DON'T BE MISLED BY THE DOUGLASS COMMITTEE

VOTE THE WHITE PROXY CARD FOR CHANGE TODAY

Dear Equus Shareholder,

With the May 12th Annual Meeting of Equus Total Return ("Equus" or the "Fund") shareholders rapidly approaching, now is the time for you to cast your vote for a fresh start at Equus. The "The Committee to Enhance Equus" ("the Douglass Committee") is running a proxy contest to regain control of the Fund so that Sam and Paula Douglass can maintain the status quo and continue to benefit themselves personally at the expense of Equus' shareholders. If you want change at Equus, it is critical that you vote the WHITE proxy card today.

EQUUS CONDEMNS ALLEGATION AGAINST BENEDETTI MADE BY THE DOUGLASS COMMITTEE

Benedetti looks forward to helping Equus increase shareholder value

Equus fully supports Alessandro Benedetti as one of our Nominees for Director. Mr. Benedetti is currently the CEO of SAE Capital Ltd., which he founded in January 2007. Prior to that, he was the CEO of SAE Capital SPA, based in Rome, Italy. Over the last 20 years he has been involved in the structuring and financing of complex transactions, acting on behalf of companies and governments in North America, Europe, Central Asia and the Middle East. In 2005, he structured and led the acquisition of Wind Telecomunicazioni SpA, based in Italy, which had 16 million wireless subscribers, 1.6 million fixed line customers and 28 million registered internet users. At that time, the transaction was the largest leveraged buyout in European history, in a deal valued at over 12 billion Euros.

"It is unfortunate that The Douglass Committee has resorted to an irresponsible campaign of character assassination," said Richard Bergner, Chairman of Equus. "They have unfairly characterized a legal proceeding involving Mr. Benedetti by relying on a quote from a Civil Judge, in the United Kingdom, as proof of a criminal matter related to the bankruptcy of Magnetofoni Castelli, in Italy. If The Douglass Committee had responsibly researched Mr. Benedetti's background, they would have discovered that the inference derived from the statements they are relying on is false and misleading."

The Douglass Committee, in their effort to mislead Shareholders, has taken a selective quotation from a lengthy Civil Judgment (not a criminal proceeding) in the United Kingdom. The Civil case is a decision of Mr. Justice Patten released June 15th, 2009, in which Alessandro Benedetti is the Claimant and Sawiris et al are the Defendants.

The result of the Civil proceeding in the United Kingdom was an award of \$75.1 million euros, plus interest, in favor of the Claimant, Benedetti. This case is currently under appeal.

In making his decision, Mr. Justice Patten commented on Mr. Benedetti's involvement in the bankruptcy of Magnetofoni Castelli, a matter that occurred in Milan, Italy more than 17 years prior to his judgment, which matter was governed under the laws of Italy. The legal system in Italy is completely different than the legal system in the United Kingdom, and Mr. Justice Patten had no jurisdiction, nor any standing to opine on matters involving Italian law.

"I am very disappointed that The Douglass Committee has subjected the Shareholders to a costly and prolonged Proxy fight, which has included misinformation about myself," said Alessandro Benedetti. "I look forward to helping rebuild the Fund, thereby creating value for all Shareholders. Contrary to the assertions put forward by The Douglass Committee, I have no criminal record arising out of the bankruptcy of Magnetofoni Castelli, which occurred over 17 years ago, in Milan, Italy."

Do not be misled by the Douglass Committee's desperate attacks. Please sign, date and return the WHITE proxy card in the postage paid envelope provided. Even if you have previously voted on the gold proxy card supplied by the Douglass Committee, you can still support your Board by voting the enclosed WHITE proxy card today. **YOUR RESPONSE TODAY WILL HELP PUT THE FUND BACK ON THE RIGHT TRACK.**
