### ITEM 7.01 Regulation FD Disclosure

On July 30, 2018, Avalon Holdings Corporation (“Avalon” or the “Company”) announced that the Company has received numerous inquiries regarding recent trading activity in the Company’s stock. The Company has reviewed the Form 3 filed with the Securities and Exchange Commission on July 27, 2018. The entity filing the Form 3 is not affiliated with the Company and Avalon has no information about that entity’s intentions regarding its holdings.

In response to inquiries regarding a potential change in control, Mr. Ronald Klinge, Chairman and Chief Executive Officer of the Company, holds approximately 67% of the voting power in Avalon, and has advised the Company that he has no present plans to divest any of his holdings. Further information regarding the voting rights of the Company’s shareholders is included in the Company’s filings with the Securities and Exchange Commission, including its most recent proxy statement filed on March 16, 2018.

While the Company is confident in its business plan, it has made no recent material changes to that plan and is unaware of any information or events that would warrant the stock activity over the last five days other than the purchases disclosed in the Form 3.

A copy of the press release is attached as Exhibit 99.1

In accordance with General Instruction B.2 of Form 8-K, the information furnished in this report on Form 8-K pursuant to Item 7.01, including Exhibit 99.1, shall not be deemed to be “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934 (“*Exchange Act*”), or otherwise subject to the liabilities of that section, unless the Company specifically incorporates it by reference in a document filed under the Exchange Act or the Securities Act of 1933. By filing this report on Form 8-K and furnishing the information pursuant to Item 7.01, the Company makes no admission as to the materiality of any information in this report furnished pursuant to Item 7.01, including Exhibit 99.1, or that any such information includes material investor information that is not otherwise publicly available.

The information furnished in this report on Form 8-K pursuant to Item 7.01, including the information contained in Exhibit 99.1, is summary information that is intended to be considered in the context of the Company’s Securities and Exchange Commission (“*SEC*”) filings and other public announcements that the Company may make, by press release or otherwise, from time to time.
