Item 8.01. Other Events.

Forestar Group Inc. (“we” or the “Company”) is filing this Form 8-K to (i) update Items 6, 7 and 8 of the Company’s Annual Report on Form 10-K for the year ended December 31, 2012 (the “2012 Annual Report”) to reflect revised financial information and disclosures as a result of the reorganization of the Company's reportable segments, and (ii) amend Item 12 of the 2012 Annual Report to include certain historical information in respect of the Company's equity compensation plan that was inadvertently omitted from the 2012 Annual Report.

As described in our Quarterly Report on Form 10-Q for the quarter ended March 31, 2013, we strategically changed our reportable segments to better reflect the underlying market fundamentals and operating strategy of our core business operations, real estate and oil and gas. With this change, we aggregated our fiber and water resource operating results in other natural resources. All prior period segment information has been reclassified to conform to the current year presentation. These changes did not impact our consolidated net income or cash flows in any period. The information set forth in Exhibits 99.1 and 99.2 of this Form 8-K are as of March 14, 2013, the date the 2012 Annual Report was filed. The Company has not updated or amended the disclosures contained therein to reflect events that have occurred since the filing of the 2012 Annual Report, or modified or updated those disclosures in any way other than as required to update the segment disclosures for all periods presented to reflect the reorganization of the Company's reportable segments and to amend Item 12 of the 2012 Annual Report as described above. Accordingly, this Form 8-K and Exhibits 99.1 and 99.2 of this Form 8-K should be read in conjunction with the 2012 Annual Report and with the Company's other filings subsequent to the filing of the 2012 Annual Report, including the Company's Quarterly Reports on Form 10-Q for the periods ended March 31, 2013, June 30, 2013 and September 30, 2013.
