Section 8 Other Events

Item 8.01 Other Events.

On May 30, 2007, Viacom Inc. ("Viacom" or the "Company") announced that its Board of Directors had approved a new stock purchase program under which Viacom is authorized to acquire from time to time up to \$4 billion of its Class A and Class B common stock. The program will commence following the completion of Viacom's existing \$3.0 billion stock purchase program.

The Board of Directors also approved the continuing participation in the stock purchase program on a pro-rata basis by NAIRI, a closely held corporation controlled by Sumner Redstone, on substantially the same terms on which it participates in Viacom's current stock purchase program. The agreement with NAIRI is designed to prevent the buyback from increasing NAIRI's economic interest in Viacom.

A copy of the related press release is filed herewith as Exhibit 99 and is incorporated by reference herein in its entirety.
