(1) The Issuer declared a special distribution of \$15.15 per share of common stock, payable on March 31, 2006 to stockholders of record on February 14, 2006. The special distribution is payable in the form of cash, shares of Potlatch common stock, or a combination of both, at the election of each stockholder. Shares of Potlatch common stock were valued for purposes of the special distribution based on the average of the closing sales price per share from and including March 21, 2006 through and including March 23, 2006. Reporting person owns restricted stock units (RSUs) that may be settled for shares of common stock on a one-for-one basis. For the special distribution, RSUs were credited 100% in common stock. The amount of shares denoted represents the total shares attributable to the reporting person in the special distribution, which includes regular dividends that had accrued as of February 14, 2006 on the RSUs since their grant to the reporting person.

(2) No consideration was paid for the stock received as a result of the special distribution.
