Item 1.01. Entry into a Material Definitive Agreement.

On January 7, 2016, Physicians Realty L.P. (the “Operating Partnership”) issued and sold \$150,000,000 aggregate principal amount of senior notes, comprised of (i) \$15,000,000 aggregate principal amount of 4.03% Senior Notes, Series A, due January 7, 2023 (the “Series A Notes”), (ii) \$45,000,000 aggregate principal amount of 4.43% Senior Notes, Series B, due January 7, 2026 (the “Series B Notes”), (iii) \$45,000,000 aggregate principal amount of 4.57% Senior Notes, Series C, due January 7, 2028 (the “Series C Notes”) and (iv) \$45,000,000 aggregate principal amount of 4.74% Senior Notes, Series D, due January 7, 2031 (the “Series D Notes,” and together with the Series A Notes, the Series B Notes and the Series C Notes, the “Notes”), pursuant to that certain Note Purchase and Guarantee Agreement, dated as of January 7, 2016 (the “Note Agreement”), among the Operating Partnership, Physicians Realty Trust (the “Company” and together with the Operating Partnership, the “Obligors”) and each of the Purchasers listed on Schedule A thereto (the “Purchasers”). The payment and performance by the Operating Partnership of its obligations under the Note Agreement and under the Notes are absolutely and unconditionally guaranteed by the Company (the “Parent Guarantee”) and may in the future be guaranteed by certain subsidiaries of the Obligors under certain circumstances.

The proceeds from the sale of the Notes were initially paid into an escrow account pending the completion of certain post-closing conditions and were subsequently released to the Operating Partnership upon satisfaction of such post-closing conditions on January 8, 2016. The proceeds are being used by the Obligors to repay certain borrowings under the existing Credit Agreement to which the Obligors are a party (as amended, the “Credit Agreement”) and for general corporate purposes.

The Series A Notes, the Series B Notes, the Series C Notes and the Series D Notes will accrue interest on the unpaid balance thereof at the rate of 4.03%, 4.43%, 4.57% and 4.74%, respectively, from January 7, 2016, payable semiannually on January 7 and July 7 of each year, commencing with July 7, 2016, until the principal has become due and payable. The Notes may be prepaid prior to their maturity date by the Operating Partnership, or the Operating Partnership may be required to prepay the Notes prior to their maturity date, in certain circumstances, subject to the payment of applicable premiums as required by the Note Agreement.

The Note Agreement contains covenants that are substantially similar to those contained in the Credit Agreement, including financial covenants that require compliance with leverage and coverage ratios and maintenance of minimum tangible net worth, as well as other affirmative and negative covenants that may limit, among other things, the Obligors' ability to incur additional debt, make distributions or investments, incur liens and sell, transfer or dispose of assets. The Note Agreement also includes customary representations and warranties and customary events of default substantially similar to those contained in the Credit Agreement.

The representations, warranties and covenants contained in the Note Agreement were made as of a specified date, may be subject to a contractual standard of materiality different from what might be viewed as material to investors, or may have been used for the purpose of allocating risk among the parties thereto. Accordingly, the representations and warranties in the Note Agreement are not necessarily characterizations of the actual state of facts of the Obligors and their subsidiaries at the time they were made or otherwise should be read only in conjunction with the other information that the Company makes publicly available in reports, statements and other documents filed with the Securities and Exchange Commission. Investors are not third-party beneficiaries of, and should not rely upon, such representations, warranties and covenants.

The Notes and related Parent Guarantee are the unsecured unsubordinated indebtedness of the Obligors and rank equal in right of payment with all other unsecured and unsubordinated Indebtedness of the Obligors.

The foregoing summary of the Note Agreement is qualified in its entirety by reference to the full text of such agreement, a copy of which is attached as Exhibit 10.1 hereto and incorporated by reference herein.
