Item 2.02 Results of Operations and Financial Condition

On June 7, 2012, American Apparel, Inc. (NYSE Amex: APP), a vertically integrated manufacturer, distributor, and retailer of branded fashion basic apparel, announced preliminary sales for the month ended May 31, 2012. The Company is also providing comparable store sales for all months during 2011 in response to certain equity analyst requests. The information in this Form 8-K shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such filing.

May 2012 Preliminary Sales

The Company reported that for the month ended May 31, 2012, total preliminary net sales increased 17% to \$49.7 million when compared to the month ended May 31, 2011. Between the same periods, comparable store sales on a preliminary basis increased an estimated 17% and wholesale net sales increased an estimated 24%.

The following delineates the components of the estimated increases for May 2012 and the four previous months when compared to the corresponding months of the prior year:
