PROXY STATEMENT

These proxy materials and the enclosed proxy card are being furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of NovaBay Pharmaceuticals, Inc., a Delaware corporation, to be voted at the 2011 Annual Meeting of Stockholders to be held on Thursday, June 9, 2011 (the "Annual Meeting") and at any adjournment or postponement of the Annual Meeting. The Annual Meeting will be held at 2:00 p.m. Pacific Time at Woodfin Hotel Emeryville, 5800 Shellmound Street, Emeryville, California 94608. These proxy solicitation materials are expected to be mailed on or about May 6, 2011, to all stockholders entitled to vote at the Annual Meeting. References to "NovaBay" in this proxy statement refer to NovaBay Pharmaceuticals, Inc., a Delaware corporation, on and after June 29, 2010, the date we reincorporated from California to Delaware, and to NovaBay Pharmaceuticals, Inc., a California corporation and our predecessor, before June 29, 2010.

Purpose of Meeting

The specific proposals to be considered and acted upon at the Annual Meeting are summarized in the accompanying Notice of the Annual Meeting of Stockholders (the "Notice") and are described in more detail in this proxy statement.

Voting; Quorum

The record date for determining those stockholders who are entitled to notice of, and to vote at, the Annual Meeting has been fixed as April 20, 2011 ("Record Date"). Only stockholders of record at the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting and any adjournment or postponement thereof. Each stockholder is entitled to one (1) vote for each share of our common stock held by such stockholder as of the Record Date. As of the Record Date, 23,449,755 shares of our common stock were outstanding, and no shares of our preferred stock were outstanding.

The presence at the Annual Meeting, either in person or by proxy, of holders of a majority of the outstanding shares of our common stock entitled to vote will constitute a quorum for the transaction of business at the Annual Meeting. If a quorum is not present, the Annual Meeting will be adjourned until a quorum is obtained.

All votes will be tabulated by the inspector of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes (i.e., shares held by a broker or nominee that are represented at the Annual Meeting, but with respect to which such broker or nominee is not instructed to vote on a particular proposal and does not have discretionary voting power). Abstentions and broker non-votes are counted as present for purposes of determining the presence or absence of a quorum for the transaction of business. Broker non-votes and votes marked "withheld" will not be counted towards the tabulation of votes cast on such proposals presented to the stockholders.

Required Votes

Edgar Filing: NovaBay Pharmaceuticals, Inc. - Form DEF 14A

For Proposal One, the election of directors, the two (2) nominees receiving the highest number of “FOR” votes of our common stock, present or represented by proxy and entitled to vote at the Annual Meeting, will be elected. “WITHHELD” votes and broker non-votes will have no effect.

To be adopted, Proposal Two, the ratification of the appointment by our Audit Committee of Odenberg, Ullakko, Muranishi & Co. LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2011, requires “FOR” votes from a majority of the shares present and entitled to vote at the Annual Meeting. Abstentions and broker non-votes will have the same effect as “AGAINST” votes.

Proxies

Please use the enclosed proxy card to vote by mail. If your shares are held in street name, then in lieu of a proxy card, you should receive from that institution an instruction form for voting, and you must follow the voting instructions you receive from that institution. Should you receive more than one proxy card or voting instruction form because your shares are held in multiple accounts or registered in different names or addresses, please be sure to complete, sign, date and return each proxy card or voting instruction form to ensure all of your shares will be voted. Only proxy cards that have been signed, dated and timely returned will be counted in the quorum and voted.

If the enclosed proxy card is properly signed and returned to us, the shares represented thereby will be voted at the Annual Meeting in accordance with the instructions specified thereon. If the proxy does not specify how the shares represented thereby are to be voted, the proxy will be voted FOR the election of the directors proposed by the Board under Proposal One unless the authority to vote for the election of such directors is withheld and, if no contrary instructions are given, the proxy will be voted FOR the approval of Proposal Two described in the Notice and this proxy statement.

The enclosed proxy also grants the proxy holders discretionary authority to vote on any other business that may properly come before the Annual Meeting. We have not been notified by any stockholder of his or her intent to present a stockholder proposal at the Annual Meeting.

If your shares are held in your name, you may revoke or change your vote at any time before the Annual Meeting by filing a notice of revocation or another signed proxy card with a later date with our corporate Secretary at our principal executive offices at 5980 Horton Street, Suite 550, Emeryville, California 94608. If your shares are held in street name, you should contact the record holder to obtain instructions if you wish to revoke or change your vote before the Annual Meeting. If you attend the Annual Meeting and vote by ballot, any proxy you submitted previously to vote the same shares will be revoked automatically and only your vote at the Annual Meeting will be counted. Simply attending the meeting will not, by itself, revoke your proxy. If your shares are held in street name and you want to vote in person at the Annual Meeting, you must obtain a legal proxy from the record holder of your shares and present it at the Annual Meeting. In the absence of a legal proxy issued by the record holder of your shares, your vote in person at the Annual Meeting will not be effective. If you do not vote in person at the Annual Meeting or submit voting instructions to your broker, your broker may still be permitted to vote your shares on routine matters; the election of directors is not a routine matter, but the ratification of Odenberg, Ullakko, Muranishi & Co. LLP as our independent registered public accounting firm is a routine matter.

Voting by Telephone or through the Internet

If your shares are registered in the name of a bank or brokerage firm, you may be eligible to vote your shares by telephone or through the Internet. A large number of banks and brokerage firms provide eligible stockholders the opportunity to vote in this manner. If your bank or brokerage firm allows for this, your voting form will provide instructions for such alternative method of voting.

Solicitation

NovaBay will bear the entire cost of proxy solicitation, including the costs of preparing, assembling, printing and mailing this proxy statement, the proxy card and any additional solicitation material furnished to the stockholders. Copies of the solicitation materials will be furnished to brokerage houses, fiduciaries and custodians holding shares in their names that are beneficially owned by others so they may forward this solicitation material to such beneficial owners. In addition, we may reimburse such persons for their reasonable expenses in forwarding the solicitation materials to the beneficial owners. The original solicitation of proxies by mail may be supplemented by a solicitation

by personal contact, telephone, facsimile, email or any other means by our directors, officers or employees. No additional compensation will be paid to these individuals for any such services.

At the discretion of management, we may retain a professional firm of proxy solicitors to assist in the solicitation of proxies, although we do not currently expect to retain such a firm.

Results of the Voting at the Annual Meeting

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the Annual Meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

Family Relationships

There are no family relationships among any of our directors, executive officers or director nominees.

CORPORATE GOVERNANCE

Code of Ethics and Business Conduct

Our Board has adopted a Code of Ethics and Business Conduct which applies to all directors, officers (including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions) and employees. The full text of our Code of Ethics and Business Conduct is available on the Corporate Governance section of our website at www.novabaypharma.com. We intend to disclose future amendments to certain provisions of the Code of Ethics and Business Conduct, and any waivers of provisions of the Code of Ethics and Business Conduct required to be disclosed under the rules of the Securities and Exchange Commission (“SEC”), at the same location on our website.

Director Independence

Our Board has determined that each of its members, other than Dr. Najafi, our chief executive officer, satisfies the requirements for “independence” as defined in the NYSE Amex Company Guide.

Board Committees and Meetings

Our Board has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee each has a written charter that is reviewed annually and revised as appropriate. A copy of each committee’s charter is available on the Corporate Governance section of our website at www.novabaypharma.com.

During the year ended December 31, 2010, the Board and the various committees of the Board held the following number of meetings: Board of Directors—twelve; Audit Committee—four; Compensation Committee—seven; and Nominating and Corporate Governance Committee—four. During 2010, no director attended fewer than 75% of the aggregate of the total number of meetings of the Board of Directors and committees of the Board of Directors while he or she was serving on such committee.

The independent directors meet at each regularly scheduled Board meeting in executive session. These executive session meetings are chaired by the lead director. Following each such meeting, the lead director has a discussion with

Dr. Najafi, the Chairman of the Board and the Chief Executive Officer, regarding the executive session meeting. The lead director establishes the agenda for each executive session meeting of independent directors, and also determines which, if any, other individuals, including members of management and independent advisors, should attend each such meeting.

Audit Committee. Our 2010 Audit Committee consisted of Dr. Harry Hixson (until August 2010), Mr. Cashion, Mr. Freiman, Ms. Maderis (appointed in October 2010) and Mr. Tufts. Mr. Cashion is the chairman of the Audit Committee. Our Board has determined that each member of the Audit Committee is independent, as defined in the NYSE Amex Company Guide and Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Mr. Cashion qualifies as an "audit committee financial expert" as that term is defined in the rules and regulations established by the SEC. The functions of this committee include:

- meeting with our management periodically to consider the adequacy of our internal controls and the objectivity of our financial reporting;
- meeting with our independent auditors and with internal financial personnel regarding these matters;
- pre-approving audit and non-audit services to be rendered by our independent auditors;
- engaging and determining the compensation of our independent auditors and oversight of the work of our independent auditors;
- reviewing our financial statements and periodic reports and discussing the statements and reports with our management and independent auditors, including any significant adjustments, management judgments and estimates, new accounting policies and disagreements with management;
- establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls and auditing matters;
- reviewing our financing plans and reporting recommendations to our full Board for approval and to authorize action; and
- administering and discussing with management and our independent auditors our Code of Ethics and Business Conduct.

Both our independent auditors and internal financial personnel regularly meet privately with the Audit Committee and have unrestricted access to this committee.

Compensation Committee. Our 2010 Compensation Committee consisted of Mr. Wicks, Mr. Freiman, Dr. Dailley, Dr. Hixson (until August 2010) and Ms. Maderis (appointed in October 2010). Mr. Wicks is the chairman of our Compensation Committee. Our Board has determined that each member of the Compensation Committee is independent, as defined in the NYSE Amex Company Guide. The functions and scope of authority of this committee include:

- reviewing and, as it deems appropriate, recommending to our Board, policies, practices and procedures relating to the compensation of our directors, officers and other managerial employees and the establishment and administration of our employee benefit plans;
- exercising authority under our employee benefit plans; and
- reviewing and approving executive officer and director indemnification and insurance matters.

The Compensation Committee may delegate its authority to act to subcommittees of the Compensation Committee, as set forth in its charter, but has not done so historically.

Decisions regarding executive compensation are ultimately determined by the Compensation Committee, which reviews a number of factors in its decisions, including market information about the compensation of executive officers at similar-sized biotechnology companies within our geographic region, or peer group companies, and recommendations from our chief executive officer and chief financial officer. Additionally, our management subscribes to the Radford Life Science Compensation Survey (the "Compensation Survey"), from which we collect data for base salary, target annual bonuses and equity compensation for various positions at our peer group companies. The market data is used as a guide, against which the Compensation Committee evaluates the compensation of each of the named executive officers in light of the executive's scope of responsibility, expertise and business knowledge. In 2010, the Compensation Committee engaged consultants from Radford to advise it on various compensation-related matters. The Compensation Committee asked Radford to conduct a detailed review of the compensation of the top four executives covering salary, bonus and equity. Radford presented its findings and recommendations at the December 2010 Compensation Committee meeting.

In addition to helping the Compensation Committee review the Compensation Survey data, the Radford consultant participated in meetings of the Compensation Committee to advise it about equity compensation matters and helped the Compensation Committee develop a list of peer group companies for the Compensation Committee to use in establishing benchmarks for executive officer cash and equity compensation. The chief executive officer and chief financial officer attend all meetings of the Compensation Committee except where their respective compensation packages are being discussed and participate in Compensation Committee discussions setting compensation of other officers and employees. This process allows the Compensation Committee to set compensation at levels it believes are appropriate to retain and motivate our named executive officers.

Future decisions regarding executive compensation will continue to be the responsibility of our Compensation Committee. In 2011, the Compensation Committee plans to review the salaries of our named executive officers to evaluate the competitiveness of our executive compensation and to determine whether the total compensation paid to each of our named executive officers was reasonable in the aggregate. The Compensation Committee will review Radford Consulting salary data and compare existing executive salaries with data of companies in the life sciences industry with 50 employees or less.

Outside director compensation is determined by the entire Board after review and approval by the Compensation Committee. In November 2009, the Compensation Committee requested the assistance of Radford to assess the competitiveness of its Board of Directors compensation program and to provide recommendations to better align the program with peer practices. Radford used specific market data from the most recent proxy filings for NovaBay's recently approved peer companies to perform this analysis. Based on the assessment and discussion with the Compensation Committee, Radford proposed an outside director compensation program. The Radford-proposed outside director compensation program was adopted by the Compensation Committee and approved by the Board in December 2009, effective on January 1, 2010 to continue until December 31, 2011. The current outside director compensation program is described under the caption "Director Compensation" below.

Nominating and Corporate Governance Committee. Our 2010 Nominating and Corporate Governance Committee consisted of Dr. Dailley, Mr. Tufts and Dr. McPherson. Dr. McPherson is the chairman of our Nominating and Corporate Governance Committee. Our Board has determined that each member of the Nominating and Corporate Governance Committee is independent, as defined in the NYSE Amex Company Guide. The functions of this committee include:

- identifying qualified candidates to become members of our Board;
- selecting nominees for election of directors at the next annual meeting of stockholders (or special meeting of stockholders at which directors are to be elected);
- selecting candidates to fill vacancies on our Board;
- developing and recommending to our Board our corporate governance guidelines;
- overseeing the evaluation of our Board; and
- reviewing and assisting the Board in developing succession plans for the Chief Executive Officer (CEO), and ensure that a qualified successor to NovaBay's Chief Executive Officer is at all times identified, in the event of an emergency or the retirement of the Chief Executive Officer.

In connection with its recommendations regarding the composition of the Board, the Nominating and Corporate Governance Committee reviews the appropriate qualities and skills required of directors in the context of the then current make-up of the Board. This includes an assessment of each candidate's independence, personal and professional integrity, financial literacy or other professional or business experience relevant to an understanding of our business, ability to think and act independently and with sound judgment, and ability to serve our stockholders' long-term interests. These factors, and others deemed appropriate by the Nominating and Corporate Governance Committee in contributing to our Board's heterogeneity, are reviewed in the context of an assessment of the perceived needs of the Board at a particular point in time. As a result, the priorities and emphasis of the Nominating and Corporate Governance Committee and of the Board may change from time to time to take into account changes in business and other trends, and the portfolio of skills and experience of current and prospective directors. The Nominating and Corporate Governance Committee leads the search for and selects, or recommends that the Board select, candidates for election to the Board. Consideration of new director candidates typically involves a series of committee discussions, review of information concerning candidates and interviews with selected candidates. Candidates for nomination to our Board typically have been suggested by other members of the Board or by our executive officers. From time to time, the Nominating and Corporate Governance Committee may engage the services of a third-party search firm to identify director candidates. The Board strives to achieve a membership of qualified individuals with a mix of qualities that best serve the company's needs. Although we do not have a formal written diversity policy, the Nominating and Corporate Governance Committee consults with the Board to determine the most appropriate mix of characteristics, skills and experiences for the Board as a whole to possess at any given time. In order to identify the best candidates for the Board's needs, the Nominating and Corporate Governance Committee considers the following as the minimum qualifications a nominee must have:

- Experience at a strategic or policymaking level in a business, government, non-profit or academic organization;
 - Be highly accomplished in his or her respective field, with superior credentials and recognition;
- Be well regarded in the community and possess a long-term reputation for the highest ethical and moral standards;
- Sufficient time and availability to devote to the affairs of the company, particularly in light of the number of boards on which the nominee may serve;
- Be free of conflicts of interest and potential conflicts of interest, in particular with relationships with other boards; and
- To the extent such nominee serves or has previously served on other boards, a demonstrated history of actively contributing at board meetings.

The Nominating Committee also considers industry experience or qualifications, such as generic, brand or biotech experience, general management or financial experience, and diverse experience in business, education, government, law, technology, regulatory compliance, medicine and science. When considering candidates for election (or re-election) to the Board, the Nominating Committee considers the entirety of a candidate's credentials and background in addition to the specific minimum qualifications outlined above. Moreover, the members of the Nominating Committee believe that each member of the Board should have the highest character and integrity, a reputation for working constructively with others, sufficient time to devote to Board matters, and no conflicts of interest that interfere with his or her performance as a director.

The Board however, considered diversity in the selection of the new Board member replacing Harry Hixson in October 2010, when it selected Ms. Gail Maderis as the new Board member.

The Nominating and Corporate Governance Committee will consider candidates for directors recommended by our stockholders who meet the eligibility requirements for submitting stockholder proposals for inclusion in our next proxy statement, as described in our bylaws and are received within the timeframe required under the caption “Deadline for Receipt of Stockholder Proposals or Nominations” below. Such stockholder’s notice shall set forth: (A) as to each nominee such stockholder proposes to nominate at the meeting: (1) the name, age, business address and residence address of such nominee, (2) the principal occupation or employment of such nominee, (3) the class and number of shares of each class of capital stock of the corporation which are owned of record and beneficially by such nominee, (4) the date or dates on which such shares were acquired and the investment intent of such acquisition, (5) a statement whether such nominee, if elected, intends to tender, promptly following such person’s failure to receive the required vote for election or re-election at the next meeting at which such person would face election or re-election, and (6) such other information concerning such nominee as would be required to be disclosed in a proxy statement soliciting proxies for the election of such nominee as a director in an election contest (even if an election contest is not involved), or that is otherwise required to be disclosed pursuant to Section 14 of the 1934 Act and the rules and regulations promulgated thereunder (including such person’s written consent to being named as a nominee and to serving as a director if elected); and (B) as of the date of the notice and as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (each, a “Proponent” and collectively, the “Proponents”): (1) the name and address of each Proponent, as they appear on the corporation’s books; (2) the class, series and number of shares of the corporation that are owned beneficially and of record by each Proponent; (3) a description of any agreement, arrangement or understanding (whether oral or in writing) with respect to such nomination or proposal between or among any Proponent and any of its affiliates or associates, and any others (including their names) acting in concert, or otherwise under the agreement, arrangement or understanding, with any of the foregoing; (4) a representation that the Proponents are holders of record or beneficial owners, as the case may be, of shares of the corporation entitled to vote at the meeting and intend to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (5) a representation as to whether the Proponents intend to deliver a proxy statement and form of proxy to holders of a sufficient number of holders of the corporation’s voting shares to elect such nominee or nominees; (6) to the extent known by any Proponent, the name and address of any other stockholder supporting the proposal on the date of such stockholder’s notice; and (7) a description of all Derivative Transactions (any agreement, arrangement, interest or understanding entered into by, or on behalf or for the benefit of, any Proponent or any of its affiliates or associates, whether record or beneficial) by each Proponent during the previous twelve (12) month period, including the date of the transactions and the class, series and number of securities involved in, and the material economic terms of, such Derivative Transactions.

The Nominating and Corporate Governance Committee evaluates each candidate, including Board incumbents, based on the same criteria. After a candidate has been contacted and agrees to be considered as a nominee, the Nominating and Corporate Governance Committee will review the candidate’s resume and other credentials and evaluate the expertise and experience that the candidate would provide to the Board and the company.

Any potential candidates for director nominees, including candidates recommended by stockholders, are reviewed in the context of the current composition of the Board, our operating requirements and the long-term interests of stockholders. In conducting this assessment, the Committee considers such factors as it deems appropriate given our current needs and those of our Board, to maintain a balance of knowledge, experience and capability. The Nominating and Corporate Governance Committee reviews directors’ overall service during their term, including the number of meetings attended, level of participation and quality of performance. The Committee also determines whether the nominee would be independent, which determination is based upon applicable NYSE Amex listing standards and applicable SEC rules and regulations. The Committee then compiles a list of potential candidates from suggestions it may receive. The Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates as it deems appropriate. The Committee meets to discuss and consider such candidates’ qualifications and then selects a nominee for recommendation to the Board by majority vote.

No candidates for director nominations were submitted to the Nominating and Corporate Governance Committee by any stockholder in connection with the election of directors at the Annual Meeting. Each of the director nominees standing for election at this Annual Meeting is a current director of NovaBay.

Other Board Matters

Board Leadership Structure. Since the roles of NovaBay's chief executive officer and chairman of the board are assumed by one person, our Board determined that it was appropriate to have a lead independent director and, effective January 1, 2010, the Board nominated Dr. McPherson as its lead independent director. As lead independent director, Dr. McPherson presides at all Board meetings when the chairman is not present, including executive sessions of the Board's independent directors; acts as a liaison to stockholders who request direct communication with the Board; consults with the chairman in setting the agenda for Board meetings and with the chairman and chief executive officer on matters relating to corporate governance and Board performance; and performs such other duties as the Board may delegate to him from time to time.

Board's Role in Risk Oversight. One of the Board's key functions is informed oversight of NovaBay's risk management process. The Board does not have a formal risk management committee, but rather administers this oversight function through various standing committees of the Board that address risks inherent in their respective areas of oversight. Our Audit Committee is responsible for considering and discussing financial and enterprise risk exposures, including internal controls, and discusses with management, and the independent registered public accountants, our policies with respect to risk assessment and risk management, including risks related to fraud, liquidity, credit operations and regulatory compliance. In addition, under our whistleblower policy, employees wishing to report concerns or complaints they have related to accounting, auditing and internal controls submit such concerns in confidence, or anonymously if desired, to an outside administrator who forwards complaints to our Audit Committee chairman. Our Audit Committee monitors the effectiveness of the whistleblower policy. Our Nominating and Corporate Governance Committee monitors the effectiveness of our compliance and ethics policies, including whether they are successful in preventing illegal or improper liability-creating conduct, and our compliance with legal and regulatory requirements.

Annual Meeting Attendance. We do not have a formal policy regarding attendance by members of our Board at annual meetings of stockholders; however, directors are encouraged to attend all such meetings. In 2010, all of our eight directors attended the 2010 Annual Meeting of Stockholders.

Stockholder Communications to the Board

Our Board has implemented a process by which stockholders may send written communications directly to the attention of the Board, any committee of the Board or any individual Board member, care of our chief executive officer ("CEO"), Ron Najafi, at 5980 Horton Street, Suite 550, Emeryville, California 94608. The name of any specific intended Board recipient should be noted in the communication. Our CEO will be responsible primarily for collecting, organizing and monitoring communications from stockholders and, where appropriate depending on the facts and circumstances outlined in the communication, providing copies of such communications to the intended recipients. Communications will be forwarded to directors if they relate to appropriate and important substantive corporate or Board matters. Communications that are of a commercial or frivolous nature or otherwise inappropriate for the Board's consideration will not be forwarded to the Board.

PROPOSAL TWO:

RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Audit Committee of our Board has selected Odenberg, Ullakko, Muranishi & Co. LLP ("OUM" or "OUM & Co. LLP") as our independent auditors for the fiscal year ending December 31, 2011. LLP as our independent auditors to audit our consolidated financial statements for the fiscal year ending December 31, 2011 and to perform other appropriate services. Stockholder ratification of the selection of OUM & Co. LLP as our independent auditors is not required by our bylaws or otherwise. In the event that the stockholders fail to ratify the appointment, the Audit Committee will reconsider its selection. Even if the selection is ratified, the Audit Committee, in its sole discretion, may direct the appointment of a different independent accounting firm at any time during the year if the committee feels that such a change would be in our best interests and our stockholders' best interests.

A representative of OUM & Co. LLP is expected to be present at the Annual Meeting and will have the opportunity to make a brief presentation to the stockholders if he or she so desires and is expected to be available to respond to appropriate questions from stockholders.

- (1) These amounts are not cash compensation, but represent the aggregate fair value of stock option grants received by our Named Executive Officers. The aggregate fair value is computed in accordance with FASB ASC Topic 718, disregarding the estimate of forfeitures related to service-based vesting conditions. See Note 9 to our consolidated financial statements in our annual report for the year ended December 31, 2010 (the "Annual Report") regarding assumptions underlying valuation of equity awards.
- (2) These amounts represent cash compensation for accrued and unused vacation leave entitlements and life insurance payments premiums.

In 2010 and 2009, our Named Executive Officers were awarded stock options under our 2007 Omnibus Incentive Plan at an exercise price per share equal to the closing sales price of our common stock on the NYSE Amex on the date of the grant. These options are not exercisable until vested, and vest as to 25% of the shares underlying the option on the first anniversary of the grant date, with the remainder vesting in 12 equal installments thereafter upon the completion of three (3) months beginning the first anniversary date (November 15, 2011 with respect to the options granted in 2010). The numbers of shares subject to those grants are set forth in the table below under “Outstanding Equity Awards at Fiscal Year-End” with option expiration dates in 2019 for grants made in 2009, and option expiration dates in 2020 for grants made in 2010.

2010 Cash Bonus Incentives

The NovaBay Board of Directors (the “Board”) upon the recommendation of the Compensation Committee, established cash bonus payments for the 2010 fiscal year to be paid to the Named Executive Officers with respect to the performance of NovaBay and such officers for the fiscal year ended December 31, 2010. The bonus payments were based on the subjective assessment by the Compensation Committee of the achievement of NovaBay’s corporate performance objectives for 2010 and, for the Named Executive Officers other than Dr. Najafi, individual performance goals for 2010. For Dr. Najafi, the 2010 bonus was intended to be calculated as 40% of base salary multiplied by corporate performance. For each of Mr. Paulson and Dr. Khosrovi, the 2010 bonus was intended to be calculated as 30% of base salary multiplied by the sum of (a) 0.8 x Corporate Performance plus (b) 0.2 x Individual Performance Multiplier.

“Corporate Performance” is the percentage determined by adding corporate performance against established goals with respect to research and development (50%), alliance management (25%), new partnerships (15%), and financial performance (10%). Within each category set forth above: if a minimum “threshold” is not achieved with respect to the category, 0% of the percentage with respect to that category is assigned; if a minimum “threshold” is achieved with respect to the category, 50% of the percentage with respect to that category is assigned; if the “target” performance is achieved with respect to the category, 100% of the percentage with respect to that category is assigned; and if “stretch” performance is achieved with respect to the category, 125% of the percentage with respect to that category is assigned. The resulting percentages are then added together which results in the Corporate Performance value. The Corporate performance for 2010 was determined to be 80%.

“Individual Performance Multiplier” is the percentage determined by the assessment of individual performance, the results of which will result in an Individual Performance Multiplier of 125% (outstanding performance, exceeding objectives), 100% (excellent performance, meeting or exceeding objectives), 75% (acceptable performance, meeting most objectives) or 0% (less than acceptable performance).

The amount and timing of award payments is at the discretion of the Compensation Committee, and the Compensation Committee can modify the amount of the bonus pool at its discretion, and may defer or cancel awards at its discretion.

The Compensation Committee and the Board determined that Mr. Paulson achieved 112% of the individual component of his target bonus consisting of increase cash reserves through excellent financial management, and successful management of investor and public relations; and that Dr. Khosrovi achieved 112%% of the individual component of his target bonus consisting of management of relationships with major partners, Alcon Inc. and Galderma S.A., and ensuring priority and initiating studies in 2010 for urinary catheter blockage and encrustation (UCBE). Given the large expenses anticipated in 2011, the Compensation Committee, with the support of management, determined to grant bonuses at 35% of the calculated bonuses.

2009 Cash Bonus Incentives

The Board upon the recommendation of the Compensation Committee, established cash bonus payments for the 2009 fiscal year to be paid to the Named Executive Officers with respect to the performance of NovaBay and such officers for the fiscal year ended December 31, 2009. The bonus payments were based on the subjective assessment by the Compensation Committee of the achievement of NovaBay's corporate performance objectives for 2009 and, for the Named Executive Officers other than Dr. Najafi, individual performance goals for 2009. The corporate performance objectives included (i) the advancement of NovaBay's clinical development programs, (ii) the establishment and advancement of corporate collaborations, (iii) the timely advancement and expansion of pre-clinical studies, and (iv) the completion of certain corporate development and financial objectives. Under the terms of NovaBay's bonus arrangements, the Named Executive Officers are eligible to receive a bonus ranging from zero to 125% of their target bonus based on achievement of corporate and, other than Dr. Najafi, individual performance goals for 2009. The target bonus for Dr. Najafi, NovaBay's chairman and chief executive officer, for 2009 was equal to 40% of his base salary, 100% of which was based on the Compensation Committee's subjective assessment of the achievement of NovaBay's corporate performance objectives for 2009. The total target bonus for the other Named Executive Officers was 30% of their respective base salaries, with 80% based on Compensation Committee's subjective assessment of the achievement of NovaBay's corporate performance objectives for 2009, and 20% based on the Compensation Committee's subjective assessment of the achievement of individual goals. The bonus payments with respect to NovaBay's corporate performance objectives were based on the subjective assessment by the Compensation Committee and the Board of Directors that the achievement of NovaBay's corporate performance objectives for the year was 94%. The Compensation Committee and the Board determined that Mr. Paulson achieved 110% of the individual component of his target bonus consisting of increase cash reserves through equity fund raising, successful SOX compliance implementation and recruitment of Harry Hixson to the Board; and that Dr. Khosrovi achieved 110% of the individual component of his target bonus consisting of management of relationships with major partners, Alcon Inc. and Galderma S.A., and ensuring priority and initiating studies in 2009 for impetigo and CVC line indications.

Outstanding Equity Awards at Fiscal Year-End

The following table presents the outstanding equity awards held by each of the Named Executive Officers as of December 31, 2010. Stock options were granted pursuant to our 2002 Stock Option Plan (“2002 Plan”) and 2005 Stock Option Plan (“2005 Plan”) prior to our initial public offering in October 2007 and pursuant to our 2007 Omnibus Incentive Plan (“2007 Plan”) thereafter. Employment Contracts and Termination of Employment and Change of Control Arrangements

We entered into a five-year employment agreement, effective as of January 2007, with each of Dr. Khosrovi and Dr. Najafi. Pursuant to the terms of these agreements, the annual salaries for these officers will be at least \$208,125 for Dr. Khosrovi and \$320,000 for Dr. Najafi, subject to periodic adjustment at the discretion of our Board. In 2009 and 2010, we increased the annual salary of Dr. Khosrovi to \$238,000 and \$ 244,960 respectively and Dr. Najafi's salary to \$356,000 and 366,400 respectively. Each of the officers is also entitled to five weeks of vacation and to participate in all of our benefit programs that are generally available to similar, high level executives, as well as any additional benefits that may be approved by the Board. In the event Dr. Khosrovi's employment is terminated for any reason other than for cause, we will be required to pay him an amount equal to 12 months salary at his salary rate as then in effect plus an amount equal to the bonus that was paid to him for his services during the previous calendar year. In the event Dr. Najafi's employment is terminated for any reason other than for cause, we will be required to pay him an amount equal to 18 months salary at his salary rate as then in effect plus an amount equal to the bonus that was paid to him for his services during the previous calendar year. Such amounts will be paid in two equal installments, the first on the first day of the seventh month after the date of termination and the second installment on the first day of the thirteenth month after the date of termination. In the event that either officer is terminated for cause, we will be required to pay to the terminated officer a lump sum of \$15,000 within 60 days of his termination.

We entered into a four-year employment agreement with Mr. Paulson effective January 2008. Pursuant to the terms of the agreement, the annual salary for Mr. Paulson will be \$250,000, subject to periodic adjustment at the discretion of our Board, provided that his then current annual salary cannot be reduced without his consent. In 2010, we increased the annual salary of Mr. Paulson to \$257,300. Mr. Paulson also is entitled to five weeks of vacation and to participate in all of our benefit programs that are generally available to similar, high level executives, as well as any additional benefits that may be approved by the Board. Although Mr. Paulson is employed on an at-will basis, in the event that his employment is terminated for any reason other than for cause, we will be required to pay him an amount equal to one year's salary at his salary rate as then in effect plus an amount equal to the bonus which was paid to him for his services during the previous calendar year. Such amounts will be paid within approximately six to 12 months, depending on the amounts to be paid. Additionally, in the event that Mr. Paulson is terminated for cause, we will be required to pay him a lump sum of \$15,000 within 60 days of the termination.

Director Compensation

The compensation and benefits for services as a member of our Board is determined by our Board of Directors. Directors employed by us are not compensated for service on the Board or any committee of the Board; however, we reimburse all directors for any out-of-pocket expenses incurred in connection with attending meetings of our Board and committees of our Board.

In December 2009, our Board approved a director compensation plan (the “Directors Plan”). Under the Directors Plan, our non-employee directors receive cash and stock options, as follows:

Equity:

- **New Directors:** New director grants are made in connection with the new director’s appointment to the Board. A new director receives an option to purchase up to 30,000 shares of our common stock. The shares have an exercise price equal to the closing price of our common stock on the grant date as reported by the NYSE Amex. The shares are early exercisable and vest over four years with 25% of the shares vesting on the one-year anniversary of the grant date and the remaining shares vesting quarterly thereafter in equal installments, subject to the director’s continuing service on our Board. The option terminates on the ten-year anniversary of the grant date.
- **Ongoing Directors:** The annual grants are made to ongoing directors on the first day of the year of the grant on which the NYSE Amex is open for trading, and each such grant is an option to purchase up to 15,000 shares of our common stock. The shares have an exercise price equal to the closing price of our common stock on the grant date as reported by the NYSE Amex. The shares are early exercisable and vest in equal monthly installments over one year. The option terminates on the ten-year anniversary of the grant date. For directors who did not serve for the full fiscal year, the grant is pro-rated based on the number of months such director served as a director in the current fiscal year.

Cash:

- **Retainer:** \$30,000 annually, paid quarterly, subject to continuing service as a director. Prior to the beginning of any calendar year or, in the case of a new director, within 30 days from joining our Board of Directors (the “Board”), each director can irrevocably elect to take 25%, 50%, 75% or 100% of his or her annual retainer, or, in the case of a new director, his or her pro-rata retainer in stock options to purchase a number of shares of stock. The number of shares subject to such stock option shall be the number of shares of NovaBay stock as shall cause the fair value of the stock option calculated using the Black-Scholes model using the same methodology NovaBay has most recently used for financial reporting purposes, computed at the time the stock option is granted, to equal the amount of annual cash compensation foregone. The options are 10-year options with an exercise price equal to the closing price of NovaBay’s common stock on the grant date as reported by the NYSE Amex or, if the NYSE Amex is not open for trading on such date, on the most recent preceding date when such market is open for trading. Such stock option is early exercisable and vests in equal monthly installments over one year.

- **Other Cash Consideration:** Outside directors receive additional cash consideration for service as Lead Independent Director and for service on Board committees, as described in the table below.

The table below sets forth the amounts received or to be received pursuant to the Directors Plan, by the non-employee directors for attending meetings of the Board and of Board committees:

Board Meetings	Chairperson of Committee for Committee Meetings	All Other Members for Committee Meetings
· Annual fee of \$30,000 in cash and/or options and 15,000 options. Cash compensation is payable quarterly on the first working day of the beginning of the quarter. The options are granted on the first working day of the fiscal year and vest in equal monthly installments over one year.	· Lead Independent Director & Chairman of the Audit Committee – annual cash compensation of \$12,000 per year, payable quarterly on the first working day of the beginning of the quarter. · Chairman of the Compensation Committee – annual cash compensation of \$10,000 per year, payable quarterly on the first working day of the beginning of the quarter. · Chairman of the Nominating and Corporate Governance Committee – annual cash compensation of \$8,000 per year, payable quarterly on the first working day of the beginning of the quarter.	· Member of the Audit Committee – annual cash compensation of \$6,000 per year, payable quarterly on the first working day of the beginning of the quarter. · Member of the Nominating and Corporate Governance Committee and the Compensation Committee – annual cash compensation of \$5,000 per year, payable quarterly on the first working day of the beginning of the quarter.

Non-employee directors also are eligible to participate in our equity incentive plans and may be granted awards under such plans, at the discretion of our Board.

CERTAIN RELATIONSHIPS

AND RELATED TRANSACTIONS

Since December 31, 2008, there has not been any transaction, nor is there any proposed transaction, in which NovaBay was a participant, and in which a “related party” of NovaBay had or is expected to have a direct or indirect material interest, in which the amount involved exceeded or will exceed the lesser of \$120,000 or 1% of the average of NovaBay’s total assets at the end of the last two completed fiscal years, that would require disclosure in this proxy statement.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under the federal securities laws, our directors and officers and any persons holding more than 10% of our common stock are required to report their ownership of our common stock and any changes in that ownership to the SEC. Specific due dates for these reports have been established, and we are required to report in this proxy statement any failure to file by these dates. During the fiscal year ended December 31, 2010, Mr. Tufts filed a Form 4 late, for a stock option exercise, and Ms. Maderis filed a Form 4 late, for a stock option grant received. Based solely on our review of copies of the reports on the Section 16(a) forms received by us with respect to the fiscal year ended December 31, 2010, and the written representations received from the reporting persons that no other reports were required, we believe that, except as indicated in the foregoing sentence, all directors, executive officers and persons

who own more than 10% of our common stock have complied with the reporting requirements of Section 16(a) and have filed all reports required by such section.

ANNUAL REPORT

A copy of our annual report on Form 10-K for the fiscal year ended December 31, 2010 (excluding the exhibits thereto) accompanies the proxy materials being mailed to all stockholders. The Annual Report is not incorporated into this proxy statement and is not considered proxy solicitation material. Stockholders may obtain a copy of the Annual Report and any of our other filings with the SEC, without charge, by writing to: Secretary, NovaBay Pharmaceuticals, Inc., 5980 Horton Street, Suite 550, Emeryville, California 94608. The annual report on Form 10-K (including the exhibits thereto) is also available on the Securities and Exchange Commission's website at www.sec.gov.

DEADLINE FOR RECEIPT OF
STOCKHOLDER PROPOSALS OR NOMINATIONS

Due Date For Stockholder Proposals and Nominations For Next Year's Annual Meeting

To be considered for inclusion in our proxy materials next year, your proposal must be submitted by January 7, 2012; however, if NovaBay's 2012 Annual Meeting of Stockholders is not held on or between May 10, 2012 and July 9, 2012, then the deadline will be a reasonable time prior to the time we begin to print and mail our proxy materials.

If you wish to submit a proposal that you wish to be included in next year's proxy materials or nominate a director, you must do so no earlier than February 10, 2012, and no later than March 11, 2012; provided, however, that in the event that the date of the 2012 Annual Meeting is held more than 30 days prior to or more than 30 days after April 27, 2012, your notice must be delivered not earlier than the close of business on the 120th day prior to the 2012 Annual Meeting and not later than the close of business on the later of the 90th day prior to the Annual Meeting or the 10th day following the day on which public announcement of the date of the Annual Meeting is first made. Stockholders are also advised to review our Bylaws, which contain additional requirements with respect to advance notice of stockholder proposals and director nominations.

Stockholder proposals must be in writing and should be addressed to our corporate Secretary, at our principal executive offices at 5980 Horton Street, Suite 550, Emeryville, California 94608. It is recommended that stockholders submitting proposals direct them to our corporate Secretary and utilize certified mail, return receipt requested, in order to provide proof of timely receipt. The presiding officer of the Annual Meeting reserves the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements, including conditions set forth in our bylaws and conditions established by the SEC.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

A single proxy statement may be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that it will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you notify your broker or NovaBay that you no longer wish to participate in "householding." If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate proxy statement and annual report in the future, you may (1) notify your broker or (2) direct your written request to our corporate Secretary, NovaBay Pharmaceuticals, Inc., 5980 Horton Street, Suite 550, Emeryville, California 94608, (510) 899-8800. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request "householding" of their communications should contact their broker. In addition, NovaBay will promptly deliver, upon written or oral request to the address or telephone number above, a separate copy of the annual report and proxy statement to a stockholder at a shared address to which a single copy of the documents was delivered.

DIRECTIONS TO ANNUAL MEETING LOCATION

The Annual Meeting will be held at Woodfin Hotel Emeryville, 5800 Shellmound Street, Emeryville, California 94608 at 2:00 p.m. Pacific Time on Thursday, June 9, 2011. Directions to this location are available at www.edocumentview.com/NBY (for all stockholders).

OTHER BUSINESS

The Board is not aware of any other matter which will be presented for action at the Annual Meeting other than the matters set forth in this proxy statement. If any other matter requiring a vote of the stockholders arises, it is intended that the proxy holders will vote the shares they represent as the Board may recommend. The enclosed proxy grants the proxy holders discretionary authority to vote on any such other matters properly brought before the Annual Meeting.
