrangements or understandings between the shareholder and such nominee, and any other persons, pursuant to which the nomination or nominations are to be made by the shareholder.

Such notice shall be accompanied by a consent signed by the nominee evidencing a willingness to serve as a director, if nominated and elected, and a commitment by the nominee to meet personally with the Nominating and Corporate Governance Committee members.

Other than the submission requirements set forth above, there are no differences in the manner in which the Nominating and Corporate Governance Committee evaluates a nominee for director recommended by a shareholder. Compensation Committee

The members of our Compensation Committee are Mr. Tanenbaum (Chair) and Mmes. Eisenman, Lee, and Zaiac. Each member of the Compensation Committee is independent as discussed above.

A current copy of our Compensation Committee charter can be found on our corporate and investor website at www.designerbrands.com and is available in print (without charge) to any shareholder upon request.

Our Compensation Committee met eight times during fiscal 2018. The Compensation Committee's functions include evaluating the Chief Executive Officer's performance and, based upon these evaluations, setting the Chief Executive Officer's annual compensation; reviewing and approving the compensation packages of our other executive officers; making recommendations to the Board with respect to our incentive compensation, retirement, and other benefit plans; making administrative and compensation decisions under such plans; and recommending to the Board the compensation for non-employee Board members. See the Compensation Discussion and Analysis below for a more complete description of the Compensation Committee's deliberations and decisions relating to executive compensation, including the Committee's retention of a compensation consultant and the role of our executive officers in determining executive compensation.

Pursuant to its Charter, the Compensation Committee has the sole authority to retain and terminate the services of any outside compensation consultants to the Committee. During fiscal 2018, the Compensation Committee retained Korn Ferry Hay Group ("Korn Ferry") to provide advice to the Committee on general program design and best practices as well as to assist the Committee in ensuring that the pay of officers and directors is competitive with a "Peer Group" of companies, as identified in the Compensation Discussion and Analysis. Korn Ferry reported directly to the Committee and was paid approximately \$154,840 for these services. Management also engaged Korn Ferry for additional compensation services to Designer Brands Inc. management; neither the Board of Directors nor the Committee approved the retention of Korn Ferry for such additional services. The amount of services was not material and Designer Brands Inc. paid approximately \$152,820 for these services in fiscal 2018. While Korn Ferry performed a general competitive review of pay practices, as requested by the Committee, Korn Ferry did not determine or recommend any amount or form of compensation to the Committee with respect to Designer Brands Inc.'s executive officers. In connection with the engagement of Korn Ferry, the Committee did review the services provided by Korn Ferry to management and determined that Korn Ferry was independent.

Audit Committee

The members of our Audit Committee are Mr. Sonnenberg (Chair), Mmes. Lau and Singh-Bushell, and Mr. Tanenbaum. The Board of Directors has determined that each of them is independent and is financially literate in accordance with the applicable SEC rules and NYSE listing standards. The Board has also determined that our Audit Committee's Chair, Mr. Sonnenberg, and Ms. Singh-Bushell each qualifies as an audit committee financial expert as such term is defined by the SEC under Item 407(d)(5) of Regulation S-K.

A current copy of our Audit Committee charter can be found on our corporate and investor website at www.designerbrands.com and is available in print (without charge) to any shareholder upon request.

Our Audit Committee met eight times during fiscal 2018. The purpose of our Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities of:

- the integrity of our financial statements;
- compliance with legal and regulatory requirements;
- the independent auditor's qualifications and independence; and

performance of our internal audit function and independent auditor.

15

The Audit Committee is directly responsible for the appointment, compensation, retention, termination, and oversight of the work of our independent auditor, including resolution of disagreements between management and the independent auditor regarding financial reporting.

No member of the Audit Committee is currently serving on the audit committees of more than three public companies.

Technology Committee

The members of our Technology Committee are Ms. Lau (Chair), Messrs. Cobb, Joseph Schottenstein, and Sonnenberg, and Ms. Zaiac. A current copy of our Technology Committee charter can be found on our corporate and investor website at www.designerbrands.com and is available in print (without charge) to any shareholder upon request.

Our Technology Committee met four times during fiscal 2018. The purpose of the Technology Committee is to ensure that technology endeavors are effectively managed and that technology performance meets the following objectives:

- aligns with our business strategy;
- enables the business to maximize benefits technology can provide;
- ensures resources are used responsibly; and
- ensures risks are managed appropriately.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and officers and persons who are beneficial owners of more than ten percent of our Common Shares to file reports of ownership and changes of ownership with the SEC and the NYSE. We assist our directors and officers in completing and filing those reports. Based upon a review of those reports furnished to us and representations of our directors and officers, we believe that all filing requirements applicable to our directors, officers and greater than ten percent beneficial owners were complied with during the last completed fiscal year with the exception of one late Form 4 filing relating to one transaction due to delayed notification of a transaction for Ms. Zaiac, one late Form 4 filing relating to one transaction due to an administrative error for each of Ms. Ferrée and Messrs. Poff, Rawlins, and Jay Schottenstein, and two late Form 4 filings, each related to one transaction, for Mr. Jordan, due to administrative errors.

Code of Ethics and Corporate Governance Information

We have adopted a code of ethics that applies to all our officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions, and an additional code of ethics that applies to senior financial officers. Additionally, the Board of Directors has adopted a Director Code of Conduct applicable to our Board members. These codes of ethics, designated by us as the “Code of Conduct,” the “Code of Ethics for Senior Financial Officers,” and the “Director Code of Conduct,” respectively, can be found on our corporate and investor website at www.designerbrands.com and are available in print (without charge) to any shareholder upon request. We intend to disclose any amendment to, or waiver from, any provision of the Code of Conduct, Code of Ethics for Senior Financial Officers, or Director Code of Conduct applicable to executive officers and directors by posting such information on our corporate and investor website at www.designerbrands.com.

Anti-Hedging Policy

Our Insider Trading Policy prohibits all Directors, officers, and associates of Designer Brands Inc. and its subsidiaries from engaging in transactions in financial instruments designed to hedge or offset any decrease in the market value of Designer Brands Inc. stock. Our Insider Trading Policy is posted on our internal website and is accessible by all associates of Designer Brands Inc. and its wholly-owned subsidiaries.

AUDIT AND OTHER SERVICE FEES

Our Audit Committee has adopted a policy under which audit and non-audit services to be rendered by our independent registered public accounting firm are pre-approved. The pre-approval policy, which is available on our corporate and investor website at www.designerbrands.com, is designed to assure that the provision of such services does not impair the independence of our independent registered public accounting firm and is summarized below.

Delegation — The Audit Committee may delegate pre-approval authority to one or more of its independent members, provided that the member(s) to whom such authority is delegated promptly reports any pre-approval decisions to the other Audit Committee members. The Audit Committee has not delegated to management its responsibilities to pre-approve services performed by the independent registered public accounting firm.

Audit Services — Annual audit, review, and attestation engagement terms and fees are subject to the specific pre-approval of the Audit Committee. Any changes in the terms, conditions, or fees resulting from changes in the audit scope require the Audit Committee's approval.

Audit-Related Services — Confirmation that the provision of any audit-related services, including assurance and related services reasonably related to the performance of the audit or review of financial statements, does not impair the independence of the independent registered public accounting firm.

Other Services — Unless a type of service to be provided by the independent registered public accounting firm has received general pre-approval, it will require specific pre-approval by the Audit Committee.

Tax Services — The Audit Committee believes that our independent registered public accounting firm can provide tax services to us such as tax compliance and certain tax advice without impairing its independence. In no event, however, will the independent registered public accounting firm be retained in connection with a transaction initially recommended by the independent registered public accounting firm, the purpose of which may be tax avoidance and the tax treatment of which may not be supported in the Internal Revenue Code and related regulations or similar regulations of other applicable jurisdictions.

No services were provided by the independent public accountants during fiscal 2018 or fiscal 2017 that were approved by the Audit Committee under SEC Regulation S-X Rule 2-01(c)(7)(i)(C) (which addresses certain services considered de minimis and may be approved by the Audit Committee after such services have been performed).

AUDIT COMMITTEE REPORT

The members of our Audit Committee are Mr. Sonnenberg (Chair), Mmes. Lau and Singh-Bushell, and Mr. Tanenbaum. The Board of Directors has determined that each of them is independent and is financially literate in accordance with the applicable SEC rules and NYSE listing standards. The Board of Directors has also determined that our Audit Committee's Chair, Mr. Sonnenberg, and Ms. Singh-Bushell each qualifies as an audit committee financial expert as such term is defined by the SEC under Item 407(d)(5) of Regulation S-K. The SEC has determined that an audit committee financial expert will not be deemed an "expert" for any purpose as a result of being identified as an audit committee financial expert.

The Audit Committee operates under a written charter, which is available on our corporate and investor website at www.designerbrands.com and is available in print (without charge) to any shareholder upon request. Under the charter, the Audit Committee's responsibilities include:

Our independent registered public accounting firm, Deloitte & Touche LLP, is responsible for performing an independent audit of the consolidated financial statements and issuing a report thereon. Their audit is performed in accordance with the standards of the Public Company Accounting Oversight Board. The Audit Committee is responsible for overseeing the conduct of these activities. In performing its oversight function, the Audit Committee relies, without independent verification, on the information provided to it and on representations made by our management and our independent registered public accounting firm.

In conducting its oversight function, the Audit Committee discusses with our internal auditors and our independent registered public accounting firm, with and without management present, the overall scope and plans for their respective audits. The Audit Committee also reviews our programs and key initiatives to design, implement, and maintain effective internal controls over financial reporting and disclosure controls and procedures. The Audit Committee has sole discretion, in its areas of responsibility and at our expense, to engage independent advisors as it deems appropriate and to approve the fees and retention terms of such advisors.

The Audit Committee meets with the internal auditors and independent registered public accounting firm, with and without management present, to discuss the results of their audits, the evaluations of our internal controls, and the overall quality of our financial reporting. The Audit Committee has reviewed and discussed with management and Deloitte & Touche LLP the audited financial statements for the fiscal year ended February 2, 2019. The Audit Committee also reviewed and discussed with Deloitte & Touche LLP its report on our annual financial statements. Fiscal 2018 Overview

Designer Brands Inc. completed several milestones in fiscal 2018:

- Total revenue increased to \$3.2 billion, representing a 13.3% increase from prior year;
- Comparable sales increased by 6.1% compared to last year's 0.4% decrease (largest increase since 2011);
- Digital demand grew over 30%;
- Gross profit as a percentage of net sales increased 29.5%, representing an expansion of 100 basis points from the previous year due to lower product costs and occupancy leverage;
- Adjusted net income grew 9.7% and Adjusted diluted EPS grew 9.2% compared to the prior year;
- Customer loyalty program was redesigned, resulting in the addition of approximately one million new members, with members spending 2% more than previous year;
- The remaining interest in Town Shoes Limited (now known as Designer Brands Canada Inc.) was acquired, a Canadian footwear retailer operating under The Shoe Company, Shoe Warehouse, and DSW Designer Shoe Warehouse banners, as well as related e-commerce sites;
- Camuto Group, a footwear design and brand development organization that provides a global production, sourcing and design infrastructure, was acquired;
- Charitable donations included over 800,000 pairs of shoes to Soles 4 Souls; and

In recognition of our strong cash flow generation, we maintained a shareholder friendly approach with approximately \$130 million invested, comprised of \$80 million in dividends and \$50 million in share repurchases.

We gained tremendous momentum in fiscal 2018 by focusing on our strategies related to product, people, and marketing. We delivered positive comparable sales in each quarter of fiscal 2018, and our annual comparable sales increase of 6% was the best since fiscal 2011. Focusing the assortment to seasonal items, kids footwear, and athleisure product has been a key strategy to driving this growth. Our footwear has had positive comparable sales for seven quarters in a row. We launched a new operating model in our U.S. stores that provided more hours and better aligned those hours to peak traffic times in the store. Related to marketing, we launched our new VIP Rewards program and made a significant investment in digital marketing. This resulted in increased customer spend and retention rate, and one of our strongest customer acquisition years in our history.

With our mission to inspire self-expression, we continue to innovate ways to create more of an emotional connection with our customers. We continue to learn from our nail bar test stores and shoe repair test stores, with both concepts moving beyond the test phase and expanding to more U.S. stores in 2019. Our e-commerce platform and industry-leading omni-channel infrastructure delivered double-digit gains in online demand, which we expect to continue to expand with increased digital marketing, proactive engagement, and improved technology.

We completed two significant acquisitions in fiscal 2018, Town Shoes Limited (now known as Designer Brands Canada Inc.) and Camuto Group. We elected to close the 38 Town Shoe banner stores, which were unprofitable, to focus our time and capital on the profitable banners of The Shoe Company, Shoe Warehouse, and DSW Canada. These go-forward banners had a profitable year and were accretive to EPS in our first year of ownership.

Camuto Group was acquired towards the end of fiscal 2018, and we are actively working on integrating the business. This acquisition gives us design and sourcing capabilities that we will use to expand our private brand assortment. The Camuto Group acquisition also provides new and profitable revenue streams to the Company that we previously did not have access to. As the industry continues to consolidate, we will continue to pursue opportunities to expand our market share.

Executive Compensation Philosophy

Generally, the Committee targets NEO pay between the 50th and 75th percentiles of peer group data, with the majority of executive compensation tied to short and long-term performance goals. This pay objective reflects the fact that executives with the skills and experience necessary to deliver contributions that will significantly impact Designer Brands Inc.'s long-term business success and intended growth pattern command a premium in the marketplace. Variations to this pay objective may occur as dictated by the experience level of the individual and market factors.

Executive Compensation Objectives

The Committee has developed the following key executive compensation objectives in order to support Designer Brands Inc.'s business strategy and compensation philosophy:

- 1) Attract and retain highly talented, experienced retail executives who can make significant contributions to our long-term business success.
- 2) Reward executives for achieving business goals and delivering strong performance. The Committee regularly reviews executive compensation to ensure a proper balance between fixed and variable compensation with more of the focus on rewarding executives for achieving short and long-term performance goals.
- 3) Align executive incentives with shareholder value creation. The Committee believes targeting above-median long-term equity award levels is appropriate for Designer Brands Inc. Such grants strongly align the NEOs' interests with the interests of our shareholders as each is focused on the same result, which is to create long-term value. As a result, the Committee annually awards equity, generally in the form of performance shares and restricted stock units to the NEOs.

Executive Corporate Governance Reinforces Our Compensation Program

Our compensation philosophy for the executive team, including our NEOs, is reflected in governance practices that support the needs of our business, drive performance and align with our shareholders' long-term interests. Below is a

summary of what we do and don't do in that regard.

21

WHAT WE DO

Pay for performance: Emphasize variable pay over fixed pay, with approximately 77% of NEO collective target compensation linked to our financial or market results. All Executive Officers receive 50% of their annual long-term incentive award in performance shares.

Retain meaningful stock ownership guidelines: Ownership guidelines align executives' interests with those of shareholders. The CEO and Board members have either exceeded their targets or have time to do so within the time period allowed.

Mitigate undue risk: Our compensation program has provisions to mitigate undue risk, including caps on potential bonus payments, a clawback policy applicable to performance-based compensation and active oversight and risk management systems, including those related to compensation-related risk.

Independent executive compensation consultant: The Compensation Committee retains an independent compensation consultant on matters surrounding executive and non-employee director pay and governance.

Apply conservative post-employment and change-in-control provisions: Executive Officers are subject to provisions in the same manner as those of the employee population who participate in long-term incentives.

Double trigger equity acceleration upon change-in-control: The 2014 Designer Brands Inc. Long-Term Incentive Plan allows for accelerated vesting of equity awards upon a change-in-control if the executive is involuntarily terminated (without "Cause") or equity awards are not assumed by the surviving company in conjunction with a change-in-control.

Restrict pledging activity: All Executive Officers are subject to pre-clearance requirements and restrictions.

Receive strong shareholder support: Each year more than 95% of the votes cast on the matter have been in favor of our compensation programs.

Regularly review share utilization: Management and the board regularly evaluate share utilization levels by reviewing cost and the dilutive impact of stock compensation.

Roles in Determining Compensation are Well Defined

Role of the Board of Directors and the Committee: The Committee determines the compensation of our CEO, the Executive Chairman of the Board, the NEOs, and non-NEO Executive Officers. The Committee did not delegate any of its authority with respect to the compensation of any NEO.

Advisory Vote on the Compensation Paid to Named Executive Officers: At the 2018 Annual Meeting of Shareholders, an overwhelming majority (98.4%) of the votes cast on the advisory vote on executive compensation were voted in favor of the proposal. The Committee viewed the vote as a strong expression of our shareholders' general satisfaction with the Company's current executive compensation programs. As a result, the Compensation Committee determined it was not necessary to implement material changes to our executive compensation programs.

Role of Executive Officers in Compensation Decisions: The Committee makes all compensation decisions for Designer Brands Inc.'s NEOs based upon input provided by the Executive Chairman of the Board, the CEO, and certain members of Company management, as well as objective market data provided by the Committee's independent

WHAT WE DON'T DO

X Don't reprice underwater stock options.

X Don't count pledged shares toward stock ownership guidelines.

X Don't include favorable impact from changes in tax law or stock buybacks when determining actual performance against financial measures in incentive plans.

X Don't issue grants with an exercise price below 100% fair market value.

X Don't offer guaranteed annual salary increases or guaranteed bonuses.

X Don't provide supplemental executive retirement plans or other retirement benefits to NEOs, other than a tax-qualified 401(k) plan available to all employees and a deferred compensation plan available to highly compensated employees.

X Don't permit hedging or short-sale transactions.

X Don't gross up for excise taxes upon a change-in-control.

X Don't gross up taxes for perquisites or benefits, except in the case of standard relocation benefits.

compensation consultant. The Committee can exercise its discretion and modify any recommendations that may be provided by Company management and the independent compensation consultant.

Independent Compensation Consultant: The Committee retained Korn Ferry, a global human resources consulting firm, as its independent compensation consultant for fiscal 2018. Korn Ferry provides research, market data, survey and proxy information, and design expertise in developing executive and director compensation programs.

The Korn Ferry executive compensation consultant attended all Committee meetings in fiscal 2018 and advised the Committee on all principal aspects of executive compensation including the competitiveness of program design and award values and specific analysis for the NEOs and other executive officers. Korn Ferry reports directly to the Committee, and the Committee may replace the independent compensation consultant or hire additional consultants or advisers at any time. Korn Ferry also provides some additional services to Company management, as referenced in the Other Director Information, Board Committees, and Corporate Governance Information sections.

Setting Executive Compensation: Based on the objectives described above, the Committee has structured Designer Brands Inc.’s executive compensation programs primarily to motivate executives to achieve the business goals established by Designer Brands Inc. and reward executives for delivering strong performance as measured against those business goals.

As requested by the Committee, Korn Ferry provided the Committee with market data from proprietary databases and publicly available information to consider when making compensation decisions for our NEOs. Korn Ferry also provided similar input to support compensation recommendations and decisions made for Company executives who are not NEOs.

Proxy Peer Group

The criteria used to select companies for the Proxy Peer Group include, but are not limited to:

- Annual sales between one-half and two times Designer Brands Inc.;
- Companies that Designer Brands Inc. competes against for business and talent;
- Companies with a fashion orientation and/or that operate as specialty retail;
- Those retailers that operate larger square footage stores;
- Companies that have a track record of delivering results; and
- Companies with multiple brands and a more complex business model.

The Committee evaluated the actual pay of the NEOs with pay data drawn from proxy-disclosed pay information for the following publicly-traded companies (collectively, the “Proxy Peer Group”):

2018 Proxy Peer Group

Abercrombie & Fitch Co. (ANF)	Deckers Outdoor Corporation (DECK)	Tailored Brands, Inc. (TLRD)
American Eagle Outfitters, Inc. (AEO)	Express, Inc. (EXPR)	The Children’s Place, Inc. (PLCE)
Big Lots, Inc. (BIG)	Genesco Inc. (GCO)	Ulta Beauty, Inc. (ULTA)
Caleres, Inc. (CAL)	The Michaels Companies, Inc. (MIK)	Urban Outfitters, Inc. (URBN)
Carter’s, Inc. (CRI)	Skechers U.S.A., Inc. (SKX)	Wolverine World Wide, Inc. (WWW)
Chico’s FAS, Inc. (CHS)	Steve Madden, Ltd. (SHOO)	

Using the criteria above, there were two companies removed and two added to the Proxy Peer Group for 2018:

• Removed: Stein Mart for revenue below criteria and The Finish Line for declining sales and profit.

• Added: Steve Madden and The Children’s Place.

For fiscal 2018, the compensation paid to the NEOs was reviewed in relation to that paid by the Proxy Peer Group. By looking at this proxy-disclosed information, as reviewed and summarized for the Committee by Korn Ferry, the Committee was able to analyze the market competitive pay for each position. In addition to reviewing the compensation of proxy peers, the Committee also reviewed data from the Korn Ferry 2018 Retail Industry Total Remuneration Report, using data from key competitors, including fashion and specialty retailers. This allowed the Committee to understand market pay practices for jobs of similar scope and complexity, beyond the NEO level. This data is used to supplement and validate the proxy data, as it provides information from the broader marketplace. Finally, the Committee takes into consideration a review of each NEO’s compensation relative to the other NEOs, taking into account each officer’s scope of responsibility, performance, and impact on Designer Brands Inc.’s business results.

Executive Compensation Mix

In 2018, the compensation for Mr. Rawlins was approximately 15% fixed compensation (base salary) and 85% variable compensation, based on the target annual cash incentive and grant date value of long-term equity compensation at target. For the remaining NEOs, their compensation consisted of approximately 31% fixed compensation and approximately 69% variable compensation. The chart below reflects details of the compensation for Mr. Rawlins and the other NEOs in fiscal 2018. The Committee believes the balance was appropriate given the current focus and goals of the Company.

ICP = Incentive Compensation Plan (target value)

PSs = Performance Shares (target value)

RSUs = Restricted Stock Units

Executive Compensation in 2018

The following is a summary of changes to executive compensation in 2018:

NEO title changes - Ms. Ferree's title changed to Vice Chair and President of Designer Brands, Inc. in February 2019.

Mr. Jordan served as interim President for Town Shoes Limited for part of fiscal 2018 and his title changed to President of DSW Shoe Warehouse, Inc. in February 2019. Mr. Poff's title changed to Executive Vice President and Chief Financial Officer in October 2018.

Base salaries - The average base salary increase for the current NEOs was 6%, with three receiving an increase of 3% for merit and two receiving a larger increase due to increased responsibilities.

Short-term incentives - The Company exceeded the Adjusted Operating & Equity Income target required for a payout as described in the Performance-Based Annual Cash Incentive Compensation Plan section. As a result, there was an incentive payment for each of our currently employed NEOs in accordance with the pay for performance objective of the Annual Cash Incentive Compensation Plan.

Discretionary Bonus - Mr. Rawlins, the Chief Executive Officer, was awarded a \$167,000 one-time discretionary bonus in recognition of contributions to the Company's financial performance, which amount represents \$50,000 that the Committee previously elected not to include in Mr. Rawlin's 2018 base salary in favor of waiting until fiscal year-end to evaluate performance, plus \$117,000 that would have been earned on such increase in base salary under the Annual Cash Incentive Plan.

Long-term incentives - Performance shares were expanded to all NEOs for 50% of their annual award to directly link their long-term incentives to Designer Brands Inc.'s financial performance.

Say on pay - Our shareholders overwhelmingly voted in favor of our executive compensation practices with 98.4% of votes cast in support.

Peer group review - The Compensation Committee conducted a review of the Proxy Peer Group utilized for purposes of benchmarking executive compensation and two companies were added to and two were removed from the Proxy Peer Group.

Each Element of Executive Compensation Has its Own Purpose

For the 2018 fiscal year that ended February 2, 2019, the total compensation for Designer Brands Inc.'s executives (including the NEOs) generally comprised the following principal components:

I. Base salary: Reflects scope of the role and individual performance through cash compensation.

II. Performance-based annual cash incentive compensation: Motivates and rewards contributions to annual operating performance and long-term business strategy with cash that varies based on results.

- III. Long-term equity incentive compensation: Promotes alignment of executive decisions with Company goals and shareholder interests through equity where value varies with Company stock performance.
- IV. Retirement savings contributions through the 401(k) plan: Provides broad-based retirement benefits that contribute to financial security.

About Our Compensation Elements

I. Base Salary

While the Committee's focus is on variable compensation based on performance, a clear objective of our executive compensation program is to pay a base salary that is competitive with the Proxy Peer Group, supplemented with survey data from key competitors from the Korn Ferry 2018 Retail Industry Total Remuneration Report, in order to retain our NEOs. The base salaries of all Designer Brands Inc. executives (including the NEOs) are determined based on job responsibilities and individual contribution, and with reference to the market data provided by the independent compensation consultant. In the case of Designer Brands Inc.'s executive team, the salary opportunity for a given position is targeted to be between the 50th and 75th percentile of the market data for that position.

In the first quarter of each year, the Committee determines the base salary of each NEO. During its review, the Committee primarily considers:

- Overall Designer Brands Inc. financial performance during the prior year;
- The individual performance of the NEO during the prior year;
- Base salary data drawn from the market data;
- The target total cash compensation level of the appropriate benchmark position(s) from the market data; and
- If relevant, compensation paid by a previous employer.

The Committee met with Korn Ferry and reviewed market information related to the pay of the Executive Chairman of the Board. After discussing the market information, the Executive Chairman's role in the Designer Brands Inc. business and other relevant factors, the Board of Directors decided to increase the Executive Chairman's base salary by 3.0%.

The Executive Chairman of the Board met with the Committee and reviewed the accomplishments and contributions made by Mr. Rawlins, Chief Executive Officer. In addition, the Chief Executive Officer reviewed with the Committee the accomplishments and contributions made by each of the NEOs under his supervision at the time and provided his proposed base salary changes. After discussing the performance of each NEO, including overall Company performance and progress on key initiatives; reviewing the recommendations made by the Executive Chairman of the Board and the Chief Executive Officer; and considering the Committee's review and analysis of compensation paid by Proxy Peer Group companies for comparable positions and any other relevant factors, the Committee approved the following salary changes:

Base Salary Changes

Name	FY2017 Salary (as of 2/3/2018)	FY2018 Salary (as of 2/2/2019)	% Increase	Reason for Increase
Mr. Schottenstein	\$800,000	\$824,000	3.0%	Merit
Mr. Rawlins	\$900,000	\$927,000	3.0%	Merit
Ms. Ferrée	\$1,000,000	\$1,030,000	3.0%	Merit
Mr. Jordan	\$649,000	\$720,000	10.9%	Interim President Town Shoes Limited
Mr. Poff	\$400,000	\$475,000	18.8%	Promotion to EVP
		Average =	6.1%	

Note: the salaries in the table above reflect the annualized salary on the last day of the fiscal year.

II. Performance-Based Annual Cash Incentive Compensation Plan

The Designer Brands Inc. 2005 Cash Incentive Compensation Plan (the "ICP") is designed to promote the achievement of annual performance goals and focus the NEOs on short-term objectives which ultimately will contribute to the likelihood of achieving long-term business objectives and increase shareholder value. Under the ICP, the NEOs earn annual cash incentives

when pre-established business objectives and targets are achieved. The NEOs are generally treated the same as all other eligible Designer Brands Inc. associates under the ICP. The ICP was re-approved by Designer Brands Inc.'s shareholders in June 2014.

Company associates who participate in the ICP have incentive levels that vary based on the individual's position and contribution to business performance. The target award opportunities are established as a percentage of target and range from 60% to 125% for the NEOs, as seen in the table below. Target means the financial goal and all of the strategic objectives of the ICP have been achieved at the 100% level. In setting the annual minimum, target, and maximum levels of performance, the Committee may consider specific circumstances facing the Company during the prior and subsequent years.

FY2018 NEO Target Annual Cash Incentive Compensation

Name	Threshold Payout (as % of Target)	Target Payout (as % of Salary)	Maximum Payout (as % of Target)
Mr. Schottenstein ⁽¹⁾	6.25%	125%	120%
Mr. Rawlins	6.25%	125%	200%
Ms. Ferrée	6.25%	125%	200%
Mr. Jordan	6.25%	60%	200%
Mr. Poff ⁽²⁾	6.25%	60%	200%

⁽¹⁾ Mr. Schottenstein's maximum bonus is capped at 120% of the target payout.

⁽²⁾ Mr. Poff's target payout percentage was increased from 50% to 60% when promoted on October 14, 2018 and the bonus payout was prorated accordingly.

For fiscal 2018, the Committee determined the annual cash incentive compensation award for each NEO would be based 75% upon Designer Brands Inc.'s financial performance, up to a maximum of 150%, and 25% on four pre-established strategic objectives that could be modified in the Committee's discretion up to 50%, but only if, and in proportion to, financial performance above the plan target. The 2018 financial performance element by itself did not include the opportunity to earn a bonus below the target goal in order to focus management on achieving this goal.

The table below explains the financial performance element of the ICP.

Financial Performance Goals (worth 75% of Award)

	Minimum Payout	Target Payout	Maximum Payout
Performance Range (Adjusted Operating & Equity Income)	\$184.8 million	\$184.8 million	\$194.0 million
Payout Range	100%	100%	150%

Actual result of \$209.9 million exceeded 150% maximum payout percentage

Adjusted Operating & Equity Income for fiscal 2018 means reported operating income, adjusted to exclude acquisition-related costs and adjustments, impairment charges, restructuring activity including severance, lease exit and other termination costs, amortization of intangible assets, and the results from the exited businesses, including Ebuis and the Town Shoes banner stores, and the acquired Camuto Group. It includes the loss from equity investment in Town Shoes Limited (now known as Designer Brands Canada Inc.).

The strategic objectives and the financial performance of the ICP are independent of each other and the strategic objectives are binary, meaning either achieved or not achieved. The ICP participants have the opportunity to earn 6.25% for each of the four strategic objectives achieved, even if the financial target of \$184.8 million is not achieved. The table below defines the four strategic objectives of the ICP and identifies one that was not achieved and three that were achieved.

Strategic Objectives (worth 25% of Award)

Strategic Objectives	Achieved (Y / N)	Payout
¹ New Store Technology – Enable unique customer experience by completing the technical rollout and associated training activities for the POS application in all US stores by end of FY2018.	NO	—%
² Loyalty – Enable unique customer experience with the launch of the customer-facing VIP rewards program by end of FY2018.	YES	6.25%
³ Future Brand Experience – Expand the unique customer experience by converting 5 stores to store designs comparable to the Polaris store design by end of FY2018.	YES	6.25%
⁴ Talent – Build an elite team through the implementation of talent management accountability in performance reviews for FY2018.	YES	6.25%

Strategic Objective Payout Earned = 18.75%

Designer Brands Inc.’s fiscal 2018 financial and strategic objectives performance resulted in a payout of 187.5% for ICP participants and the NEOs, except for Mr. Schottenstein because his maximum bonus was capped at 120% of his target payout. The fiscal performance of \$209.9 million in Adjusted Operating & Equity Income exceeded the full year maximum of \$194.0 million, when including the cost of a bonus payout. This performance resulted in a maximum payout percentage of 150% (75% x 200%) for the financial portion of the ICP. Three of the four strategic objectives were achieved as reflected in the table above. This performance resulted in 18.75% earned, and the financial performance of 200% modified this to 37.5% (18.75% x 200%). The combined total payout earned was 187.5% (150% + 37.5%) of the target award for ICP participants. The table below summarizes the earned bonus payout.

FY2018 Earned Bonus Summary

	Target Payout	Maximum Possible Payout	Designer Brands FY2018 Result	Actual Payout Earned
Financial Performance	75%	150%	\$209.9 million	150.0%
Strategic Objectives	25%	50%	3 of 4 achieved	37.5%
Total	100%	200%		187.5%

The bonuses paid to the NEOs for the fiscal year ending February 2, 2019 are reflected in the table below and in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table. Unless otherwise determined by the Committee, all associates who participate in the ICP (including the NEOs) are governed by the same plan parameters.

FY2018 NEO Annual Cash Incentive Compensation Payouts

Name	Target Payout (as % of Salary)	Actual Payout (as % of Target)	Actual Payout
Mr. Schottenstein	125%	120%	\$1,236,000
Mr. Rawlins	125%	187.5%	\$2,172,656
Ms. Ferrée	125%	187.5%	\$2,414,063
Mr. Jordan	60%	187.5%	\$810,000
Mr. Poff	60%	187.5%	\$433,774

III. Long-Term Equity Incentive Compensation

In fiscal 2018, Designer Brands Inc.’s long-term incentive compensation program utilized the following types of award grants:

- Performance shares (“PSs”); and
- Service-based restricted stock units (“RSUs”).

The Designer Brands Inc. 2014 Long-Term Incentive Plan (the “LTI Plan”) furthers the Committee’s objective to retain its executives as well as build a link between executive compensation and shareholder interests. The Committee considered various alternatives based on input from its independent compensation consultant, Proxy Peer Group data, and input from management. In determining the value of annual long-term equity incentive grants, the Committee’s overall objective is consistent with the executive compensation philosophy to target the total combined grant value between the 50th and 75th percentile of the Proxy Peer Group long-term incentive data. All grants made in 2018 were made under the LTI Plan, which was approved by shareholders in 2014. All equity awards are granted in respect to Designer Brands Inc.’s Class A Common Shares. The information below reflects the types and mix of the grants to the NEOs in fiscal 2018.

FY2018 Long-Term Incentive Mix

Level	LTI Vehicle #1	Mix %	LTI Vehicle #2	Mix %
All NEOs	Performance Shares	50%	Restricted Stock Units	50%

Performance Shares (PSs)

Performance shares reward the NEOs in proportion to Designer Brands Inc.’s financial performance, based on Designer Brands Inc. fiscal 2018 Adjusted Operating Income (a one-year performance period). Generally, performance shares vest 100% on the third anniversary of the grant date, if the one-year threshold performance has been achieved. In the first 90 days of the fiscal year, the Committee established the minimum, target, and maximum levels of performance used to determine the potential number of shares earned, as shown in the table below:

FY2018 Performance Share Plan ⁽¹⁾

	Threshold	Target	Maximum
One-Year Adjusted Operating Income (\$M)	\$130.0	\$185.7	\$204.3
Payout Range (as % of target)	50%	100%	150%
Actual FY2018 result of \$211.2 million exceeded 150% maximum payout percentage			

⁽¹⁾ The performance shares were granted on March 20, 2018, with a grant date fair value of \$21.79.

The Company reports Adjusted Operating Income to investors to provide transparency to all ICP participants. Adjusted Operating Income for fiscal 2018 means reported operating income adjusted to exclude acquisition-related costs and adjustments, impairment charges, restructuring activity including severance, lease exit and other termination costs, amortization of intangible assets, and the results from the exited businesses, including Ebuys and the Town Shoes Limited banner stores, and the acquired Camuto Group.

Restricted Stock Units (RSUs)

RSUs provide retention value because they generally vest 100% at the end of three (3) years from the grant date. Since the stock unit value is tied directly to the market value of Designer Brands Inc. common stock, and not exclusively to an increase in the market value of Designer Brands Inc. common stock, they provide retention value even when the stock price is stable or declining.

2018 Long-Term Equity Incentive Awards for the Named Executive Officers

In fiscal 2018, the Committee granted long-term equity incentive awards to the NEOs as part of the annual performance review process. The Committee believes that delivery of these forms of equity provides an appropriate incentive to the leadership team to focus on long-term shareholder value creation and, at the same time, provides the Company with the retention value necessary in a competitive labor market. To determine long-term incentive awards for the NEOs in fiscal 2018, the Committee considered market data from Proxy Peer Group companies provided by Korn Ferry as well as performance and retention concerns for each NEO. The information below reflects all of the grants to the NEOs in fiscal 2018.

For fiscal year 2018, Designer Brands Inc. earned Adjusted Operating Income of \$211.2 million. This resulted in a maximum payout of 150% of the targeted number of performance shares granted to the NEOs.

2018 Annual Equity Grants

Name	# of Performance Shares at Target Performance	Actual # of Performance Shares (Earned at 150%)	# of RSUs
Mr. Schottenstein	32,125	48,190	32,125
Mr. Rawlins	91,785	137,680	91,785
Ms. Ferrée	64,250	96,375	64,250
Mr. Jordan ⁽¹⁾	18,355	27,535	18,355
Mr. Poff	8,030	12,045	8,030

Notes:

The annual grants to NEOs were made on March 20, 2018, with a grant date fair value of \$21.79 for both PSs and RSUs.

- The Performance Shares and RSUs reported in the table above do not include dividend equivalent units earned in 2018.
- Performance shares vest 100% on the third anniversary of the grant date if the fiscal 2018 performance goal is achieved.
- RSUs vest 100% on the third anniversary of the grant date.

⁽¹⁾ Mr. Jordan received an additional one-time grant on March 22, 2018 of 37,420 RSUs (not included in the table above) with a grant price of \$21.38 for his promotion to interim President, Town Shoes Limited.

Equity Grant Practices

Under the LTI Plan, the Committee approves all equity awards and has not delegated to management the authority to approve equity awards. The Chair of the Committee has authority to approve equity awards in situations where it is not practical to bring the Committee together for such a purpose. In no circumstances may the Committee delegate duties the Committee is required to discharge under Internal Revenue Code §162(m). The Committee may not grant stock options at a discount to the closing price of Designer Brands Inc. Class A Common Shares on the grant date, nor may the Committee reduce the exercise price of outstanding stock options except in the case of a stock split or other similar event. All stock options have an exercise price that is equal to the closing market price of Designer Brands Inc. Class A Common Shares on the grant date.

In 2007, the Committee established a methodology to determine the grant date on which annual equity awards would be granted to eligible associates. The Committee determined that the annual equity grant date would be the seventh (7th) calendar day following Designer Brands Inc.'s fiscal year-end earnings release. The Committee also reviews and considers approval of off-cycle equity awards recommended by management. These off-cycle equity awards reflect commitments made by Designer Brands Inc., subject to approval by the Committee, and are for current associates (generally in the case of promotion or retention), new hires who have already become employees of Designer Brands Inc. or prospective hires who have agreed to a start date with Designer Brands Inc. The grant date for current associates, and for new hires who have already become employees of Designer Brands Inc., is the date set by the Committee. The grant date for prospective hires is generally their future start date.

The Committee does not backdate stock options or grant stock options retroactively. Additionally, the Committee does not coordinate equity grants so that they are made before announcement of favorable information or after announcement of unfavorable information.

Stock Ownership

Designer Brands Inc. implemented stock ownership guidelines for the CEO in November 2011. The CEO is encouraged to hold shares of Designer Brands Inc. stock with a value at least equal to one (1) times his annual base salary, to be achieved within three (3) years of becoming CEO. Mr. Rawlins owns shares in excess of the ownership guidelines.

Designer Brands Inc. Board members have an ownership guideline of five (5) times their annual cash retainer (excluding committee fees) to be achieved within five (5) years of joining the Board. All of the Board members, except Ms. Zaiac who joined the Board in 2016, Mr. Cobb who joined the Board in 2017, and Ms. Singh-Bushell who joined the Board in 2018, own shares in excess of the ownership guidelines.

IV. 401(k) Plan

Designer Brands Inc. sponsors a tax-qualified 401(k) plan (the “401(k) Plan”) in which all Designer Brands Inc. associates, including the NEOs, are eligible to participate. Under the 401(k) Plan, participants are able to contribute up to 50% of their total eligible cash compensation (including base salary and annual cash incentives) on a pre-tax or after-tax basis up to the limits imposed by Internal Revenue Code. The maximum allowable per participant deferral in 2018 under the Internal Revenue Code was \$18,500 (\$24,500 if at least age 50). Designer Brands Inc. provides a 100% match on the first 3% contributed by a participant and an additional 50% match on the next 2% contributed by a participant. Matching contributions are not made by the Company until participants have completed at least 6 months of service with Designer Brands Inc. In light of the matching contribution for participants, and the Internal Revenue Code §401(a)(17) annual compensation limit, the maximum allowable per participant company matching contribution in 2018 was \$11,000. Participants choose to invest their account balances in an array of investment alternatives (some of which are target date funds) as selected by plan fiduciaries. A Designer Brands Inc. stock fund is not among the investment alternatives available to plan participants. The 401(k) Plan allows for distributions in a lump sum after termination of service. However, loans and in-service distributions under certain circumstances, such as a hardship, attainment of age 59-1/2, or a disability, are permitted.

Nonqualified Deferred Compensation Plan

Designer Brands Inc. sponsors a nonqualified retirement plan (the “Nonqualified Plan”) in which Board members and a select group of management and other highly compensated associates, including NEOs, may participate. However, Designer Brands Inc. does not provide a company matching contribution in the Nonqualified Plan. In 2018, one of the NEOs, Mr. Poff, Chief Financial Officer, participated in the Nonqualified Plan.

Under the Nonqualified Plan, Board members may contribute up to 100% of the annual cash retainer paid by Designer Brands Inc. Eligible Designer Brands Inc. associates may contribute up to 80% of their base salary and 90% of their monthly and/or annual bonus on a pre-tax basis. Deferral elections are made annually related to future compensation, in compliance with Internal Revenue Code §409A. Designer Brands Inc. associates who also participate in the 401(k) Plan may earn a 401(k) make-up contribution if their contributions to the Nonqualified Plan reduce the matching contributions they receive in the 401(k) Plan. In order to maintain the Nonqualified Plan’s tax-deferred status, Nonqualified Plan assets are subject to the claims of creditors of Designer Brands Inc. Participants choose to invest their account in an array of investment alternatives that generally mirror the investment alternatives under the 401(k) Plan. The Nonqualified Plan allows for in-service distributions in a lump sum. The Nonqualified Plan also allows for retirement distributions which are permitted as a lump sum in three (3), five (5), or ten (10) annual installments. Distribution elections are made when deferral elections are made in compliance with Internal Revenue Code §409A.

Clawback Recoupment Policy

Certain payments to our NEOs are subject to recovery if we restate a financial statement due to material noncompliance with any financial reporting requirement under the securities laws and such noncompliance is a result of misconduct.

Anti-Hedging Policy

The Designer Brands Inc. Insider Trading Policy prohibits all Board members, officers (including the NEOs), and associates of Designer Brands Inc. and its subsidiaries from engaging in transactions in financial instruments designed to hedge or offset any decrease in the market value of Designer Brands Inc. stock. Our Insider Trading Policy is posted on our internal website and is accessible by all associates of Designer Brands Inc. and its wholly-owned subsidiaries.

Tax Considerations

Internal Revenue Code §162(m) generally limits deductibility of compensation that a publicly traded company pays to certain “covered officers,” which historically included the Chief Executive Officer and three other executive officers (exclusive of the Chief Financial Officer) who are the highest paid and employed at fiscal year-end, up to \$1 million per year. In the past, Code §162(m) contained an exception to the \$1 million limit on deductibility for “performance-based” compensation. Regulations under Code §162(m) required several requirements be satisfied in order for compensation to qualify as performance-based. Historically, the Committee annually considered the impact of Code §162(m) in structuring Designer Brands Inc.’s executive compensation program. It would balance the goal of

achieving deductibility under Code §162(m) with our philosophy to pay and reward individual contributions to overall Company performance, especially in light of the competitive nature of the market for our executive talent. The Committee always reserved the discretion to reward significant contributions by the NEOs to build shareholder value regardless of the tax deductibility limits of Code §162(m).

30

On December 22, 2017, the bill popularly referred to as the “Tax Cuts and Jobs Act” (the “Act”) was signed into law. The Act, among other changes, eliminated the performance-based exception to the \$1 million deduction limit under Code §162(m). In addition, the “covered officers” under Code §162(m) now includes anyone who has served as our Chief Financial Officer, Chief Executive Officer, and the three other highest paid named executive officers in any fiscal year beginning after December 31, 2016. Effective for tax years beginning after December 31, 2017, performance-based compensation paid to the “covered officers” in excess of \$1 million will not be deductible. However, the Act contains a transition rule which provides that the changes to Code §162(m) will not apply to compensation paid pursuant to a binding contract that was in effect on November 2, 2017.

Because of the lack of regulatory and other guidance pertaining to the future interpretation of Code §162(m) and the transition rule, no assurance can be given that compensation previously intended to qualify for Code §162(m)’s performance-based exception will in fact qualify. Further, the Committee reserves the right to modify compensation that was initially intended to be exempt from Code §162(m) if it determines that such modifications are consistent with our business needs. The Committee will continue to evaluate the impact of the elimination of the performance-based exception and the impact of the transition rule on its current and future compensation programs. In addition, the Committee may award compensation in the future that is not fully deductible under Code §162(m) if the Committee believes that such compensation will best attract, retain, and reward executives and contribute to our business objectives.

Termination and Change in Control Arrangements

The currently employed NEOs (other than Mr. Schottenstein) have employment agreements that entitle them to receive certain benefits and payments if their employment terminates in specified separation scenarios. All of the currently employed NEOs (and all participants in the 2014 Designer Brands Inc. Equity Plan) are entitled to certain payments or benefits upon a change in control, including acceleration of the vesting of outstanding equity awards pursuant to the 2014 Designer Brands Inc. Equity Plan. These arrangements are described under the Potential Payments upon Termination and Change in Control section.

(1)The amount in the Bonus column consists of a cash bonus paid to the Named Executive Officer for performance in the relevant fiscal year.

(2)This column, as applicable, represents the grant date fair value of time-based Restricted Stock Units (RSU), Performance-Based Restricted Stock Units (PBRUSU) and Performance Shares (PS) granted in each fiscal year in accordance with Financial Accounting Standards Board Accounting Standards Codifications Topic 718 (“ASC 718”). For RSUs, PBRUSUs and PSs, fair value is determined by multiplying the number of units granted by the closing price of Designer Brands Inc. Class A Common Stock on the date of grant. The amount in the “Stock Awards” column, for all Named Executive Officers, reflects the value of their 2018 Performance Share awards on the grant date based on 150% achievement of the Company’s performance goal in respect of fiscal 2018. The maximum grant date fair value each Named Executive Officer was awarded for their fiscal 2018 award was 150% or \$1,050,000 for Mr. Schottenstein, \$3,000,000 for Mr. Rawlins, \$2,100,000 for Ms. Ferree, \$262,500 for Mr. Poff and \$600,000 for Mr. Jordan. For additional information on the valuation assumptions, refer to note 6 of Designer Brands Inc.’s financial statements in the Form 10-K for the year ended February 2, 2019, as filed with the SEC on March 26, 2019 (the “Form 10-K”). See the Grants of Plan-Based Awards Table for information on awards made in fiscal 2018. The amounts reflected are the grant date fair value of RSUs, PBRUSUs and PUs and do not necessarily correspond to the actual value that will be recognized by the Named Executive Officers upon vesting.

(3)This column, as applicable, represents the grant date fair value of Nonqualified Stock Options (NQSO) granted in each fiscal year in accordance with ASC 718. No NQSOs were awarded in fiscal 2018. Designer Brands Inc. used the multi-point Black-Scholes pricing model to value stock-based compensation expense for Option awards granted prior

to fiscal 2018. For additional information on the valuation assumptions, refer to note 6 of Designer Brands Inc.'s financial statements in the Form 10-K. See the Grants of Plan-Based Awards Table for information on NQSOs granted in fiscal 2018. The amounts reflected are the grant date fair value of the NQSOs and do not necessarily correspond to the actual value that will be recognized by the Named Executive Officers upon exercise.

(4) This column represents the dollar amount awarded to each applicable Named Executive Officer pursuant to our ICP for fiscal 2018, 2017 and 2016. The incentive amount awarded for fiscal 2018 reflects a 187.5% payout. See the Compensation Discussion and Analysis section and Grants of Plan-Based Awards table for additional information on the ICP.

(2) These columns represent Performance Share grants and reflect the range of shares that may be potentially earned based on the Company’s achievement of the performance goals established for fiscal 2018. The threshold represents the minimum number of units that could be awarded if the performance goal is achieved at the threshold level. Fiscal 2018 performance was attained

at the maximum level. Performance Shares generally vest 100% on the third anniversary of the Grant Date subject to the Company's achievement of the performance goal. Detailed in this column is the number of shares underlying the performance shares granted on the dates indicated in the "Grant Date" column. Units will be "credited" with the same dividend that would be issued if the unit was a Designer Brands Inc. Class A Common Share. The dividend equivalents are subject to the same performance restrictions as the underlying award. The amounts associated with the dividend equivalent units will not be distributed unless and until the stock unit award is settled.

Detailed in this column is the number of shares underlying the time-based restricted stock units granted on the dates indicated in the “Grant Date” column. Amounts eligible to be deferred into the Nonqualified Deferred Compensation Plan are described in more detail in the Compensation Discussion and Analysis on page 30. Mr. Rawlins did not participate in the Nonqualified (1)Deferred Compensation Plan in fiscal 2018, but does have an account balance from previous participation. The balance listed is attributable to contributions and earnings made in 2010 when Mr. Rawlins was not a Named Executive Officer. Mr. Poff was an active participant in the plan for fiscal 2018.

(2) Aggregate earnings in the last fiscal year are not reflected in the fiscal 2018 Summary Compensation Table because the earnings were neither preferential nor above-market.

See the discussion above in the section on the Nonqualified Deferred Compensation Plan for a further description of the applicable plan.

Potential Payments Upon Termination and Change in Control

Mr. Rawlins, Ms. Ferrée, Mr. Poff, and Mr. Jordan have employment agreements with Designer Brands Inc. that provide for payments and benefits following termination of their employment without “cause.” The agreement with Ms. Ferrée also includes payments and benefits if she terminates employment for “good reason.” Additionally, our 2005 Designer Brands Inc. Equity Plan applicable to grants made before June 29, 2015 provides for acceleration of the vesting of outstanding equity awards upon a change in control for all Company associates, including the Named Executive Officers, and our 2014 Designer Brands Inc. Equity Plan applicable to grants made on or after June 29, 2015 provides for accelerated vesting upon certain qualifying employment terminations following a change in control. Mr. Jay Schottenstein does not have an employment agreement with Designer Brands Inc. Pursuant to the 2014 Designer Brands Inc. Equity Plan and any applicable award agreement, if within two (2) years of a change in control, a participant experiences an involuntary termination initiated by the Company for reasons other than Cause, or a Termination for Good Reason (as each of those terms is defined for purposes of the plan), each Named Executive Officer is entitled to receive accelerated vesting with respect to all equity awards that are not vested as of the date of termination.

Employment Agreements with Mr. Rawlins, Ms. Ferrée, Mr. Poff and Mr. Jordan

Generally, pursuant to the Named Executive Officers' employment agreements, if Designer Brands Inc. involuntarily terminates the officer's employment without "cause," and in the case for Ms. Ferrée, if she terminates her employment for "good reason," each is entitled to receive the following:

- (i) salary continuation for a 12-month period based on the executive's salary as of the date of termination;
- (ii) a pro-rata share of any annual cash incentive bonus paid for performance in the fiscal year in which the termination occurs;

- (iii) one year of accelerated vesting with respect to outstanding stock options and performance and time-based restricted stock units and performance shares; and
- (iv) reimbursement for the cost of maintaining continuing health coverage under COBRA for a period of no more than 12 months following the date of termination (18 months in the case of Ms. Ferrée and Mr. Rawlins), less the amount the executive is expected to pay as a regular employee premium for such coverage.

Also, pursuant to each officer's employment agreement, if employment terminates as a result of death or disability, the executive is entitled to receive a pro-rata share of any annual cash incentive bonus paid for performance in the fiscal year in which the termination occurs.

Each executive's employment agreement also contains confidentiality and non-disparagement provisions effective through the term of the agreement, a non-competition provision effective through the longer of one year following termination of employment or the period of any salary continuation, and a non-solicitation provision effective through two years following termination of employment or the period of any salary continuation. Under these employment agreements, an executive's receipt of benefits is conditioned on their compliance with the above provisions. In addition, as a part of their employment agreements, executives grant the company a release of any claims the executive may have related to their employment.

For additional information about these employment agreements, see "Employment Agreements with Named Executive Officers" below.

Equity Plan

Currently, Designer Brands Inc. has two equity incentive plans in place under which awards are outstanding. The 2005 Designer Brands Inc. Equity Incentive Plan and the Designer Brands Inc. 2014 Long Term Incentive Plan as amended. Pursuant to our 2005 Designer Brands Inc. Equity Plan and any applicable award agreement and applicable award agreements executed in accordance with the Designer Brands Inc. 2014 Long Term Incentive Plan as amended, prior to January 1, 2018, termination by reason of death, disability or retirement (defined as termination after reaching age 65 and completing at least five years of employment) entitles each Named Executive Officer to receive accelerated vesting with respect to all equity awards that are not vested as of the date of termination. The Designer Brands Inc. 2014 Long Term Incentive Plan was amended for awards granted on or after January 1, 2018 to eliminate the automatic right to full vesting of awards upon a participant's retirement and instead provide for such an acceleration of vesting at retirement only if the Compensation Committee of the Company's Board of Directors approves such terms in an individual award agreement.

Potential Termination and Change In Control Payments

The estimated value of the benefits described above are presented in the following table and are calculated as if the respective termination or change in control event occurred on February 2, 2019 and our stock price was \$26.77, the closing market price of our Class A Common Shares on February 1, 2019, the last trading day of fiscal 2018, in case of termination and, as applicable, \$27.25 in the case of change in control based on the calculation methodology specified in our 2005 Designer Brands Inc. Equity Plan. The salary continuation amounts below are based on each Named Executive Officer's salary as of the end of fiscal 2018. The actual amounts to be paid will only be determinable at the time of actual payment.

(1) The amount reported for “Accelerated Vesting of Equity” reflects the intrinsic value of unvested stock options, restricted stock units and performance-based restricted stock units that otherwise would have vested during the one year following the Named Executive Officer’s date of termination.

(2) The amount reported for “Accelerated Vesting of Equity” reflects the intrinsic value of unvested stock options, restricted stock units, performance-based restricted stock units and performance shares that would vest immediately upon the Named Executive Officer’s date of death, disability or retirement. The Designer Brands Inc. 2014 Long Term Incentive Plan was amended for awards granted on or after January 1, 2018, to eliminate the automatic right to full vesting of awards upon a participant’s retirement, therefore these awards are not included in the calculation.

(3) The amount reported for “Accelerated Vesting of Equity” reflects the intrinsic value of all unvested stock options, restricted stock units and performance-based restricted stock units that would vest immediately upon the change in control date based on the change in control price, which is represented by the highest closing stock price within 30

days of the fiscal year end for awards granted under the 2005 Equity Incentive Plan. For all other awards the amount represents the value of the unvested awards using the closing stock price on the last day of the fiscal year.

(4) The amount reported reflects the continued payment of base salary for a period of 12 months at the rate in effect on the Named Executive Officer's date of termination.

(5) The amount reported reflects the cost of maintaining health care coverage for a period of 12 months (18 months for Ms. Ferrée) at the coverage level in effect as of the Named Executive Officer's date of termination. The cost of maintaining health care coverage is calculated as the difference between (i) the Company's cost of providing the benefits and (ii) the amount the Named Executive Officer paid for such benefits as of the Named Executive Officer's date of termination.

Employment Agreements with Named Executive Officers

Mr. Schottenstein

We have not entered into an employment agreement with Mr. Schottenstein, our Executive Chairman of the Board. Mr. Schottenstein was appointed to this position in March 2005. Mr. Schottenstein remains a participant in our ICP with a target bonus opportunity of 125% of base salary and a maximum annual bonus opportunity of 150% of base salary. As of February 2, 2019, Mr. Schottenstein's base salary was \$824,000.

Mr. Rawlins

We entered into a revised employment agreement with Mr. Rawlins, our Chief Executive Officer, in December 2015. The agreement provides for an indefinite term, subject to earlier termination pursuant to certain events (and potential payment amounts) summarized under "Potential Payments upon Termination and Change in Control" above. As of February 2, 2019, Mr. Rawlins' base salary was \$927,000. Mr. Rawlins' employment agreement does not contain a "Good Reason" termination clause.

Ms. Ferrée

We entered into an employment agreement with Ms. Ferrée, who currently serves as our Vice Chair and President, in November 2004. The agreement provides for an indefinite term, subject to earlier termination pursuant to certain events (and potential payment amounts) summarized under "Potential Payments upon Termination and Change in Control" above. As of February 2, 2019, Ms. Ferrée's base salary was \$1,030,000. The agreement provides for a minimum annual increase of 2.5%, but the Committee exercises discretion to increase or decrease that based on company and individual performance. Ms. Ferrée's employment agreement contains a "Good Reason" termination clause.

Mr. Poff

We entered into an employment agreement with Mr. Poff, who currently serves as our Executive Vice President and Chief Financial Officer, effective in June 2016. The agreement provides for an indefinite term, subject to earlier termination pursuant to certain events (and potential payment amounts) summarized under "Potential Payments upon Termination and Change in Control" above. As of February 2, 2019, Mr. Poff's base salary was \$475,000. Mr. Poff's employment agreement does not contain a "Good Reason" termination clause.

Mr. Jordan

We entered into an employment agreement with Mr. Jordan, who currently serves as our Executive Vice President and President of DSW Shoe Warehouse, Inc., in January 2006. The agreement provides for an indefinite term, subject to earlier termination pursuant to certain events (and potential payment amounts) summarized under "Potential Payments upon Termination and Change in Control" above. As of February 2, 2019, Mr. Jordan's base salary was \$720,000. Mr. Jordan's employment agreement does not contain a "Good Reason" termination clause.

CEO Pay Ratio

We are providing the following disclosure related to our Chief Executive Officer's compensation as compared to the compensation of all of our employees, other than our Chief Executive Officer, pursuant to Item 402(u) of Regulation S-K, as adopted by the SEC.

Our median employee is a part-time sales associate in one of our DSW stores, who worked on average about 15 hours per week. In accordance with and as permitted by the rule, we are using the same median employee identified in the Proxy Statement for the 2018 Annual Meeting of Shareholders because there have been no change in employee population or employee compensation arrangements that we believe would result in a significant change to our pay ratio disclosure. The median employee was determined using a consistently applied compensation measure. The method used to identify the median employee was to first rank-order all employees (including full-time, part-time, seasonal, and temporary, but

excluding the Chief Executive Officer), employed as of February 3, 2018, based on total earnings, and then to select the middle employee. Total earnings included all wages reported to the IRS as taxable wages. No adjustments were made to the total earnings.

In determining whether there was a change to employee population or employee compensation practices from fiscal 2017, we omitted employees who joined Designer Brands Inc. as a result of our acquisition of Town Shoes Limited (now known as Designer Brands Canada Inc.) (approximate associates - 2,293) and Camuto Group (approximate associates - 770).

Mr. Rawlins had 2018 annual total compensation of \$8,273,914 as reflected in the Summary Compensation Table included in this Proxy Statement. Our median employee's annual total compensation for fiscal 2018 determined on the same basis was \$7,276. As a result, Mr. Rawlins' 2018 annual total compensation was approximately 1,137 times that of our median employee.

Compensation Committee Review of the Relation of Compensation Design to Risk

The Compensation Committee has reviewed the design and operation of our compensation policies and practices, including incentive compensation arrangements for our Named Executive Officers. The Compensation Committee has determined that the Company's compensation policies and practices do not encourage our employees to take unnecessary or inappropriate risks that could reasonably be expected to materially threaten our value. Several factors contributed to this assessment, including the following:

- The Compensation Committee reviews the quality of our earnings prior to approving incentive payments;
 - We provide a significant percentage of compensation based on performance, which is in turn based on annual and long-term incentives that require sustained value creation over several years to earn target incentives;
 - For cash incentive payments made under our ICP, the Compensation Committee provides a maximum payout of 200% of target;
 - We use the same financial metric, historically adjusted net income, to determine annual incentive payouts for all bonus eligible associates; and
- Certain payments to our Named Executive Officers are subject to recovery if we restate a financial statement due to material noncompliance with any financial reporting requirement under the securities laws and such noncompliance is a result of misconduct.

Compensation Committee Interlocks and Insider Participation

During 2018, our Compensation Committee consisted of Mr. Tanenbaum (Chair) and Mmes. Eisenman, Lee, and Zaiac. None of the members of the Compensation Committee are present or former officers or employees of our Company or parties to agreements with us, other than for payments for their service as directors.

Compensation of Directors

Our Compensation Committee reviews director compensation and makes recommendations to our Board of Directors regarding director compensation.

Our current director compensation policies provide that each non-employee director will receive:

- An annual cash retainer of \$75,000;
- An annual equity retainer of \$140,000; and

Edgar Filing: Designer Brands Inc. - Form DEF 14A

An additional annual retainer for committee service for each committee on which such director serves (provided that the committee chairs do not receive such additional retainer) as follows:

Audit Committee - \$20,000

Compensation Committee - \$15,000

Nominating and Corporate Governance Committee - \$15,000

Technology Committee - \$15,000

The annual retainers are paid as follows:

The annual cash retainer and the additional annual retainer for committee service are payable in quarterly installments on the last day of each fiscal quarter; and

The annual equity retainer is payable on the date of each annual meeting of the shareholders for the purpose of electing directors, determined by dividing the amount of the retainer by the per-share market value of our Class A Common Shares on the grant date.

Directors do not receive any additional compensation for attending board meetings or board committee meetings. However, the chairmen of the Audit Committee, Nominating and Corporate Governance Committee, Compensation Committee, and Technology Committee each receive an additional \$35,000, \$25,000, \$30,000, and \$25,000 respectively in cash or stock units (as they may elect) per year, respectively. We pay this compensation on a quarterly basis. All members of our Board of Directors are reimbursed for reasonable costs and expenses incurred in attending meetings of our Board of Directors and its committees. Non-management directors may elect to have any of the cash portion of their compensation paid in the form of stock units in lieu of cash.

Board Members may participate in the Nonqualified Plan (described above in the section titled Nonqualified Deferred Compensation Plan), and in connection with such participation may contribute up to 100% of the annual cash retainer paid by Designer Brands Inc. (as described in more detail in the Fiscal Year 2018 Director Compensation table).

Stock units issued to a director are fully vested on the date of grant. Beginning in calendar year 2012, the director may elect to have the stock units settled (i) 30 days following the grant date, (ii) on a specified future date more than 30 days following the grant date, or (iii) when the director leaves the Board (for any reason). Stock units are settled in Designer Brands Inc. Class A Common Shares.

Directors have no voting rights in respect to the stock units, but they will have the power to vote the Designer Brands Inc. Class A Common Shares received upon settlement of the award. In general, directors have equivalent rights to receive dividends paid on Designer Brands Inc. Class A Common Shares. Each director is “credited” with the same dividend that would be issued if the stock unit was a Designer Brands Inc. Class A Common Share. The amounts associated with the dividend equivalent rights will not be distributed until the director’s stock unit award is settled.

Designer Brands Inc. Board Members have an ownership guideline of five (5) times their annual cash retainer (excluding committee fees) to be achieved within five (5) years of joining the Board. All of the Board Members, except Ms. Zaiac who joined the Board in 2016, Mr. Cobb who joined the Board in 2017, and Ms. Singh-Bushell who joined the Board in 2018, own shares in excess of the ownership guidelines.

FISCAL YEAR 2018 DIRECTOR COMPENSATION

The following table sets forth certain information regarding the compensation earned by or paid to each non-employee director who served on the Board of Directors in fiscal 2018.

Each director who is not an employee of Designer Brands Inc. and who does not otherwise receive compensation (including severance) from Designer Brands Inc. was granted stock units on May 16, 2018. The amounts reported in the “Stock Awards” column represent the full grant date fair value for financial statement reporting purposes, as (1) provided by ASC 718 (determined by the closing price of Designer Brands Inc. Class A common stock on the date of grant). Messrs. Joseph Schottenstein and Sonnenberg, and Mmes. Lau and Zaiac elected to have the shares distributable within 30 days of the grant date. The remaining directors have elected to settle the units upon leaving the Board of Directors.

For calendar year 2018, Mr. Cobb elected to defer his retainer into the Designer Brands Inc. Nonqualified Deferred Compensation Plan. The aggregate deferred compensation earnings in the fiscal year are not reflected in the above table because the earnings were neither preferential nor above-market. The amount is reflected in the “Fees Earned or Paid in Cash” column. Ms. Singh-Bushell joined the Board of Directors in September 2018 and elected to defer (2) her retainer into the Designer Brands Inc. Non-Qualified Deferred Compensation Plan. The aggregate deferred compensation earnings in the fiscal year are not reflected in the above table because the earnings were neither preferential nor above-market. The amount is reflected in the “Fees Earned or Paid in Cash” column. The provisions of the Nonqualified Deferred Compensation Plan are described above in the section entitled Nonqualified Deferred Compensation Plan.

Mr. Cobb, Ms. Lau, and Mr. Sonnenberg received \$30,000, \$30,000, and \$40,000 in fees respectively for service (3) on a special committee of the Board of Directors to explore engagement with an investment banking firm in connection with Designer Brands Inc.’s consideration of certain merger and acquisition opportunities.

Beginning in the first quarter of fiscal 2013, Mr. Joseph Schottenstein elected to receive payment of all fees in the form of stock awards and continued this election in fiscal 2018. The value of the awards is reflected in the (4) “Fees Earned or Paid in Cash” column. The total number of shares granted were 3,437. The quarterly number of shares granted was based on the closing stock price on the day of grant rounded to the nearest whole share.

PROPOSAL 2 — ADVISORY VOTE ON THE COMPENSATION OF NAMED EXECUTIVE OFFICERS

At the Company's 2017 Annual Meeting of Shareholders, pursuant to Section 14A of the Exchange Act, our shareholders held an advisory "say-on-frequency" vote regarding the frequency with which the advisory "say-on-pay" vote on executive compensation should be held. The shareholders voted to hold the "say-on-pay" vote each year, and consistent with that vote, the Board of Directors resolved to hold the advisory vote each year.

At the 2018 Annual Meeting of Shareholders, an overwhelming majority (98.4%) of the votes cast on the advisory "say-on-pay" vote on executive compensation were voted in favor of the proposal. The Compensation Committee viewed the vote as a strong expression of our shareholders' general satisfaction with the Company's current executive compensation programs. As a result, the Compensation Committee decided that it was not necessary to implement material changes to our executive compensation programs.

In accordance with Section 14A of the Exchange Act, the Company asks that you indicate your approval of the compensation paid to our Named Executive Officers as described in this Proxy Statement in the Compensation Discussion and Analysis, compensation tables, and narratives included elsewhere in this Proxy Statement.

Because your vote is advisory, it will not be binding on the Board of Directors. However, the Board of Directors and the Compensation Committee will review the voting results and take them into consideration when making future decisions regarding executive compensation.

As described in the Compensation Discussion and Analysis, the Company's objectives for its executive compensation program are as follows:

• Attract and retain highly talented, experienced retail executives who can make significant contributions to our long-term business success;

• Reward executives for achieving business goals and delivering strong performance; and

• Align executive incentives with shareholder value creation.

Based on the objectives described above, the Committee has structured Designer Brands Inc.'s executive compensation programs primarily to motivate executives to achieve the business goals established by Designer Brands Inc. and reward executives for meeting business goals and delivering strong performance as measured against those business goals.

For the reasons discussed above and in this Proxy Statement, the Board of Directors recommends that shareholders vote to approve the following resolution:

"RESOLVED, that the compensation of the Named Executive Officers of the Company, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion in this Proxy Statement, is approved."

Vote Required

Under our Code of Regulations, approval of this proposal requires the affirmative vote of the holders of the greater of (i) a majority of the shares required to constitute a quorum for such meeting, in which case broker non-votes have the effect of votes "Against" the proposal, and (ii) a majority of the shares voted on such proposal, in which case broker non-votes are disregarded and have no effect on the outcome of the vote. Abstentions will be counted as represented and entitled to vote and will therefore have the effect of a vote "Against" the proposal.

Your Board of Directors unanimously recommends a vote "FOR" the approval of the resolution relating to the compensation of our Named Executive Officers.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Procedures for Review of Related Party Transactions

Our Board of Directors has adopted a written related party transaction policy, which provides that our Audit Committee will review and approve potential related party transactions, arrangements or relationships between us and a related person, as described below. A copy of the related party transaction policy can be found at our corporate and investor website at www.designerbrands.com and is available in print (without charge) to any shareholder upon request. The related party transaction policy provides for the review, approval or ratification of any “related person transaction” that we are required to report under SEC rules and regulations.

For purposes of this policy, a “related person transaction” is any transaction which is currently proposed or has been in effect at any time since the beginning of the last fiscal year, in which the Company or any of its subsidiaries, was, or is proposed to be, a participant, and in which any of the following persons (each, a “related person”) has or will have a direct or indirect material interest:

- (1) any person who is, or at any time since the beginning of the Company’s last fiscal year was, a director, director nominee or executive officer of the Company;
- (2) a shareholder of the Company who owns more than five percent (5%) of any class of the Company’s voting securities;
- (3) a member of the immediate family of any person described in (1) or (2) above; and
- (4) an entity in which any person described in (1), (2) or (3) above has a greater than ten percent (10%) equity interest.

In determining whether to approve a related person transaction, the Audit Committee considers the following factors, to the extent relevant:

• Is the transaction in the normal course of the Company’s business?

• Are the terms of the transaction fair to the Company?

• Are the terms of the transaction commercially reasonable? Are the terms of the transaction substantially the same as the terms that the Company would be able to obtain in an arm’s-length transaction with an unrelated third party?

• Has the Company obtained an independent appraisal or completed a financial analysis of the transaction? If so, what are the results of such appraisal or analysis?

• Is the transaction in the best interests of the Company and the Company’s shareholders?

• Would the transaction impair a director’s independence in the event that the related person is an independent director?

Based on an analysis of these factors (and other additional factors that the Audit Committee may deem relevant based on the circumstances), the Audit Committee takes formal action to either approve or reject the related person transaction.

As of March 29, 2019, Jay L. Schottenstein, the Executive Chairman of Designer Brands Inc., beneficially owned approximately 11,156,336 Designer Brands Inc. Class A Common Shares and approximately 7,720,154 Designer Brands Inc. Class B Common Shares. Mr. Schottenstein serves as chairman of Schottenstein Stores Corporation (“SSC”) and other affiliated entities of SSC. For fiscal 2018, we paid approximately \$15.1 million in total fees, rents, and expenses to SSC and its affiliates.

In the ordinary course of business, we have entered into a number of agreements with SSC and its affiliates relating to our business and our relationship with these companies, the material terms of which are described below. We believe that each of the agreements entered into with these entities is on terms at least as favorable to us as could be obtained in an arm’s-length transaction with an unaffiliated third party. In the event that we desire to enter into any agreements with SSC or any of our directors, officers or other affiliates in the future, in accordance with Ohio law, any contract, action or other transaction between or affecting us and one of our directors or officers or between or affecting us and any entity in which one or more of our directors or officers is a director, trustee, or officer or has a financial or personal interest, will either (i) be approved by the shareholders, a majority of the disinterested members of our Board of Directors, or a committee of our Board of Directors that authorizes such contracts, action or other transactions or (ii) be fair to us as of the time our directors, a committee of our directors, or our shareholders approve the contract, action or transaction. In addition, any transactions with directors, officers

or other affiliates will be subject to requirements of the Sarbanes-Oxley Act and other SEC rules and regulations, as well as to our written related party transaction policy described above.

Management Agreement

On November 1, 2012, we entered into a management agreement (the “Management Agreement”) with Schottenstein Property Group, LLC (“SPG”), an affiliate of SSC, pursuant to which SPG provides management, operation, repair, maintenance, replacement, and supervision services with respect to Designer Brands Inc.’s corporate headquarters and Columbus distribution center. SPG previously managed the properties prior to Designer Brands Inc.’s purchase on November 1, 2012. As compensation, Designer Brands Inc. pays SPG 4% of rents collected from lessees of certain portions of the properties, plus reimbursement for certain costs pursuant to the Management Agreement. Under this agreement, we incurred approximately \$0.2 million of expense for fiscal 2018. Mr. Joseph Schottenstein, a member of the Designer Brands Inc. Board of Directors, is an executive officer of SPG.

Leases and Subleases

Fulfillment Center. In fiscal 2007, we entered into a lease for a fulfillment center for dsw.com adjacent to our existing home office in Columbus, Ohio, and this agreement was amended in fiscal 2016. The landlord is an affiliate of SSC. Under the amended lease, the term expires in September, 2022 and has two renewal options with terms of five years each. Under this agreement, we incurred approximately \$3.2 million of expense for fiscal 2018 (includes rent, real estate taxes, insurance and CAM).

Utilities. In connection with our lease for the fulfillment center (described above), we incurred approximately \$1.1 million of expense related to the payment of utilities to the landlord in fiscal 2018. The landlord of this facility is an affiliate of SSC.

DSW stores. As of February 2, 2019, we leased or subleased 16 DSW stores from affiliates of SSC. We incurred approximately \$6.8 million of rent and approximately \$1.3 million of other expense (real estate taxes, maintenance and insurance) related to these leases for fiscal 2018. In addition to these charges, for each lease, we also pay percentage rent equal to approximately 2% annually of gross sales that exceed specified breakpoints that increase as the minimum rent increases. These leases have terms expiring between October 2020 and November 2029 and generally have two or three renewal options of five years each.

Agreement for Media Services

We receive media services for our stores from Retail Entertainment Design (“RED”), an affiliate of SSC. The agreement provides for media services such as digital music, video services, and other related services. For fiscal 2018, we paid approximately \$0.4 million to RED.

Consulting/Professional Services Agreement

We receive consulting/professional services from Charles Spicer, Inc., an affiliate of SSC. The consulting/professional services include, among other things, strategic planning, financial matters, risk analysis and management, mergers, acquisitions, business development, and general corporate, operational, and organizational matters. For fiscal 2018, we paid approximately \$0.3 million to Charles Spicer, Inc.

Corporate Services Agreement with SSC

We receive services from SSC pursuant to a Corporate Services Agreement between us and SSC. The agreement sets forth the costs of shared services, including specified legal, travel expense, and administrative services. For fiscal 2018, our allocated portion of the amount we paid to SSC was approximately \$0.3 million.

Registration Rights Agreements

We entered into a registration rights agreement with SSC and its affiliated companies, under which we agreed to register in specified circumstances the Class A Common Shares that they hold. Under this agreement, SSC (together with transferees of at least 15% of its interest in registrable Designer Brands Inc. Common Shares) may request up to three demand registrations. The agreement will also grant SSC the right to include these Class A Common Shares in an unlimited number of other registrations of any of our securities initiated by us or on behalf of our other shareholders (other than a demand registration made under the agreement).

SB360 Capital Partners Liquidation of Assets

In 2018, we entered into two transactions with SB360 Capital Partners, LLC (“SB360”), an affiliate of SSC, to assist in negotiating the terms of liquidating the assets of Ebuys, Inc., and the Town Shoes banner. For fiscal 2018, we paid approximately \$0.9 million to SB360 in connection with these transactions.

Provisions of Our Amended Articles of Incorporation Governing Corporate Opportunities and Related Party Transactions

SSC is engaged in the same or similar activities or lines of business as we are and has interests in the same areas of corporate opportunities. Summarized below are provisions in our amended articles of incorporation that govern conflicts, corporate opportunities and related party transactions.

Conflicts / Competition. SSC and its affiliates have the right to engage in the same businesses as we do, to do business with our suppliers and customers and to employ any of our officers or employees.

Corporate Opportunities. In the event that SSC or any director or officer of SSC who is also one of our directors or officers learns about a potential transaction or business opportunity which we are financially able to undertake, which is in our line of business, which is of practical advantage to us and in which we have an interest or a reasonable expectancy, but which may also be appropriate for SSC, our amended articles of incorporation provide:

If SSC learns about a corporate opportunity, it does not have to tell us about it and it is not a breach of any fiduciary duty for it to pursue such corporate opportunity for itself or to direct it elsewhere.

If one of our directors or officers who is also a director or officer of SSC learns about a corporate opportunity, he or she shall not be liable to us or to our shareholders if SSC pursues the corporate opportunity for itself, directs it elsewhere or does not communicate information about the opportunity to us, if such director or officer acts in a manner consistent with the following policy:

If the corporate opportunity is offered to one of our officers who is also a director but not an officer of SSC, the corporate opportunity belongs to us unless it was expressly offered to the officer in writing solely in his or her capacity as a director of SSC, in which case it belongs to SSC.

If the corporate opportunity is offered to one of our directors who is not an officer of Designer Brands Inc., and who is also a director or officer of SSC, the corporate opportunity belongs to us only if it was expressly offered to the director in writing solely in his or her capacity as our director.

If the corporate opportunity is offered to one of our officers, whether or not such person is also a director, who is also an officer of SSC, it belongs to us only if it is expressly offered to the officer in writing solely in his or her capacity as our officer or director.

Related Party Transactions. We may, from time to time, enter into contracts or otherwise transact business with SSC, our directors, directors of SSC or organizations in which any of such directors has a financial interest. Such contracts and transactions are permitted if:

the relationship or interest is disclosed or is known to the Board of Directors or the committee approving the contract or transaction, and the Board of Directors or committee, in good faith reasonably justified by the facts, authorizes the contract or transaction by the affirmative vote of a majority of the directors who are not interested in the contract or transaction;

- the relationship or interest is disclosed or is known to the shareholders, and the shareholders approve the contract or transaction by the affirmative vote of the holders of a majority of the voting power of the Company held by persons not interested in the contract or transaction; or
- the contract or transaction is fair at the time it is authorized or approved by the Board of Directors, a committee of the board of directors, or the shareholders.
