TO ALL SHAREHOLDERS OF MOUNT KNOWLEDGE HOLDINGS INC.**

To the Shareholders of Mount Knowledge Holdings Inc.:

We are sending this notice of stockholder action by written consent of a majority of the shareholders of Mount Knowledge Holdings Inc. (the Company, the Corporation or MKHD) to provide you with notice that a majority of our shareholders have voted to approve the following actions:

1. Approval of filing of a Certificate of Amendment to the Articles of Incorporation of the Company to increase of the Company's authorized shares to be issued from 300,000,000 to 3,300,000,000 shares of capital stock, consisting of 3,000,000,000 shares of Common Stock, and 300,000,000 shares of Preferred Stock of the Company to further the Company's business plan of completing future acquisitions and financings; and
2. Approval of up to a 1 for 1000 reverse stock split, at the sole discretion of the Board of Directors, to more appropriately capitalize the Company and to further the Company's business plan of completing future acquisitions and financings.

The holders owning approximately 51.35% of the outstanding voting stocks of the Company have executed a written consent in favor of the actions described above that is described in greater detail in the Information Statement accompanying this notice. This consent will satisfy the stockholder approval requirement for the proposed action and allow us to take the proposed action on or about July 28, 2014, or as soon thereafter as practicable in accordance applicable law, including the Nevada Revised Statute (NRS).

WE ARE NOT ASKING FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY. Because the written consent of the holders of a majority of our Common and Preferred Stock satisfies any applicable stockholder voting requirement of NRS, and our Certificate of Incorporation and by-laws, we are not asking for a proxy and you are not requested to send one.

INFORMATION STATEMENT

June 17, 2014

**WE ARE NOT ASKING YOU FOR A PROXY AND
YOU ARE REQUESTED NOT TO SEND US A PROXY.**

This Information Statement is being mailed on or about June 27, 2014 to the record shareholders of Mount Knowledge Holdings Inc. at the close of business on June 12, 2014. This Information Statement is being sent to you for information purposes only. No action is requested or required on your part.

As of the close of business on the Record Date, we had 199,996,251 shares of Common Stock and 25,100,000 shares of Series A Convertible Preferred Stock outstanding. Each outstanding share of Common Stock is entitled to one vote per share and each share of Series A Convertible Preferred Stock is entitled to one vote per share.

This Information Statement constitutes notice to our shareholders of corporate action by shareholders without a meeting as required by the Nevada General Corporation Law.

INTRODUCTION

This information statement is being furnished to all holders of the Common Stock and Preferred Stock of MKHD.

The Board of Directors has recommended and the majority shareholder of MKHD has adopted resolutions to effect the actions listed below in Item 1 of this Information Statement. This Information Statement is being filed with the Securities and Exchange Commission and is provided to MKHD shareholders pursuant to Section 14(c) of the Securities Exchange Act of 1934, as amended.

We are a corporation organized under the laws of Nevada. We are a 1934 Act company with stock registered pursuant to Section 12(g), quoted on the Over the Counter Bulletin Board (OTCBB), under the symbol "MKHD". Additional information about us can be found in our public filings that can be accessed electronically by means of the SEC's home page on the Internet at <http://www.sec.gov>, or at other Internet sites such as <http://www.freedgar.com>, as well as by such other means from the offices of the SEC.

AMENDMENT TO ARTICLES OF INCORPORATION

The Amendment is intended to reflect the reverse split and to increase the number of shares of common stock and preferred stock authorized to be issued in order to make a certain amount of shares available to complete one or more future acquisitions and subsequent financings, and to further the Company's business plan. Currently, we do not have any plan for acquisitions and financings.

INCREASE IN AUTHORIZED SHARES

At the effective time of the Amendment to Company's Articles of Incorporation, the Company's authorized shares will increase from 300,000,000 to 3,300,000,000 shares of capital stock, consisting of 3,000,000,000 shares of common stock, and 300,000,000 shares of preferred stock, respectively.

REVERSE SPLIT

As determined by the Board of Directors, and at such future effective time of a Reverse Split, all of the outstanding shares of our outstanding Common Stock and Preferred Stock will be automatically converted into a smaller number of shares, at the reverse split ratio of up to 1:1000. There would be no corresponding change in the authorized shares of common stock or preferred stock.

THE REASONS FOR A REVERSE SPLIT

A Reverse Split is intended to reduce the number of outstanding shares in an effort to increase the market value of the remaining outstanding shares. In approving a Reverse Split, the Directors considered that the Company's Common Stock may not appeal to brokerage firms that are reluctant to recommend lower priced securities to their clients. Investors may also be dissuaded from purchasing lower priced stocks because the brokerage commissions, as a percentage of the total transaction, tend to be higher for such stocks. Moreover, the analysts at many brokerage firms do not monitor the trading activity or otherwise provide coverage of lower priced stocks. The Directors also believe that most investment funds are reluctant to invest in lower priced stocks.

However, the effect of a Reverse Split upon the market price for the Company's Common Stock cannot be predicted with certainty, and the history of similar stock split combinations for companies in like circumstances is varied. There can be no assurance that the market price per share of the Company's Common Stock after a Reverse Split will rise in proportion to the reduction in the number of shares of Common Stock outstanding resulting from a Reverse Split. The market price of the Company's Common Stock may also be based on its performance and other factors, some of which may be unrelated to the number of shares outstanding.

POTENTIAL RISKS OF A REVERSE SPLIT

There can be no assurance that the bid price of the Company's Common Stock will continue at a level in proportion to the reduction in the number of outstanding shares resulting from a Reverse Split, that a Reverse Split will result in a per share price that will increase its ability to attract employees and other service providers or that the market price of the post-split Common Stock can be maintained. The market price of the Company's Common Stock will also be based on its financial performance, market condition, the market perception of its future prospects and the Company's industry as a whole, as well as other factors, many of which are unrelated to the number of shares outstanding. If the market price of the Company's Common Stock declines after a Reverse Split, the percentage decline as an absolute number and as a percentage of the Company's overall capitalization may be greater than would occur in the absence of a Reverse Split.

POTENTIAL EFFECTS OF A REVERSE SPLIT

General. For each holder of Common Stock or Preferred Stock, the number of shares held will be reduced by a Reverse Split as follows: the number of shares held before the Reverse Split will be divided by up to 1000, or a fraction thereof as determined by the Board of Directors, and if the result has a fractional component, the result will be that each fractional share shall be rounded up to the nearest whole share. By way of example, a shareholder with 100,001 shares of Common Stock before a Reverse Split will hold 101 shares of Common Stock upon completion of a Reverse Split and each fractional share shall be rounded up to the nearest whole share.

Accounting Matters. The par value of the Company's Common Stock and Preferred Stock would remain unchanged at \$0.0001 per share after a Reverse Split. Also the capital account of the Company would remain unchanged, and the Company does not anticipate that any other accounting consequences would arise as a result of a Reverse Split.

Effect on Authorized and Outstanding Shares. Based on the stockholdings at June 12, 2014, there are 199,996,251 shares of Common Stock and 25,100,000 shares of Preferred Stock, issued and outstanding, respectively. As a result of a Reverse Split, the number of shares of capital stock issued and outstanding (as well as the number of shares of Common Stock underlying any options, warrants, convertible debt or other derivative securities) will be reduced to the number of shares of capital stock issued and outstanding immediately prior to the effectiveness of a Reverse Split, divided by up to one thousand (1000). Each fractional share shall be rounded up to the nearest whole share.

There will be 3,000,000,000 shares of Common Stock, and 300,000,000 shares of Preferred Stock authorized before and after a Reverse Split. There will be no change to the number of authorized shares of Common Stock and Preferred Stock as a result of a Reverse Split.

With the exception of the number of shares issued and outstanding, the rights and preferences of the shares of capital stock prior and subsequent to a Reverse Split will remain the same. It is not anticipated that the Company's financial condition, the percentage ownership of management, the number of shareholders, or any aspect of the Company's business would materially change, solely as a result of a Reverse Split. A Reverse Split will be effectuated simultaneously for all of the Company's Common Stock and Preferred Stock and the exchange ratio will be the same for all shares of the Company's Common Stock and Preferred Stock. A Reverse Split will affect all of our shareholders uniformly and will not affect any shareholder's percentage ownership interests in the Company or proportionate voting power. A Reverse Split will not alter the respective voting rights and other rights of shareholders.

The Company will continue to be subject to the periodic reporting requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Company's Common Stock or Preferred Stock is not currently registered under Section 12(g) of the Exchange Act, but management intends to file a registration statement on Form 8-A promptly after a Reverse Split is effected, and, as a result, the Company will be subject to periodic reporting and other requirements. A Reverse Split is not intended as, and will not have the effect of, a "going private transaction" covered by Rule 13e-3 under the Exchange Act.

Increase of Shares of All Classes of Capital Stock Available for Future Issuance. As a result of a Reverse Split, there will be a reduction in the number of shares of Common Stock and Preferred Stock issued and outstanding and no change to the number of authorized shares of the Company's Common Stock or Preferred Stock under the Company's Articles of Incorporation, as amended. Because the number of issued and outstanding shares of Common Stock and Preferred Stock will decrease, the number of shares of Common Stock and Preferred Stock remaining available for issuance in the future will increase.

EFFECTIVENESS OF THE REVERSE SPLIT

A Reverse Split will become effective after the filing with the Department of State of the State of Nevada of the Articles of Amendment to our articles of incorporation. It is expected that such filing will take place on or about the date that is 20 calendar days after the mailing of this Information Statement to stockholders.

Exchange of Certificates After Split. It will not be necessary for stockholders to exchange their old certificates. However, after the effective date of a Reverse Split, those stockholders who wish to obtain new certificates should contact the transfer agent, Island Stock Transfer, 15500 Roosevelt Boulevard, Suite 301, Clearwater FL 33760, Phone: (727) 289-0010.

Tax Impact of the Reverse Split. The following discussion summarizing material federal income tax consequences of a Reverse Split is based on the Internal Revenue Code of 1986, as amended (the "Code"), the applicable Treasury Regulations promulgated thereunder, judicial authority and current administrative rulings and practices in effect on the date this Information Statement was first mailed to shareholders. This discussion does not discuss consequences that may apply to special classes of taxpayers (e.g., non-resident aliens, broker-dealers, or insurance companies). Stockholders should consult their own tax advisors to determine the particular consequences to them.

The receipt of the Common Stock and Preferred Stock following the effective date of the Reverse Split, solely in exchange for the Common Stock and Preferred Stock held prior to the Reverse Split, will not generally result in recognition of a gain or loss to the shareholders. Although the issue is not free from doubt, additional shares received in lieu of fractional shares, including shares received as a result of the rounding up of fractional ownership, should be treated in the same manner. The adjusted tax basis of a shareholder in the Common Stock or Preferred Stock received after the Reverse Split will be the same as the adjusted tax basis of the Common Stock or Preferred Stock held prior to the Reverse Split exchanged therefor, and the holding period of the Common Stock or Preferred Stock received after the Reverse Split will include the holding period of the Common Stock or Preferred Stock held prior to the Reverse Split exchanged therefor.

No gain or loss will be recognized by the Company as a result of a Reverse Split. The Company's views regarding the tax consequences of a Reverse Split are not binding upon the Internal Revenue Service or the courts, and there can be no assurance that the Internal Revenue Service or the courts would accept the positions expressed above.

THIS SUMMARY IS NOT INTENDED AS TAX ADVICE TO ANY PARTICULAR PERSON. IN PARTICULAR, AND WITHOUT LIMITING THE FOREGOING, THIS SUMMARY ASSUMES THAT THE SHARES OF COMMON STOCK OR PREFERRED STOCK ARE HELD AS "CAPITAL ASSETS" AS DEFINED IN THE CODE, AND DOES NOT CONSIDER THE FEDERAL INCOME TAX CONSEQUENCES TO THE COMPANY'S SHAREHOLDERS IN LIGHT OF THEIR INDIVIDUAL INVESTMENT CIRCUMSTANCES OR TO HOLDERS

WHO MAY BE SUBJECT TO SPECIAL TREATMENT UNDER THE FEDERAL INCOME TAX LAWS (SUCH AS DEALERS IN SECURITIES, INSURANCE COMPANIES, FOREIGN INDIVIDUALS AND ENTITIES, FINANCIAL INSTITUTIONS AND TAX EXEMPT ENTITIES). IN ADDITION, THIS SUMMARY DOES NOT ADDRESS ANY CONSEQUENCES OF THE REVERSE SPLIT UNDER ANY STATE, LOCAL OR FOREIGN TAX LAWS. THE STATE AND LOCAL TAX CONSEQUENCES OF THE REVERS SPLIT MAY VARY AS TO EACH STOCKHOLDER DEPENDING ON THE STATE IN WHICH SUCH STOCKHOLDER RESIDES. AS A RESULT, IT IS THE RESPONSIBILITY OF EACH SHAREHOLDER TO OBTAIN AND RELY ON ADVICE FROM HIS, HER OR ITS TAX ADVISOR AS TO, BUT NOT LIMITED TO, THE FOLLOWING: (A) THE EFFECT ON HIS, HER OR ITS TAX SITUATION OF THE REVERSE SPLIT, INCLUDING, BUT NOT LIMITED TO, THE APPLICATION AND EFFECT OF STATE, LOCAL AND FOREIGN INCOME AND OTHER TAX LAWS; (B) THE EFFECT OF POSSIBLE FUTURE LEGISLATION OR REGULATIONS; AND (C) THE REPORTING OF INFORMATION REQUIRED IN CONNECTION WITH THE REVERSE SPLIT ON HIS, HER OR ITS OWN TAX RETURNS. IT WILL BE THE RESPONSIBILITY OF EACH SHAREHOLDER TO PREPARE AND FILE ALL APPROPRIATE FEDERAL, STATE AND LOCAL TAX RETURNS.

SHARE CERTIFICATES.

Following a Reverse Split, the share certificates you now hold will continue to be valid. In the future, new share certificates will contain a legend reflecting a reverse split, but this in no way will affect the validity of your current share certificates.

DISSENTERS' RIGHTS

The Company is distributing this Information Statement to its shareholders in full satisfaction of any notice requirements it may have under the Securities and Exchange Act of 1934, as amended, and the NRS. No dissenters' rights under the NRS and the Company's bylaws are afforded to the Company's shareholders as a result of the adoption of this resolution.

The proposal is not effective before first, completion of this Section 14(c) compliance, and second the mailing or delivery of a definitive Information Statement to shareholders at least 20 days prior to the date that this corporate action may take place.
