Item 8.01 Other Events.

On May 10, 2018, the Board of Directors of The New Home Company Inc. (the “Company”) approved a stock repurchase program (the “Repurchase Program”), authorizing the repurchase of the Company’s common stock with an aggregate value of up to \$15 million. Repurchases of the Company’s common stock may be made in open-market transactions, effected through a broker-dealer at prevailing market prices, in privately negotiated transactions, in block trades, or by other means in accordance with federal securities laws, including pursuant to any trading plan that may be adopted in accordance with Rule 10b5-1 of the Securities Exchange Act of 1934, as amended. The Repurchase Program does not obligate the Company to repurchase any particular amount or number of shares of common stock, and it may be modified, suspended or discontinued at any time. The timing and amount of repurchases, if any, will be determined by the Company’s management at its discretion and be based on a variety of factors, such as the market price of the Company’s common stock, corporate and contractual requirements, general market and economic conditions and legal requirements. The Company intends to retire any shares repurchased.

On May 14, 2018, the Company issued a press release announcing the stock repurchase authorization. The full text of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
