Kevin Robinson  
Senior Managing Director, General Counsel and Corporate Secretary  
Claymore Advisors, LLC  
2455 Corporate West Drive  
Lisle, IL 60532

Dear Mr. Robinson:

Claymore Dividend & Income Fund (the "Fund")

We think the board made the right decision in terminating the sub-advisory agreement between the Fund (f/k/a Dreman/Claymore Dividend & Income Fund) and Dreman Value Management, LLC. As a result, my Rule 14a-8 termination proposal is hereby withdrawn.

We note that the board has approved an interim investment sub-advisory agreement with Manning & Napier Advisors, Inc. ("Manning & Napier") which it intends to submit to the Fund's shareholders for their approval.

As we said previously, we strongly believe it is only fair that long-term common stockholders who have lost an enormous amount of money -- money that they are unlikely to ever recoup -- deserve an opportunity to realize their loss for tax purposes without having to sell their shares at a big discount from NAV. If they are afforded such an opportunity, we will abandon our proxy contest and will support the proposal to approve Manning & Napier as the Fund's sub-advisor. If the board declines to allow stockholders an exit at NAV, we will oppose the proposal to approve Manning & Napier.

We would like to discuss this matter with you or any other representative of management with the goal of avoiding a proxy contest. It would be a shame to go forward on what could be a futile and expensive project without attempting to gain the support of one of the Fund's largest stockholders. We look forward to your prompt response. Thank you.

Very truly yours,

Phillip Goldstein
