Item 3.02. Unregistered Sales of Equity Securities.

Physicians Realty Trust (the "Company"), through a subsidiary of its operating partnership, Physicians Realty L.P. (the "Operating Partnership"), entered into a contribution agreement effective as of September 21, 2017 (the "Contribution Agreement"), with HW MOB LLC ("Hazelwood") and Hazelwood Medical Building, LLC, to acquire a medical office building in Maplewood, Minnesota, comprising approximately 147,926 net leasable square feet (the "Hazelwood MOB") for an aggregate purchase price of approximately \$70.7 million, subject to certain closing adjustments. The closing of the acquisition is anticipated in the first quarter of 2018, at which time, subject to the satisfaction of the closing conditions under the Contribution Agreement, substantially all of the purchase price would be payable in Series A Preferred Units of the Operating Partnership ("Series A Preferred Units"). At closing, the Operating Partnership will issue to Hazelwood a number of Series A Preferred Units to be determined by a formula provided in the Contribution Agreement. In addition, the Contribution Agreement provides that additional Series A Preferred Units, in an amount to be determined by a formula provided in the Contribution Agreement, would be issuable to Hazelwood upon the satisfaction of certain post-closing conditions within 60 months from the closing.

The Contribution Agreement contains customary representations, warranties and covenants of the parties and is subject to the satisfaction of customary conditions to closing. Accordingly, there can be no assurance the Hazelwood MOB acquisition and the issuance of Series A Preferred Units will be completed.

The Company expects that in connection with the closing of the transactions contemplated by the Contribution Agreement, Hazelwood would become bound by the Second Amended and Restated Agreement of Limited Partnership of the Operating Partnership (the "Partnership Agreement"), which would entitle Hazelwood, at a future time, to cause the Operating Partnership to redeem the Series A Preferred Units in exchange for cash, or at the Operating Partnership's option, for the Company's common shares, pursuant to a formula provided in the Partnership Agreement which currently would result in the issuance of common shares constituting more than 1% of the number of the Company's common shares presently outstanding.

At closing, the Series A Preferred Units will be issued (a) in a private placement in reliance on Section 4(a)(2) of the Securities Act of 1933, as amended (the "Securities Act"), and the rules and regulations promulgated thereunder and (b) to an "accredited investor" within the meaning of Rule 501 of Regulation D under the Securities Act.

Item 7.01. Regulation FD Disclosure.

The information set forth in Item 8.01 of this report is incorporated herein by reference.

Item 8.01. Other Events.

On September 26, 2017, the Company announced that it, through its Operating Partnership, entered into a purchase and sale agreement, dated August 8, 2017 (the "Agreement"), with Gwinnett Medical Properties, Inc. ("Gwinnett") to acquire three on-campus medical office buildings located in Georgia, comprising an aggregate of approximately 269,393 net leasable square feet (the "Gwinnett MOBs"), for an aggregate purchase price of approximately \$100.7 million, subject to closing prorations and other adjustments. Two of the Gwinnett MOBs are located in Lawrenceville, Georgia, and the other MOB is located in Duluth, Georgia. The Gwinnett MOBs are 97.3% leased, with approximately 40% of the space leased by the hospital system, and the weighted average lease term remaining is 5.7 years. The closing of the Gwinnett MOBs acquisition is expected to occur in the fourth quarter of 2017, producing an expected first year cash yield of approximately 5.5%.

Each of the Gwinnett MOBs is affiliated with the Gwinnett Hospital System (Moody's: "A3"). The Gwinnett Hospital System and Northside Hospital have announced a proposed merger agreement, which is currently pending regulatory

approval.

The Agreement contains customary representations, warranties and covenants of the parties and is subject to the satisfaction of customary conditions to closing. Accordingly, there can be no assurance that the Company will complete the Gwinnett MOBs acquisition.

These forward-looking statements are subject to various risks and uncertainties, not all of which are known to the Company and many of which are beyond the Company's control, which could cause actual results to differ materially from such statements. These risks and uncertainties are described in greater detail in the Company's and the Operating Partnership's filings with the Securities and Exchange Commission (the "Commission"), including, without limitation, the Company's and the Operating Partnership's annual and periodic reports and other documents filed with the Commission.
