QUESTIONS AND ANSWERS ABOUT THE 2018 ANNUAL MEETING AND VOTING

PROXY STATEMENT

This proxy statement ("Proxy Statement") is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of Liberty Tax, Inc., a Delaware corporation (the "Company") in connection with the Annual Meeting of Stockholders scheduled for December 13, 2018, at 1:30 p.m., Eastern Time at the Hyatt Centric Arlington located at 1325 Wilson Boulevard, Arlington, Virginia 22209 (the "2018 Annual Meeting"). References to the Annual Meeting and this Proxy Statement include any adjournment or postponement of the Annual Meeting. The proxy materials were first mailed to stockholders on or about November 16, 2018 .

VOTING INSTRUCTIONS AND INFORMATION

Who may vote at the 2018 Annual Meeting?

Each holder of the 14,036,684 shares of the Company's Class A common stock issued and outstanding at the close of business on November 9, 2018 ("Record Date") will be entitled to receive a notice of the 2018 Annual Meeting, and to attend and vote at the 2018 Annual Meeting. The Company's Class A common stock is the Company's only class of common stock currently outstanding. These persons are considered "holders of record," and will be entitled to cast one vote per share owned for each proposal to be considered at the 2018 Annual Meeting.

What proposals will be voted on at the 2018 Annual Meeting?

Stockholders will vote on five proposals at the 2018 Annual Meeting:

1. Election of nine Directors to serve on our Board of Directors (Proposal 1);
2. Ratification of the appointment of Cherry Bekaert as our independent registered public accounting firm for the fiscal year ending April 30, 2019 (Proposal 2);
3. Approval, in an advisory and non-binding vote, of the compensation of the Company's named executive officers as disclosed in the Proxy Statement (Proposal 3);
4. Vote, on an advisory and non-binding basis, on the frequency of future advisory votes on the compensation of the Company's named executive officers (Proposal 4); and
5. Approval of the Company's Second Amended and Restated Certificate of Incorporation (Proposal 5).

We are not aware of any matters to be presented at the 2018 Annual Meeting other than those described in this Proxy Statement. If any matters not described in the Proxy Statement are properly presented at the 2018 Annual Meeting, the proxies will use their own judgment to determine how to vote your shares. If the 2018 Annual Meeting is adjourned, the proxies may vote your shares at the adjournment or postponement as well.

How does the Board of Directors recommend that I vote on these proposals?

The Board of Directors recommends that you vote your shares:

1. "FOR" each of the Board's nominees for Director (Proposal 1);

2. "FOR" the ratification of the appointment of Cherry Bekaert as our independent registered public accounting firm for the fiscal year ending April 30, 2019 (Proposal 2);
3. "FOR" the approval, in an advisory and non-binding vote, of the compensation of the Company's named executive officers as disclosed in the Proxy Statement (Proposal 3);
4. For the option of "ONE YEAR" as the frequency of future advisory votes on executive compensation (Proposal 4); and
5. "FOR" the approval of the Company's Second Amended and Restated Certificate of Incorporation (Proposal 5).

Who will bear the cost of this proxy solicitation?

The Company will bear the entire cost of this proxy solicitation, including the preparation, assembly, printing and mailing of this Proxy Statement, the proxy card, 2018 Annual Report, and any additional solicitation materials sent by the Company to stockholders. The Company may reimburse brokerage firms and other persons representing beneficial owners of common stock for their expenses in forwarding the proxy materials to those beneficial owners. In addition, proxies may be solicited by directors, officers and regular employees of the Company, who will not receive any additional compensation for solicitation, by mail, email, facsimile, telephone or personal contact.

What is included in the proxy materials?

The proxy materials include:

- This Proxy Statement for the 2018 Annual Meeting, including a proxy card; and
- Our 2018 Annual Report, which includes our 2018 audited consolidated financial statements.

If I am a stockholder of record, how do I vote?

You may vote by mail, by signing, dating and returning the accompanying proxy card that was sent to you with the proxy materials or you may also vote in person by written ballot at the 2018 Annual Meeting.

Voting Before the 2018 Annual Meeting

How do I vote by mail?

If you do not expect to attend the 2018 Annual Meeting in person, and choose to vote on the proposals on the agenda by mail, simply complete the proxy card, sign and date it, and return it in the postage-paid envelope provided. If you are a stockholder whose shares are held in "street name" (i.e., in the name of a broker, bank or other similar organization), you may obtain a proxy, executed in your favor, from the record holder. You may sign the proxy card and return it to the Company or to Equiniti Group plc at the address indicated on the proxy card, or you may direct the record holder of your shares to vote your proxy in the manner you specify. Further, if your shares are held in street name, you must communicate your instructions respecting the voting of your shares to the record holder, or your broker will be prohibited from voting your shares. Voting by mail will not affect your right to vote in person if you decide to attend the 2018 Annual Meeting; however, if you wish to revoke your proxy, you must first notify the Corporate Secretary of your intent to vote in person, and must actually vote your shares in person at the 2018 Annual Meeting.

What does it mean if I receive more than one set of proxy materials for the 2018 Annual Meeting?

It means your shares are held in more than one account. You should vote all of your shares, using the separate proxy card provided with each set of proxy materials.

What is householding?

As permitted by the SEC, only one set of the proxy materials is being delivered to stockholders residing at the same address, unless the stockholders have notified the Company of their desire to receive multiple copies of proxy materials. This is known as householding.

The Company will promptly deliver, upon request, a separate copy of the Proxy Statement or annual report to any stockholder residing at an address to which only one copy was mailed. Requests for additional copies for the current year or future years should be directed to the Corporate Secretary in writing at 1716 Corporate Landing Parkway, Virginia Beach, Virginia 23454, Attention: Corporate Secretary, or by email at kathleen.curry@libtax.com.

How may I view the voting results?

The results of voting at the 2018 Annual Meeting will be filed with the SEC within four business days after the 2018 Annual Meeting and will be available on the SEC's website (www.sec.gov) or on our website (www.libertytax.com).

If the final results are not available at that time, we will provide preliminary voting results in a Form 8-K and will provide the final voting results in an amendment to the Form 8-K as soon as they are available.

How may I vote in person at the 2018 Annual Meeting?

If you plan to attend the 2018 Annual Meeting and wish to vote your shares in person, you will be asked to present valid government-issued photo identification, such as a driver's license. If you are a holder of record, you will need to bring with you your proxy card to gain admission to the 2018 Annual Meeting. If you require special assistance due to a disability or other reasons, please notify the Corporate Secretary in writing at 1716 Corporate Landing Parkway, Virginia Beach, Virginia 23454, Attention: Corporate Secretary or by email at kathleen.curry@libtax.com.

If your shares are held by a broker, bank or other similar organization, bring with you to the 2018 Annual Meeting the proxy card, any voting instruction form that is sent to you, or your most recent brokerage statement or a letter from your broker, bank or other similar organization indicating that you beneficially owned the shares of common stock as of the Record Date. We can use that to verify your beneficial ownership of common stock and admit you to the 2018 Annual Meeting. If you intend to vote at the 2018 Annual Meeting, you also will need to bring to the 2018 Annual Meeting a legal proxy from your broker, bank or other similar organization that authorizes you to vote the shares that the record holder holds for you in its name.

How may I revoke my proxy?

You may change or revoke your proxy at any time before it is voted at the 2018 Annual Meeting. You can send a written notice of revocation of your proxy to the Corporate Secretary so that it is received before the taking of the vote at the 2018 Annual Meeting. You can also attend the 2018 Annual Meeting and vote in person. Your attendance at the 2018 Annual Meeting will not in and of itself revoke your proxy. In order to revoke your proxy, you must also notify the Corporate Secretary of your intent to vote in person, and then vote your shares at the 2018 Annual Meeting. If you require assistance in changing or revoking your proxy, please contact the Corporate Secretary at 1716 Corporate Landing Parkway, Virginia Beach, Virginia 23454, Attention: Corporate Secretary or by email at kathleen.curry@libtax.com.

What constitutes a quorum?

Holders of a majority of the voting power represented by the issued and outstanding shares of capital stock of the Company entitled to vote who are present in person or represented by proxy, will constitute a quorum at the 2018 Annual Meeting. A quorum is required to transact business at the 2018 Annual Meeting. A representative of Equiniti Group plc has been appointed by the Company's Board of Directors to act as the inspector of elections. The inspector of elections will tabulate the votes cast by proxy or in person at the 2018 Annual Meeting, and will determine whether or not a quorum is present. If a quorum is not present, the 2018 Annual Meeting may be adjourned in order to solicit additional proxies.

How are votes counted?

Each holder of Class A common stock will be entitled to one vote for each share of Class A common stock held by such stockholder. In all matters, other than the election of directors and approval of the Second Amended and Restated Certificate of Incorporation and except as otherwise required by law, the Certificate of Incorporation, the Bylaws or the rules and regulations of NASDAQ, the affirmative vote of a majority of the voting power of the shares present or represented by proxy at the meeting and entitled to vote on the subject matter shall be the act of the stockholders. A plurality of the voting power of the shares of Class A common stock present in person or represented by proxy at the meeting and entitled to vote with respect to the election of directors shall elect directors. An affirmative majority of the shares of our Class A common stock outstanding and entitled to vote will approve the Company's Second Amended and Restated Certificate of Incorporation.

Election of Directors (Proposal 1)

To be elected as a Director, a nominee must receive the affirmative vote of a plurality of the votes cast by the holders of Class A common stock and therefore "withhold votes" will not impact the outcome of the elections.

Ratification of Independent Registered Public Accounting Firm (Proposal 2)

Ratification of the appointment of Cherry Bekaert as the Company's independent registered public accounting firm for the fiscal year ending April 30, 2019 requires the affirmative vote of a majority of the voting power of the shares present or represented by proxy and entitled to vote at a meeting at which a quorum is present. Under Delaware law, abstentions are counted as shares present and entitled to vote at the meeting. Therefore, abstentions will have the same effect as a vote "against" the ratification of the Company's independent registered public accounting firm.

Advisory and Non-Binding Vote to Approve the Compensation of the Company's Named Executive Officers (Proposal 3)

Approval, in an advisory and non-binding vote, of the compensation of the Company's named executive officers requires the affirmative vote of a majority of the voting power of the shares present or presented by proxy and entitled to vote at a meeting at which a quorum is present. Under Delaware law, abstentions are counted as shares present and entitled to vote at the meeting. Therefore, abstentions will have the same effect as a vote "against" the approval, in an advisory and non-binding vote, of the compensation of the Company's named executive officers.

Advisory and Non-Binding Vote on the Frequency of Future Advisory Votes on the Compensation of the Company's Named Executive Officers (Proposal 4)

You may cast your vote on your preferred voting frequency by choosing the option of one year, two years, three years, or you may abstain from voting on this proposal. The option of one year, two years or three years that receives the highest number of votes cast by stockholders will be the frequency for future advisory votes on the compensation of the Company's named executive officers that has been selected by stockholders. Because the results of this proposal are determined by a plurality, abstentions will have no effect on the outcome of the proposal.

Approval of the Company's Second Amended and Restated Certificate of Incorporation (Proposal 5)

Approval of the Company's Second Amended and Restated Certificate of Incorporation requires the affirmative vote of a majority of the shares of our Class A common stock outstanding and entitled to vote. Under Delaware law, abstentions are counted as shares present and entitled to vote at the meeting. Therefore, abstentions will have the same effect as a vote "against" the approval of the Company's Second Amended and Restated Certificate of Incorporation. Additionally, because approval of this proposal requires the affirmative vote of a majority of the outstanding shares of Class A common stock, broker non-votes will also have the same effect as a vote "against" the approval of the Company's Second Amended and Restated Certificate of Incorporation.

Shares represented by proxy will be voted as directed on the proxy form and, if no direction is given, will be voted as follows:

1. "FOR" the election of each of the Director nominees;
2. "FOR" the ratification of the appointment of Cherry Bekaert as the Company's independent registered public accounting firm for the fiscal year ending April 30, 2019;
3. "FOR" the approval, in an advisory and non-binding vote, of the compensation of the Company's named executive officers as disclosed in the Proxy Statement;
4. For the option of "ONE YEAR" as the frequency of future advisory votes on executive compensation;
5. "FOR" the approval of the Company's Second Amended and Restated Certificate of Incorporation; and
6. In the best judgment of the persons named in the proxies, with respect to any other matters that may properly come before the meeting.

What are broker non-votes and how are they counted?

Brokers, banks or other similar organizations holding shares in street name for customers who are beneficial owners of such shares are prohibited from voting customers' shares on non-routine matters in the absence of specific instructions from those customers. This is commonly referred to as a "broker non-vote." With respect to the proposals in question, broker non-votes will be counted for quorum purposes but will not be counted as "votes cast" either for or against such proposals.

The election of directors, advisory approval of the compensation of the Company's named executive officers, approval of the frequency of future advisory votes on executive compensation and approval of the Company's Second Amended Restated Certificate of Incorporation are considered non-routine matters and, therefore, if you hold your shares through a bank, broker or other similar organization, the organization may not vote your shares on these matters absent specific instructions from you. As such, there may be broker non-votes with respect to these matters. Because broker non-votes with respect to these matters will not be counted as "votes cast," if your shares are held in street name, it is critical that you vote or provide specific instructions to your broker, bank or similar organization if you want your vote to count. On the other hand, the ratification of the selection of Cherry Bekaert as the Company's independent registered public accounting firm is considered a routine matter. Therefore, an organization that holds your shares may vote on this matter without instructions from you and no broker non-votes will occur with respect to this matter.

Edgar Filing: Liberty Tax, Inc. - Form DEF 14A

If you received more than one proxy card, you may hold shares in more than one account. To ensure that all of your shares are voted, you must sign and return each proxy card. As a holder of common stock of the Company, you are always invited to attend the 2018 Annual Meeting and vote your shares in person.

Is my vote confidential?

Yes, it is our policy that documents identifying your vote are confidential. The vote of any stockholder will not be disclosed to any third party before the final vote count at the 2018 Annual Meeting except:

- ☐ To meet any legal requirements;
- ☐ To assert claims for or defend claims against the Company;
- ☐ To allow authorized individuals to count and certify the results of the stockholder vote;
- ☐ To facilitate a successful proxy solicitation; or
- ☐ To respond to stockholders who have written comments on proxy cards.

PROPOSAL 1 - ELECTION OF DIRECTORS

Our Certificate of Incorporation and Amended and Restated Bylaws (the "Bylaws") provide that except as may be provided in a resolution or resolutions of the Board of Directors providing for any series of preferred stock with respect to any directors elected (or to be elected) by the holders of that series, the total number of directors constituting the entire Board of Directors shall consist of not less than five nor more than fifteen members, with the precise number of directors to be determined from time to time by a vote of the Board of Directors.

Except as may be provided in a resolution or resolutions providing for any series of preferred stock with respect to any directors elected (or to be elected) by the holders of that series, any vacancies in the Board of Directors and any newly created directorships resulting by reason of any increase in the number of directors may be filled only by the affirmative vote of the holders of at least a majority of the shares of the applicable class of capital stock entitled to elect such director, voting together as a single class, and any directors so appointed shall hold office until the next election of directors and until their successors are elected and qualified. As noted above, the Class A common stock is the only class of common stock currently outstanding. Accordingly, any such vacancies currently will be filled by the affirmative vote of the holders of at least a majority of the shares of Class A common stock.

By resolution of the Board of Directors, the present size of the Board has been established at nine. The Bylaws include an advance notice procedure for stockholder approvals to be brought before an annual meeting of stockholders, including proposed nominations of persons for election to the Board of Directors. No nominations were received for the 2018 Annual Meeting, and the nine nominees for the Board of Directors being recommended for election at the 2018 Annual Meeting are being recommended by the Board of Directors, acting upon the recommendation of the Board's Nominating and Corporate Governance Committee. Each of the nine nominees, if elected, will hold office until the next annual meeting of stockholders and until his successor is elected and qualified. The Board has nominated Matthew Avril, Patrick A. Cozza, Thomas Herskovits, Brian R. Kahn, Andrew M. Laurence, Lawrence Miller, G. William Minner, Jr., Bryant R. Riley and Kenneth M. Young for election as directors of the Company. Each nominee has consented to be named and to serve if elected. NON-EMPLOYEE DIRECTOR COMPENSATION

Non-employee director compensation is reviewed and approved by the Board based on the recommendations of the Compensation Committee of the Board. The Compensation Committee periodically reviews non-employee director compensation in an effort to determine if the Company pays competitive compensation to attract and retain highly-qualified directors. In Fiscal 2018, non-employee directors received the option of an annual retainer of \$45,000 or an equal amount of compensation in the form of restricted stock. In addition, for those directors who served on the Audit Committee, Compensation Committee, Nominating and Corporate Governance Committee and Risk Committee, members received annual retainers of \$10,000, \$7,500, \$5,000 and \$5,000, respectively, and the chairpersons received annual retainers of \$20,000, \$10,000, \$7,500 and \$7,500, respectively. Our committee members are also entitled to receive this cash compensation in the form of restricted stock, if they so elect. For Fiscal 2018, we also granted each of our non-employee directors stock-based compensation in the form of stock options and restricted stock units ("RSUs") in a total combined approximate annual value of \$65,000. Non-employee director compensation is unchanged for the fiscal year ending April 30, 2019.

Information regarding Mr. Hewitt's and Ms. Ossenfort's compensation for Fiscal 2018 is included under "Executive Compensation." DIRECTOR INDEPENDENCE AND BOARD STRUCTURE

Our Board of Directors has undertaken a review of its composition, the composition of its committees and the independence of each director. Based on the review of each director's background, employment and affiliations, including family relationships, the Board of Directors has determined that all of our current directors are "independent" under the applicable rules and regulations of the SEC and NASDAQ. The former directors that served during Fiscal 2018 and were deemed independent were Messrs. Garel, Ibbotson, Longfield and Robson. In making this

determination, our Board of Directors considered the current and prior relationships that each non-employee director has with the Company and all other facts and circumstances our Board of Directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock.

Mr. Hewitt served as our Chairman of the Board of Directors during Fiscal 2018. In July 2018, Mr. Hewitt entered into a stock purchase agreement, as subsequently amended (the "Agreement"), with an unaffiliated third party whereby Mr. Hewitt agreed to sell to all of the shares of the Company's Class A common stock and Class B common stock owned directly and indirectly by him (the "Sale"). As a result of this Sale, Mr. Hewitt resigned as Chairman and a director and caused the following members of the Board previously elected to the Board by Mr. Hewitt to tender their resignations to the Board: Mr. D'Angelo, Ms. McDowell, Ms. Ossenfort and Mr. Seal (together with Mr. Hewitt, the "Class B Directors").

Regarding the Class B Directors, during Fiscal 2018, Mr. Hewitt was not deemed independent as a result of his service as our Chairman of the Board and controlling stockholder, Ms. McDowell was not deemed independent as a result of her familial relationship with Mr. Hewitt, Ms. Ossenfort was not deemed independent as a result of her position as President and Chief Executive Officer of the Company and her operation of franchises and Area Developer ("AD") territories of the Company, Mr. D'Angelo was not deemed independent as a result of his prior employment status with the Company and Mr. Seal was not deemed independent as a result of his relationships with the Company.

In September 2018, the Board of Directors appointed Andrew M. Laurence to serve as Chairman of the Board. The Board historically has not designated a “lead independent director,” but the Company’s Board of Directors Charter and Governance Guidelines provide that the Board may, at its election, select an independent director to serve as lead independent director. The Board has determined that it is in the best interest of the Company’s stockholders at this time for the positions of Chairperson of the Board and Chief Executive Officer to be separated.

The Risk Committee was established to have oversight responsibility of the Company’s risk governance structure, risk management and to monitor the Company’s operational risks. However, the Board of Directors expects the Company’s management to take primary responsibility for identifying material risks the Company faces and communicating them to the Risk Committee and to the Board, developing and implementing appropriate risk management strategies responsive to those risks with oversight from the Risk Committee, and integrating risk management into the Company’s decision-making processes. The Board of Directors regularly reviews information regarding the Company’s credit, liquidity and operational risks as well as strategies for addressing and managing these risks. Certain other committees of the Board, such as the Audit and Compensation Committees, manage risks within their area of responsibility. In particular, the Audit Committee monitors financial, credit and liquidity risk issues, and the Compensation Committee monitors the Company’s compensation programs so that those programs do not encourage excessive risk-taking by Company employees.

The Board of Directors unanimously recommends that you vote "FOR" the election to the Board of Directors each of the nine nominees identified above as "Director Nominees."

Compensation Overview and Objectives

We strive to establish compensation practices that attract, retain and reward our senior management, and strengthen the mutuality of interests between our senior management and our stockholders. We believe that the most effective executive compensation program is one that is conservative, but competitive, and that aligns the compensation of our senior management with the creation of stockholder value. Under the oversight of the Compensation Committee, we have developed and implemented a pay-for-performance executive compensation program that rewards senior management for the achievement of certain financial performance objectives. We achieve the philosophies of pay-for-performance and alignment of senior management compensation with stockholder value creation primarily by providing a substantial portion of each executive's total annual compensation through annual performance bonuses and grants of long-term equity compensation. For Fiscal 2018, the Compensation Committee tied the level of potential bonus payments for each of the named executive officers solely to company-wide financial performance objectives.

Analysis of Risk Associated with Compensation Policies and Practices

The Compensation Committee oversees an annual review of our compensation programs to determine whether such programs encourage excessive risk-taking by our employees. Management and the Compensation Committee participated in the review, which included identification of the relevant compensation policies and practices, review of potential related risks, and analysis of risk-mitigating factors, including the Company's system of internal controls and oversight. The Compensation Committee determined that the potential risks arising from our compensation programs are not reasonably likely to have a material adverse effect on the Company. In making this determination, the Compensation Committee took into account the structure of our compensation programs, the amount of cash compensation available to employees in the form of base salary, the involvement of the Compensation Committee in setting compensation for executive officers and in particular for those individuals who can commit the Company's capital or who manage the Company's risk, and the oversight of the Board of Directors in monitoring certain risk tolerances and internal controls.

Determination of Compensation

Our Compensation Committee is responsible for determining our compensation and benefit plans generally and has established and reviewed all compensatory plans and arrangements with respect to our named executive officers. The Compensation Committee meets not less than four times annually to specifically review and determine adjustments, if any, to all elements of compensation, including base salary, annual bonus compensation and long-term equity awards. The Compensation Committee annually evaluates the achievement of performance goals for the prior fiscal year and sets new performance goals for the current fiscal year. The Compensation Committee also meets additionally as needed to discuss compensation-related matters as they arise during the year. The Compensation Committee is also responsible for reviewing and approving total compensation packages for new executive officers, as well as severance payments for departing executive officers.

In addition, with respect to the compensation of our named executive officers, other than our Chief Executive Officer, the Compensation Committee seeks the input and recommendation of our Chief Executive Officer. Our Chief Executive Officer reviews each other named executive officer's overall performance and contribution to the Company at the end of each fiscal year and makes recommendations regarding their compensation to the Compensation Committee. Our Chief Executive Officer's compensation is determined solely by the Compensation Committee. Our Chief Executive Officer does not participate in any formal discussion with the Compensation Committee regarding his or her compensation.

The Compensation Committee does not generally rely on formulaic guidelines for determining the mix or levels of cash and equity-based compensation, but rather maintains a flexible compensation program that allows it to adapt

components and levels of compensation to motivate and reward individual executives within the context of our desire to attain certain strategic and financial goals. Subjective factors considered in compensation determinations include an executive's skills and capabilities, contributions as a member of the executive management team, contributions to our overall performance and the sufficiency of total compensation potential and structure to ensure the retention of an executive when considering the compensation potential that may be available elsewhere.

In December 2017, the Compensation Committee engaged Pearl Meyer & Partners LLC ("Pearl Meyer"), an independent compensation consultant, to provide a limited assessment of board leadership compensation and management equity competitiveness. As part of that engagement Pearl Meyer provided an assessment to the Committee on peer group practices related to board leadership compensation and various approaches for management equity grants.

Pearl Meyer was re-engaged by the Committee in April 2018 to provide a complete market analysis and assessment of the competitiveness of the Company's executive compensation program. As part of its engagement, Pearl Meyer assisted the Compensation Committee in reviewing the compensation paid by a peer group of companies to assess the competitiveness of the compensation of our executives. The peer group selected by the Compensation Committee, in consultation with Pearl Meyer, for purposes of evaluating compensation of the executives consisted of sixteen publicly-traded companies chosen because of their comparable revenues and/or market capitalization, status and size as franchisors, and/or their participation in our industry or similar industries. The peer group consisted of the following companies:

✶12, Inc.

●BIZ, Inc.

♣-800-FLOWERS.COM, Inc.

Resources Connection, Inc.
Blucora, Inc.
Strayer Education Inc.
American Public Education, Inc.
GP Strategies Corporation
Capella Education Company
Nutrisystem, Inc.
Rosetta Stone, Inc.
Carriage Services, Inc.
Franklin Covey Co.
RE/MAX Holdings, Inc.
PRGX Global, Inc.
Cambium Learning Group, Inc.

In connection with the April 2018 compensation study by Pearl Meyer, the Compensation Committee approved and the Company entered into employment agreements with Messrs. Piper and York and Ms. Ossenfort. Those agreements, along with the agreements for the other named executive officers is further described in “Individual Compensation Arrangements with Named Executive Officers.”

Components of Compensation for Fiscal 2018

For Fiscal 2018, the compensation provided to our named executive officers consisted of base salary, annual bonus, long-term equity-based compensation, retirement benefits and other benefits, each of which is described in more detail below. We believe that the mix of cash- and equity-based compensation, as well as the relationship of fixed to performance-based compensation, is properly balanced and provides us with an effective means to attract, motivate and retain our named executive officers, as well as reward them for creation of stockholder value.

Base Salary

The base salary payable to each named executive officer is intended to provide a fixed component of compensation reflecting the executive's skill set, experience, role and responsibilities. Base salary amounts are established at the time of each named executive officer's initial employment with the Company, but are subject to upward adjustment by the Compensation Committee after its consideration of, among other factors, the scope of the executive's responsibilities, individual performance for the prior year, the mix of fixed compensation to overall compensation and consistency with what the Compensation Committee considers to be the market standard for compensation paid to similarly-situated executives at other companies.

Annual Bonuses

The Company has an annual performance bonus plan (a short-term cash incentive bonus plan with annual financial, and in some cases, individual performance goals), through which we provide for cash bonus awards to certain of our senior employees, including all of our named executive officers. Annual bonuses, which are generally paid during June for the prior fiscal year's performance, are intended to compensate executives for achieving annual company-wide financial goals and, in some instances, individual performance goals. Under our bonus plan, our Compensation Committee establishes a target bonus amount (expressed as a percentage of base salary) for each of our executives that would become payable upon the achievement of our corporate performance metrics, subject to the Compensation Committee discretion. Actual bonuses were to be based upon the achievement of the applicable performance objectives. No bonuses were to be earned under the bonus plan unless income before income taxes exceeded the prior year's income before income taxes. Our Compensation Committee also had the discretion to award an additional bonus

to the extent that the Company exceeded the target performance metrics.

The target bonus amounts for each named executive officer for Fiscal 2018 is set forth below:

Name	Systemwide Revenue	Revenue	Income Before Income Taxes	Total Target Bonus as Percentage of Base Salary
Nicole Ossenfort	25%	25%	50%	80%
Michael S. Piper	25%	25%	50%	80%
Shaun York	25%	25%	50%	80%
John T. Hewitt	25%	25%	50%	100%
Edward L. Brunot	25%	25%	50%	100%
Kathleen E. Donovan	25%	25%	50%	50%
Nicholas E. Bates	25%	25%	50%	50%
Vanessa M. Szajnoga	25%	25%	50%	50%
Richard G. Artese	25%	25%	50%	40%

With respect to annual bonuses, the named executive officers who departed during Fiscal 2018 were either ineligible to receive an annual bonus or received negotiated amounts through their separation agreements. For the named executive officers who were hired in February 2018, the Compensation Committee determined that it was inappropriate to measure performance under the Company's annual bonus plan due to the fact that they were hired in the latter portion of Fiscal 2018.

Long-term equity compensation

1998 Stock Option Plan

Originally effective as of May 1, 1998, and as subsequently extended effective May 1, 2008, our 1998 Stock Option Plan, or the 1998 Plan, was designed to assist in attracting, retaining and motivating employees, non-employee directors and other independent contractors of outstanding ability and to promote the identification of their interests with those of the stockholders of the Company. The 1998 Plan terminated on April 30, 2018 and no further grants may be made under the 1998 Plan.

2011 Equity and Cash Incentive Plan

On August 26, 2011, in consideration of the benefits of long-term equity incentive awards and upon the recommendation of our Compensation Committee, our Board of Directors adopted the JTH Holding, Inc. 2011 Equity and Cash Incentive Plan (referred to as the "2011 Equity and Cash Incentive Plan" or the "2011 Plan"). The 2011 Plan was subsequently approved by our stockholders on August 30, 2011. The Plan provides us with the ability to utilize different types of equity incentive awards (compared to only the stock options available under the 1998 Plan) as a part of our overall compensation structure.

Key features of the 2011 Plan include:

All stock options, stock appreciation rights and other purchase rights must have an exercise price that is not less than the fair market value of the underlying stock on the grant date.

The maximum number of shares of our Class A common stock remaining available for future issuance under the 2011 Plan is 1,607,474 (as of October 29, 2018, including shares that had been previously available under the 1998 Plan). The maximum number of shares of our Class A common stock that may be issued under the 2011 Plan may be issued

under any type of award, including incentive stock options.

•The 2011 Plan does not include any reload or “evergreen” share replenishment features.

•Without stockholder approval, we may not reprice awards or repurchase awards that are subject to forfeiture or have not yet vested.

•Any material amendments to the 2011 Plan require stockholder approval.

•The 2011 Plan is administered by our Compensation Committee.

No dividends or dividend equivalents may be granted in connection with options, Stock Appreciation Rights (“SARs”) or other stock-based awards in the nature of purchase rights (as defined below). No dividends or dividend equivalents may be paid in connection with a performance-based award unless and until the underlying performance conditions are achieved, and any such

dividends or dividend equivalents will accumulate (without interest) and become payable only at the time and to the extent the applicable award becomes payable or nonforfeitable.

In determining the actual number of options awarded to our named executive officers, the Board of Directors considered our past grant practices and determined awards that were consistent with our overall compensation objectives. Those objectives include providing a substantial portion of named executive officer compensation in the form of long-term equity-based compensation and aligning our named executive officers' interests with those of our stockholders. Historically, the Board of Directors determined the actual number of options to be awarded to our named executive officers during a given fiscal year by assessing targeted long-term ownership levels and the relative percentage of total equity outstanding that each option grant represents. However, in Fiscal 2018, the Board did not make any option grants but did make certain retention grants and grants made in connection with employment agreements, as described below.

The Company has entered into compensation arrangements with the named executive officers, which are described in more detail below under the heading "Individual Compensation Arrangements with Named Executive Officers."

Securities Authorized for Issuance Under Equity Compensation Plans

The following table sets forth information about our outstanding stock grants and remaining shares available as of April 30, 2018 under the 2011 Plan:

	(a)	(b)	(c)

Total	613,602	\$ 16.37	1,836,173

Retirement Benefits

Each of our named executive officers have the opportunity to participate in our 401(k) plan on the same basis as our other employees. We believe that the 401(k) plan provides an enhanced opportunity for our named executive officers to plan for and meet their retirement savings needs. This plan is a tax-qualified retirement plan designed to meet the requirements of Sections 401(a) and 401(k) of the Code. Under the 401(k) plan, participants may elect to make pre-tax savings deferrals of up to 86% of their compensation each calendar year, subject to annual limits on such deferrals (e.g., \$18,000 in both the 2016 and 2017 calendar years) imposed by the Code. Participants who attain age 50 also may elect to make certain catch-up contributions, subject to a separate annual limit on such contributions (\$6,000 in both the 2016 and 2017 calendar years) imposed by the Code.

We may, in our discretion on an annual basis, make a matching contribution with respect to a participant's elective deferrals and/or may make additional Company contributions. Historically, we have matched 50% of the amount contributed by a participant, up to 3% of the participant's bi-weekly compensation subject to applicable limits pursuant to Section 401(a)(17) of the Code. Each of our named executive officers participated in our 401(k) plan during Fiscal 2018 and received matching contributions.

Perquisites and Other Benefits

In Fiscal 2018, our named executive officers were eligible to receive the same benefits, including life and health benefits, which were available to all employees.

Section 162(m) and the Material Terms of the Performance Goals

The Compensation Committee has considered Section 162(m) of the Code when setting performance goals for our named executive officers. Section 162(m) of the Code generally set a limit of \$1 million on the amount of compensation that we could deduct for federal income tax purposes in any given year with respect to the compensation of each of our named executive officers. However, certain “performance-based” compensation that complied with the requirements of Section 162(m) was not included in the calculation of the \$1 million cap. The Compensation Committee has considered Section 162(m)’s conditions for deductibility when structuring compensation arrangements for our executive officers, including our named executive officers. However, we believe that the Compensation Committee needs flexibility to pursue its incentive and retention objectives, even if this means that we would not be able to deduct a portion of executive compensation.

Section 162(m) was amended on December 22, 2017 by the Tax Cuts and Jobs Act. Under the Tax Cuts and Jobs Act, Section 162(m) will now apply to each employee who serves as the Company's principal executive officer or principal financial officer during the taxable year, each other employee for the Company who is among the three most highly compensated officers during such taxable year, and any other employee who was a covered employee of the Company for any preceding taxable year beginning after December 31, 2016. In addition, the exception under Section 162(m) for performance-based compensation will no longer be available for compensation paid by the Company in taxable years beginning after December 31, 2017, except for certain grandfathered performance-based compensation. The Compensation Committee will review the Tax Cuts and Jobs Act and its application and impact, if any, on the Company's compensation program for the fiscal year ending April 30, 2019.

Compensation Risk Assessment

As part of its oversight of our executive compensation program, the Compensation Committee considers the impact of our executive compensation program, and the incentives created by the compensation awards that it administers, on our risk profile. In addition, the Compensation Committee reviews all of our compensation policies and procedures, including the incentives that they create and factors that may increase the likelihood of excessive risk taking, to determine whether they present a material risk to us. The Compensation Committee believes that our compensation programs are designed with the appropriate balance of risk and reward in relation to our overall business strategy and that the various components of our overall compensation program, taken as a whole, do not encourage undesired or unintentional risk taking of a material nature. This conclusion is based on, among other factors, the level of base salaries paid by us, the balance of short-term and long-term incentive compensation, and the establishment of goals and thresholds in compensation plans and awards that are believed to be aggressive, but achievable. The Compensation Committee believes that the risks arising from our employee compensation policies and practices are not reasonably likely to have a material adverse effect on us.

COMPENSATION COMMITTEE REPORT

Management of the Company has prepared the Compensation Discussion and Analysis (the "CD&A"), and the Compensation Committee has reviewed and discussed the CD&A with management. Based on this review and discussion, the Compensation Committee recommended to the Board that the CD&A be included in this Proxy Statement.

With respect to annual bonuses, the named executive officers who departed during Fiscal 2018 were either ineligible to receive an annual bonus or received negotiated amounts through their separation agreements. For the (1) named executive officers who were hired in February 2018, the Compensation Committee determined that it was inappropriate to measure performance under the Company's annual bonus plan due to the fact that they were hired in the latter portion of Fiscal 2018.

(2) Represents RSUs.

Represents incentive stock option awards and non-qualifying option awards in the amounts of 20,979 and 167,113, (3) respectively, awarded to Mr. Brunot during Fiscal 2018. Each grant vests annually over a three year period from the date of the grant.

Amounts in this column reflect the grant date fair value of the RSUs and options granted to each named executive officer under the Company's 2011 Equity and Cash Incentive Plan, calculated in accordance with ASC Topic 718, (4) based on the fair market value, as determined by the Board of Directors, of the Company's stock on the date of grant. Assumptions used in the calculation of these amounts for Fiscal 2018 are based on the Black-Scholes model for options and the grant date price for RSUs.

Mr. Hewitt left the Company in September 2017 and Ms. Donovan left the Company in December 2017, prior to (5) February 15 of the fiscal year; therefore, according to their employment agreements, they were not eligible for a bonus in Fiscal 2018.

NON-QUALIFIED DEFERRED COMPENSATION FOR FISCAL YEAR 2018

In 2012, we adopted our Non-Qualified Deferred Compensation Plan ("NQDCP"), which became effective December 1, 2012. The NQDCP provides that executives who meet minimum compensation requirements are eligible to defer up to 100% of their salaries and up to 100% of their bonuses. We have agreed to credit the participants' contributions with earnings that reflect the performance of certain independent investment funds. The benefits under this plan are unsecured and are general assets of the Company. Participants are generally eligible to receive payment of their vested benefit at the end of their elected deferral period or after termination of their employment with the Company for any reason or at a later date to comply with the restrictions of Section 409A of the Code. Participants may elect to receive their payments in a lump sum or installments. The Company does not make matching or other discretionary contributions to participant accounts.

The following table shows the non-qualified deferred compensation activity for each of the named executive officers who participated in our NQDCP during Fiscal 2018.

ACTUAL AND POTENTIAL PAYMENTS UPON TERMINATION OF EMPLOYMENT OR CHANGE OF CONTROL

None of our named executive officers for Fiscal 2018 have a change in control agreement. However, the employment agreements we entered into with each of the named executive officers entitle them to certain payments under their respective employment agreements upon certain qualifying terminations. The following describes certain terms of the employment agreements with our named executive officers in effect as of April 30, 2018.

Ms. Ossenfort and Messrs. Piper and York. Under the employment agreements with Ms. Ossenfort, Mr. Piper and Mr. York, the named executive is entitled to certain payments as follows:

If their respective employment agreement is terminated for any reason, he or she will be entitled to receive: (i) the base salary earned but not yet paid for services rendered to the Company on or prior to the date on which the employment period ends; (ii) any annual bonus awarded by the Board prior to the date of the Company's receipt of the notice of termination for services rendered in any fiscal year which had been completed prior to the date on which the employment period ends and which had not previously been paid (provided that the Board did not impose a requirement that he or she be employed on the payment date); (iii) any business expenses incurred on or prior to the date on which the employment period ends that are eligible for reimbursement in accordance with the Company's expense reimbursement policies as then in effect; and (iv) any vested benefits to which he or she is entitled under the Company's employee benefit plans and any welfare benefits to which he or she is entitled in accordance with the terms of the Company's welfare plans (collectively, the "Accrued Rights").

Subject to the execution of a form of release by Ms. Ossenfort, Messrs. Piper and York, as applicable, if, during the employment term his or her respective employment agreement is terminated by the Company without Cause (as defined in his or her employment agreement) or by Ms. Ossenfort, Mr. Piper, or Mr. York for Good Reason (as defined in his or her employment agreement), he or she will be entitled to receive: (i) an amount equal to the Accrued Rights, (ii) an amount equal to 12 months of his or her then-current base salary as severance, paid in equal installments continuing for a 12-month period following the date of termination; (iii) the accelerated vesting of any incentive stock awards, including, but not limited to, stock options, stock appreciation rights, restricted stock and dividend equivalent rights,

that were not vested as of the date of his or her termination, (iv) continued medical insurance coverage at the Company's expense for a period of 12 months following the date of termination, unless he or she becomes reemployed with another employer and is eligible to receive such benefits from that employer, and (v) to the extent permitted under the terms and conditions of any life insurance policy, the ability to convert such policy to an individual policy.

Mr. Brunot. Under the employment agreement with Mr. Brunot, Mr. Brunot was entitled to certain payments as follows:

If Mr. Brunot's employment agreement was terminated for any reason, Mr. Brunot was entitled to receive: (i) the base salary earned but not yet paid for services rendered to the Company on or prior to the date on which the employment period ends; (ii) any annual bonus awarded by the Board prior to the date of the Company's receipt of the Notice of Termination for services rendered in any fiscal year which had been completed prior to the date on which the employment period ends and which had not previously been paid (provided that the Board did not impose a requirement that Mr. Brunot be employed on the payment date); (iii) any business expenses incurred on or prior to the date on which the employment period ends that are eligible for reimbursement in accordance with the Company's expense reimbursement policies as then in effect; and (iv) any vested benefits to which Mr. Brunot was entitled under the employee benefit plans and any welfare benefits to which he was entitled in accordance with the terms of the Company's welfare plans (collectively, "Accrued Rights").

If Mr. Brunot's employment agreement was terminated as a result of Mr. Brunot's Employment-Related Death or Disability (as defined therein) or as a result of delivery of Notice of Non-Renewal (as defined therein), Mr. Brunot was entitled to an amount equal to the Accrued Rights.

Subject to the execution of a form of release by Mr. Brunot, if during the employment term, Mr. Brunot terminated the Agreement for Good Reason (as defined therein) or the Company terminated Mr. Brunot without Cause (as defined therein), Mr. Brunot was entitled to receive: (i) the Accrued Rights; (ii) an amount equal to Mr. Brunot's base salary as of the day prior to the date of termination multiplied by two, if the termination occurred prior to May 31, 2020. If the termination occurred after May 31, 2020, Mr. Brunot was entitled to an amount equal to his base salary as of the day prior to termination; (iii) accelerated vesting, non-forfeitability and exercisability, as of the termination date, of Mr. Brunot's outstanding equity awards, as described in the Agreement; (iv) continuation of certain other benefits, including health care coverage for 18 months following date of termination; and (v) the ability to convert any existing life insurance policy then in effect to an individual policy, to the extent permitted by the plan terms and conditions. In the event Mr. Brunot voluntarily terminated his employment with the Company without Good Reason prior to February 28, 2019, he was required to remit to the Company a cash amount equal to a pro-rated value of the signing bonus. If Mr. Brunot did not execute the form of release, in the event of termination as described above, Mr. Brunot was only entitled to the Accrued Rights.

Ms. Donovan and Mr. Hewitt. Under the employment agreements with Ms. Donovan and Mr. Hewitt, the named executive officer was entitled to certain payments if his or her employment was terminated by him or her for Good Reason (as defined under the employment agreement), by us without Cause (as defined under the employment agreement) or as a result of the named executive officer's Employment-Related Death or Disability (as defined under the employment agreement).

accelerated vesting of any incentive stock awards, including options, that were not vested as of the date of his or her termination; (v) continued coverage at our expense under any medical, dental, life insurance and disability policies for a period of 12 months or 18 months depending on the length of employment, except for Mr. Hewitt, whose agreement provided for 18 months of continued coverage, unless the named executive officer became reemployed with another employer and was eligible to receive such welfare benefits from that employer; and (vi) any other amounts or benefits required to be paid to the named executive officer or that he or she was eligible to receive under any plan, program, policy or practice or contract or agreement with us.

Ms. Szajnoga and Messrs. Bates and Artese. Under the employment agreements with Ms. Szajnoga and Messrs. Bates and Artese, the named executive officer was entitled to certain payments if his or her employment was terminated by him or her for Good Reason (as defined under the employment agreement), by us without Cause (as defined under the employment agreement) or as a result of his or her Employment-Related Death or Disability (as defined under the employment agreement).

If the named executive officer's employment was terminated by him or her for Good Reason, by us without Cause or as a result of his or her Employment-Related Death or Disability, he or she was entitled to the following: (i) an amount equal to the Accrued Rights (as defined under the employment agreement), (ii) the payment of an amount equal to his/her monthly base salary multiplied by 18 if the termination occurs prior to December 31, 2019, or an amount equal to his/her annual base salary if the termination occurs after December 31, 2019, (iii) the accelerated vesting of any incentive stock awards, including options, that were not vested as of the date of his/her termination, (iv) continued coverage at the Company's expense under any medical, dental, life insurance and disability policies for a period of 12 months, unless he/she became reemployed with another employer and is eligible to receive such welfare benefits from that employer, and (v) to the extent permitted under the terms and conditions of any life insurance policy, the ability to convert such policy to an individual policy.

Ms. Ossenfort, Messrs. Piper and York. If the named executive officer's employment was terminated by him or her without Good Reason, by us for Cause or due to his or her Disability (as defined under the employment agreement), other than as a consequence of

Employment-Related Death or Disability, the named executive officer is only entitled to the payment of his or her salary through the date of termination.

If the named executive officer's employment is terminated as a result of his or her death or Disability (other than as a consequence of Employment-Related Death or Disability), he or she is entitled to his or her base salary through the date of his or her termination, as well as the pro-rata bonus to which he or she would have been entitled.

The following table shows actual and potential payments upon each named executive officer's termination. The amounts calculated in the table assume the termination occurred on April 30, 2018 and that the executive officer was paid in a lump sum payment. The Employment Agreement of Mr. Hewitt provided for a lump-sum payment of the base salary component; the Employment Agreements of Mmes. Ossenfort, Donovan, and Szajnoga and Messrs. Piper, York, Brunot, Bates and Artese provide for multiple payments.

Calculated based on the closing price of the Company's Class A common stock on April 30, 2018, which was (1) \$10.30 per share; and the exercise price of unvested options, which ranges between \$8.85 and \$10.55 per share and RSUs.

Other Arrangements Affecting Potential Payments Upon Termination

Kathleen E. Donovan, Vanessa M. Szajnoga, Nicholas Bates and Richard Artese. On September 6, 2017, the Company entered into a retention bonus and RSU agreement with each of Mmes. Donovan and Szajnoga and Messrs. Bates and Artese. Each agreement provided for (i) a retention bonus, payable in two installments and (ii) a one-time grant of RSUs, each of which represented the right to receive one share of the Company's Class A common stock which would vest in two equal installments, provided that the named executive officer remained employed with the Company on each vesting date. If the named executive officer's employment was terminated by such officer for Good Reason, by the Company without Cause or as a result of his or her Employment-Related Death or Disability (as each of those capitalized terms are defined by the agreement), then the RSUs immediately vested and the retention bonus would become immediately due and payable.

Kathleen E. Donovan. On November 7, 2017, Ms. Donovan resigned as, Vice President, Chief Financial Officer of the Company, effective December 31, 2017. In connection with her resignation, on December 12, 2017, Ms. Donovan entered into a release agreement with

the Company which provided for Ms. Donovan to receive certain termination payments set forth in her employment agreement. Pursuant to the release agreement, Ms. Donovan relinquished all rights to a bonus as defined in her employment agreement. In addition, the release agreement provided that only the unvested stock incentives that were granted to Ms. Donovan in calendar year 2016 became fully vested and exercisable pursuant to her employment agreement. Ms. Donovan relinquished all rights to any stock options and other grants not specifically addressed in the release agreement.

On December 12, 2017, the Company entered into a consulting agreement with Ms. Donovan, effective January 1, 2018 with a term through March 31, 2018, unless terminated earlier. The consulting agreement provided that Ms. Donovan would serve as a consultant to the Company on operational and finance matters. Upon termination of the consulting agreement on February 19, 2018, Ms. Donovan received \$129,393.75.

Severance Payments Upon Termination

The separation and release agreement satisfied all obligations under Mr. Bates's employment agreement.

FISCAL 2018 PAY RATIO

The following is a reasonable estimate, prepared under applicable SEC rules, of the ratio of the annual total compensation of our President and Chief Executive Officer, Nicole Ossenfort, to the median of the annual total compensation of our other employees. We determined that, as of April 30, 2018, our employee population consisted of approximately 1028 full-time, part-time, and seasonal employees. We excluded, for administrative convenience, our Canadian employees, who fell below the 5 percent de minimis threshold for exclusion based on our total employee population. We determined our median employee based on the gross wages (excluding equity awards, severance and bonuses) between May 1, 2017 and April 30, 2018 to each employee (other than our Chief Executive Officer and Canadian employees), employed as of April 30, 2018. The annual total compensation of our median employee (other than the Chief Executive Officer) was \$10,161. Ms. Ossenfort has served as our President and Chief Executive Officer since February 2018; therefore, as allowed when more than one chief executive officer serves during the fiscal year, we annualized her compensation for purposes of the pay ratio estimation. The annualized total compensation of Ms. Ossenfort was \$450,000, which included her base salary as outlined in her employment agreement. Based on the foregoing, our estimate of the ratio of the annual total compensation of our Chief Executive Officer to the median of the annual total compensation of all other employees was 44 to 1.

Because the SEC rules for identifying the median of the annual total compensation of our employees and calculating the pay ratio based on that employee's annual total compensation allow companies to apply different methodologies, to apply certain exclusions, and to make reasonable estimates and assumptions that reflect their employee populations and compensation practices, the pay ratio reported by other companies may not be comparable to the pay ratio for our Company. As such, the estimated ratio reported above should not be used as a basis for comparison between companies.

AUDIT COMMITTEE REPORT

The Company's management is responsible for preparing financial statements in accordance with generally accepted accounting principles and the financial reporting process, including the Company's disclosure controls and procedures and internal control over financial reporting. The Company's independent registered accounting firm is responsible for auditing the Company's financial statements and expressing an opinion as to their conformity to U.S. generally accepted accounting principles (GAAP). The Audit Committee of the Board of Directors, composed solely of independent directors, meets periodically with management, including the Company's internal auditor and others in the Company, and the Company's independent registered public accounting firm to review and oversee matters relating to the Company's financial statements, internal audit activities, disclosure controls and procedures, and internal control over financial reporting and non-audit services provided by the independent accountants. In addition, the Audit Committee oversaw effective compliance with the SEC's mandatory rotation requirements for certain members of the engagement team of the Company's independent registered public accounting firm during the fiscal year ended April 30, 2018, and, as discussed further below, pre-approved all audit and non-audit services and fees paid to such firm.

The Audit Committee has reviewed and discussed with management and Cherry Bekaert, the Company's independent registered public accounting firm, the Company's audited financial statements for the fiscal year ended April 30, 2018. The Audit Committee has also discussed with Cherry Bekaert the matters required to be discussed by the Public Company Accounting Oversight Board AS 1301, relating to communication with audit committees. In addition, the

Audit Committee has received from Cherry Bekaert the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding Cherry Bekaert's communications with the Audit Committee concerning independence, has discussed with Cherry Bekaert its independence from the Company and the Company's management, oversaw effective compliance with the five-year mandatory rotation of certain members of the engagement team of Cherry Bekaert, and has considered whether Cherry Bekaert's provision of non-audit services to the Company is compatible with maintaining the auditor's independence.

Based upon the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements referred to above be included in the Company's 2018 Annual Report on Form 10-K.

The Audit Committee conducted its own self-evaluation and evaluation of the services provided by Cherry Bekaert during the fiscal year ended April 30, 2018. Based on its evaluation of Cherry Bekaert, the Audit Committee reappointed Cherry Bekaert as the Company's independent registered public accounting firm for the fiscal year ending April 30, 2019.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of October 29, 2018, information regarding beneficial ownership of our capital stock by:

- each person, or group of affiliated persons, known by us to beneficially own more than 5% of our Class A common stock;
- each of our directors and director nominees;
- each of our named executive officers; and
- all of our directors and executive officers as a group.

Beneficial ownership is determined according to the rules of the SEC and generally means that a person has beneficial ownership of a security if he, she or it possesses sole or shared voting or investment power of that security, including options that are currently exercisable or exercisable within 60 days of October 29, 2018. Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons named in the table below have sole voting and investment power with respect to all shares of capital stock shown that they beneficially own.

Our calculation of the percentage of beneficial ownership is based on 14,036,684 shares of our Class A common stock and equivalents outstanding as of October 29, 2018.

Shares of Class A common stock subject to stock options currently exercisable, or exercisable within 60 days of October 29, 2018, and RSUs for which shares are issuable within 60 days of October 29, 2018, are deemed to be outstanding for computing the percentage ownership of the person holding those securities and the percentage ownership of any group of which the holder is a member, but are not deemed outstanding for computing the percentage of any other person.

Unless otherwise noted below, the address for each of the stockholders in the table below is c/o Liberty Tax, Inc., 1716 Corporate Landing Parkway, Virginia Beach, Virginia 23454.

PRINCIPAL ACCOUNTING FEES AND SERVICES

The following table presents fees for professional services rendered by Cherry Bekaert and Carr Riggs and Ingram LLC ("CRI") in 2018 and KPMG LLP ("KPMG") in 2017 for the audit of our annual financial statements for the fiscal years ended April 30, 2018 and 2017, and fees billed for other services rendered by Cherry Bekaert and KPMG for those years. Fees disclosed below include fees actually billed and expected to be billed for services relating to the applicable fiscal year.

Fiscal Year	2018	2017
Audit fees (1)	\$1,791,381	\$761,486
Tax fees (2)	30,000	144,917
All other fees (3)	67,660	1,650
Total fees	\$1,889,041	\$908,053

(1) Audit fees consist of fees for professional services rendered for the audit of the Company's financial statements and review of financial statements included in our quarterly reports and services typically provided by the independent auditor in connection with statutory and regulatory filings or engagements.

(2) Tax fees consist of fees for services related to tax compliance, tax planning, tax consultation and tax advice. The amounts included in the table above consist of fees incurred relating to tax compliance, tax credit studies and other tax advisory services.

(3) All other fees consist of license fees for accounting research software and information technology infrastructure.

The Audit Committee has adopted policies and procedures for pre-approving audit and non-audit services performed by the independent auditor so that the provision of such services does not impair the auditor's independence. Under the Audit Committee's pre-approval policy, the terms and fees of all engagements require specific Audit Committee approval.

In determining whether to pre-approve audit or non-audit services, the Audit Committee considers whether such services are consistent with the SEC's rules on auditor independence. The Audit Committee also considers whether the independent auditor is best positioned to provide the most effective and efficient service and whether the service might enhance our ability to manage or control risk or improve audit quality. These factors are considered as a whole and no one factor is necessarily determinative. The Audit Committee considers the relationship between fees for audit and non-audit services in deciding whether to pre-approve any such services. The Audit Committee may determine for

each fiscal year the appropriate ratio between fees for audit services and fees for audit-related services, tax services and all other services.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated are required to report any pre-approval decisions to the Audit Committee at its next scheduled meeting.

The Audit Committee has concluded that the provision of non-audit services provided to the Company by its independent accountant during the 2018 fiscal year was compatible with maintaining the independent accountant's independence.

PRIOR CHANGES IN INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRMS

On December 8, 2017, KPMG resigned as the Company's independent registered public accounting firm, effective immediately. KPMG's resignation was accepted and approved by the Company's Audit Committee. KPMG's reports on the Company's financial statements for the fiscal years ended April 30, 2017 and April 30, 2016 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. In addition, there were no disagreements between the Company and KPMG on accounting principles or practices, financial statement disclosure or auditing scope or procedure, which, if not resolved to the satisfaction of KPMG, would have caused them to make reference to the disagreement in their reports for such periods, or any subsequent interim period preceding KPMG's resignation.

KPMG informed the Audit Committee and management that Mr. Hewitt's past and continued involvement in the Company's business and operations, including his continued interactions with franchisees and ADs of the Company, led it to no longer be able to rely on management's representations, and therefore caused KPMG to be unwilling to be associated with the Company's consolidated financial statements. In notifying the Company of its resignation, KPMG advised the Audit Committee and management that it was not aware of any information that caused it to question the integrity of current management, but rather that the structural arrangement by which Mr. Hewitt controlled the Company was the cause of KPMG's concerns. KPMG also noted that because certain information known to the Board regarding the reasons that the Board terminated Mr. Hewitt as Chief Executive Officer had not been disclosed to the current Chief Executive Officer and Chief Financial Officer, KPMG was uncertain as to whether it could continue to rely on management's representations. In light of Mr. Hewitt's actions and his ability to control the Board as the then-sole holder of the Class B common stock, KPMG informed the Audit Committee and management that it had concerns regarding the Company's internal control over financial reporting as related to integrity and tone at the top and such matters should be evaluated as potential material weaknesses.

The Company provided KPMG with a copy of the disclosures required by Item 304(a) of Regulation S-K contained in the Current Report on Form 8-K filed with the SEC on December 11, 2017, and a copy of KPMG's letter, dated December 11, 2017, confirming KPMG's agreement with these statements was filed as Exhibit 16.1 with it.

On April 18, 2018, the Audit Committee engaged CRI as the Company's independent registered public accounting firm for the fiscal year ended April 30, 2018, effective immediately. On June 5, 2018, CRI provided notice of its resignation as the independent registered public accounting firm of the Company, effective as of the same date. CRI's decision to resign was not recommended or approved by either the Audit Committee or the Board. CRI did not complete any audits of the Company's financial statements, and, therefore, CRI did not issue an adverse opinion or disclaimer of opinion, and no report was qualified or modified as to uncertainty, audit scope or accounting principles. During the Company's two most recent fiscal years and through June 7, 2018, there were (i) no disagreements between the Company and CRI on accounting principles or practices, financial statement disclosure or auditing scope or procedure, which, if not resolved to the satisfaction of CRI, would have caused them to make reference to the disagreement in their reports, and (ii) no "reportable events" as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

The Company provided CRI with a copy of the disclosures required by Item 304(a) of Regulation S-K contained in the Current Report on Form 8-K filed with the SEC on June 7, 2018, and a copy of KPMG's letter, dated June 7, 2018, confirming CRI's agreement with these statements was filed as Exhibit 16.1 with it.

On June 28, 2018, the Audit Committee engaged Cherry Bekaert LLP as its independent registered public accounting firm for the fiscal year ended April 30, 2018, effective immediately. During the Company's two most recent fiscal years and through the date of its engagement of Cherry Bekaert, neither the Company nor anyone acting on its behalf consulted with Cherry Bekaert regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, and neither a written report nor oral advice was provided to the Company by Cherry Bekaert that was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue; or (ii) any matter that was the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K, and the related instructions to Item 304 of Regulation S-K) or a reportable event (as defined in Item 304(a)(1)(v) of Regulation S-K) relating to the Company.

PROPOSAL 2 - RATIFICATION OF THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board's Audit Committee has appointed Cherry Bekaert to serve as our independent registered public accounting firm for the fiscal year ending April 30, 2019. Cherry Bekaert has served in this capacity since June 28, 2018. Although ratification is not required under our Bylaws or otherwise, as a matter of good corporate governance, the Audit Committee submits its selection of Cherry Bekaert to our stockholders for ratification, and will consider the vote of our stockholders when appointing our independent registered accounting firm in the future. Even if this selection is ratified, the Audit Committee in its discretion may, subject to the approval of the Board of Directors, select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders.

No director or executive officer of the Company has any substantial interest in the appointment of Cherry Bekaert as the Company's independent registered public accounting firm.

A representative of Cherry Bekaert is expected to attend the 2018 Annual Meeting and will be available to respond to questions. The Cherry Bekaert representative will have an opportunity to make a statement during the 2018 Annual Meeting if they so desire to do so. Representatives of KPMG are not expected to attend the 2018 Annual Meeting.

The Board unanimously recommends a vote "FOR" the ratification of Cherry Bekaert to serve as our independent registered public accounting firm.

PROPOSAL 3 - ADVISORY AND NON-BINDING VOTE TO APPROVE EXECUTIVE COMPENSATION

Section 14A of the Exchange Act requires that our stockholders have the opportunity to provide an advisory, non-binding vote to approve our executive compensation as disclosed in this proxy statement pursuant to the SEC's compensation disclosure rules (commonly known as a "say-on-pay" proposal). Accordingly, our stockholders are hereby given the opportunity to cast an advisory vote to approve or not approve the compensation of our named executive officers as described below, by voting for or against this proposal.

The Compensation Committee of the Board of Directors has designed our executive compensation to attract, retain and reward our senior management who play a significant role in the organization's current and future success. The Compensation Committee and the Board of Directors structure executive compensation to motivate these employees and strengthen the mutuality of interests between our senior management and our stockholders by achieving performance goals while limiting risk appropriately and maintaining the safety and soundness of the organization. For a full description of these executive compensation practices, please see the description provided under the heading "Compensation Discussion and Analysis."

We believe that our executive compensation and compensation practices and policies are reasonable in comparison to our peer group, are focused on pay-for-performance principles, are strongly aligned with the long-term interests of stockholders and are necessary to attract and retain experienced, highly qualified executives important to our long-term success and the enhancement of stockholder value. The Board of Directors believes that our executive compensation achieves these objectives, and, therefore, recommends that stockholders vote "for" the proposal.

This say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or the Board of Directors. The Board of Directors and the Compensation Committee value the opinions of our stockholders, and we will consider our stockholders' concerns and the outcome of this vote when making future compensation decisions regarding our executive officers.

We anticipate that the next vote on a say-on-pay proposal will occur at the 2019 Annual Meeting of Stockholders.

The Board of Directors unanimously recommends a vote "FOR" the advisory approval of the compensation of our named executive officers.

PROPOSAL 4 - ADVISORY AND NON-BINDING VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

As required by SEC rules, we are asking our stockholders to indicate how frequently we should seek an advisory vote on the compensation of our named executive officers, as disclosed pursuant to the SEC's compensation disclosure rules. By voting on this Proposal Four (commonly known as a "say-on-pay frequency" proposal), stockholders may indicate whether they would prefer to vote the say-on-pay proposal every one, two or three years.

The Board of Directors believes a frequency of every year is the optimal frequency for the say-on-pay vote so that stockholders may annually express their views on our executive compensation program.

You may cast your vote on your preferred voting frequency by choosing the option of one year, two years or three years, or you may abstain from voting on this proposal.

The option of one year, two years or three years that receives the highest number of votes cast by stockholders will be the frequency for future say-on-pay votes that has been selected by stockholders. The Board of Directors values the

opinions expressed by stockholders in their votes on this proposal and will consider the outcome of this vote when determining the frequency of future say-on-pay votes. However, because this vote is advisory and not binding on the Company or the Board of Directors in any way, the Board of Directors may decide that it is in the best interest of our stockholders and the Company to hold the say-on-pay vote more or less frequently than the option selected by our stockholders. We anticipate that the next vote on a say-on-pay frequency proposal will occur at the 2024 Annual Meeting of Stockholders.

The Board of Directors unanimously recommends a vote for the option of “ONE YEAR” as the frequency of future advisory votes on the compensation of our named executive officers.

PROPOSAL 5 - APPROVAL OF THE COMPANY’S SECOND AMENDED AND RESTATED CERTIFICATE OF INCORPORATION

We are asking our stockholders to approve and adopt the Company’s Second Amended and Restated Certificate of Incorporation (the “Proposed Certificate”). On October 25, 2018, our Board voted unanimously to approve, and to recommend to our stockholders that they approve, the amendment and restatement of the Company’s Amended and Restated Certificate of Incorporation (the “Current Certificate”) to: (i) remove certain obsolete provisions contained in the Current Certificate and (ii) add a new Article IX providing that, with certain exceptions, the sole and exclusive forum for certain actions shall be the Court of Chancery of the State of Delaware. Other than as described herein, the approval of the Proposed Certificate will not have any effect on your rights as a stockholder.

The full text of the Proposed Certificate is attached as Appendix A to this Proxy Statement. The summary below does not contain all of the information that may be important to you and is qualified in its entirety by reference to the text of the Proposed Certificate. You are urged to read the Proposed Certificate in its entirety.

Removal of Obsolete Provisions

The Current Certificate authorizes the issuance of a total of 25,400,000 shares of stock. Of such shares, 21,200,000 are designated as Class A common stock; 1,000,000 are designated as Class B common stock; 190,000 are designated as Class A Convertible Preferred Stock, 10 are designated as Special Voting Preferred Stock and 3,009,990 are designated as Preferred Stock.

On July 19, 2018, John T. Hewitt, former Chairman of the Board and Chief Executive Officer of the Company, entered into a Stock Purchase Agreement, as subsequently amended (the "Agreement"), with an unaffiliated third party, Vintage Tributum LP ("Vintage Tributum"), an affiliate of Vintage, pursuant to which, among other things, Mr. Hewitt agreed to sell to Vintage Tributum all of the shares of the Company's Class A common stock and Class B common stock owned directly and indirectly by him (the "Sale"). In connection with the Sale, the shares of Class B common stock converted into shares of Class A common stock, and following the Sale, no shares of the Company's Class B common stock remained outstanding. In connection with the Sale, Vintage Tributum also entered into an agreement to purchase shares from additional holders of the Company's securities, including the holder of the Company's exchangeable shares and Special Voting Preferred Stock. In connection with the additional purchases, the Company redeemed the Special Voting Preferred Stock, leaving the Company's Class A common stock as the only class of its securities outstanding following the Sale. The Sale was completed on August 3, 2018.

As discussed above, following the Sale, there are currently no shares of the Company's Class B common stock or Special Voting Preferred Stock issued and outstanding. In addition, all of the Company's issued and outstanding shares of Class A Convertible Preferred Stock were previously converted into shares of the Company's Class A common stock. The Company currently has no plans or intentions to issue any such shares of Class B common stock, Class A Convertible Preferred Stock or Special Voting Preferred Stock in the future. Accordingly, we are proposing to amend and restate the Current Certificate to delete obsolete provisions related to the designation, rights and preferences of these series of stock and delete obsolete provisions related to our prior dual class common stock structure, including the ability of each class of common stock to fill vacancies on the Board of Directors in order to preserve their respective voting rights under the Current Certificate. With the passage of time and the completion of the Sale, these provisions are no longer necessary, serve no continuing purpose and unnecessarily complicate the Current Certificate.

Under the Proposed Certificate, the Board of Directors will retain its ability to issue preferred stock from time to time in one or more series and will continue to have the authority to fix the designations, preferences and rights of any new series of preferred stock. The Proposed Certificate authorizes the issuance of a total of 25,000,000 shares of stock, of which 22,000,000 are designated as Common Stock and 3,000,000 are designated as Preferred Stock.

Designating a Forum for Certain Actions

The Proposed Certificate also adds a new Article IX ("Proposed New Article IX") designating the Court of Chancery of the State of Delaware the sole and exclusive forum for certain legal actions unless otherwise consented to by the Company. This designation of the Court of Chancery would apply to any derivative action or proceeding brought on behalf of the Company, any action asserting a claim of breach of fiduciary duty owed by any director, officer, or other employee of the Company to the Company or its stockholders, any action asserting a claim against the Company arising out of a provision of the General Corporation Law of the State of Delaware or the Proposed Certificate or bylaws, or any action asserting a claim against the Company governed by the internal affairs doctrine.

The Board of Directors believes that Proposed New Article IX provides numerous benefits to the Company and its stockholders. Specifically, the Board of Directors believes that the Company and its stockholders will benefit from having disputes resolved by the Delaware Court of Chancery, which is widely regarded as the preeminent court for the determination of disputes involving a corporation's internal affairs in terms of precedent, experience, and focus. The Delaware Chancery Court is comprised of experienced jurists who have a deep understanding of Delaware corporate law and long-standing precedents regarding corporate governance. In addition, the Board of Directors believes that Delaware's well-developed body of case law provides stockholders with more certainty with respect to the outcome of intra-corporate disputes. By ensuring that intra-corporate disputes are heard in a Delaware court, the Company and its stockholders avoid costly and duplicative litigation, the risk that Delaware law would be misapplied by a court in another jurisdiction, and the risk of inconsistent outcomes when two similar cases proceed in different courts. Moreover, the Delaware Court of Chancery is typically able to resolve corporate disputes on an accelerated schedule, limiting the time, cost, and uncertainty of protracted litigation.

To be approved, the Proposed Certificate must receive the affirmative vote of a majority of the shares of our common stock outstanding and entitled to vote on the Proposed Certificate. If the Proposed Certificate is approved by the stockholders, it will become effective upon its being filed with the Secretary of State of the State of Delaware, which the Company intends to do promptly following action by stockholders at the 2018 Annual Meeting. If the Proposed Certificate is not approved by the requisite vote, then the Proposed Certificate will not be filed with the Secretary of State of the State of Delaware.

The Board of Directors unanimously recommends that a vote "FOR" the approval of the Proposed Certificate.

(ii) Except as otherwise provided herein or by applicable law, each holder of Class A Common Stock and Class B Common Stock shall be entitled to one vote for each share of Class A Common Stock held of record by such holder as of the applicable record date on any matter that is submitted to a vote of the stockholders of the Corporation.

Notwithstanding the foregoing, except as otherwise required by applicable law, holders of Common Stock, as such, shall not be entitled to vote on any amendment to this Second Amended and Restated Certificate of Incorporation (including any certificate filed with the Secretary of State establishing the terms of a series of Preferred Stock in accordance with Section 3 of this Article IV) that relates solely to the terms of one or more outstanding series of Preferred Stock if the holders of the affected series of Preferred Stock are entitled, either separately or together with the holders of one or more other such series, to vote thereon pursuant to applicable law or this Second Amended and Restated Certificate of Incorporation (including any certificate filed with the Secretary of State establishing the terms of a series of Preferred Stock in accordance with Section 3 of this Article IV).

(b) Dividends and Distributions. Except as may be provided in a resolution or resolutions of the Board of Directors providing for any series of Preferred Stock outstanding at any time, the holders of Class A Common Stock and the holders of Class B Common Stock shall be entitled to share equally, on a per share basis, in such dividends and other distributions of cash, property or shares of stock of the Corporation as may be declared by the Board of Directors from time to time with respect to the Common Stock out of assets or funds of the Corporation legally available therefor; provided, however, that in the event that such dividend is paid in the form of Common Stock or rights to acquire Common Stock, the holders of Class A Common Stock shall receive shares of Class A Common Stock or rights to acquire shares of Class A Common Stock, as the case may be, and the holders of shares of Class B Common Stock shall receive shares of Class B Common Stock or rights to acquire shares of Class B Common Stock, as the case may be.

Any consideration to be paid to or received by holders of Class A Common Stock or holders of Class B Common Stock pursuant to any employment, consulting, severance, non-competition or other similar arrangement approved by the Board of Directors, or any duly authorized committee thereof, shall not be considered to be “consideration received per share” for purposes of the foregoing provision, regardless of whether such consideration is paid in connection with, or conditioned upon the completion of, such merger, consolidation, reorganization or other business combination.

(f) Conversion.

(i) As used in this Amended and Restated Certificate of Incorporation, the following terms shall have the following meanings:

(1) “Permitted Transfer” shall mean:

(a) the Transfer of any share or shares of Class B Common Stock to one or more Permitted Transferees of the Registered Holder of such share or shares of Class B Common Stock, or to one or more other Registered Holders and/or Permitted Transferees of those other Registered Holders, or the subsequent Transfer of any share or shares of Class B Common Stock by any such transferee to the Registered Holder and/or one or more other Permitted Transferees of the Registered Holder;

(b) the grant of a revocable proxy to an officer or officers or a director or directors of the Corporation at the request of the Board of Directors in connection with actions to be taken at an annual or special meeting of stockholders;

(c) the pledge of a share or shares of Class B Common Stock that creates a security interest in such pledged share or shares pursuant to a bona fide loan or indebtedness transaction, in each case with a third party lender that makes such loan in the ordinary course of its business, so long as the Registered Holder of such pledged share or shares or one or more Permitted Transferees of the Registered Holder continue to exercise exclusive Voting Control over such pledged share or shares; provided, however, that a foreclosure on such pledged share or shares or other action that would result in a Transfer of such pledged share or shares to the pledgee shall not be a “Permitted Transfer” within the meaning of this Section 2(f)(i)(1)(c);

(d) the existence or creation of a power of appointment or authority that may be exercised with respect to a share or shares of Class B Common Stock held by a trust; provided, however, that the Transfer of such share or shares of Class B Common Stock upon the exercise of such power of appointment or authority shall not be a “Permitted Transfer” within the meaning of this Section 2(f)(i)(1)(d); and

(e) any Transfer approved in advance by the Board of Directors, or a majority of the independent directors serving thereon, upon a determination that such Transfer is consistent with the purposes of the foregoing provisions of this definition of “Permitted Transfer”.

For the avoidance of doubt, the direct Transfer of any share or shares of Class B Common Stock by a Registered Holder to any other person shall qualify as a “Permitted Transfer” within the meaning of this Section 2(f)(i)(1), if such Transfer could have been completed indirectly through one or more transactions involving more than one Transfer, so long as each Transfer in such transaction or transactions would otherwise have qualified as a “Permitted Transfer” within the meaning of this Section 2(f)(i)(1). For the further avoidance of doubt, a Transfer may qualify as a “Permitted Transfer” within the meaning of this Section 2(f)(i)(1) under any one or more than one of the clauses of this Section 2(f)(i)(1) as may be applicable to such Transfer, without regard to any proviso in, or requirement of, any other clause(s) of this Section 2(f)(i)(1).

(2) “Permitted Transferee” shall mean with respect to any Registered Holder:

(a) a trust or trusts for the sole current benefit of the Registered Holder;

(b) one or more corporations, partnerships, limited liability companies or other entities so long as all of the equity interests in such entities are owned, directly or indirectly, by the Registered Holder, and the Registered Holder has sole dispositive power and exclusive Voting Control with respect to such shares;

(c) the guardian or conservator of any Registered Holder who has been adjudged disabled, incapacitated, incompetent or otherwise unable to manage his or her own affairs by a court of competent jurisdiction, in such guardian’s or conservator’s capacity as such, and/or the executor, administrator or personal representative of the estate of any

Registered Holder who is deceased, in such executor's, administrator's or personal representative's capacity as such; and

(d) with respect to any bankrupt or insolvent Registered Holder, the trustee or receiver of the estate of such bankrupt or insolvent Registered Holder, in such trustee's or receiver's capacity as such.

For the avoidance of doubt, the "Permitted Transferees" of any Registered Holder within the meaning of this Section 2(f)(i)(2) may be determined under any one or more than one of the clauses of this Section 2(f)(i)(2), if such clauses are applicable to the Registered Holder. For the further avoidance of doubt, references to a "trust" shall mean the trust or the trustee or trustees of such trust acting in such capacity, as the context may require.

(3) "Registered Holder" shall mean (a) the registered holder of any share or shares of Class B Common Stock immediately prior to the consummation of the initial public offering of shares of Class A Common Stock (the "IPO"), and (b) the initial registered holder of any share or shares of Class B Common Stock that are originally issued by the Corporation after the consummation of the IPO.

(4) "Transfer" of a share or shares of Class B Common Stock shall mean any direct or indirect sale, exchange, assignment, transfer, conveyance, gift, hypothecation or other transfer or disposition (including, without limitation, the granting or exercise of a power of appointment or a proxy, attorney in fact, power of attorney or otherwise) of such share or shares or any legal or beneficial interest

A-3

in such share or shares, whether or not for value and whether voluntary or involuntary or by operation of law. A “Transfer” shall include, without limitation, a transfer of a share or shares of Class B Common Stock to a broker or other nominee (regardless of whether or not there is a corresponding change in beneficial ownership), and the transfer of, or entering into any agreement, arrangement or understanding with respect to, Voting Control over a share or shares of Class B Common Stock.

(5) “Voting Control” shall mean, with respect to a share or shares of Class B Common Stock, the power, whether exclusive or shared, revocable or irrevocable, to vote or direct the voting of such share or shares of Class B Common Stock, by proxy, voting agreement or otherwise.

(ii) Each share of Class B Common Stock shall be convertible into one fully paid and non-assessable share of Class A Common Stock at the option of the holder thereof at any time, and from time to time, upon written notice to the transfer agent of the Corporation.

(iii) Subject to Section 2(f)(vi) of this Article IV, a share of Class B Common Stock shall automatically, without any further action on the part of the Corporation, any holder of Class B Common Stock or any other party, convert into one fully paid and non-assessable share of Class A Common Stock upon a Transfer of such share following the IPO, other than a Permitted Transfer; provided, however, that each share of Class B Common Stock transferred to a Permitted Transferee shall automatically convert into one fully paid and non-assessable share of Class A Common Stock if any event occurs following the IPO, or any state of facts arises or exists following the IPO, that causes such person to no longer qualify, as applicable, as a “Permitted Transferee” within the meaning of Section 2(f)(i)(2) of this Article IV.

(iv) Each share of Class B Common Stock shall automatically, without any further action on the part of the Corporation, any holder of Class B Common Stock or any other party, convert into one fully paid and non-assessable share of Class A Common Stock if, as of the record date for determining the stockholders entitled to vote at any annual or special meeting of the stockholders of the Corporation following the IPO, the aggregate number of shares of Common Stock owned, directly or indirectly, by the Registered Holders is less than five percent (5%) of the aggregate number of outstanding shares of Common Stock.

(v) The Board of Directors, or any duly authorized committee thereof, may, from time to time, establish such policies and procedures relating to the conversion of a share or shares of Class B Common Stock into a share or shares of Class A Common Stock and the general administration of this dual class common stock structure, including the issuance of stock certificates with respect thereto, as it may deem necessary or advisable, and may request or require that holders of a share or shares of Class B Common Stock furnish affidavits or other proof to the Corporation as it may deem necessary or advisable to verify the ownership of such share or shares of Class B Common Stock and to confirm that an automatic conversion into a share or shares of Class A Common Stock has not occurred. If the Board of Directors, or a duly authorized committee thereof, determines that a share or shares of Class B Common Stock have been inadvertently Transferred in a Transfer that is not a Permitted Transfer, or any other event shall have occurred, or any state of facts arisen or come into existence, that would inadvertently cause the automatic conversion of such shares into Class A Common Stock pursuant to Section 2(f)(iii) of this Article IV, and the Registered Holder shall have cured or shall promptly cure such inadvertent Transfer or the event or state of facts that would inadvertently cause such automatic conversion, then the Board of Directors, or a duly authorized committee thereof, may determine that such share or shares of Class B Common Stock shall not have been automatically converted into Class A Common Stock pursuant to Section 2(f)(iii) of this Article IV.

(vi) In the event of a conversion of a share or shares of Class B Common Stock into a share or shares of Class A Common Stock pursuant to this Section 2, such conversion shall be deemed to have been made (a) in the event of a voluntary conversion pursuant to Section 2(f)(ii) of this Article IV, at the close of business on the business day on which written notice of such voluntary conversion is received by the transfer agent of the Corporation, (b) in the event

of an automatic conversion upon a Transfer following the IPO or if any other event occurs following the IPO, or any state of facts arises or exists following the IPO, that would cause an automatic conversion pursuant to Section 2(f)(iii) of this Article IV, at the time that the Transfer of such share or shares occurred or at the time that such other event occurred, or state of facts arose, as applicable, and (c) in the event of an automatic conversion of all shares of Class B Common Stock pursuant to Section 2(f)(iv) of this Article IV, at the close of business on the record date on which the Registered Holders own less than the requisite percentage of outstanding shares of Common Stock following the IPO. Upon any conversion of a share or shares of Class B Common Stock to a share or shares of Class A Common Stock, subject only to rights to receive any dividends or other distributions payable in respect of such share or shares of Class B Common Stock with a record date prior to the date of such conversion, all rights of the holder of a share or shares of Class B Common Stock shall cease and such person shall be treated for all purposes as having become the registered holder of such share or shares of Class A Common Stock. Shares of Class B Common Stock that are converted into shares of Class A Common Stock as provided in this Section 2 shall be retired and may not be reissued.

(g) **Reservation of Stock.** The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Class A Common Stock, solely for the purpose of effecting the conversion of the shares of Class B Common Stock, such number of its shares of Class A Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of Class B Common Stock into shares of Class A Common Stock.

(h) **Limitation on Future Issuance.** Except as otherwise provided in or contemplated by Sections 2(b), 2(d) or 2(e) of this Article IV, the Corporation shall not issue additional shares of Class B Common Stock after this Amended and Restated Certificate of Incorporation becoming effective pursuant to the DGCL (the “Effective Time”).

Section 3. Preferred Stock.

(a) Class A Convertible Preferred Stock. The Class A Convertible Preferred Stock shall have the following powers, designations, preferences and rights and qualifications, limitations and restrictions:

(i) Voting Rights.

(1) In addition to the rights specified in this Amended and Restated Certificate of Incorporation, any other rights provided in any agreement between the Corporation and holders of Class A Convertible Preferred Stock, or in the Corporation's Bylaws or by law, holders of Class A Convertible Preferred Stock shall be entitled to receive notice of all meetings of stockholders and shall vote as one class with the holders of the Class A Common Stock (except as provided in Section 3(a)(i)(2) of this Article IV), based upon the number of shares of Class A Common Stock into which such shares of Class A Convertible Preferred Stock may be converted as provided in Section 3(a)(iv) of this Article IV.

(2) The holders of the Class A Convertible Preferred Stock, voting as a separate class, shall be entitled to elect, re-elect, remove and replace from time to time two directors of the Corporation (the "Class A Convertible Preferred Director Designees"). Such directors shall be designated as provided in the Purchase Agreement (as hereinafter defined), and the right of the holders of the Class A Convertible Preferred Stock shall expire as provided in the Purchase Agreement or in accordance with this Amended and Restated Articles of Incorporation.

(ii) Dividends. The holder of each share of Class A Convertible Preferred Stock shall be entitled to receive, when and as declared by the Board of Directors of the Corporation for the Common Stock, out of funds legally available for that purpose, dividends in cash, stock or otherwise, in connection with which each share of Class A Convertible Preferred Stock shall be treated as if it has been converted into shares of Class A Common Stock as provided in Section 3(a)(iv) of this Article IV.

(iii) Rights Upon Liquidation, Dissolution or Winding Up.

(1) In the event of: (i) any voluntary or involuntary liquidation, dissolution, liquidation or winding up of the Corporation; (ii) any voluntary or involuntary bankruptcy properly commenced by or against the Corporation, which if involuntary is not dismissed or stayed within 90 days after such commencement; (iii) any business combination of the Corporation; or (iv) any foreclosure by creditors of the Corporation on substantially all assets of, or equity interests in, the Corporation, which foreclosure is not dismissed or stayed within 90 days after such foreclosure, any assets of the Corporation available for distribution to its stockholders shall be distributed in the following order or priority:

(a) The holders of Class A Convertible Preferred Stock shall be entitled to receive for each share of Class A Convertible Preferred Stock, prior and in preference to any distribution to the holders of all other equity securities of the Corporation, an amount equal to the Original Issuance Price (as hereinafter defined) per share for each share of Class A Convertible Preferred Stock then outstanding, plus an amount equal to the Original Issuance Price multiplied by 10% per annum from the Original Issuance Date (as hereinafter defined), compounded annually, until the date of such distribution.

(b) If the assets and funds of the Corporation available for distribution to the holders of Class A Convertible Preferred Stock shall be insufficient to permit the payment of the full preferential amounts set forth in Section 3(a)(iii)(1) of this Article IV, then all of the assets of the Corporation available for distribution to the Class A Convertible Preferred Stock shall be distributed to the holders of Class A Convertible Preferred Stock pro rata so that each share receives the same percentage of its respective liquidation value.

(2) A consolidation or merger of the Corporation with or into any other corporation or corporations in a transaction in which the shareholders of the Corporation receive cash, securities or other consideration in exchange for the shares of capital stock of the Corporation then held by them, or a similar business combination in which event the Corporation is not the surviving entity, any sale of 50% or more of the shares of the Corporation (other than in connection with an offering by the Corporation of newly issued securities), or any sale of all or substantially all of the assets of the Corporation occurring prior to an Event of Conversion (as hereinafter defined) shall, at the option of the holders representing at least 75% of the Class A Convertible Preferred Stock then outstanding exercised in writing within ten (10) business days after the Corporation shall have given notice of its intention to enter into any of the foregoing transactions, be deemed to be a liquidation, dissolution or winding up of the Corporation for the purposes of Section 3(a)(iii)(1) of this Article IV, and any assets of the Corporation available for distribution (and, in the case of certain reorganizations, mergers or consolidations subject to this paragraph, the securities received by the Corporation or its stockholders in such reorganization, merger or consolidation), shall be distributed pursuant to the order of preference set forth in Section 3(a)(iii)(1) of this Article IV, subject however to the right of the holders of the Class A Convertible Preferred Stock to convert the Class A Convertible Preferred Stock into Class A Common Stock as provided in Section 3(a)(iv) of this Article IV.

(iv) Conversion.

(1) The holder of any shares of Class A Convertible Preferred Stock shall have the right, at such holder's option, at any time and from time to time to convert any of such shares of Class A Convertible Preferred Stock into shares of Class A Common Stock at the rate of ten shares of Class A Common Stock for each share of Class A Convertible Preferred Stock (the "Conversion Rate"). A holder of Class A Convertible Preferred Stock may elect to convert by surrender of the certificates representing the shares of Class A Convertible

Preferred Stock so to be converted in the manner provided in Section 3(a)(iv)(3) of this Article IV. The Conversion Rate shall be subject to adjustment as set forth in Section 3(a)(iv)(4) of this Article IV.

(2) Upon the occurrence of an Event of Conversion, all shares of Class A Convertible Preferred Stock then outstanding shall, by virtue of, and simultaneously with, the occurrence of the Event of Conversion and without any action on the part of the holder thereof, be deemed automatically converted into shares of Class A Common Stock at the Conversion Rate as last adjusted and then in effect for the shares of Convertible Preferred Stock being converted.

(3) The holder of any shares of Convertible Preferred Stock may exercise the conversion right pursuant to Section 3(a)(iv)(1) of this Article IV as to any part thereof by delivering to the Corporation during regular business hours, at the office of any transfer agent of the Corporation for the Class A Convertible Preferred Stock or at such other place as may be designated by the Corporation, the certificate or certificates for the shares to be converted, duly endorsed or assigned in blank or to the Corporation (if required by it), accompanied by written notice stating that the holder elects to convert such shares.

(4) The Conversion Rate shall be subject to adjustment from time to time as follows:

(a) If at any time after the Effective Time the number of shares of Class A Common Stock outstanding is increased by a stock dividend payable in shares of Class A Common Stock or by a subdivision or stock split of shares of Class A Common Stock, then following the record date fixed for the determination of holders of Class A Common Stock entitled to receive such stock dividend, subdivision or stock split, the Conversion Rate shall be appropriately increased so that the number of shares of Class A Common Stock issuable on conversion of each share of Class A Convertible Preferred Stock shall be increased in proportion to such increase in outstanding shares.

(b) If at any time after the Effective Time the number of shares of Common Stock outstanding is decreased by a combination of the outstanding shares of Common Stock, then, following the record date for such combination, the Conversion Rate shall be appropriately decreased so that the number of shares of Class A Common Stock issuable on conversion of each share of Class A Convertible Preferred Stock shall be decreased in proportion to such decrease in outstanding shares.

(c) If, at any time after the Effective Time, there is any capital reorganization, or any reclassification of the stock of the Corporation (other than a change in par value or from par value to no par value or from no par value to par value or as a result of a stock dividend or subdivision, split-up or combination of shares), or the consolidation or merger of the Corporation with or into another person (other than a consolidation or merger in which the Corporation is the continuing corporation and which does not result in any change in the Common Stock) or of the sale or other disposition of all or substantially all the properties and assets of the Corporation as an entirety to any other person, each share of Class A Convertible Preferred Stock shall after such reorganization, reclassification, consolidation, merger, sale or other disposition be (unless, in the case of a consolidation, merger, sale or other disposition, payment shall have been made to the holders of all shares of Class A Convertible Preferred Stock of the full amount to which they shall have been entitled pursuant to Section 3(a)(iii) of this Article IV) convertible into the kind and number of shares of stock or other securities or property of the Corporation or of the corporation resulting from such consolidation or surviving such merger or to which such properties and assets shall have been sold or otherwise disposed to which the holder of the number of shares of Class A Common Stock deliverable (immediately prior to the time of such reorganization, reclassification, consolidation, merger, sale or other disposition) upon conversion of such share would have been entitled upon such reorganization, reclassification, consolidation, merger, sale or other disposition. The provisions of this subparagraph shall similarly apply to successive reorganizations, reclassifications, consolidations, mergers, sales or other dispositions.

(d) In the event of the occurrence of any event or transaction after the Effective Time not contemplated by Section 3(a)(iv)(4) of this Article IV that would require an adjustment to the Conversion Rate to remain consistent with the

intent and purpose of Section 3(a)(iv)(4) of this Article IV, then the Board of Directors shall make such adjustment to the Conversion Rate as they shall deem reasonable and consistent with the intentions and purposes of Section 3(a)(iv)(4) of this Article IV and general principles of equity.

(5) Whenever the Conversion Rate shall be adjusted as provided in Section 3(a)(iv)(4) of this Article IV, the Corporation shall forthwith file, at the office of the transfer agent for the Class A Convertible Preferred Stock or at such other place as may be designated by the Corporation, a statement, approved by its Board of Directors, showing in detail the facts requiring such adjustment and the Conversion Rate that shall be in effect after such adjustment. The Corporation shall also cause a copy of such statement to be sent by first class certified mail, return receipt requested and postage prepaid, to each holder of shares of Class A Convertible Preferred Stock at its address appearing on the Corporation's records. Where appropriate, such copy may be given in advance and may be included as part of a notice required to be mailed under the provisions of subparagraph (f).

(6) In the event the Corporation shall propose to take any action of the types described in clauses (a), (b), (c) or (d) of Section 3(a)(iv)(4) of this Article IV, the Corporation shall use reasonable efforts to give 30 days prior notice to each holder of shares of Class A Convertible Preferred Stock, in the manner set forth in subparagraph (e), which notice shall specify the record date, if any, with respect to any such action, the date on which such action is to take place and such facts with respect thereto as shall be reasonably necessary to indicate the effect of such action.

(7) The Corporation shall reserve, and at all times from and after the Effective Time keep reserved, free from preemptive rights, out of its authorized but unissued shares of Class A Common Stock, solely for the purpose of effecting the conversion of

the shares of Class A Convertible Preferred Stock, sufficient shares to provide for the conversion of all outstanding shares of Class A Convertible Preferred Stock.

(8) All shares of Class A Common Stock which may be issued in connection with the conversion provisions set forth herein will, upon issuance by the Corporation, be validly issued, fully paid and nonassessable.

(9) If at any time after the Effective Time stock of any class of the Corporation other than Class A Common Stock is delivered as a stock dividend on outstanding Common Stock, then in addition to any shares receivable upon conversion of Class A Convertible Preferred Stock, the holder shall upon such conversion be entitled to receive the same number of the shares of dividend stock plus any shares, securities or property issued upon any subsequent exchange, replacement, subdivision, or combination thereof, to which the holder would have been entitled had the Class A Convertible Preferred Stock been converted immediately prior to such stock dividend.

(v) Definitions.

(1) The term “Event of Conversion” shall mean the consummation of a public offering of shares of Common Stock of the Corporation pursuant to the Securities Act of 1933, as amended, (including the IPO) generating net proceeds to the Corporation of at least \$15 million and reflecting a per share price of at least \$3.75 per share of Common Stock.

(2) The term “Original Issuance Date,” for the purposes of this Amended and Restated Articles of Incorporation, shall mean the date of original issuance by JTH Tax, Inc., a Delaware corporation (predecessor to the Corporation), of each share of Class A Convertible Preferred Stock.

(3) The term “Original Issuance Price,” for the purposes of this Amended and Restated Certificate of Incorporation, shall mean \$1.25.

(4) The term “Purchase Agreement,” for the purposes of this paragraph 6.c., shall mean a certain Preferred Stock Purchase Agreement between the Corporation and an investor dated as of April 27, 1999.

(vi) Purchase Rights. If at any time the Corporation grants, issues or sells any options, convertible securities or rights to purchase stock, warrants, securities or other property pro rata to the record holders of Common Stock (the “Purchase Rights”), then each holder of Class A Convertible Preferred Stock will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which such holder could have acquired if such holder had held the number of shares of Class A Common Stock acquirable upon conversion of such holder’s Class A Convertible Preferred Stock immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights; or, if no such record is taken, the date as of which the record holders of Class A Common Stock are to be determined for the grant, issuance or sale of such Purchase Rights.

(b) Special Voting Preferred Stock. The Special Voting Preferred Stock shall have the following powers, designations, preferences and rights and qualifications, limitations and restrictions:

(i) Voting Rights. Except as otherwise provided herein or by applicable law, holders of Special Voting Preferred Stock shall be entitled to receive notice of all meetings of stockholders and shall vote as one class with the holders of Class A Common Stock based upon each share of Special Voting Preferred being entitled to vote as if it represented 100,000 shares of Class A Common Stock, and shall have no class or other voting rights.

(ii) Dividends. The holders of Special Voting Preferred Stock shall not be entitled to receive dividends in cash, stock or otherwise.

(iii) Conversion. The Special Voting Preferred Stock shall not be convertible into any other class or series of shares of the Corporation.

(iv) Redemption. The Corporation may redeem, purchase or acquire each outstanding share of Special Voting Preferred Stock, at a price of \$1.00 per share, upon notice to the holder thereof given contemporaneously with any redemption, exchange or other event that causes DataTax Business Services Limited to cease to hold any outstanding shares in the capital of Liberty Tax Holding Corporation, an Ontario corporation. In addition, upon any redemption, exchange or other event that causes DataTax Business Services Limited to cease to hold a portion of its outstanding shares in the capital of Liberty Tax Holding Corporation, an Ontario corporation, the Corporation may redeem, purchase, or acquire the outstanding shares of Special Voting Preferred Stock, at a price of \$1.00 per share, upon notice to the holder thereof given contemporaneously with such event, on the basis that one share of Special Voting Preferred Stock may be redeemed with respect to each 10,000 shares of Liberty Tax Holding Corporation (subject to adjustment for future issuances of shares of Liberty Tax Holding Corporation) subject to the redemption, exchange or other event. Upon redemption, purchase or other acquisition by the Corporation, the shares of Special Voting Preferred Stock shall no longer remain outstanding.

(c) Additional Series of Preferred Stock. The Board of Directors is authorized, subject to limitations prescribed by law, to provide by resolution or resolutions for the issuance of a share or shares of Preferred Stock in one or more series of Preferred Stock (in addition to the Class A Convertible Preferred Stock and the Special Voting Preferred Stock) and, by filing a certificate of designation pursuant to the DGCL setting forth a copy of such resolution or resolutions, to establish from time to time the number of shares to be included in each

A-7

such series, and to fix the designation, powers, preferences, and rights of the shares of each such series and the qualifications, limitations, and restrictions thereof. The authority of the Board of Directors with respect to any additional series of Preferred Stock shall include, but not be limited to, determination of the following:

- (ia) the number of shares constituting any series and the distinctive designation of that series;
- (iib) the dividend rate on the shares of any series, whether dividends shall be cumulative and, if so, from which date or dates, and the relative rights of priority, if any, of payment of dividends on shares of that series;
- (iiic) whether any series shall have voting rights, in addition to the voting rights provided by applicable law, and, if so, the number of votes per share and the terms and conditions of such voting rights;

- (ve) whether the shares of any series shall be redeemable and, if so, the terms and conditions of such redemption, including the date or dates upon or after which they shall be redeemable and the amount per share payable in case of redemption, which amount may vary under different conditions and at different redemption dates;
- (vif) whether any series shall have a sinking fund for the redemption or purchase of shares of that series, and, if so, the terms and amount of such sinking fund;
- (viig) the rights of the shares of any series in the event of voluntary or involuntary dissolution or winding up of the Corporation, and the relative rights of priority, if any, of payment of shares of that series; and
- (viiih) any other powers, preferences, rights, qualifications, limitations, and restrictions of any series.

Notwithstanding the provisions of Section 242(b)(2) of the DGCL, the number of authorized shares of Preferred Stock and Common Stock may, without a class or series vote, be increased or decreased (but not below the number of shares thereof then outstanding) from time to time by the affirmative vote of the holders of at least a majority of the voting power of the Corporation's then outstanding capital stock, voting together as a single class.

ARTICLE V

will a decrease in the number of directors shorten the term of any incumbent director.

Section 3. Removal of Directors. Except as may be provided in a resolution or resolutions of the Board of Directors providing for any series of Preferred Stock with respect to any directors elected by the holders of such series and except as otherwise required by applicable law, (a) any or all of the Class A Director Designees may be removed from office, with or without cause, only by the affirmative vote of the holders of at least a majority of the shares of the Class A Common Stock, entitled to vote generally in the election of directors, voting together as a single class, (b) any or all of the Class B Director Designees may be removed from office, with or without cause, only by the affirmative vote of the holders of at least a majority of the shares of the Class B Common Stock entitled to vote generally in the election of directors, voting together as a single class, and (c) any or all of the Class A Convertible Preferred Director Designees may be removed from office, with or without cause, only by the affirmative vote of the holders of at least a majority of the shares of the Class A Convertible Preferred Stock, entitled to vote generally in the election of directors, voting together as a single class.

Except as may be provided in a resolution or resolutions providing for any series of Preferred Stock with respect to any directors elected (or to be elected) by the holders of such series, any vacancies in the Board of Directors and any newly created directorships resulting by reason of any increase in the number of directors may be filled only by the affirmative vote of the holders of at least a majority of the shares of the applicable class of capital stock entitled to elect such director, voting together as a single class, and any

ARTICLE VI

DIRECTOR LIABILITY

A director of the Corporation shall not be liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation thereof is not permitted under the DGCL as it presently exists or may hereafter be amended. Any amendment, modification or repeal of the foregoing sentence shall not adversely affect any right or protection of a director existing hereunder with respect to any act or omission occurring prior to such amendment, modification or repeal.

ARTICLE VII

INDEMNIFICATION

Section 1. Right of Indemnification. The Corporation shall indemnify and hold harmless, to the fullest extent permitted by applicable law as it presently exists or may hereafter be amended, any person (a "Covered Person") who was or is made or is threatened to be made a party or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (a "Proceeding"), by reason of the fact that he or she, or a person for whom he or she is the legal representative, is or was a director or officer of the Corporation or, while a director or officer of the Corporation, is or was serving at the request of the Corporation as a director, officer, manager, employee or agent of another corporation or of a partnership, limited liability company, joint venture, trust, enterprise or nonprofit entity, including service with respect to employee benefit plans, against all liability and loss suffered and expenses (including attorneys' fees) reasonably incurred by such Covered Person. Notwithstanding the preceding sentence or Section 2 of this Article VII, except as otherwise provided in Section 3 of this Article VII, the Corporation shall be required to indemnify, or advance expenses to, a Covered Person in connection with a Proceeding (or part thereof) commenced by such Covered Person only if the commencement of such Proceeding (or part thereof) by the Covered Person was authorized by the Board of Directors.

The Corporation shall to the fullest extent not prohibited by applicable law pay the expenses (including attorneys' fees) incurred by a Covered Person in defending any Proceeding in advance of its final disposition, provided, however, that, to the extent required by law, such payment of expenses in advance of the final disposition of the Proceeding shall be made only upon receipt of an undertaking by the Covered Person to repay all amounts advanced if it should be ultimately determined that the Covered Person is not entitled to be indemnified under this Article VII or otherwise.

Section 3. Claims. If a claim for indemnification (following the final disposition of the Proceeding with respect to which indemnification is sought, including any settlement of such Proceeding) or advancement of expenses under this Article VII is not paid in full within thirty days after a written claim therefor by the Covered Person has been received by the Corporation, the Covered Person may file suit to recover the unpaid amount of such claim and, if successful in

whole or in part, shall be entitled to be paid the expense of prosecuting such claim to the fullest extent permitted by applicable law. In any such action the Corporation shall have the burden of proving that the Covered Person is not entitled to the requested indemnification or advancement of expenses under this Article VII and applicable law.

Section 4. Non-Exclusivity of Rights. The rights conferred on any Covered Person by this Article VIII shall not be exclusive of any other rights which such Covered Person may have or hereafter acquire under any statute, any other provision of this Second Amended and Restated Certificate of Incorporation, the Bylaws of the Corporation, or any agreement, vote of stockholders or disinterested directors or otherwise.

Section 5. Amendment or Repeal. Any right to indemnification or to advancement of expenses of any Covered Person arising hereunder shall not be eliminated or impaired by an amendment to or repeal of this Article VII after the occurrence of the act or omission that is the subject of the civil, criminal, administrative or investigative action, suit or proceeding for which indemnification or advancement of expenses is sought.

Section 6. Other Indemnification and Advancement of Expenses. This Article VII shall not limit the right of the Corporation, to the extent and in the manner permitted by law, to indemnify and to advance expenses to persons other than Covered Persons when and as authorized by appropriate corporate action.

ARTICLE VIII
