Item 8.01. Other Events.

On August 5, 2016, Physicians Realty Trust (the “Company”) and its operating partnership, Physicians Realty L.P. (the “operating partnership”), entered into separate At Market Issuance Sales Agreements (the “Sales Agreements”) with each of KeyBanc Capital Markets Inc., Credit Agricole Securities (USA) Inc., JMP Securities LLC, Raymond James & Associates, Inc. and Stifel Nicolaus & Company, Incorporated (the “Agents”), pursuant to which the Company may issue and sell, from time to time, its common shares of beneficial interest, \$0.01 par value per share (the “Common Shares”), having an aggregate offering price of up to \$300 million, through the Agents. The Common Shares were registered pursuant to the Company's Registration Statement on Form S-3ASR (File No. 333-205034), which became automatically effective upon filing with the Securities and Exchange Commission (the “Commission”) on June 17, 2015, as amended by Post-Effective Amendment No. 1 to the Registration Statement on Form S-3ASR, filed by the Company with the Commission on January 19, 2016 (as amended, the “Registration Statement”). The Common Shares are being offered pursuant to a prospectus dated June 17, 2015, as supplemented by a prospectus supplement dated August 5, 2016, filed with the Commission pursuant to Rule 424(b) of the Securities Act of 1933, as amended (the “Act”).

In accordance with the Sales Agreements, the Company may offer and sell its common shares through any of the Agents, from time to time, by any method deemed to be an “at the market offering” as defined in Rule 415 under the Securities Act, which includes sales made directly on the New York Stock Exchange (the “NYSE”) or other existing trading market, or sales made to or through a market maker. With the Company’s express written consent, sales also may be made in negotiated transactions or any other method permitted by law. No Agent is required to sell any specific number or dollar amount of securities but will act as sales agent using commercially reasonable efforts consistent with its normal trading and sales practices and applicable state and federal laws, rules and regulations and the rules of the NYSE, to sell common shares up to the amount specified in, and otherwise in accordance with the terms of, a placement notice delivered by the Company to such Agent. Pursuant to the Sales Agreements, common shares may be sold through only one Agent on any given day.

Each time that the Company wishes to issue and sell common shares under a Sales Agreement with an Agent, the Company will provide such Agent with a placement notice describing the number or dollar amount of common shares to be issued, the time period during which sales are requested to be made and any minimum price below which sales may not be made.

The Company will pay each Agent a commission equal to up to 2% of the gross proceeds from each sale of common shares sold through such Agent under the applicable Sales Agreement. The net proceeds to the Company that it receives from sales of its common shares in the offering, if any, will depend on the number of common shares actually sold and the offering price for such common shares. The Company also has agreed to reimburse the Agents for certain expenses incurred in connection with entering into the Sales Agreements and have provided the Agents with customary indemnification rights.

The Company intends to contribute the net proceeds of the offering of common shares to the operating partnership in exchange for common units of partnership interest in the operating partnership, and the operating partnership intends to use the net proceeds received from the Company for general corporate purposes, which may include acquisitions of additional properties, the repayment of outstanding indebtedness, capital expenditures, the expansion, redevelopment and/or improvement of properties in the Company’s portfolio, working capital and other general purposes. An affiliate of KeyBanc Capital Markets Inc. is the administrative agent and a lender under the Company’s amended and restated credit agreement (the “Credit Agreement”), and an affiliate of each of Credit Agricole Securities (USA) Inc. and Raymond James & Associates, Inc. is a lender under the Credit Agreement. Stifel, Nicolaus & Company, Incorporated may pay an unaffiliated entity or its affiliate, who is also a lender under the Credit Agreement, a fee in connection with this offering. A portion of the proceeds of this offering may be used to repay amounts outstanding under the unsecured revolving credit facility contained in the Credit Agreement. An affiliate of each of KeyBanc Capital
