Section 1 – Registrant’s Business and Operations

Item 1.01. Entry Into a Material Definitive Agreement.

Subscription Agreement

On November 29, 2013, Janus Resources, Inc. (the “Company”) entered into each of the following agreements with Kalen Capital Corporation (the “Investor”), a private corporation owning in excess of 10% of the Company’s issued and outstanding shares of common stock: (i) a Subscription Agreement (the “Subscription Agreement”); (ii) a Lock-Up Agreement (the “Lock-Up Agreement”); and (iii) a Registration Rights Agreement (the “Registration Rights Agreement”). Pursuant to the Subscription Agreement, the Investor purchased 3,500,000 units of the Company’s equity securities (the “Units”) at a purchase price of \$0.43 per Unit, for an aggregate purchase amount of \$1,505,000. Each Unit consists of: (a) one share of common stock, par value \$0.00001 (the “Common Stock”); (b) one Series B Stock Purchase Warrant (the “Series B Warrant”) exercisable for one share of Common Stock at an exercise price of \$0.43 per share if exercised within the first eighteen months or \$0.46 per share if exercised after the first eighteen months and prior to expiration on November 29, 2018; and (c) one Series C Stock Purchase Warrant (the “Series C Warrant”) exercisable for one share of Common Stock at an exercise price of \$0.43 per share if exercised within the first eighteen months or \$0.49 per share if exercised after the first eighteen months and prior to expiration on November 29, 2018. Each of the Series B Warrant and Series C Warrant contains a provision allowing the holder to exercise the respective warrant on a cashless basis as further set forth therein. The Unit price of \$0.43 represents a 30% discount to the 20 day average closing price of the Common Stock as quoted on the OTC Markets Group Inc. QB tier (the “OTCQB”) as of October 31, 2013, the last trading date prior to the Company entering into a non-binding term sheet with the Investor regarding the purchase of the Units.

Lock-Up Agreement

Pursuant to the terms of the Lock-Up Agreement the Investor agreed that, for a period of nine months from the date of entry (the “Lock-Up Period”), the Investor will not, without the express written consent of the Company, make, offer to make, agree to make, or suffer any Disposition, as defined in the Lock-Up Agreement, of any of its shares of Common Stock owned as of the date of the Lock-Up Agreement and all shares of Common Stock acquired by the Investor during the Lock-Up Period, including any shares issued to the Investor upon exercise of warrants (collectively, the “Lock-Up Shares”). Additionally, the Investor agreed that, during the Lock-Up Period, it will not (i) grant any proxies or powers of attorney that would permit any such proxy or attorney-in-fact to take any action inconsistent with the Lock-Up Agreement, (ii) deposit the Lock-Up Shares into a voting trust or enter into a voting agreement with respect to the Lock-Up Shares; or (iii) take any action that would make any representation or warranty of the Investor untrue or incorrect or would result in a breach by the Investor of its obligations under the Lock-Up Agreement.

Registration Rights Agreement

Pursuant to the terms of the Registration Rights Agreement the Company has undertaken to file such number of registration statements as required to register for resale with the United States Securities and Exchange Commission (the “SEC”) all of the Lock-Up Shares. The Company will pay all expenses incidental to the preparation and filing of the Registration Agreements. Subject to any SEC Guidance, as defined in the Registration Rights Agreement, the Company will file an initial registration statement covering all of the Units, including all shares issuable upon exercise of the Series B Warrant and the Series C Warrant within ninety days of the expiration of the Lock-Up Agreement and will use its best efforts to cause the registration statement to go effective upon expiration of the Lock-Up Agreement. In the event that, pursuant to SEC Guidance, the Company is not permitted to register all of the Units in the initial registration statement, the Company will file such number of follow-on registration statements as may be required to register all of the Units for resale.

During the Effectiveness Period, as defined in the Registration Rights Agreement, and after the filing of the initial registration statement and any follow-on registration statements, the Investor will have the right to require the Company to file a registration statement covering such additional shares of Common Stock as requested by the Investor, subject to any SEC Guidance. As further set forth in the Registration Rights Agreement, the Company must file the additional registration statement within either sixty or ninety days from the date on which the Investor makes its request. In the event the Company fails to file a registration statement in the time period required, the Company will issue the Investor additional shares of Common Stock equal to 5% of the shares of Common Stock that were to be registered for every thirty day period for which the Company fails to file such registration statement, subject to proration for any portion of such thirty day period and up to a maximum number of shares of Common Stock equal to 25% of the number of shares of Common Stock that were to be registered. Additionally, in the event the Company fails to cause a registration statement to be declared effective within ninety days from the date of filing, the Company will issue the Investor additional shares of Common Stock equal to 2.5% of the shares of Common Stock that were to be registered for every thirty day period for which the Company fails to cause the SEC to declare such registration statement effective, subject to proration for any portion of such thirty day period and up to a maximum number of shares of Common Stock equal to 10% of the number of shares of Common Stock included in such registration statement.

The foregoing descriptions of the Series B Warrant and Series C Warrant, the Registration Rights Agreement, the Subscription Agreement and the Lock-Up Agreement (collectively, the “Financing Documents”) contained herein do not purport to be complete and are qualified in their entirety by reference to the full text of the Financing Documents filed as Exhibit 4.1, Exhibit 4.2, Exhibit 10.1 and Exhibit 10.2, respectively, hereto and are incorporated herein by reference.

Neither the Common Stock that has been issued as part of the Units nor the Common Stock that may be issued upon exercise of the Series B Warrants or Series C Warrants may be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”). This Current Report on Form 8-K does not constitute an offer to sell, or a solicitation of an offer to buy, any security and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offer, solicitation or sale would be unlawful.

On December 1, 2013, the Company appointed Mr. Thomas Bold to serve as the Company’s President and Chief Executive Officer and entered into an at-will consulting agreement (the “Consulting Agreement”) with Mr. Bold. Pursuant to the terms of the Consulting Agreement, Mr. Bold is expected to serve on a part-time basis and will receive an annual fee of \$50,000, payable in 12 equal installments which is prorated for any partial months during the term of the Consulting Agreement. In addition to Mr. Bold’s fee, he was issued a stock option to purchase up to 40,000 shares of the Company’s common stock (the “Option Shares”) at a price of \$0.75 per share the closing price of the Company’s common stock as quoted on the OTCQB on November 29, 2013.
